2. Participation in General Meeting:

A member entitled to attend and vote at the General Meeting shall be entitled to appoint another member, as his / her proxy to attend, demand or join in demanding a poll, speak and vote instead of him/her, and a proxy so appointed shall have such rights, with respect attending, speaking and voting at the meeting as are available to a member. Proxies in order to be effective must be received at the Company's Share Registrar's Office not later than 48 hours before the time of the meeting.

Members or their proxies are required to present their original CNIC or Passport along with the Participant's I.D. and Account Number(s) at the time of attending the Annual General Meeting in order to authenticate their identity.

Any Individual Beneficial Owner of CDC, entitled to vote at this Meeting, must bring his / her original CNIC to prove identity, and in case of proxy, a copy of shareholder's attested CNIC must be attached with the proxy form. Representatives of corporate members should bring the usual documents required for such purpose.

CDC Account Holders will also have to follow the under mentioned guidelines as laid down in Circular 1 dated January 26, 2000, issued by the Securities and Exchange Commission of Pakistan.

A. For attending the Meeting:

- i) In case of individuals, the account holder or subaccount holder and / or the person whose securities are in group account and their registration detail is uploaded as per the regulations, shall authenticate identity by showing his / her original CNIC or original passport at the time of attending the Meeting.
- In case of corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the nominee shall be produced (unless provided earlier) at the time of Meeting.

- iv) The proxy shall produce his original CNIC or original passport at the time of Meeting.
- v) In case of corporate entity, the Board of Directors' resolution / power of attorney with specimen signature shall be submitted (unless it has been provided earlier) along with proxy form to the Company.

3. Payment of Cash Dividend Electronically (Mandatory Requirement):

In accordance with the provisions of Section 242 of the Companies Act, 2017 and Companies (Distribution of Dividends) Regulations 2017, a listed company, is required to pay cash dividend to the shareholders only through electronic mode directly into the bank account designated by the entitled shareholders. In this regards, Artistic Denim Mills Limited has already sent letters and Electronic Credit Mandate Forms to the shareholders and also issued notice through publication in newspaper requesting the shareholders to comply with the requirement of providing their International Bank Account Number (IBAN).

Those shareholders who have still not provided their IBAN are once again requested to fill in "Electronic Credit Mandate Form" as reproduced below and send it duly signed along with a copy of valid CNIC to their respective CDC participant / CDC Investor account services (in case of shareholding in Book Entry Form) or to the Company's Share Registrar (in case of shareholding in Physical Form).

(i)	Shareholders details:	
	Name of the Shareholder(s)	
	Folio # / CDS Account No(s)	
	CNIC No (Copy attached)	
	Mobile / Landline No.	
(ii)	Shareholders' Bank details:	
	Title of Bank Account	
	International Bank Account Number (IBAN)	
	Bank's Name	
	Branch Name and address	

In the absence of IBAN, or in case of incomplete details, the Company will have to withhold the cash dividend according to SECP directives.

4. Withholding Tax on Dividend:

Currently Section 150 of the Income Tax Ordinance, 2001 prescribed following rates for deduction of withholding tax on the amount of dividend paid by the Company:

- a) For filers of Income Tax Returns 15%
- b) For non-filers of Income Tax Returns 20%

In case of joint account, each holder is to be treated individually as either a filer or non filer and tax will be deducted on the basis of shareholding of each joint holder as may be notified by the shareholder, in writing as follows, to our Share Registrar, or if not so notified, each joint holder shall be assumed to have an equal number of shares.

		No. of	Principal Shareholder		Joint Shareholder	
Company Name	Folio/CDS Account No.	Total	Name & CNIC No.	Shareholding Proportion (No. of shares)	Name & CNIC No.	Shareholding Proportion (No. of shares)

The CNIC / NTN number detail is now mandatory and is required for checking the tax status as per the Active Taxpayers List (ATL) issued by Federal Board of Revenue (FBR) from time to time. Since the list contains only CNIC / NTN number, we will be deducting tax @ 15% where CNIC / NTN number matches with the list provided by the FBR and in case of no match tax will be deducted at the rate of 20% as Tax Return Non-Filer.

In this connection, shareholders are hereby requested to provide to our Share Registrar attested copy of their CNIC / NTN to ascertain and match their CNIC / NTN with the list provided by the FBR for correct tax deduction from the dividend. In case you have already provided CNIC / NTN please ignore this notice.

5. Unclaimed Dividend:

Pursuant to the provision of Section 244 of the Companies Act, 2017 (the Act), any dividend and / or share certificate which remain unclaimed or unpaid for a period of three years from the date it become due and payable, the Company shall be liable to deposit those unclaimed / unpaid amounts with the Federal Government after compliance of procedures prescribed under the Act.

6. Exemption from deduction of Withholding Tax / Zakat:

Members seeking exemption from deduction of income tax or are eligible for deduction at a reduced rate, are requested to submit a valid tax exemption certificate or necessary documentary evidence as the case may be. Members desiring non-deduction of zakat are also requested to submit a valid declaration for non-deduction of zakat.

7. Change of Address:

Shareholders are requested to immediately notify the change of address, if any to the Company's Share Registrar.

STATEMENT UNDER SECTION 134(3) OF THE COMPANIES ACT, 2017

This statement sets out the material facts concerning the Special Business, given as agenda item no. 6 of the Notice to be transacted at the 26th Annual General Meeting of the Company.

ITEM NO. 6 OF THE AGENDA:

Artistic Denim Mills Limited is engaged in manufacture and sale of rope dyed denim fabric, yarn and value added textile products. The Company in the normal course of business carries out transactions with its associated companies. Summary of transactions carried out during the year with the associated companies is as follow:

S. No.	Name of Associated Company	Concerned / Interested Director	Nature of Transactions	Rupees in "000"
1	Casual Sportswear	Mr. Muhammad Ali Ahmed	Sales	223,996
2	Artistic Apparels (Pvt) Ltd.	Mr. Muhammad Yousuf Ahmed	Sales	150,962
3	DL1961 Premium Denim Inc.	Mrs. Maliha Faisal	Sales Reimbursement of expenses	918,749 62,704
4	Artistic Fabric & Garment Industries (Pvt) Ltd.	Mr. Muhammad Iqbal Ahmed	Sales Purchases Services rendered	110,249 3,694 36,365
5	Premium Distributors	Mr. Muhammad Ali Ahmed	Sales	62,440
6	Warp Weft LLC.	Ms. Sarah Faisal Ahmed	Sales Reimbursement of expenses	82,873 12,118

Majority of Directors of the Company were interested in these transactions due to common directorship in the associated companies, the required quorum of directors seemingly could not be formed for approval of these transactions which have to be approved by the shareholders in the General Meeting. Therefore, the transactions carried out during the financial year ended June 30, 2018 are being placed before the shareholders for their consideration and approval / ratification.

All related party transactions, during the year 2018, were reviewed and approved by the Audit Committee and the Board in their respective meetings. The transactions with related parties were carried out at arm's length prices determined in accordance with the comparable uncontrolled prices method.

The concerned Directors abstained while the Board approved the above transactions in accordance with the requirements of relevant provision of the Companies Act, 2017 and Listed Companies (Code of Corporate Governance) Regulations, 2017.

The above transactions with related parties are an ongoing process and will also remain continued in future.

None of the Directors other than the concerned Directors have any direct or indirect interest in the above mentioned associated companies and have no interest in the above business, other than shareholders of the Company.

CHAIRMAN'S REVIEW

REVIEW REPORT BY THE CHAIRMAN ON THE OVERALL PERFORMANCE OF THE BOARD AND EFFECTIVENESS OF THE ROLE PLAYED BY THE BOARD IN ACHIEVING THE COMPANY'S OBJECTIVES

Pursuant to the provisions of the Listed Companies Code of Corporate Governance Regulations, 2017, an annual evaluation of the Board of Directors (the "Board") of Artistic Denim Mills Limited (the "Company") was carried out. The purpose of evaluation was to examine those key areas where the Board requires clarity in order to provide high level oversight, including: the strategic process; key business drivers and performance milestones; the global economic environment and competitive context in which the Company operates; the risks faced by the business; Board dynamics; capability and alignment; reputation; and information flows.

I report that the overall performance of the Board has remained satisfactory on the basis of criteria set for the purpose. Following are the integral components of evaluation criteria to judge the performance of the Board and to achieve the Company's objectives:

- Compliance with the legislative system in which Company operates, including Companies Act, 2017 (previously Companies Ordinance, 1984), Listing Regulations of Pakistan Stock Exchange Limited, the Memorandum and Articles of Association of the Company.
- Active participation in strategic planning process, enterprise risk management system, policy development, financial structure, monitoring and approval.
- Hiring, evaluating, compensating and supporting the Executive Directors and other key positions including Chief Executive.
- Appropriate constitution of Board Committees with members possessing adequate technical knowhow and experience.
- Establishing adequate system of internal controls in the Company and its regular assessment through self-assessment mechanism or/and internal audit activities.
- Ensuring presence of required quorum in Board and Committees' meeting.
- Ensuring orientation and training of Board of Directors to enable them to perform their duties in an effective manner.

MUHAMMAD IQBAL AHMED

Chairman

Karachi: September 29, 2018

REPORT OF THE DIRECTORS TO THE MEMBERS

The Directors of the Company are pleased to present their Report together with the Audited Financial Statements of the Company for the financial year ended June 30, 2018.

OPERATING FINANCIAL RESULTS

Financial Results of the Company for the year under review are summarized as follows:

	Rs. in ('000')
Profit for the year before taxation	600,077
Taxation	(83,546)
Net Profit for the year	516,531
Un-appropriated profit brought forward	4,918,905
Other comprehensive income	1,109
Profit available for appropriation	5,436,545
Appropriations:	
Final Dividend for year ended June 30, 2017	
Cash	(176,400)
Un-appropriated profit carried forward	5,260,145

PERFORMANCE REVIEW

The net sales of the Company for the year under review amounted to Rs. 8,240 (June 30, 2017: Rs. 6,907) million, grew by 19.31% despite slow demand of textile products in international market. Growth in sales was achieved in both denim fabric and garment segment.

For the year under review, gross profit increased from Rs. 740 million to Rs. 792 million in absolute terms and as a percentage of net sales decreased from 10.71 percent to 9.61 percent. The decrease in gross margin as a percentage of net sales was due to increase in cost of doing business, escalating labor costs and increase in prices of other inputs.

Other operating income increased from Rs. 100 million to Rs. 268 million, an increase of Rs. 168 million from the previous year was due to realized and unrealized exchange gain on exports.

Finance cost slightly increased from Rs. 88 million to Rs. 92 million due to increase in working capital requirements.

Net profit for the year stood at Rs. 517 million, grew by 20.28% vis-à-vis the previous year. The Company's net margin for the year stood at 6.27%. Earnings per Share (EPS) stood at Rs. 6.15 as against Rs. 5.11 of last year.

DIVIDEND

The Directors of the Company are pleased to recommended a final cash dividend of Rs. 2.50/= per share for the financial year ended June 30, 2018 (June 30, 2017: Rs. 2.10/= per share), subject to shareholders' approval at the forthcoming Annual General Meeting. The total amount of dividend to be paid to the shareholders will be Rs. 210 million.

CASH FLOW STATEMENT

The Company has an effective Cash Flow Management in place to project inflows and outflows of cash and develop strategies to meet working capital requirements through cash inflows and short term borrowings. In year 2018 the Company generated Rs. 567.591 (2017: Rs. 154.646) million from operating activities. The inflow from operating activities was largely a result of higher cash earnings. Cash generated from operating activities was used on capital expenditure and payment of dividend.

SALES AND MARKETING

With a track record of over 27 years of experience, ADM prides itself at providing its customers the best possible denim brands. ADM continued to participate in exhibitions in Europe and US to achieve better customer connections with denim brands.

As part of sustainable development initiatives, the Company is working on new developments to maximize value creation. New products are being produced using Organic Cotton and BCI Cotton to stay competitive in the marketplace.

FUTURE OUTLOOK

Pakistan's textile exports have shown 8.67 percent growth during last fiscal year mainly due to sharp rupee depreciation, improvement in energy supply, partially releasing of refunds and cash subsidies under the Export Package.

However, outlook for the Pakistan textile industry will continue to remain challenging due to various reasons such as ever increasing cost of doing business, decline in cotton production, unstable international selling prices and inappropriate policy environment. In addition to economic issues, Pakistan's textile industry is also facing strong competition from the regional competitors as well as from the global competitors.

Despite an ever challenging economic and business environment, the Company has been investing in value addition which is an ongoing process to increase productivity and efficiency and it is expected to be a key part of our growth strategy. Overall we are committed to maintain a positive momentum and to achieve profitable growth and operational excellence.

CORPORATE AND FINANCIAL REPORTING FRAMEWORK

The Directors confirm the compliance with Corporate and Financial Reporting Framework of the Securities and Exchange Commission of Pakistan and Code of Corporate Governance for the following matters:

- The financial statements, prepared by the management of the Company, present fairly, its state of affairs, the results of its operations, cash flows and changes in equity.

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Artistic Denim Mills Limited (the Company)

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of **Artistic Denim Mills Limited** for the year ended **30 June 2018** in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended **30 June 2018**.

INDEPENDENT AUDITORS' REPORT

To the members of Artistic Denim Mills Limited Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Artistic Denim Mills Limited (the Company), which comprise the statement of financial position as at 30 June 2018, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2018 and of the profit, comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Tel: + 9221 3565 0007-11 Fax:+ 9221 3568 1965 ey.khi@pk.ey.com ev.com/pk

Following is the Key audit matter:

Key audit matters

How our audit addressed the Key audit matters

1. Existence and Valuation of stock in trade

As disclosed in note 12 to the accom-panying financial statements, the stock in trade balance constitutes 17% of total assets of the Company. The cost of Work in Process (WIP) and finished goods is determined at average manufacturing cost including a proportion of production overheads.

We focused on stock in trade as it is a significant portion of company's total assets and it requires management judgment in determining an appropriate costing basis and assessing its valuation.

We performed a range of audit procedures with respect to inventory items including, amongst others physical observation of inventory counts, testing valuation methods and their appropriateness in accordance with the applicable accounting standards. We also tested the calculations of per unit cost of finished goods and WIP and assessed the appropriateness of management's basis for the allocation of cost and production overheads.

We also assessed the adequacy of the disclosures made in respect of the accounting policies and the details of inventory balances held by the Company at the year end.

2. Revenue from related party transactions and disclosures

The Company generates revenue, from sales to related parties, of Rs.1,549.27 million which comprises of 19% of the total revenue as disclosed in note 39 to the accompanying financial statements.

Due to the significance of related party transactions to the overall operations of the Company and the accuracy, completeness of disclosures of such transactions and year end balances, we have considered the same to be a key audit matter.

Our procedures, in relation to the accuracy, existence and completeness of disclosure of related parties and its transactions amongst others, includes following:

- Evaluation of the appropriateness of management's process for identifying and recording related party transactions;
- Reviewed minutes of the meetings of audit committee and those charged with governance for recommendation and approval of transactions with related parties respectively;
- Inspection of invoices, on a sample basis, and obtained direct confirmation from related parties;
- Obtained written representation from management concerning completeness of information provided regarding the identification of related parties; and
- We assessed the adequacy and appropriateness of the disclosures made in respect of the related parties balances and transactions in accordance with accounting and reporting standards as applicable in Pakistan.

Key audit matters

How our audit addressed the Key audit matters

3. Capital Expenditures

As disclosed in note 7.1 to the accom-panying financial statements, the Company has incurred significant amount of capital expenditure during the year.

We focused on capital expenditure incurred during the year as this represents a significant transaction for the year and involves certain judgmental areas, such as capitalization of elements of eligible components of cost as per the applicable financial reporting standards, therefore, we have identified this as a key audit matter

Our key audit procedures in this area included, amongst others, obtaining an understanding of the Company's process with respect to capital expenditure and testing controls relevant to such process.

We performed substantive audit procedures through inspection of related documents supporting various components of the capitalized costs

We also considered whether the items of cost capitalized meet the recognition criteria of an asset in accordance with the applicable financial reporting standards.

We reviewed management's estimates about the useful life of assets so capitalized and consequent depreciation rates used by the Company.

We further assessed the adequacy of financial statements disclosures in accordance with the applicable financial reporting framework.

4. New Companies Act, 2017 (the Act) and its impact on the financial statements

The Companies Act, 2017 (the Act) became applicable for the first time for the preparation of the Company's annual financial statements for the year ended 30 June 2018.

The Act forms an integral part of the statutory financial reporting framework as applicable to the Company and amongst others, prescribes the nature and content of disclosures in relation to various elements of the financial statements.

In case of the Company, a summary of key additional disclosures and changes to the existing disclosures have been stated in note 3.1 to the accompanying financial statements.

The aforementioned changes and enhancements in the financial statements are considered important and a key audit matter because of the volume and significance of the changes in the financial statements resulting from the transition to the new reporting requirements under the Act.

We assessed the procedures applied by the management for identification of the changes required in the financial statements due the application of the Act. We considered the adequacy and appropriateness of the additional disclosures and changes to the previous disclosures based on the new requirements. We also evaluated the sources of information used by the management for the preparation of the above referred disclosures and the internal consistency of such disclosures with other elements of the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

EY Ford Rhodes Chartered Accountants Progressive Plaza, Beaumont Road P.O. Box 15541, Karachi 75530 Pakistan Tel: + 9221 3565 0007-11 Fax:+ 9221 3568 1965 ey.khi@pk.ey.com ev.com/pk

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
 the disclosures, and whether the financial statements represent the underlying transactions
 and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

NOTES TO THE FINANCIAL STATEMENTS

for the year ended June 30, 2018

1 THE COMPANY AND ITS OPERATIONS

1.1 Artistic Denim Mills Limited (the Company) was incorporated in Pakistan on May 18, 1992 under the repealed Companies Ordinance, 1984 and is currently listed on Pakistan Stock Exchange Limited. The principal activity of the Company is to manufacture and sell rope dyed denim fabric, yarn and value added textile products.

The registered office and factory premises of the Company is situated at Plot No. 5 - 9, 23 - 26, Sector 16, Korangi Industrial Area, Karachi.

2 SIGNIFICANT TRANSACTIONS AND EVENTS THAT AFFECTED THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

Following is the summary of significant transactions and events that have affected the financial position and performance of the Company:

- Capital expenditure made during the year in respect of garment division note 7.1
- Declared and paid dividend for the year ended 30 June 2017.

3 BASIS OF PREPARATION

3.1 Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for financial reporting. The accounting and reporting standards as applicable in Pakistan comprise of International Financial Reporting Standards (IFRS), issued by International Accounting Standard Board (IASB) as notified under Companies Act, 2017 (the Act) and, provisions of and directives issued under the Act. Where the provisions of and directives issued under the Act differ from the IFRS standards, the provisions of and directives issued under the Act have been followed.

The Act has also brought certain changes with regard to the preparation and presentation of these financial statements. These changes, amongst others, included change in respect of nomenclature of these financial statements. Further, the disclosure requirements contained in the fourth schedule of the Act have been revised, resulting in elimination of duplicative disclosure with the IFRS disclosure requirements and incorporation of additional amended disclosures including, but not limited to, significant transactions and events (refer note 2), particulars of immovable assets of the Company (refer note 7.1.1), outstanding debts in respect of export sales (refer note 13.1) management assessment of sufficiency of tax provision in the financial statements (refer note 33.2), change in threshold for identification of executives (refer note 37), associated companies incorporated outside Pakistan (refer note 39.2) etc.

3.2 Basis of Measurement

These financial statements have been prepared under the historical cost convention unless otherwise specifically stated.

4 STANDARDS, INTERPRETATIONS AND AMENDMENTS APPLICABLE TO FINANCIAL STATEMENTS

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as described below:

ARTISTIC DENIM MILLS LIMITED

New Standards, Interpretations and Amendments

The Company has adopted the following accounting standards and the amendments and interpretations of IFRS's which became effective for the current year:

- IAS 7 Statement of Cash Flows Disclosure Initiative (Amendment)
- IAS 12 Income Taxes Recognition of Deferred Tax Assets for Unrealized losses (Amendments)

The adoption of the above amendments to accounting standards did not have any material effect on the financial statements.

Standards, interpretations and amendments to accounting and reporting standards that are not yet effective

The following standards, amendments and interpretations with respect to the accounting and reporting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard	d or interpretation	Effective date (annual periods beginning on or after)
IFRS 2	Classification and Measurement of Share-based Payments Transaction: – (Amendments)	s 01-Jan-18
IFRS 4	Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts – (Amendments)	01-Jan-18
IFRS 9	Financial Instruments	01-Jul-18
IFRS 9	Prepayment Features with Negative Compensation – (Amendments)	01-Jan-19
IFRS 15	Revenue from Contracts with Customers	01-Jul-18

IFRIC 22	Foreign Currency Transactions and Advance Consideration	01-Jan-18
IFRIC 23	Uncertainty over Income Tax Treatments	01-Jan-19

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application except for IFRS 15 "Revenue from Contracts with Customers". The Company is yet to assess the full impact of the said standard.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2016 and December 2017. Such improvements are generally effective for accounting periods beginning on or after 01 January 2018 and 01 January 2019 respectively. The Company expects that such improvements to the standards will not have any material impact on the Company's financial statements in the period of initial application.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after 1 January 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

5 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods. The management continually evaluates estimates and judgments which are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under current circumstances. Revisions to accounting estimates are recognised prospectively.

In the process of applying the accounting policies, the management has made the following estimates and judgments which are significant to the financial statements:

- determining the residual values and useful lives of property, plant and equipment (Note 6.1);
- impairment of inventories / adjustment of inventories to their Net realisable Value (Note 6.3);
- recognition of staff retirement benefits (Note 6.13);
- provisions (Note 6.12);
- recognition of taxation and deferred taxation (Note 6.14);
- impairment of assets (Note 6.3); and
- contingencies and commitments (Note 25).

6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

6.1 Property, plant and equipment

6.1.1 Operating fixed assets

These are stated at cost less accumulated depreciation and impairment, if any.

Depreciation on all operating fixed assets except leasehold land, is charged to profit or loss account, applying the reducing balance method whereby the cost of an asset, less their residual value, is written off over its estimated useful life. Leasehold land is amortised using the straight line method over its lease term. The rates used are stated in note 7.1 to the financial statements.

In respect of additions and deletions of assets during the year, depreciation is charged from the month of acquisition, when the asset is available for use and up to the month preceding the deletion, respectively.

The carrying values of operating fixed assets are reviewed at each reporting date for indication that an asset may be impaired and carrying values may not be recovered. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash generating units are written down to their recoverable amount. The recoverable amount of property, plant and equipment is the greater of net selling price and value in use.

Normal repair and maintenance is charged to profit or loss account as and when incurred. Major renewals and improvements, if any, are capitalized when it is probable that respective future economic benefits will flow to the Company.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposal of property, plant and equipment are taken to the profit or loss account.

6.1.2 Capital work-in-progress

Capital work-in-progress is stated at cost less impairment, if any. It consists of expenditure incurred and advances made in respect of operating fixed assets in the course of their construction, installation and acquisition. These are transferred to specific assets as and when these are available for use.

6.2 Intangible assets

These are stated at cost less accumulated amortization and impairment, if any.

Amortization is charged to profit or loss account applying the straight line method whereby the cost of the intangible less their residual value, is written off over its estimated useful life, at the rates disclosed in note 8 to the financial statements.

The carrying values of intangible assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount.

6.3 Impairment - Non financial assets

The carrying value of non-financial assets other than inventories is assessed at each reporting date to determine whether there is any indication of impairment. If any such indications exist, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. The fair value less costs to sell calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs to sell of the asset. In determining fair value less costs to sell, the recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other fair value indicators.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the profit or loss account.

6.4 Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset. All other borrowing costs are charged to the profit or loss account.

6.5 Stores and spares

Stores and spares are valued at cost, determined on a first-in-first-out (FIFO) basis. Provision is made for any slow moving and obsolete items.

Items in transit are valued at cost comprising invoice values plus other charges incurred thereon up to reporting date.

6.6 Stock-in-trade

Stock-in-trade is valued at the lower of cost and net realisable value.

Cost of raw and packing materials is determined using FIFO basis except for those in transit which are stated at invoice price plus other charges incurred thereon up to the reporting date.

Finished goods and work-in-process consist of cost of direct materials and labour and a proportion of manufacturing overheads based on normal capacity. Cost is determined on FIFO basis.

Net realisable value signifies the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

6.7 Trade debts

Trade debts are recognised and carried at original invoice amount less provision for doubtful debts. When the recovery of the amount is considered uncertain by the management, a provision is made for the same. Bad debts are written-off when identified.

6.8 Loans, advances and other receivables

These are recognised at cost, which is the fair value of the consideration given. However, an assessment is made at each reporting date to determine whether there is an indication that assets may be impaired. If such indication exists, the estimated recoverable amount of that asset is determined and any impairment loss is recognised for the difference between the recoverable amounts.

6.9 Cash and cash equivalents

These are carried in the statement of financial position at cost. For the purpose of the cash flow statement, cash and cash equivalents comprise cash at bank and in hand net of outstanding balance of running finance facilities availed by the Company, if any.

6.10 Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

Loans and borrowings are subsequently stated at amortised cost with any difference between the proceeds (net of transaction cost) and the redemption value recognised in the profit or loss account over the period of the borrowing using the effective interest method.

Gains and losses are recognised in profit or loss account when the liabilities are derecognised as well as through amortisation process.

6.11 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Company.

6.12 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

6.13 Staff gratuity – Defined Benefit Plan

The Company operates an unfunded gratuity plan (defined benefit scheme) for all its permanent employees. Provision is made annually, to cover obligations under the plan, by way of a charge to profit or loss account, calculated in accordance with the actuarial valuation.

6.14 Taxation

Current

The Company falls under the final tax regime under Section 169 of the Income Tax Ordinance, 2001. Provision for tax on other income is based on taxable income, other than covered under FTR, at the rates applicable for the current tax year, after considering the rebates and tax credits available, if any.

Deferred

Since the income of the Company is subject to tax under Final Tax Regime, no deferred tax liability has been accounted for in these financial statements as the Company's tax liability will be assessed under the said regime and, hence, no temporary differences are likely to arise.

6.15 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Specific revenue recognition criteria are as follows:

- (i) Sales are recorded when significant risk and rewards are transferred to the customer;
- (ii) Dividend income is recognised when the Company's right to receive payment is established; and
- (iii) Other revenue is accounted for on accrual basis.

6.16 Foreign currency translation

Foreign currency transactions during the year are recorded at the exchange rates approximating those ruling on the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange which approximate those prevailing on the reporting sheet date. Gains and losses on translation are taken to profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

6.17 Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position, if the Company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

6.18 Dividends and appropriation to general reserve

Dividends and appropriation to general reserves are recognised in the financial statements in the period in which these are approved.

38. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks i.e. market risk (including Interest rate risk, foreign currency risk and equity risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

The Company's senior management provides policies for overall risk management, as well as policies covering specific areas such as foreign exchange risk, interest rate risk, credit risk, use of financial derivatives, financial instruments and investment of excess liquidity.

The Board of directors reviews and agrees policies for managing each of these risks which are summarised below:

38.1 Market risk

Market risk is the risk that fair value of future cash flows will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency risk, interest rate risk and other price risk, such as equity risk.

Financial instruments affected by market risk include trade debtors, trade payables, bank balances, long-term financing and short-term borrowings.

38.1.1 Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in the market interest rates. The Company's interest rate risk arises from long-term and short-term borrowings obtained with floating rates. The Company is currently exposed to interest rate risk as some of the borrowings of the Company are at floating rate of interest. All the borrowings of the Company are obtained in the functional currency.

Sensitivity Analysis:

The following table demonstrates the sensitivity to a reasonably possible change in interest rate by 100 bps, with all other variables held constant, of the Company's profit before tax.

38.1.2 Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expenses are denominated in a different currency from the Company's functional currency). The Company's exposure to foreign currency risk is as follows:

	June 30, 2018	June 30, 2017	
	Rupees in '000		
Trade debts	1,627,853	1,391,148	
Cash and bank balances	6,362	7,478	
Trade and other payables	(62,691)	(73,460)	
	1,571,524	1,325,166	
The following significant exchange rates have been applied at the reporting dates:			
Exchange rates (PKR/USD)	121.40	104.80	

The foreign currency exposure is partly covered as the majority of the Company's billing is determined in dollars which is converted into rupees at the exchange rate prevailing at the transaction date.

Sensitivity analysis:

The following table demonstrates the sensitivity to a reasonably possible change in the US dollar exchange rate, with all other variables held constant, of the Company's profit before tax.

	Change in US Dollar Rate (%)	Effect on profit / (loss) Rupees in '000
June 30, 2018	+10	157,152
	-10	(157,152)
June 30, 2017	+10	132,517
	-10	(132,517)

38.1.3 Equity risk

At the reporting date, the Company is not exposed to any such risk.

38.2 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry.

The Company is mainly exposed to credit risk on trade debts and bank balances. The Company seeks to minimise the credit risk exposure through having exposure only to customers considered credit worthy and obtaining securities where applicable. As of the reporting date, the Company is exposed to credit risk on the following assets:

		June 30, 2018	June 30, 2017
	Note	Rupees	in '000
Long-term loans	9	7,644	3,990

Other receivable	16	3,671	2,214
Bank balances	17	85,165	63,218
		1,912,751	1,571,266

38.2.1 Credit quality of financial assets

The credit quality of financial assets that are neither past nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates:

		June 30, 2018	June 30, 2017	
		Rupees in '000

A-1+	JCR - VIS	8,081	1,633	
F1	FITCH	484	1,362	
		85,165	63,218	

38.3 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due.

The Company applies prudent liquidity risk management by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. At the reporting date the Company has unavailed credit facility of Rs. 1,250 (2017: Rs.1,250) million.

Table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Effective interest / yield rates for the financial liabilities are mentioned in the respective notes to the financial statements.

38.4 Capital management

The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize shareholder value.

The Company manages its capital structure and makes adjustments to it, in the light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

No changes were made in the objectives, policies or processes during the years ended June 30, 2018 and June 30, 2017.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents. Capital includes equity attributable to the equity holders add reserves.

40. FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying values of the financial assets and financial liabilities approximate their fair values. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair value hierarchy

The different levels to analyse financial assets carried at fair value have been defined as follows:

Level 1: Quoted market price

Level 2: Valuation techniques (market observable); and Level 3: Valuation techniques (non-market observables)

As of the reporting date, the Company does not have any financial assets carried at fair value that required categorization in Level 1, Level 2 and Level 3.
