Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How the matter was addressed in our audit
<p>1. Tax contingencies</p> <p>(Refer notes 28.1.1 to the accompanying financial statements)</p> <p>The Company has contingent liabilities in respect of income tax matters, which are pending adjudication at various levels with the taxation authorities and other legal forums.</p> <p>Contingencies require management to make judgements and estimates in relation to the interpretation of tax laws, statutory rules and regulations, and the probability of outcome and financial impact, if any, on the Company for disclosure and recognition and measurement of any provisions that may be required against such contingencies.</p> <p>Due to significance of amounts involved, inherent uncertainties with respect to the outcome of matters and use of significant management judgements and estimates to assess the same including related financial impacts, we considered contingent liabilities relating to income tax a key audit matter.</p>	<p>Our audit procedures in respect of tax contingencies included, amongst others, we obtained and reviewed details of the pending tax related matters and discussed the same with the Company's management.</p> <p>We reviewed the correspondence of the Company with the relevant authorities, tax advisors, and legal advisors, including judgments or orders passed by the competent authorities in relation to the issues involved or matters which have similarities with the issues involved.</p> <p>We obtained and reviewed confirmations from the Company's external legal and tax advisors for their views on the probable outcome of the open tax assessments and other tax related contingencies.</p> <p>We involved internal tax professionals to assess management's conclusions on contingent tax matters and to evaluate the consistency of such conclusions with the views of the external tax advisors engaged by the Company.</p> <p>We also evaluated the requirement of making provision against any contingencies, and the adequacy of disclosures made in respect of tax contingencies in accordance with the requirements of the financial reporting standards as applicable in Pakistan.</p>

Key audit matter	How the matter was addressed in our audit
<p>constitutes 82% of the total assets of the Company and is measured at the lower of cost or net realizable value (NRV).</p> <p>Due to its materiality and significance in terms of judgements and estimates involved in capitalization of cost incurred as a part of Project and valuation of underlying DP, we have considered this a key audit matter.</p>	<p>We also tested the development expenditure incurred and capitalised during the year from agreements, invoices and related documents supporting various components of the Project costs and checked related approvals. We also reviewed the minutes of the meetings at the Board level to identify any indicators of impairment.</p> <p>We assessed the NRV of the DP and compared with the cost on sample basis to ascertain the recording of DP at lower of cost or NRV.</p> <p>We also reviewed the related disclosures in accordance with the applicable financial reporting standards.</p>

3. Preparation of financial statements under Companies Act, 2017

(Refer note 3 to the accompanying financial statements)

The Companies Act, 2017 (the Act) became applicable for the first time for the preparation of the Company's annual financial statements for the year ended 30 June 2018.

The Act forms an integral part of the statutory financial reporting framework as applicable to the Company and amongst others, prescribes the nature and content of disclosures in relation to various elements of the financial statements.

In the case of the Company, specific additional disclosures and changes to the existing disclosures have been included in note 3 to the financial statements.

We considered the adequacy and appropriateness of the additional disclosures and changes to the previous disclosures based on the new requirements. We also evaluated the sources of information used by the management for the preparation of the above referred disclosures and the internal consistency of such disclosures with other elements of the financial statements.

In respect of the change in accounting policies for the measurement and presentation of revaluation surplus and preference shares as referred to notes 5.4 and 5.10 to the financial statements, we assessed the accounting implications in accordance with the applicable financial reporting standards and evaluated its application in the context of the Company.

Key audit matter	How the matter was addressed in our audit
<p>application of the Act with retrospective effect. The impact of the said change in accounting policies has been disclosed in notes 5.4 and 5.10 to the financial statements.</p> <p>The above changes and enhancements in the financial statements are considered important and a key audit matter because of the volume and significance of the changes in the financial statements resulting from the transition to the new reporting requirements under the Act.</p>	<p>We also tested the development expenditure incurred and capitalised during the year from agreements, invoices and related documents supporting various components of the Project costs and checked related approvals. Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

The preparation of financial statements in conformity with the accounting and reporting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The areas where assumptions and estimates are significant to the Company's financial statements or where judgment is exercised in application of accounting policies are as follows:

(i) Freehold land under property, plant and equipment

The Company carries freehold land at revalued amount, with changes in fair value being recognised in the other comprehensive income or loss. An independent valuation specialist is engaged by the Company to assess fair value of freehold land based on values with reference to market-based evidence, using comparable prices adjusted for specific market factors such as nature, location and condition of the property.

(ii) Development properties

The Company reviews the net realisable value of development properties to assess any diminution in the respective carrying values. Net realisable value is determined with reference to estimated selling price less estimated expenditure to make the sales.

(iii) Recognition of tax and deferred tax

The provision for taxation is accounted for by the Company after taking into account the relevant laws and decisions taken by appellate authorities. Instances, where the Company's view differs from the view taken by the tax authorities at the assessment stage and where the Company considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities / assets.

5.3 Property, plant and equipment

Owned

Property, plant and equipment, except for freehold land are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is stated at revalued amount, which is the fair value at the date of revaluation. Subsequently, these are stated at revalued amounts less subsequent impairment losses, if any. Depreciation is charged to profit or loss applying the reducing balance method. Depreciation on additions during the year is charged from the month of addition when the asset is available for use, whereas, no depreciation is charged in the month of disposal.

Rates of depreciation which are disclosed in note 7.1 to these financial statements are designed to write-off the cost over the estimated useful lives of the assets.

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

Major renewals and improvements for assets are capitalised and the assets so replaced, if any, are retired. Maintenance and normal repairs are charged to profit or loss, as and when incurred.

Assets residual values, useful lives and method of depreciation are reviewed and adjusted, if appropriate at each reporting date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Valuations are performed frequently enough to ensure that the fair value of a revalued asset does not differ materially from its carrying amount at the reporting date.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is charged to profit or loss.

Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any, and consists of expenditure incurred and advances made in respect of operating fixed assets in the course of their acquisition, erection, construction and installation. The assets are transferred to relevant category of operating fixed assets when they are available for use.

Leased

Finance leases, which transfer to the Company, all the risks and benefits incidental to ownership of leased items are capitalised at the inception of lease. Assets subject to finance lease are initially recorded at the lower of the present value of minimum lease payments under the lease agreements and the fair value of the leased assets. The related obligation under the lease less financial charges allocated to future period are shown as a liability. Income arising from sale and leaseback transactions, if any, is deferred and is amortised equally over the lease period.

Financial charges are calculated at the interest rate implicit in the lease and are charged to profit or loss. Leased assets are depreciated on a reducing balance method at the same rate as Company's owned assets as disclosed in note 7.1 to these financial statements.

5.4 Surplus on revaluation of freehold land

A revaluation surplus is recorded in other comprehensive income and credited to the asset revaluation surplus in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in profit or loss, the increase is recognised in profit or loss. A revaluation deficit is recognised in the profit or loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation surplus. Upon disposal, any revaluation surplus relating to the particular asset being sold is transferred to unappropriated profit.

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

During the year, the Company has changed its accounting policy for presentation and measurement of surplus on revaluation of freehold land, due to adoption of the Companies Act, 2017 (the Act), which became applicable for the first time for the preparation of the Company's annual financial statements for the year ended June 30, 2018. The above change in the accounting policy has been applied retrospectively and comparative information have been restated in accordance with the requirement of International Accounting Standard (IAS) – 16 "Property, Plant and Equipment" and IAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors". Due to the above change in accounting policy, the Company has presented its statement of financial position as at the beginning of the earliest comparative period i.e., July 01, 2016, in accordance with requirement of IAS 1 – Presentation of Financial Statements (Revised) (IAS 1). Had the accounting policy not been changed, the surplus on revaluation of freehold land would have been shown as a separate line item (below equity in the statement of financial position) amounting to Rs. 6,148 million and Rs. 6,354 million for the year ended 30 June 2017 and 2016 respectively.

5.5 Intangible assets

These are stated at cost less accumulated amortisation and impairment losses, if any. Amortisation on additions is charged from the month in which an asset is available for use, while no amortisation is charged for the month in which the asset is disposed off. Amortisation is charged based on straight line method at the rates specified in note 7 to these financial statements.

5.6 Trade debts and other receivables

Trade debts originated by the Company are recognised and carried at original invoice amount less provision for doubtful debts, if any. These comprises receivables against sale of plots / bungalows and receivable against reimbursable development charges incurred. Development charges which are invoiced to customers are recognised as development charges-billed, whereas development charges-unbilled represents value of development work executed but billed subsequent to reporting date in accordance with the terms of the contract. An estimated provision for doubtful debt is made when collection of the full amount is no longer probable. No provision is made in respect of the active customers which are considered good. Bad debts are written-off, as and when identified.

Other receivables are recognised and carried at cost which is the fair value of the consideration to be received in the future for goods and services.

5.7 Development properties

Property acquired, constructed or in the course of construction for sale in the ordinary course of business, rather than to be held for rental or capital appreciation, is classified as development properties and is measured at lower of cost and net realisable value. The Company will sell plots and bungalows and will not provide any construction services as a contractor engaged by the buyer. In addition, the buyer of constructed units does not have an ability to specify the major structural elements of the design or major structural changes before construction and / or construction is in progress. All project costs incurred or to be incurred are capitalised as a cost of development properties and mainly includes:

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

- Costs / rights for freehold and leasehold land.
- Amounts paid to contractors for construction of bungalows.
- Borrowing costs, planning and design costs, costs of site preparation, professional fees for legal services, property transfer taxes, construction overheads and other related costs necessary to bring the premises in saleable condition.
- Development charges paid to:
- Lyari Development Authority for outer development work; and
- Contractors for developing inner perimeter, including but not limited to road development, amenities and utilities and other infrastructure.

Net realizable value is the estimated selling price in the ordinary course of the business, based on market prices at the reporting date less estimated costs of completion and the estimated costs necessarily to be incurred to make the sale.

The cost of sales recognised in profit or loss on disposal is determined with reference to the costs incurred on the plots / bungalows sold and an allocation of any non-specific costs based on the total area of land sold for plots / bungalows, in relation to total area of land.

The development charges are recognised in profit or loss on the basis of reimbursable development costs recoverable to date from customers on plots / bungalows sold apportioned to total area of land sold in relation to total area of land.

5.8 Impairment

Financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated. Any impairment losses on financial assets including financial assets carried at amortised cost are recognised in statement of profit or loss.

Non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

asset. The fair value less costs to sell calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs to sell of the asset.

In determining fair value less costs to sell, the recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other fair value indicators.

Goodwill is tested for impairment annually at year end and when the circumstances indicate that the carrying value may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash generating unit (CGU) or group of CGUs to which the goodwill relates. When the recoverable amount of CGU is less than its carrying amount, an impairment loss is recognised.

For assets excluding goodwill, an assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

Impairment losses relating to goodwill are not reversed in future periods.

5.9 Cash and cash equivalents

Cash and cash equivalents are stated at cost and are defined as cash in hand, cash at banks and short-term highly liquid investments that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value. For the purpose of cash flow statement, cash and cash equivalents comprises cash in hand and bank balances.

5.10 Preference shares

The Company classify a financial instrument (or its components) on initial recognition as a financial liability or as equity considering the substance of a contractual arrangement rather than its legal form. On issuance of the convertible preference shares, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

During the year, the Company has changed its accounting policy for presentation and measurement of preference shares, due to adoption of the Companies Act, 2017 (the Act), which became applicable for

Javedan Corporation Limited

Notes to the Financial Statements

Due to the above change in accounting policy, the Company has presented its statement of financial position as at the beginning of the earliest comparative period i.e., July 01, 2016, in accordance with requirement of IAS 1 'Presentation of Financial Statements (Revised)'. Had the accounting policy not been changed:

The Company operates an approved funded gratuity scheme for all its eligible employees who have completed their minimum qualifying period of service with the Company. Provisions are made in the financial statements to cover obligation on the basis of actuarial valuation carried out annually by an independent actuary, using the Projected Unit Credit Method. Actuarial gain or loss (remeasurements) are immediately recognised in statement of other comprehensive income, as they occur. The amount recognised in the statement of financial position represents the present value of defined benefit obligations as reduced by the fair value of the plan assets. Current service costs and any past service costs together with net interest cost are charged to statement of profit or loss.

Compensated absences

The Company recognises the accrual for compensated absences in respect of employees' for which these are earned up to the reporting date.

Javedan Corporation Limited

Notes to the Financial Statements

For the year ended June 30, 2018

Borrowing and other related costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are capitalised and added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the year in which they are incurred. Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from borrowing costs eligible for capitalisation.

Deferred tax liabilities are recognised for all taxable temporary differences, while deferred tax assets are recognised for all deductible temporary differences, carry-forward of unused tax losses and unused tax credits, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carry forwards of unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted at the reporting date. Deferred tax is charged or credited to the profit or loss.

Deferred tax relating to items recognised directly in the other comprehensive income is recognised in the other comprehensive income and not in profit or loss.

Deferred tax assets and deferred tax liabilities are offset only if there is a legally enforceable right to offset current tax assets and liabilities and they relate to the income tax levied by the same tax authority.

IFRIC 22 Foreign Currency Transactions and Advance Consideration	January 01, 2018
IFRIC 23 Uncertainty over Income Tax Treatments	January 01, 2019

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application, except for IFRS 15, for which management assessment is in process of evaluating the impact.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2016 and December 2017. Such improvements are generally effective for accounting periods beginning on or after January 01, 2018 and January 01, 2019 respectively. The Company expects that such improvements to the standards will not have any impact on the Company's financial statements in the period of initial application.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after January 01, 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Longevity risk: The risk arises when the actual lifetime of retirees is longer than expectation. This risk is measured at the plan level over the entire retiree population.

Investment risk: The risk of the investment underperforming and not being sufficient to meet the liability. This is managed by formulating an investment policy and guidelines based on which investments are made after obtaining approval from trustees of fund.

مستقبل کا منظر

خصوصاً کم اور اوسط آمدنی والوں کے لئے مکانات کی کمی ہمارے ملک کا ایک بڑا مسئلہ ہے۔ نئی حکومت اس انتہائی اہم مسئلے کے حل کا عہد کئے ہوئے ہے جو نہ صرف معاشرے کے لئے مفید ہونا چاہیے بلکہ بہت سی صنعتوں کے لئے معاشی سرگرمیوں میں تیزی کا سبب بنے گا اور ہر سطح پر ملازمتیں بھی تخلیق ہوں گی۔

اس اہم شعبے میں ”نیا ناظم آباد“ پہلے ہی اپنا کردار ادا کر رہا ہے۔ ”نیا ناظم آباد“ کراچی کی ریل اسٹیٹ مارکیٹ میں اب ایک مستحکم نام بن چکا ہے جس کی وجہ مناسب نرخ پر معیار کی فراہمی کے ساتھ ساتھ یہ واقعہ بھی ہے کہ ”نیا ناظم آباد“ ایک بہترین مقام پر واقع ہے جہاں پر کشش اور صاف ستھرا سبز ماحول مہیا ہے اور جہاں تمام ضروریات با آسانی میسر ہیں اور یہ پروجیکٹ محفوظ چہار دیواری کے اندر واقع ہے جہاں چوبیس گھنٹے سیکورٹی مہیا ہے۔

اس کی تمام مثبت خصوصیات کے علاوہ غیر متنازعہ ملکیت کے آرام کے بموجب ”نیا ناظم آباد“ میں سرمایہ کاری کرنے والوں کو کراچی کی ریل اسٹیٹ مارکیٹ میں بہترین منافع حاصل ہو رہا ہے۔ یہی وجہ ہے کہ اس پروجیکٹ کی بڑھتی ہوئی قدر کو دیکھتے ہوئے پینک ”نیا ناظم آباد“ میں گھر خریدنے والوں کو بصد مسرت قرضے دینے کو تیار ہیں۔

”نیا ناظم آباد“ کی انتظامیہ پروجیکٹ کے ارد گرد کے علاقوں کو بہتر بنانے اور یہاں تک رسائی آسان بنانے پر بھی توجہ مرکوز کئے ہوئے ہے۔ یہی وجہ ہے کہ یہاں تک آنے والی سڑکوں کی دیکھ بھال، شجر کاری، صفائی ستھرائی کے انتظامات اور کوڑا کرکٹ کی صفائی باقاعدگی سے کی جاتی ہے۔ ”نیا ناظم آباد“ میں رہائش پذیر لوگوں کو جلد ہی وفاقی حکومت کی جانب سے تعمیر کئے جانے والے گرین لائن پروجیکٹ کی سہولت بھی حاصل ہو جائے گی جو اب تکمیل کے آخری مراحل میں ہے اور جلد ہی کام شروع کر دے گی۔ گرین لائن پروجیکٹ کا بس اسٹاپ ”نیا ناظم آباد“ سے محض دو کلومیٹر کے فاصلے پر واقع ہے جہاں تک فیڈر سروسز کے ذریعے رسائی حاصل کی جاسکے گی۔ مزید یہ کہ ایک فلائی اوور اور ایک انڈر پاس کی تعمیر پر بھی غور کیا جا رہا ہے جس سے، امکان ہے کہ ”نیا ناظم آباد“ تک رسائی مزید آسان ہو جائے گی۔

انتظامیہ مرحلہ وار کمرشل ڈویلپمنٹ کی شروعات بھی کرنے کے لئے تیار ہے جس میں کمپنی نے اچھی خاصی سرمایہ کاری کی ہے اور توقع ہے کہ ان تعمیرات سے پورے علاقے کی حرکیات ہی بدل جائیں گی اور امید ہیں کہ یہ کمرشل تعمیرات ”نیا ناظم آباد“ میں شاندار اضافہ ثابت ہوں گی۔ اس سے نہ صرف یہاں کے باسیوں بلکہ بیرون ملک پاکستانیوں کو پاکستانی رہائشی ریل اسٹیٹ مارکیٹ سے فائدے اٹھانے کا موقع ملے گا۔

ان حالات کے پیش نظر کمپنی اور اس کے شیئرز ہولڈرز ہی نہیں بلکہ ”نیا ناظم آباد“ کی ریل اسٹیٹ میں سرمایہ کاری کرنے والوں کو بھی بیش بہا فائدہ ہو گا۔

اکاؤنٹنگ پالیسی میں تبدیلی

ری ویلوایشن سرپلس

بحیثیت ایکویٹی کے ایک جزو، ری ویلوایشن سرپلس 'ریکارڈ کرنے کے لئے اکاؤنٹنگ پالیسی میں تبدیلی کے باعث سال جاریہ کے مالیاتی گوشوارے از سر نو تیار کئے گئے ہیں۔ یہ تبدیلی کمپنیز ایکٹ 2017 کے نفاذ کے باعث ہوئی ہے جس کی رو سے حسابات انٹرنیشنل اکاؤنٹنگ اسٹینڈرڈ-16 (IAS-16) کے مطابق تیار کئے جانے کی پابندی عائد کی گئی ہے۔ اسی وجہ سے ری ویلوایشن کے بعد حاصل ہونے والا سرپلس اب ایکویٹی میں شامل کیا جائیگا۔ جس کے نتیجے میں شیئر کیپٹل اور ریزرو یعنی ایکویٹی میں 30 جون 2017 کو ختم ہونے والے سال کے لئے 6،148 ملین روپے اور 30 جون 2016 کو اختتام پذیر ہونے والے سال کے لئے 6،354 ملین روپے کا اضافہ ہو گیا ہے۔

ترجیحی شیئرز

اکاؤنٹنگ پالیسی میں تبدیلی آجانے کے باعث حالیہ واجبات کے لئے سال جاریہ کے مالیاتی گوشوارے از سر نو تحریر کئے گئے ہیں۔

ترقیاتی منظر نامہ

زیر جائزہ سال کے دوران فیز 1 میں جاری انفراسٹرکچر کی تیاری تکمیل کے قریب پہنچ گئی ہے اور کمپنی نے بڑی تعداد میں پلاٹ اور بنگلے اپنے کسٹمرز کے حوالے کر دیئے ہیں۔

بلاک اے

”نیاناظم آباد“ میں سیکٹروں خاندان منتقل ہو چکے ہیں۔ پلاٹوں کے الاٹیز اپنے گھر تعمیر کرنے کے لئے انتہائی پر جوش ہیں اور ہم توقع کر رہے ہیں کہ چند ہی برسوں میں اس پروجیکٹ کا پہلا فیز پوری طرح سے آباد ہو جائے گا۔

بلاک بی

بنیادی ضروریات یعنی پانی اور بجلی دستیاب ہیں اور گیس کے کنکشنز حاصل کئے جانے کی کوششیں جاری ہیں۔ کرکٹ اسٹیڈیم، فٹبال اسٹیڈیم اور پارک جیسی تمام سہولیات پوری طرح کام کر رہی ہیں اور انڈور گیمز کے لئے جیم خانہ کلب تیار کیا جا رہا ہے۔ کمپنی اب ”نیاناظم آباد“ کی چہار دیواری کے اندر ایک سٹیلائٹ کلینک، اسکول اور شاپنگ کی سہولیات تیار کرنے پر کام کر رہی ہے۔

شجرکاری اور سبزہ زاری

کمپنی سبزہ اگانے پر خصوصی توجہ دے رہی ہے چنانچہ تعمیراتی منصوبوں میں شجرکاری اور سبزہ اگانے کے عمل کو شامل کر لیا ہے جس کا ثبوت ”نیاناظم آباد“ ہے۔ زیر جائزہ سال کے دوران کمپنی نے نیشنل فورم فور انوائرنمنٹ اینڈ ہیلتھ (NFEH) کی منعقد کردہ متعدد سرگرمیوں میں بڑھ چڑھ کر حصہ لیا ہے۔ سرسبز پاکستان کے ”نیاناظم آباد“ کے زیریں عہد کو خراج تحسین پیش کرتے ہوئے NFEH نے ”نیاناظم آباد“ کو شجرکاری ایوارڈ 2018 سے نوازا ہے۔ ہمارے آرکیٹیکٹ میسرز، آرکوپ، شجرکاری کے ماہرین اور NFEH کے اہلکاروں کے تعاون سے ہم پارک اور گرین بیلٹ تیار کرنے پر کام کر رہے ہیں۔ اب تک ”نیاناظم آباد“ میں 25،000 ہزار درخت اگائے جا چکے ہیں اور ہمیں امید ہے کہ آئندہ سال کے اختتام تک ہم 100،000 درخت اگانے کا ٹارگٹ حاصل کر لیں گے۔

ڈائریکٹر ان کی رپورٹ برائے حصص یافتگان

کمپنی کے بورڈ آف ڈائریکٹرز کی جانب سے مورخہ 30 جون 2018ء کو اختتام پذیر ہونے والے سال کے لئے کمپنی کی سالانہ رپورٹ ہمراہ آڈٹ شدہ مالیاتی گوشوارے پیش کرتے ہوئے مجھے انتہائی مسرت محسوس ہو رہی ہے۔ واضح رہے کہ زیر جائزہ سال کے یہ مالیاتی گوشوارے انضباطی اور قانونی مطلوبات کی تعمیل کرتے ہوئے اکاؤنٹنگ کے منظور شدہ معیارات کی مطابقت میں تیار کئے گئے ہیں۔

مالیاتی جائزہ

برائے فروخت محدود تعداد میں دستیاب انویسٹری کو مد نظر رکھتے ہوئے دیکھا جائے تو زیر جائزہ مالیاتی سال کے دوران کمپنی کی مالیاتی کارکردگی مستحکم رہی ہے۔ زیر جائزہ سال کے دوران کمپنی نے مبلغ 2,479,479 ملین روپے کی فروخت ریکارڈ کی جو زیادہ تر اکاؤنٹنگ پالیسی کے مطابق مبلغ 916 ملین روپے مالیت کے بنگلوں کی فروخت پر مشتمل تھی۔ ان بنگلوں کی فروخت پر منافع کی شرح کم رہی ہے جس کی وجہ میٹریل اور مزدوری کی لاگت میں اضافے سے کنسٹرکشن کی لاگت میں اضافہ ہو جانا ہے۔ پھر یہ بنگلے ابتدائی مدت کے دوران فروخت ہوئے۔ چنانچہ خام منافع گزشتہ برس کی بہ نسبت مبلغ 1,872,872 ملین روپے سے کم ہو کر 1,380 ملین روپے رہا۔ یعنی 26 فیصد کی کمی واقع ہوئی۔ بازار کاری اور فروخت کے اخراجات 122 ملین روپے سے کم ہو کر 68 ملین روپے رہے جس کی وجہ یہ ہے کہ دوران سال کسی نئی رہائشی / کمرشل سرگرمی کا شروع نہ کیا جانا ہے۔ یہی وجہ ہے کہ کمپنی نے گزشتہ برس اسی مدت کے دوران ہونیوالے مبلغ 990 ملین روپے کے بعد از ٹیکس منافع کی بہ نسبت اس سال مبلغ 703 ملین روپے کا بعد از ٹیکس منافع ریکارڈ کیا۔
