Directors' Review Report

The Board of Directors of ORIX Leasing Pakistan Limited (OLP / the Company) is pleased to present the unaudited condensed interim financial information for the half year ended December 31, 2018.

The first half of the current fiscal year was marked with uncertainties in the market and low economic activity, especially in the transport and automobile sectors, which were constrained by slow demand and restrictions on purchase of new vehicles by non-tax filers. Government's efforts to achieve macroeconomic stabilization have yet to yield results as pressure continued from widening fiscal imbalances and current account deficits. GDP growth is expected to remain below 4% in FY 2019 while S&P has downgraded the Country's rating to 'B-' from 'B'. Since January 2018, the cumulative increase in policy rate of 4.5% and 26% rupee depreciation against US Dollar will continue to negatively impact business activities during the remaining period of the financial year. With the right mix of policy measures and balance of payment support from bi-lateral and multi-lateral sources, the Country is expected to achieve more stability in the macroeconomic environment in the medium to long term.

Financial Highlights and Business Review

	Half year ended	
	December 2018	December 2017
	-----Rupees-----	
Profit before taxation	719,763,979	541,515,171
Taxation	212,385,000	137,862,489
Net profit for the period after taxation	507,378,979	403,652,682
Earnings per share – basic and diluted	3.04	2.50
Issued, subscribed and paid-up capital (shares of Rs. 10 each)	1,670,549,020	1,392,124,190

Despite a challenging market, OLP achieved profit before tax of Rs. 719.8 million for the half year, an increase of 33% over the profit of Rs. 541.5 million achieved in the corresponding period of last year. Profit after tax for the same period increased by 26% to Rs. 507.4 million (December 2017: Rs. 403.7 million). Accordingly, earnings per share was higher at Rs. 3.04 for the period as against Rs. 2.50 in December 2017.

The Company followed a cautious approach in writing new business which meant that disbursements of Rs. 5.4 billion were 23% lower than Rs. 7.0 billion disbursed in the corresponding period of FY2018. Consequently, net lease and loan portfolio reduced by 3% to Rs. 22.3 billion as of December 31, 2018 from Rs. 23.1 billion in June 2018. Related lease and term finance income however was higher due to re-pricing of the portfolio in line with the increase in market rates; lease income registered an increase of 9% to Rs. 1,339.8 million (December 2017: Rs. 1,234.5 million) and term finance income increased by 26% to Rs. 373.9 million (December 2017: Rs. 297.9 million).

Operating lease income, comprising of income from rental of cranes and Ijarah Finance, amounted to Rs. 115.5 million for the period (December 2017: Rs. 224.8 million), 49% lower than last year. The Company is still in the process of developing its niche in the construction equipment market where economic activity has slowed down.

Finance cost at Rs. 710.7 million (December 2017: Rs. 708.5 million) was at same level as the comparative period last year despite reduction in total borrowings to Rs. 16.1 billion as of December 31, 2018 from Rs.

17.05 billion in June 2018. Average cost of funding was higher in this period on account of 3.75% increase in SBP's Policy rate since June 2018.

Operating expenses for the period at Rs. 588 million were 13% higher than the same period of last year (December 2017: Rs. 522 million) mainly due to increase in staff compensation and higher staff numbers to strengthen the Company's operations. Direct cost, comprising mainly of cost associated with operating lease business, decreased by 49% to Rs. 93 million (December 2017: Rs. 181.7 million) in line with the decrease in operating lease revenue.

The Company continues to emphasise on overdue recovery and portfolio quality. While strain was experienced in certain segments, overall infection rate remained under control. A new statistical model for determining provisions against potential lease and loan losses was adopted in this financial year. The model provides a more scientific means to determine the Company's provisioning requirements while reducing reliance on judgemental factors. At the same time, provisions required under NBFC regulations were maintained and subjective provisions were made additionally considering the strained economic environment. Overall, a reversal in provision of Rs. 117.3 million was recorded during the period as compared to a reversal of Rs. 2.5 million in the same period of last year.

The share of profit from associated companies during the period was 67% lower at Rs. 27.4 million as compared to Rs. 82.8 million in the same period last year. Current period's income includes share of profit from Saudi ORIX Leasing Company (SOLC) only whereas prior period's income included share of profit from SOLC, Oman ORIX Leasing Company (OOL) and ORIX Leasing Egypt (OLE). The Company sold its investment in OOL in March 2018 while OLE was classified as 'held for sale' in June 2018. The majority shareholder of OLE, Al Hail Holding LLC (Al Hail), plans to expand OLE's equity base. OLP is of the opinion that economic conditions in Egypt and OLE's financial position do not warrant further investment in the company, therefore, in its Meeting held on February 6, 2019, the Board decided to accept an offer of Al Hail to sell OLP's 23% share in OLE for a total consideration of EP 28.4 million (approximately PKR 221.4 million). The disinvestment will result in an after tax loss of approximately PKR 68.6 million, which may change depending on foreign exchange rates prevailing at the time of the transaction's execution. This expected loss is primarily due to recognition of unrealized foreign exchange losses on long term investments caused by a 48% devaluation in the Egyptian Pound in November 2016.

The general paradigm of fiscal and monetary policies has been realigned towards exports, investment and productivity growth with emphasis on improvement in ease of doing business. It is expected that these initiatives will take time before positive outcome is visible. In this background, OLP will maintain a prudent outlook in executing new business in the remaining half of the year.

Performance of the Group

In compliance with section 227 of the Companies Act 2017, attached with this report is the consolidated condensed interim financial information of OLP and its subsidiaries (the Group) namely – ORIX Services Pakistan (Private) Limited and ORIX Modaraba – for the half year ended December 31, 2018.

Financial Highlights of the Group's Performance are as follows:

	Half year ended	
	December 2018	December 2017
	-----Rupees-----	
Profit before taxation	733,837,318	559,628,602
Taxation	214,221,811	139,896,799
Net profit for the period after taxation	519,615,507	419,731,803
Profit attributable to Equity shareholders of the Holding Company	492,287,255	390,228,886
Profit attributable to non-controlling interest	27,328,252	29,502,917
Earnings per share – basic and diluted	2.95	2.41

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of ORIX Leasing Pakistan Limited

Report on Review of Interim Financial Statements

Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of ORIX Leasing Pakistan Limited as at 31 December 2018 and the related unconsolidated condensed interim statement of profit or loss, unconsolidated condensed interim statement of comprehensive income, condensed interim unconsolidated statement of changes in equity, and unconsolidated condensed interim statement of cash flows, and notes to the unconsolidated financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim unconsolidated financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matter

The figures for the quarter ended 31 December 2018 and 31 December 2017 in the interim financial statements have not been reviewed and we do not express a conclusion on them.

The engagement partner on the engagement resulting in this independent auditor's review report is Muhammad Taufiq.

Notes to and Forming Part of the Unconsolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

1 LEGAL STATUS AND OPERATIONS

ORIX Leasing Pakistan Limited ("the Company") was incorporated in Pakistan as a private limited company on July 01, 1986 under the repealed Companies Ordinance, 1984 and was converted into a public limited company on December 23, 1987. The Company is listed on the Pakistan Stock Exchange Limited. The registered office of the Company is situated at Islamic Chamber of Commerce Building, Clifton, Karachi. The Company is licensed to carry out Investment Finance Services as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 issued by the Securities and Exchange Commission of Pakistan (SECP).

The Pakistan Credit Rating Agency Limited (PACRA) has assigned a long-term rating of AA+ and a short-term rating of A1+ to the Company on August 16, 2018.

2 BASIS OF PREPARATION

2.1 Statement of compliance

This unconsolidated condensed interim financial information has been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of International Accounting Standard 34 "Interim Financial Reporting" issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFASs) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017, the requirements of Companies Act, 2017, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance and Notified Entities Regulations, 2008 (the NBFC Regulations) and the directives issued by the SECP. In case the requirements differ, the provisions of and directives issued under the NBFC Rules, the NBFC Regulations, the Companies Act, 2017 and the directives issued by the SECP prevail.

2.2 Basis of measurement

This unconsolidated condensed interim financial information has been prepared under the historical cost convention except for the following:

- Leasehold land and office building is stated at revalued amounts;
- Financial instruments at fair value through profit or loss and financial assets at fair value through other comprehensive income are measured at fair values;
- Obligation in respect of staff gratuity is measured at present value of defined benefit obligation;
- Non-current assets classified as held for sale are valued at lower of carrying amount and fair value less cost to sell; and
- Investments in associated undertakings are valued under equity accounting method.

2.3 This unconsolidated condensed interim financial information does not include all the information required for a full set of financial statements and should be read in conjunction with the annual published unconsolidated audited financial statements of the Company for the year ended June 30, 2018.

2.4 This unconsolidated condensed interim financial information is unaudited. However, a review has been performed by the external auditors in accordance with the requirements of the Code of Corporate Governance.

Notes to and Forming Part of the Unconsolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

2.5 The comparative statement of financial position presented in this unconsolidated condensed interim financial information has been extracted from the annual published unconsolidated audited financial statements of the Company for the year ended June 30, 2018, whereas the comparative statement of profit or loss, statement of comprehensive income, statement of changes in equity and statement of cash flows are stated from the unconsolidated unaudited condensed interim financial information for the period ended December 31, 2017.

2.6 This unconsolidated condensed interim financial information has been presented in Pakistani Rupees, which is the functional currency of the Company.

3 SIGNIFICANT POLICIES, ESTIMATES, ASSUMPTIONS AND CHANGES THEREIN

3.1 The accounting policies adopted in the preparation of this unconsolidated condensed interim financial information are the same as those applied in the preparation of the annual published unconsolidated audited financial statements of the Company for the year ended June 30, 2018 except the following:

3.1.1 The Company has adopted IFRS 9 'Financial Instruments' issued by the International Accounting Standards Board (IASB) in July 2014 effective from July 01, 2018. IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement and includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets and new general hedge accounting requirements. The Company has changed relevant accounting policies and made adjustments to the amounts previously recognised in the financial statements, except in the case of calculation of impairment provision on financial assets where the requirements of the NBFC Regulations prevail.

As allowed by IFRS 9, the Company has elected not to restate comparative figures and therefore adjustments to the carrying amounts of financial assets and liabilities at the date of transition resulting from the adoption of IFRS 9, were recognised through adjustment to the opening equity of the current period. 'Unrealized gains / loss on remeasurement of financial assets' has been renamed 'Fair value reserve on remeasurement of financial assets'.

The application of this change in accounting policy has increased 'Unappropriated Profit' and decreased 'Fair value reserve on remeasurement of financial assets' by Rs. 39.06 million as at July 01, 2018.

Classification and measurement of financial instruments

A comparison between the measurement category and the carrying amount of financial assets and liabilities in accordance with previous accounting policies under IAS 39 and IFRS 9 as at July 01, 2018 is as follows:

Financial assets	June 30, 2018 IAS 39		July 01, 2018 IFRS 9	
	Measurement Category	Carrying amount	Measurement Category	Carrying amount
Long term investments	Available for sale (Al Hail ORIX Finance PSC)	229,180,469	At fair value through other comprehensive income	229,180,469
Short term investments	Available for sale Ordinary shares - unlisted	13,840,691	At fair value through other comprehensive income	13,840,691

Notes to and Forming Part of the Unconsolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

3.1.2 IFRS 15 'Revenue from Contracts with Customers' replaced IAS 18 'Revenue', IAS 11 Construction Contracts and related interpretations. The Company has applied the modified retrospective method upon adoption of IFRS 15 as allowed under the Standard. The existing revenue recognition methods are consistent with the recognition criteria given in IFRS 15 except for ijarah transactions executed in accordance with the requirements of IFAS 2. Therefore, the adoption of IFRS 15 did not have any impact on unconsolidated condensed interim financial information.

3.2 The preparation of this unconsolidated condensed interim financial information in conformity with accounting and reporting standards requires Management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

3.3 The significant judgments, estimates and assumptions made by Management in applying the Company's accounting policies and the factors used in making those estimates and associated assumptions were the same as those that were applied to the audited annual published unconsolidated financial statements for the year ended June 30, 2018.

3.4 Certain new amendments to approved accounting standards have been published and are mandatory for the Company's accounting period beginning on or after July 01, 2018 but are considered not to be relevant or to have any significant effect on this unconsolidated condensed interim financial information.

3.5 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following International Financial Reporting Standards (IFRS Standards) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after 01 January 2019:

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
- IAS - 28 'Investments in Associates and Joint Ventures'	January 1, 2019
- IAS 19 'Employee Benefits'	January 1, 2019
- IFRS 16 'Leases'	January 1, 2019
- IFRIC 23 'Uncertainty over Income Tax Treatments'	January 1, 2019
- IFRS 3 'Business Combinations and IFRS 11 Joint Arrangement'	January 1, 2020

Annual Improvements to IFRS Standards 2015–2017 Cycle

- IAS 1 'Presentation of Financial Statements and IAS 8 Accounting Policies'	January 1, 2020
- IAS 12 'Income Taxes'	January 1, 2019
- IAS 23 'Borrowing Costs'	January 1, 2019

The Company is currently in the process of analyzing the potential impact of changes in policies on adoption of the above standards.

16	CONTINGENCIES AND COMMITMENTS		
16.1	There was no change in the status of contingencies as disclosed in the note 33 to the annual published unconsolidated financial statements for the year ended June 30, 2018 except the following:		
	<p>The Company has received show cause notices from the Sindh Revenue Board (SRB) demanding Sindh Provincial Sales Tax (SPST) amounting to Rs. 519 million against income from operating lease rental of generators for the years ended June 30, 2012, 2013, 2014, 2015, 2016 and 2017 along with the applicable penalty and default surcharge.</p> <p>The Company had filed suits against the show cause notices relating to years 2012 to 2015 before High Court of Sindh (SHC) challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking any coercive measures against the Company. During the period, these suits were withdrawn due to the decision by Supreme Court of Pakistan that in order for a suit to continue, a minimum of 50% of the tax calculated by the tax authorities must be deposited in respective treasury. Consequent to withdrawal of the suits, SRB issued fresh show cause notices for each of the tax years 2012 to 2017. In case of financial year 2012 and 2016, the Assistant Commissioner SRB also passed an order against the Company and created the demand of Rs. 43.6 million and Rs. 77.3 million respectively and issued recovery notices. The Company has filed an appeal against the recovery orders before the Commissioner Appeals SRB and also obtained interim relief from SHC by filing separate petitions for each of the years from 2012 to 2017, challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking coercive measures against the Company.</p> <p>Based on the merit of the case, Management considers that decision will be in the Company's favour, hence, no provision has been recorded in this condensed interim unconsolidated financial information in this regard.</p>		
16.2	Finance leases committed but not executed at the reporting date amounted to Rs. 46.58 million (June 2018: Rs. 55.94 million).

22 SEGMENT INFORMATION

The Company has three primary reporting segments namely, 'Finance lease', 'Finances & Loans' and 'Operating lease', based on the nature of business and the related risks and returns associated with these segments. The finance lease operations are primarily for long-term leases of movable assets to corporate entities and individuals. Finances and loans are primarily extended to corporate entities and individuals for purchase of saloon vehicles. This segment also includes micro finance which primarily represents group / community based lending to the under-privileged community. Under the operating lease segment, the Company provides equipments on short-term rentals to corporate entities. Other operations, which do not fall into the above segment categories and are not deemed by the Management to be sufficiently significant to disclose as separate items, are reported under 'Investment in subsidiaries, associates and others'.

24 FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of investments classified as "at fair value through profit or loss" and "at fair value through other comprehensive income" are based on active market. The investment in associates are accounted for using the equity method while the subsidiaries have been kept at cost. The value of unquoted equity investments is reduced, if required, on the basis of break-up value of those investments based on the latest available audited financial statements.

Fair value of net investments in finance lease, long term loans and finances, long term deposits and other assets, other liabilities, long term certificates of deposit and other accounts are approximate to their carrying value. The provision for impairment of finance lease and long term loans and finances has been calculated in accordance with the Company's accounting policy and the requirements of the Non Banking Finance Companies and Notified Entities Regulations, 2008.

In the opinion of Management, fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these assets and liabilities are short term in nature or are periodically repriced.

Notes to and Forming Part of the Unconsolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

The Company has classified assets using a fair value hierarchy that reflects the significance of inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

Notes to and Forming Part of the Consolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

1 LEGAL STATUS AND OPERATIONS

The "Group" consists of:

- (i) ORIX Leasing Pakistan Limited - the Holding Company
- (ii) ORIX Services Pakistan (Private) Limited - Subsidiary company
- (iii) ORIX Modaraba - Subsidiary company

1.1 Holding company

ORIX Leasing Pakistan Limited ("the Holding Company / the Company") was incorporated in Pakistan as a private limited company on July 1, 1986 under the repealed Companies Ordinance, 1984 and was converted into a public limited company on December 23, 1987. The Company is listed on the Pakistan Stock Exchange Limited. The registered office of the Company is situated at Islamic Chamber of Commerce Building, Clifton, Karachi. The Holding Company is licensed to carry out Investment Finance Services as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 issued by the Securities and Exchange Commission of Pakistan (SECP).

- 1.2 The Pakistan Credit Rating Agency Limited (PACRA) has assigned a long-term rating of AA+ and a short-term rating of A1+ to the Holding Company on August 16, 2018.

2 BASIS OF PREPARATION

2.1 Statement of compliance

This consolidated condensed interim financial information has been prepared in accordance with accounting and reporting standards as applicable in Pakistan, which comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFASs) issued by the ICAP as are notified under the Companies Act, 2017, the requirements of Companies Act, 2017, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance and Notified Entities Regulations, 2008 (the NBFC Regulations) and the directives issued by the SECP. In case the requirements differ, the provisions of and directives issued under the NBFC Rules, the NBFC Regulations, the Companies Act, 2017 and the directives issued by the SECP prevail.

2.2 Basis of measurement

This consolidated condensed interim financial information has been prepared under the historical cost convention except for the following:

- Leasehold land and office building is stated at revalued amounts;
- Financial instruments at fair value through profit or loss and financial assets at fair value through other comprehensive income are measured at fair values;
- Obligation in respect of staff gratuity is measured at present value of defined benefit obligation;
- Non-current assets classified as held-for-sale are valued at lower of carrying amount and fair value less cost to sell; and
- Investments in associated undertakings are valued under equity accounting method.

- 2.3 This consolidated condensed interim financial information does not include all the information required for a full set of financial statements and should be read in conjunction with the annual published consolidated audited financial statements of the Company for the year ended June 30, 2018.

Notes to and Forming Part of the Consolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

2.4 The comparative statement of financial position presented in this consolidated condensed interim financial information has been extracted from the annual published consolidated audited financial statements of the Holding Company for the year ended June 30, 2018, whereas the comparative profit or loss, statement of comprehensive income, statement of changes in equity and cash flow statement are stated from the consolidated unaudited condensed interim financial information for the period ended December 31, 2017.

2.5 This consolidated condensed interim financial information has been presented in Pakistani Rupees, which is the functional currency of the Holding Company.

3 SIGNIFICANT POLICIES, ESTIMATES, ASSUMPTIONS AND CHANGES THEREIN

3.1 The accounting policies adopted in the preparation of this consolidated condensed interim financial information are the same as those applied in the preparation of the annual published consolidated audited financial statements of the Holding Company for the year ended June 30, 2018 except the following:

3.1.1 The Group has adopted IFRS 9 'Financial Instruments' issued by the International Accounting Standards Board (IASB) in July 2014 effective from July 01, 2018. IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement and includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets and new general hedge accounting requirements. The Group has changed relevant accounting policies and made adjustments to the amounts previously recognised in the financial statements, except in the case of calculation of impairment provision on financial assets where the requirements of the NBFC Regulations prevail.

As allowed by IFRS 9, the Group has elected not to restate comparative figures and therefore adjustments to the carrying amounts of financial assets and liabilities at the date of transition resulting from the adoption of IFRS 9, were recognised through adjustment to the opening equity of the current period. 'Unrealized gains/ loss on remeasurement of financial assets' has been renamed 'Fair value reserve on remeasurement of financial assets'.

The application of this change in accounting policy has increased 'Unappropriated Profit' and decreased 'Fair value reserve on remeasurement of financial assets' by Rs. 39.06 million as at July 01, 2018.

Classification and measurement of financial instruments

A comparison between the measurement category and the carrying amount of financial assets and liabilities in accordance with previous accounting policies under IAS 39 and IFRS 9 as at July 01, 2018 is as follows:

	June 30, 2018 IAS 39		July 01, 2018 IFRS 9	
	Measurement Category	Carrying amount	Measurement Category	Carrying amount
Financial assets				
Long term investments	Available for sale (Al Hail ORIX Finance PSC)	229,180,469	At fair value through other comprehensive income	229,180,469

Notes to and Forming Part of the Consolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

3.1.2 IFRS 15 'Revenue from Contracts with Customers' replaced IAS 18 'Revenue', IAS 11 Construction Contracts and related interpretations. The Group has applied the modified retrospective method upon adoption of IFRS 15 as allowed under the Standard. The existing revenue recognition methods are consistent with the recognition criteria given in IFRS 15. Therefore, the adoption of IFRS 15 did not have any impact on consolidated condensed interim financial information.

3.2 The preparation of this consolidated condensed interim financial information in conformity with the accounting standards requires Management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

3.3 The significant judgments, estimates and assumptions made by Management in applying the Holding Company's accounting policies and the factors used in making those estimates and associated assumptions were the same as those that were applied to the audited annual published consolidated financial statements for the year ended June 30, 2018.

3.4 Certain new amendments to approved accounting standards have been published and are mandatory for the Holding Company's accounting period beginning on or after July 1, 2018 but are considered not to be relevant or to have any significant effect on this consolidated condensed interim financial information.

3.5 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following revised standards, amendments and interpretations of approved accounting standards would be effective from the dates mentioned below against the respective standard or interpretation:

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
- IAS - 28 'Investments in Associates and Joint Ventures'	January 1, 2019
- IAS 19 'Employee Benefits'	January 1, 2019
- IFRS 16 'Leases'	January 1, 2019
- IFRIC 23 'Uncertainty over Income Tax Treatments'	January 1, 2019
- IFRS 3 'Business Combinations and IFRS 11 Joint Arrangement'	January 1, 2020
Annual Improvements to IFRS Standards 2015–2017 Cycle	
- IAS 1 'Presentation of Financial Statements and IAS 8 Accounting Policies'	January 1, 2020
- IAS 12 'Income Taxes'	January 1, 2019
- IAS 23 'Borrowing Costs'	January 1, 2019

The Group is currently in the process of analyzing the potential impact of changes in policies on adoption of the above standards.

4 RISK MANAGEMENT POLICIES

The financial risk management objectives and policies are consistent with those disclosed in the annual audited published consolidated financial statements of the Company for the year ended June 30, 2018.

16 CONTINGENCIES AND COMMITMENTS

16.1 There was no change in the status of contingencies as disclosed in the note 33 to the annual published consolidated financial statements for the year ended June 30, 2018 except the following:

The Holding Company has received show cause notices from the Sindh Revenue Board (SRB) demanding Sindh Provincial Sales Tax (SPST) amounting to Rs. 519 million against income from operating lease rental of generators for the years ended June 30, 2012, 2013, 2014, 2015, 2016 and 2017 along with the applicable penalty and default surcharge.

The Holding Company had filed suits against the show cause notices relating to years 2012 to 2015 before High Court of Sindh (SHC) challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking any coercive measures against the Company. During the period, these suits were withdrawn due to the decision by Supreme Court of Pakistan that in order for a suit to continue, a minimum of 50% of the tax calculated by the tax authorities must be deposited in respective treasury. Consequent to withdrawal of the suits, SRB issued fresh show cause notices for each of the tax years 2012 to 2017. In case of financial year 2012 and 2016, the Assistant Commissioner SRB also passed an order against the Holding Company and created the demand of Rs. 43.6 million and Rs. 77.3 million respectively and issued recovery notices. The Holding Company has filed an appeal against the recovery orders before the Commissioner Appeals SRB and also obtained interim relief from SHC by filing separate petitions for each of the years from 2012 to 2017, challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking coercive measures against the Holding Company.

Based on the merit of the case, Management considers that decision will be in the Holding Company's favour, hence, no provision has been recorded in this condensed interim consolidated financial information in this regard.

16.2 Finance leases committed but not executed at the reporting date amounted to Rs.46.58 million (June 2018: Rs. 55.94 million).

16.3 The Modaraba has issued letters of comfort to various commercial banks amounting to Rs.103.53 million (June 2018: Rs. 186.78 million) on behalf of its customers.

22 SEGMENT INFORMATION

The Group has three primary reporting segments namely, 'Finance lease', 'Finances & Loans' and 'Operating lease', based on the nature of business and the related risks and returns associated with these segments. The finance lease operations are primarily for long-term leases of movable assets to corporate entities and individuals. Finances and loans are primarily extended to corporate entities and individuals for purchase of saloon vehicles. This segment also includes micro finance which primarily represents group / community based lending to the under-privileged community. Under the operating lease segment, the Group provides equipments on short-term rentals to corporate entities. Other operations, which do not fall into the above segment categories and are not deemed by the Management to be sufficiently significant to disclose as separate items, are reported under 'Investment in subsidiaries, associates and others'.

Redeemable capital	3,000,000	500,000

24 FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of investments classified as "at fair value through profit or loss" and "at fair value through other comprehensive income" are based on active market. The investment in associates are accounted for using the equity method while the subsidiaries have been kept at cost. The value of unquoted equity investments is reduced, if required, on the basis of break-up value of those investments based on the latest available audited financial statements.

Fair value of net investments in finance lease, long term loans and finances, long term deposits and other assets, other liabilities, long term certificates of deposit and other accounts are approximate to their carrying value. The provision for impairment of finance lease and long term loans and finances has been calculated in accordance with the Holding Company's accounting policy and the requirements of the Non Banking Finance Companies and Notified Entities Regulations, 2008.

Notes to and Forming Part of the Consolidated Condensed Interim Financial Information (Un-audited)

For the half year ended December 31, 2018

In the opinion of Management, fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these assets and liabilities are short term in nature or are periodically repriced.

The Group has classified assets using a fair value hierarchy that reflects the significance of inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

December 31, 2018 (Un-audited)

آپریٹنگ لیز آمدنی جو کہ کریٹنس کے کرایہ جات اور اجارہ فنانس پر مشتمل ہے وہ اس مدت میں 115.5 ملین روپیہ (دسمبر 2017 میں 224.8 ملین روپیہ) جو کہ گزشتہ سال کی بہ نسبت 49 فیصد کم ہے۔ کمپنی تعمیراتی آلات کی مارکیٹ میں اپنے قدم جانے کے عمل سے ابھی تک گزر رہی ہے جس میں ابھی تک معاشی سرگرمی ست روی کا شکار ہے۔

جون 2018 میں قرضہ جات کی کل رقم 17.05 ملین روپیہ تھی۔ جو کہ کم ہو کر دسمبر 2018 میں 16.1 ملین روپیہ رہ گئی۔ لیکن اس کے باوجود مالیاتی لاگت 710.7 ملین روپیہ رہ گئی۔ جو کہ گزشتہ مالی سال کی اسی مدت کی سطح پر ہے۔ (دسمبر 2017 میں 708.5 ملین) قرضوں کے اجراء کی اوسط لاگت بلند رہی جسکی وجہ SBP کی پالیسی نزخوں میں جون 2018 سے 3.75 فیصد اضافہ تھا۔

اس مدت کے کاروباری اخراجات 588 ملین روپیہ رہے جو کہ گزشتہ سال اسی مدت سے 13 فیصد زیادہ ہیں (دسمبر 2017 میں 522 ملین روپیہ) جس کی بنیادی وجہ کمپنی کے کاروبار کو مستحکم کرنے کے لئے اسٹاف کے معاوضہ میں اضافہ اور عملہ کی اضافی تعداد تھی۔ بلا واسطہ لاگت جو کہ بنیادی طور پر آپریٹنگ لیز کی لاگت پر مشتمل ہے، 49 فیصد کمی کے ساتھ 93 ملین روپیہ رہیں (دسمبر 2017 میں 181.7 ملین روپیہ) جسکی وجہ آپریٹنگ لیز کے آمدنی میں کمی ہے۔

کمپنی تسلسل کے ساتھ زائد المعیاء قرضوں کی وصولی اور پورٹ فولیو کے معیار پر توجہ دے رہی ہے۔ اگرچہ کچھ شعبوں میں تناؤ کی کیفیت رہی لیکن انفیکشن کا مجموعی نرخ قابو میں رہا۔ اس مالی سال میں ایک نیا شماراتی ماڈل لیز اور قرضہ جات پر پروویژن کے لئے اختیار کیا گیا۔ یہ ماڈل سائنسی بنیادوں پر کمپنی کی پروویژن کی ضرورت کا تعین کرتا ہے جبکہ متعلقہ فیصلوں پر انحصار کم کرتا ہے۔ اس کے ساتھ ساتھ NBFC ضابطوں کے تحت درکار پروویژن کو برقرار رکھا گیا اور تناؤ زدہ معاشی ماحول کے پیش نظر اضافی پروویژن بھی کیا گیا ہے۔ مجموعی طور پر 117.3 ملین روپیہ کا پروویژن اس مدت کے دوران معکوس کیا گیا جبکہ گزشتہ سال اسی مدت میں 2.5 ملین روپیہ کیا گیا تھا۔

اس مدت کے دوران ملحقہ کمپنیوں کے منافع میں ملنے والا حصہ 67 فیصد کمی کے ساتھ 27.4 ملین روپیہ رہا جو کہ گزشتہ سال اسی مدت میں 82.8 ملین روپیہ تھا۔ موجودہ مدت کی آمدنی میں صرف سعودی اور کس لیزنگ کمپنی (SOLC) کے منافع سے ملنے والا حصہ شامل ہے جبکہ گزشتہ مدت میں SOLC، اومان اور کس لیزنگ کمپنی (OOL) اور اور کس لیزنگ مصر (OLE) کا منافع شامل تھا۔ کمپنی نے OOL میں اپنی سرمایہ کاری مارچ 2018 میں فروخت کر دی جبکہ OLE کو 'Held for Sale' قرار دے دیا گیا تھا۔ OLE کے بڑے حصص یافتہ الہیل ہولڈنگ ایل ایل سی (Al Hail) نے OLE کے سرمائے میں توسیع دینے کا منصوبہ بنایا ہے۔ اوایل پی کی رائے یہ ہے کہ مصر کے حالات اور OLE کی مالیاتی پوزیشن اس بات کی اجازت نہیں دیتی کہ کمپنی میں مزید سرمایہ کاری کی جائے، لہذا مورخہ 6 فروری 2019 کے اجلاس میں اوایل پی کے بورڈ نے OLE کے 23 فیصد حصص مجموعی قیمت فروخت 28.4 ملین آپریشن پائونڈ (تقریباً 221.4 ملین روپیہ) کے عوض Al Hail کو فروخت کرنے کی پیشکش کو قبول کرنے کا فیصلہ کیا ہے۔ سرمایہ کاری فروخت کرنے سے تقریباً 68.6 ملین روپیہ بعد از ٹیکس خسارہ ہوگا، تاہم اس میں کمی بیشی بھی ہو سکتی ہے کیونکہ اس کا انحصار سودے کی تکمیل کے وقت زرمبادلہ کے نرخ پر ہوگا۔ متوقع خسارہ کی بنیادی وجہ طویل مدتی سرمایہ کاری پر غیر حاصل شدہ زرمبادلہ کا نقصان ہے جس کی وجہ آپریشن پائونڈ کی قدر میں نومبر 2016 میں 48 فیصد کمی تھی۔

مالیاتی اور زر سے متعلق پالیسیوں کی عمومی سمت کارخ برآمدات، سرمایہ کاری اور پیداواریت کی نمو کی طرف کیا گیا ہے جس میں خاص طور پر زور کاروبار میں سہل و آسانی پر دیا گیا ہے۔ تاہم ان اقدامات کے مثبت نتائج آنے میں کچھ وقت لگے گا۔ اس پس منظر میں OLP سال کے بقایا حصے میں نئے کاروباری سودوں کو بہت باریک بینی اور محتاط انداز میں تشکیل دے گی۔

گروپ کی کارکردگی

کمپنیز ایکٹ 2017 کی دفعہ 227 کی پاسداری کرتے ہوئے اختتام ششماہی رپورٹ میں اوایل پی اور اس کی ذیلی کمپنیوں (گروپ) بنام اور کس سروسز پاکستان (پرائیویٹ) لمیٹڈ اور اور کس مضاربہ کے عبوری اختصاری مالیاتی گوشوارے برائے ششماہی 31 دسمبر 2018 پیش کئے گئے ہیں۔

ڈائریکٹرز کی جائزہ رپورٹ

برائے اختتام ششماہی 31 دسمبر 2018

اورکس لیزنگ پاکستان لمیٹڈ (اوایل پی/دی کمپنی) کے بورڈ آف ڈائریکٹرز بمسرت 31 دسمبر 2018 کو ختم ہونے والے ششماہی کے غیر آڈٹ شدہ مختصر عبوری مالیاتی نتائج پیش کرتے ہیں۔

موجودہ مالی سال کی پہلی ششماہی میں مارکیٹ میں غیر یقینی صورتحال اور کم معاشی سرگرمی رہی خاص طور پر نقل و حمل اور آٹوموبائل کے شعبوں میں جو کہ کم طلب اور ٹیکس ریٹرن کے نان فائلرز پر نئی گاڑیوں کی خریداری پر پابندی کی وجہ سے متاثر ہوئے۔ حکومت کی معاشی استحکام کی کوششوں کے نتائج آنے باقی ہیں کیونکہ بڑھتے ہوئے مالیاتی عدم توازن اور کرنٹ اکاؤنٹ کے خساروں کی وجہ سے دباؤ ابھی تک برقرار ہے۔ مالی سال 2019 میں GDP میں نمونہ توقع طور پر 4 فیصد سے کم رہے گی جبکہ S&P نے ملکی ریٹنگ B سے B- کر دی ہے۔ جنوری 2018 سے پالیسی نرخوں میں مجموعی 4.5 فیصد اضافے اور یو ایس ڈالر کے مقابلے میں پاکستان روپے کی قدر میں 26 فیصد کمی سے مالیاتی سال کی بقایا مدت کے دوران کاروباری سرگرمیوں پر منفی اثرات جاری رہیں گے۔ پالیسی اقدامات کے درست مرکب، دو طرفہ اور کثیر الجہتی ذرائع سے مالیاتی حمایت کے سبب توقع ہے کہ ملک کے معاشی ماحول کو درمیانی سے طویل مدت کے دوران استحکام حاصل ہو جائے گا۔

مالیاتی جھلکیاں اور کاروباری جائزہ

اختتام ششماہی

دسمبر 2017

دسمبر 2018

-----روپے-----

541,515,171	719,763,979	قبل از محصول (ٹیکس) منافع
137,862,489	212,385,000	محصولات (ٹیکس)
403,652,682	507,378,979	خالص منافع بعد از ٹیکس (اس مدت کے لئے)
2.50	3.04	فی شیئر آمدنی - بنیادی اور صل شدہ
1,392,124,190	1,670,549,020	جاری کردہ، سبسکرائیڈ اور ادا شدہ سرمایہ (10 روپے فی شیئر)

بازار کے مشکل گزرا حالات کے باوجود، اوایل پی کو ششماہی میں قبل از ٹیکس منافع 719.8 ملین روپے ہوا جو کہ گزشتہ سال اسی مدت کے 541.5 ملین روپے سے 33 فیصد زیادہ ہے۔ منافع بعد از ٹیکس 26 فیصد اضافہ کے ساتھ 507.4 ملین (دسمبر 2018 میں 403.7 ملین روپے) تک پہنچ گیا۔ مدت کی فی حصص آمدن 3.04 روپے رہی جو کہ دسمبر 2017 میں 2.50 روپے تھی۔

نئے کاروبار کے لئے کمپنی نے مختلط طریقہ کار اختیار کیا جس کی وجہ سے ادائیگیاں 23 فیصد کمی کے ساتھ 5.4 ملین روپے رہیں جبکہ گزشتہ مالیاتی سال 2018 کی اسی مدت میں 7 ملین روپے تھیں۔ جس کے نتیجے میں لیز اور قرضوں کا پورٹ فولیو جو کہ جون 2018 کو 23.1 ملین روپے تھا، 3 فیصد کمی کے ساتھ 31 دسمبر 2018 کو 22.3 ملین روپے رہ گیا۔ تاہم متعلقہ لیز اور قرضوں کی آمدنی زیادہ رہیں جس کی وجہ پورٹ فولیو کی بازاری نرخوں کے مطابق از سر نو قیمت بندی تھی، لیز کی آمدنی 9 فیصد اضافہ کے ساتھ 1,339.8 ملین روپے (دسمبر 2017 میں 1,234.5 ملین روپے) اور قرضوں کی آمدنی 26 فیصد اضافہ کے ساتھ 373.9 ملین روپے (دسمبر 2017 میں 297.9 ملین روپے) ہو گئی۔
