DIRECTORS' REVIEW REPORT

The Board of Directors are pleased to present their review on the financial and operational performance of your Company for the half year ended 31 December 2018.

FINANCIAL AND OPERATIONAL HIGHLIGHTS

Net sales in the first half of ongoing financial year has increased by 97.4% to Rs.12,317 million as compared to Rs.6,238 million in corresponding period last year predominantly because of the increase in sales volume, which grew by 60% as compared to the similar period last year. This commendable volumetric growth was a result of increase in production capacity of the Company and due to the increasing demand of its products in the market. Gross profit increased by Rs.360.6 million (+30.9%) whereas operating profit increased by Rs.191.8 million (+24.1%) during the first six months of the current financial year as compared to the corresponding period last year. However, profit before tax and after tax dropped by Rs.91.1 million (-15.4%) and Rs.8.1 million (-1.5 %) respectively, as compared to the first half of the last financial year.

The operating and net profit declined as a result of slow down of the economy in general and construction industry in particular. The demand of rebars remained stagnant across the country which did not allow your Company to pass through the ever rising cost of goods being manufactured and sold. The costs of goods manufactured and sold increased primarily due to a massive rupee devaluation, increase in costs of imported scrap, and also increase in cost of energy. Distribution expense as a percentage of sales increased slightly, however administrative expenses as a percentage of sales remained under control. The finance cost doubled as a result of increase in interest rates to double digit and higher borrowings to fund the increased operations of the Company, albeit at a very low profitability.

The key financial highlights of the Company are as follows:-

	Half Year Ended 31 December 2018 (Rs. in millions)	Half Year Ended 31 December 2017 (Rs. in millions)
Net sales	12,317	6,238
Gross profit	1,525	1,165
Operating profit	988	796
Profit before tax	498	589
Profit after tax	516	524

The earnings per share (both basic and diluted) during the six months' period under review stood at Rs.1.74 (corresponding period 31 December 2017: Rs.1.77).

FUTURE OUTLOOK

The calendar year 2019 will remain a challenging year for the country in general and construction industry in particular. The expected IMF program for financial assistance is likely to bring more economic hardships for the country, from further increase in interest rates to another expected devaluation of 6% to 8% and abolition of a number of subsidies. With problem of large circular debt to be resolved, release of funds for PSDP related activities will remain a challenge for the government. The crackdown against number of construction projects and declaration of a large number of housing societies as illegal has considerably slowed down the construction activities across the country. Although short term balance of payment crisis has been averted to a great extent due to generous funding from friendly countries (like Saudi Arabia, United Arab Emirates, China and Turkey), the long term macro-economic imbalances remain to be addressed.

With the changed economic circumstances, your Company is focused on increasing its production, reducing its cost and increasing its sales at competitive prices to increase its market share.

ACKNOWLEDGEMENT

The Board of Directors of your Company remains grateful to all stakeholders including our valued shareholders, employees, customers, financial institutions and suppliers for their unwavering contribution and support to further strengthen the Company.

زیر نظر عرصے کے دوران کمپنی کی جانب سے 1.74 روپے آمدن فی حصص (بنیادی و تحلیلی) درج کی گئی ہے۔ (گزشتہ سال یعنی 31 دسمبر 2017 کے اسی عرصے کے دوران آمدن فی حصص 1.77 روپے درج کی گئی تھی)

مستقبل پر نظر

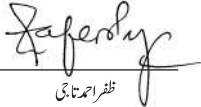

مالی سال 2019 پاکستان میں باعوم صنعتوں اور بالخصوص تعمیرات کی صنعت کیلئے ایک سخت سال ثابت ہوگا۔ آئی ایم ایف کی جانب سے ملنے والی ممکنہ مالی امداد ان مسائل میں مزید اضافہ کر سکتی ہے۔ کیونکہ اس کیلئے کے باعث شرح سود میں مزید اضافہ ہونے کی وجہ سے روپے کی قدر میں 6% سے 8% تک مزید کمی آسکتی ہے اور بہت سی حکومتی رعایات ختم ہو سکتی ہیں۔ گردشی قرضوں کے اتنے بڑے حجم کی موجودگی میں، پی ایس ڈی پی کی مد میں فنڈز کی فراہمی حکومت کیلئے ایک بڑا چیلنج ثابت ہوگی۔ پورے ملک میں بہت سے تعمیراتی اداروں کی ہاؤسنگ سوسائٹیوں کو غیر قانونی قرار دیئے جانے اور مختلف تعمیراتی منصوبوں کے خلاف شروع کی جانے والی کارروائی کی وجہ سے بھی تعمیرات کی صنعت انتہائی ست روی کا شکار ہو چکی ہے۔ گو کہ قلیل المدتی ادائیگیوں کے سلسلے میں پایا جانے والا عدم توازن دوست ممالک (جیسا کہ سعودی عرب، عرب امارات، چین اور ترکی) کی جانب سے دی جانے والی امداد کے باعث کافی حد تک ٹھل چکا ہے لیکن ادائیگیوں کے ضمن میں پایا جانے والا طویل المدتی عدم توازن کا مسئلہ ابھی اپنی جگہ موجود ہے۔

بدلتے ہوئے معاشی منظر نامے میں آپ کی کمپنی کی جانب سے تمام تر توجہ اس جانب مبذول کی جا رہی ہے کہ کمپنی کی پیداوار میں اضافہ کیا جائے، پیداواری لاگت میں ہر ممکن کمی لائی جائے اور مارکیٹ میں اپنا حصہ بڑھانے کی غرض سے مسابقی نرخوں پر اپنی فروخت کا حجم بڑھایا جائے۔

اظہار تشکر

بورڈ تمام حصص داران کی جانب سے ان کے اعتماد اور حمایت کیلئے ان کا بے حد مشکور ہے۔ ہم اپنے تمام قابل احترام شرکات داروں، ملازمین، صارفین، مالیاتی اداروں اور ترسیل کاروں کے تہہ دل سے مشکور ہیں کہ ان کی حمایت اور مستقل تعاون کی وجہ سے کمپنی ترقی کی راہ پر گامزن ہے۔

بورڈ آف ڈائریکٹرز انتہائی مسرت کے ساتھ 31 دسمبر 2018 کو ختم ہونے والی شش ماہی سے متعلق کمپنی کے مالیاتی و کاروباری امور کی بابت اپنی جائزہ رپورٹ آپ کی خدمت میں پیش کر رہے ہیں۔

مالیاتی و کاروباری امور کی اہم جھلکیاں

گزشتہ مالی سال کی شش ماہی کے مقابلے میں رواں مالی سال کی شش ماہی کے دوران فروخت کی شرح میں 97.4% (2018 میں 12,317 ملین روپے جبکہ 2017 میں 6,238 ملین روپے) کا زبردست اضافہ درج کیا گیا ہے، جس کی وجہ فروخت کے حجم میں اضافہ تھا اور یہ اضافہ گزشتہ سال کی شش ماہی کے مقابلے میں 60% سے زیادہ ہے۔ فروخت کے حجم میں اس زبردست اور قابل تعریف اضافے کی وجہ کمپنی کی پیداواری صلاحیت میں اضافہ اور کمپنی کی مصنوعات کی مارکیٹ میں بڑھتی ہوئی طلب ہے۔ گزشتہ مالی سال کی شش ماہی کے مقابلے میں زیر نظر مالی سال کی شش ماہی کے دوران خام منافع میں 360.6 ملین روپے (30.9%+) کا اضافہ درج کیا گیا ہے اور کاروباری منافع میں 191.8 ملین روپے (24.1%+) کا اضافہ درج کیا گیا ہے۔ تاہم گزشتہ مالی سال کی شش ماہی کے مقابلے میں منافع قبل از ٹیکس اور منافع بعد از ٹیکس میں بالترتیب 91.1 ملین روپے (15.4%-) اور 8.1 ملین روپے (1.5%-) کی کمی واقع ہوئی ہے۔

کاروباری منافع اور صافی منافع میں کمی کی بنیادی وجہ عمومی طور پر معیشت اور بالخصوص تعمیرات کی صنعت میں آنے والی سست روی ہے۔ پورے ملک میں عمومی طور پر اس دوران ربراز کی طلب میں کوئی اضافہ نہ ہو سکا جس کی وجہ سے آپ کی کمپنی پیداواری لاگت میں اضافے کو منتقل کرنے سے قاصر رہی۔ بنائی اور فروخت کی جانے والی اشیاء کی لاگت میں اضافے کی وجوہات میں پاکستانی روپے کی قدر میں امریکی ڈالر کے مقابلے میں آنے والی زبردستی، درآ مد شدہ خام مال کی قیمت میں اضافہ اور توانائی کی قیمت میں اضافہ وغیرہ شامل ہیں۔ فروخت کے حجم میں ہونے والے اضافے کے تناسب سے لاگت برائے ترسیل مال میں بھی معمولی سا اضافہ درج کیا گیا ہے اس کے برعکس انتظامی امور پر آنے والے اخراجات کو کنٹرول میں رکھا گیا ہے۔ کمپنی کی پیداواری صلاحیت کو بڑھانے کے سلسلے میں لئے جانے والے قرضے سمیت شرح سود کا بڑھ کر دو ہندسوں میں آ جانے کی وجہ سے کمپنی کی مولی لاگت دگنی ہو چکی ہے۔

INDEPENDENT AUDITOR'S REVIEW REPORT

TO THE MEMBERS OF AMRELI STEELS LIMITED

REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Amreli Steels Limited** (the Company) as at 31 December, 2018 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim cash flow statement and notes to the accounts for the six months period then ended (herein after referred to as "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures of the condensed interim statement of profit or loss and other comprehensive income for the three-months period ended 31 December 2018 and 2017 have not been reviewed, as we are required to review only the cumulative figures of the six-months period ended 31 December 2018.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Mr. Omer Chughtai.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2018

(UN-AUDITED)

1. THE COMPANY AND ITS OPERATIONS

Amreli Steels Limited (the Company) was incorporated in 1984 as a private limited company and converted into a public unquoted company in 2009. The Company enlisted on Pakistan Stock Exchange in 2015. The Company is engaged in manufacture and sale of steel bars and billets. The registered office of the Company is situated at Plot No. A-18, S.I.T.E., Karachi

2. BASIS OF PREPARATION

2.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

These condensed interim financial statements of the Company for the half year ended December 31, 2018 are unaudited but subject to limited scope review by the statutory auditors as required by the Listed Companies (Code of Corporate Governance) Regulations, 2017.

2.2 The figures of the condensed interim statement of comprehensive income for the quarters ended December 31, 2018 and 2017 have not been reviewed by the external auditors of the Company as they have reviewed the cumulative figures for the half year ended December 31, 2018. These condensed interim financial statements do not include all the information and disclosures as required in the annual financial statements and should be read in conjunction with the Company's annual financial statements for the year ended June 30, 2018

2.3 These condensed interim financial statements are being submitted to the shareholders as required by Section 237 of the Companies Act, 2017.

3. ACCOUNTING POLICIES

The accounting policies and the methods of computations adopted in the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended June 30, 2018, except for:

New / Revised Standards, Interpretations and Amendments

The Company has adopted the following amendments to IFRSs which became effective for the current period:

Standard or Interpretation

IFRS 2 Share-based Payments – Classification and Measurement of Share-based Payments Transactions - (Amendment)
IFRS 9 Financial Instruments
IFRS 15 Revenue from Contracts with Customers
IAS 40 Investment Property – Transfers of Investment Property (Amendments)
IFRIC 22 Foreign Currency Transactions and Advance Consideration

The adoption of the above standards and amendments in the accounting standards did not have effect on the accounting policies of the Company except as follows:

3.1 IFRS 15 - Revenue from Contracts with Customers

IFRS 15: Revenue from Contracts with Customers supersedes IAS 11: Construction Contracts, IAS 18: Revenue and related Interpretations and it applies to all revenue arising from contracts with customers, unless those contracts are in the scope of other standards. The new standard establishes a five-step model to account for revenue arising from contracts with customers. Under IFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The standard requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers.

The Company is engaged in manufacture and sale of steel bars and billets. The Company has assessed that significant performance obligation in contracts with customers are closely related and therefore are discharged over the period of the relationship with relevant customers. Hence, the Company has concluded that it is in compliance with the requirements of the new accounting standard.

3.2 IFRS 9 – Financial Instruments

IFRS 9: Financial Instruments has replaced IAS 39 Financial Instruments: Recognition and Measurement for annual periods beginning on or after 1 July 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement; impairment; and hedge accounting.

The Company has applied IFRS 9 retrospectively, with the initial application date of 1 July 2018 as notified by the Securities and Exchange Commission of Pakistan (SECP). The Company's financial assets mainly includes trade debts, advances, deposits, other receivables and bank balances.

The adoption of IFRS 9 has fundamentally changed the Company accounting for impairment losses for financial assets by replacing the incurred losses model approach with a forward looking expected credit loss (ECL) approach. Expected Credit Loss (ECL) are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

Considering the nature of the financial assets, the Company has applied the standard's simplified approach and has calculated ECL based on life time ECL and as at December 31, 2018 the Company has concluded that it is in compliance with the requirements of the new accounting standard.

4. ACCOUNTING ESTIMATES AND JUDGEMENTS

4.1 The preparation of these condensed interim financial statements is in conformity with the approved accounting standards which requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. However, actual results may differ from these estimates.

4.2 During the preparation of these condensed interim financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the audited annual financial statements for the year ended June 30, 2018.

4.3 The Company follows the practice to conduct actuarial valuation as at year end. Hence, the impact of remeasurement of staff retirement plan has not been incorporated in these condensed interim financial statements.
