Chairman's Message

Unconsolidated Financial Statements

On behalf of the Board of Directors, it is my privilege to present the unconsolidated Annual Report of Faysal Bank Limited for the financial year ended December 31, 2018. The Bank once again maintained strong financial performance which was led by a carefully crafted business plan.

The positive results are in line with the Bank's robust growth over the last several years along with the Islamic transformation vision of the Board and Management. The Bank has grown organically and evolved with a strong presence in the industry with a footprint that spans over 150 cities with 455 branches across the country including 255 dedicated Islamic branches. Faysal Bank is a significant market player and is well poised for sustainable future growth. The Bank's ambition is to provide par excellence service to its customers while meeting their financial needs in both personal and business related spheres, adhering to stringent regulatory compliance and control protocols.

Faysal Bank aims to play an active role in the growth of Islamic Banking industry by offering high standard Shariah compliant products and services through its fast growing dedicated Islamic network across the country. Furthermore, the Bank has embarked on a holistic strategy under the guidance of the Board which will align the Banks transformative vision to enhance and develop new systems, platform and services that will set the benchmark of a strong Islamic Financial institution with customer service excellence for the foreseeable future.

Moreover, the Bank has increased its stake in Faysal Asset Management Limited (FAML) to 99.9% by acquiring an enhanced equity stake as well as strengthening the management team, this is to strengthen and provide diversified innovative financial solutions to compliment an evolving need of our customer base.

At Faysal Bank, we believe that our employees are our greatest strength. In 2018, the Bank continued to invest in their training and development. As we firmly believe in developing capabilities and professional skillset from within the organization to manage leadership positions within the Bank. Hence to nurture talent and groom them to the desired skillset the Bank has successfully launched recruitment drives for Management Trainees from top universities country wide under the umbrella of "Search for the Best" program. This will be an ongoing initiative to induct the best breed young talent. Besides numerous Islamic Banking courses were conducted through in-house and external trainers to institutionalize and reinforce our commitment towards the transformation and providing career growth from within. On the Corporate Social Responsibility, Faysal Bank remains committed to support education, professional development of our youth along with our focus on health and poverty alleviation.

Looking ahead, I expect 2019 to be another eventful year where we will continue in our efforts to reaffirm the bank's position as one of the leading financial institutions, while continuing to elevate our customer banking experience across all touch points and platforms.

On behalf of the Board of Directors, I would like to take this opportunity to express my sincere gratitude to our customers, shareholders for their continued trust, which has been the cornerstone of our continued success. I would also like to thank the State Bank of Pakistan and the Securities & Exchange Commission of Pakistan for their continued guidance.

Lastly, I would like to acknowledge the directional support provided by the Board of Directors, Management of the Bank and all employees for their hard work and contributions towards achieving the desired goals of the Bank.

Farooq Rahmatullah Khan

Chairman of the Board

Corporate Governance

Corporate Social Responsibility

Wafq Faisal is a non-profit organization established in October, 1999 in Karachi as a CSR division of Faysal Bank. It focuses on providing maximum relief to the poor, development of education, medical relief and advancement of any other general utility. Its CSR program mainly focuses on the domains of Education, Health, Welfare Institutions and Financial Assistance to Employees.

In 2018, more than PKR 92.54 Million was invested in the contributions related to student sponsorships, vocational trainings, health care and medical equipment's, infrastructure development, environment protection and staff welfare.

Education

We are helping people empower themselves through Education. Education is one of our key focus areas, therefore 46% of the total spend is disbursed across this sector to help the underprivileged and deserving students in shaping their future. The Citizen's Foundation, Professional Education Foundation, Path Education Society, Development in Literacy were some of the NGOs we collaborated with in 2018.

We are focusing on our strategic alliance with Universities, supporting Islamic programs, scholarships funds to deserving students, research & training of Scholars. Such partnerships will ensure provision of skilled human resources in the field of Islamic banking and a meaningful contribution to equipping the less privileged students with knowledge and education.

Health

In order to achieve its health sector goals, Faysal Bank has collaborated with various NGO's, government hospitals and associations that are positively contributing on development of new health care facilities and free treatments of patients.

29% of the total spend is disbursed in the sector. Donations to Patient Welfare Association, Indus Hospital, Child Aid Association and other established organizations were made with the objective of facilitating needy patients.

Welfare Institutions

Faysal Bank has contributed CSR funds to welfare organizations with a long term approach to develop vocational training, skill sets for income generation and poverty elimination in deprived and underprivileged areas. We help Karigar Training Institute in providing vocational trainings to under privileged children in Karachi.

Environment

We have launched a green-investment initiative called "Come Grow with Us" in collaboration with Karachi Relief Trust. Our vision through these initiatives is to engage and create awareness among the present and potential customers and employees of the Bank. Along with this, an on-ground activity in selected mosques located near Islamic branches will be adhered such as tree plantations, recycling & conservation of ablution water at mosques. The whole idea is to resonate the initiative strategically with the Islamic Banking proposition, reaching out to all the current and prospects customers of the bank.

Financial Assistance to Employees

Faysal Bank understands that employees are an integral part of the organization. Hence, financial assistance is provided to them for their family's medical and educational needs.

Statement of Material Facts under Section 134 (3) of the Companies Act 2017 Realting to the Special Business reffered in the Notice above

Agenda Item No. 6

To approve increase in Authorized Shares Capital of the Bank and in this regard amend the Memorandum & Articles of Association by passing the following resolutions as special resolutions with or without amendments:

In order to cater for future increase in paid up share capital, the Authorized Share Capital of the bank needs to be enhanced. Accordingly, the Board of Directors has recommended increasing the Authorized Share Capital of the bank from PKR 18,000,000,000/- (Eighteen Billion only) divided into 1,800,000,000 (Eighteen Hundred Million) ordinary shares of PKR 10 each to Rs. 22,000,000,000/- (Twenty Two Billion only) divided into 2,200,000,000 (Twenty Two Hundred Million) ordinary shares of PKR 10 each.

Reasons for Alteration in Memorandum and Articles of Association:

The proposed increase in the Authorized Share Capital of the Company will also necessitate amendments in clause V of the Memorandum of Association and Article 5 (a) of the Articles of Association of the Company. Therefore, the Board of Directors have also recommended alteration in the Memorandum of Association and Articles of Association of the Company to reflect increase in Authorized Share Capital of the Bank.

Existing Clause V of Memorandum of Association:

"The Capital of the Bank be and is hereby increased from Rs. 12,000,000,000/- (Rupees Twelve Billion Only) to Rs. 18,000,000,000/- (Rupees Eighteen Billion Only) divided into 1,800,000,000 (Eighteen Hundred Million only) Ordinary Shares of Rs. 10/- each."

Proposed Clause V of Memorandum of Association:

"The Capital of the Bank be and is hereby increased from Rs. 18,000,000,000/- (Rupees Eighteen Billion Only) to Rs. 22,000,000,000/- (Rupees Twenty Two Billion Only) divided into 2,200,000,000 (Twenty Two Hundred Million only) Ordinary Shares of Rs. 10/- each."

Existing Article 5 (a) of the Articles of Association :

"The Authorized Share Capital of the Bank be and is hereby increased from Rs. 12,000,000,000/- (Rupees Twelve Billion Only) to Rs. 18,000,000,000/- (Rupees Eighteen Billion Only) divided into 1,800,000,000 (Eighteen Hundred Million only) Ordinary Shares of Rs. 10/- each."

Proposed Article 5 (a) of the Articles of Association:

"The Authorized Share Capital of the Bank be and is hereby increased from Rs. 18,000,000,000/- (Rupees Eighteen Billion Only) to Rs. 22,000,000,000/- (Rupees Twenty Two Billion Only) divided into 2,200,000,000 (Twenty Two Hundred Million only) Ordinary Shares of Rs. 10/- each".

Statement by the Board of Directors:

"The proposed alterations are in line with the applicable provisions of the law and the regulatory framework."

The new ordinary shares when issued shall rank *pari passu* with the existing ordinary shares in all respects.

Copies of the existing Memorandum and Articles of Association and as may appear after the proposed alterations have been kept at the Registered Office of the Company and may be inspected during business hours of the Company on any working day from the date of publication of this notice till the conclusion of the general meeting.

The Directors and their relatives have no interest in the increase in authorized share capital and alteration in the Memorandum and Articles of Association of the Company, whether directly or indirectly except to the extent of their shareholdings in the Company.

Agenda Item No. 7

Report of the Board Audit and Corporate Governance Committee

The Board Audit and Corporate Governance Committee (BACGC) comprises of three directors having vast experience and knowledge of Banking, Finance, Corporate Governance, Asset Management, Audit & Accounting. Out of three members, two are independent Directors and one is a non-Executive Director. The Chairman BACGC is an independent director. The BACGC in 2018 updated its Terms of Reference (TORs) in line with SBP's Compliance Risk Management (CRM) and other guidelines issued by the Regulators and approved by the Board of Directors (BOD).

The Committee focused on the effectiveness of the Internal Control, Compliance Risk Management, Operational Risk Management Framework and application of Corporate Governance best practices as well as budgeting and accounting standards at Faysal Bank Limited (FBL) and fully complied with its TORs.

The Committee not only approved the Internal Audit plan for 2018, revised Audit Manual/ Charter but also approved the Compliance plan 2018 as per requirement of Code of Corporate Governance (COCG) issued by SECP in 2017. The provision of all kind of resources was ensured to both Internal Audit Function and to the Compliance Function to successfully implement their annual plans and other activities. Head of Internal Audit was given free access to approach BACGC to ensure proper reporting in all sensitive matters / issues of FBL relating to his subject. The Committee convened 4 mandatory and one special meeting during the year 2018.

The following major activities were under taken to improve the overall performance of FBL during 2018:

- BACGC reviewed/ examined the quarterly, half yearly financial statements and annual financial statements for the year 2018 along with director's review reports of FBL with its recommendation to the Board for approval of these financial statements/ reporting's. The Committee for the first time reviewed and recommended the level of materiality to be set for FBL for approval to BOD. BACGC reviewed related party transactions with assurance from management that all transactions were undertaken at arm's length and recommended the same for BOD's approval.
- BACGC also held detailed discussions with external auditors on major observations made in their management letters and reviewed it along with management's response thereto. The Committee recommended the appointment of external auditors for the year 2018 and their fee to the Board. BACGC also reviewed the new format for the financial statements to be adopted for the annual accounts of 2018 with the external auditors keeping in view changes made in accounting procedure to be incorporated in the Financial Statements from 2019 as well as identified the reporting requirements as per Companies Act 2017.
- BACGC reviewed/ analyzed the performance of Internal Audit Department (IAD), reviewed high risk observations and ensured monitoring and timely implementation of IAD observations. An assurance is given to BACGC that Policies adopted by the Bank are sufficient & appropriate and information provided by the management is reliable. The BACGC also reviewed adequacy and quality of IAD resources.
- The BACGC also considered the report on "Quality Assurance Review" of IAD, which was conducted by External Consultant (M/s KPMG) on behalf of Ithmaar Bank Bahrain (the Majority Shareholder) of FBL and noted that IAD on overall basis is maintaining local and international standards satisfactorily.

- BACGC reviewed and monitored the implementation of the Annual Compliance Plan for the year 2018 on quarterly basis and also reviewed the progress on updating of AML/CFT procedures per SBP regulations and Financial Action Task Force (FATF) recommendations. The implementation was undertaken by a management taskforce specially formed for this purpose in FBL.
- The Committee also reviewed the quarterly update of the Whistle Blow Committee (WBC) cases & internal investigation findings and timely actions taken by the management.
- BACGC reviewed quarterly update of Fraud and Forgery cases & major findings of internal investigations in the area along with management's action thereon and noted with satisfaction the tangible reduction in these cases.
- BACGC not only reviewed the Institutional Risk Assessment Framework (IRAF) – Self Assessment Questionnaire but also the implementation of Internal Controls over Financial Reporting (ICFR) program across the Bank. BACGC also reviewed the progress in relation to impending implementation of IFRS-9.
- BACGC reviewed the quarterly Compliance of the SBP inspection report and SBP's thematic review reports along with monitoring the compliance status of these reports. The Committee also reviewed statement on internal control system and recommended the same for endorsement by the Board.
- BACGC conducted self-assessment of its performance for the year 2018 to comply with SECP code of corporate governance and presented it to the BOD. The BOD appreciated the performance of the Committee in its annual evaluation.

Mian Muhammad Younis
Chairman - BACGC

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Faysal Bank Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of Faysal Bank Limited (the Bank) for the year ended December 31, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Bank. Our responsibility is to review whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

The Regulations require the Bank to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Bank's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Bank for the year ended December 31, 2018.

Further, we highlight below instance of non-compliance with the requirement of the Regulations as reflected in the paragraph reference where it is stated in the Statement of Compliance:

S.NO	Paragraph Reference	Description
I.	12(c)	The composition of the Recruitment Nomination and Remuneration Committee (RNRC) is in line with the Revised Guidelines on Remuneration Practices 2017 issued by the State Bank of Pakistan which allows a non-executive director to be the Chairman in case the majority members of the committee are independent directors. Following the guidelines majority members of RNRC are independent directors, however, the Chairman of the RNRC is not an Independent Director.

Report of Shariah Board

FOR THE YEAR ENDING DECEMBER 31, 2018

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

الحمد لله رب العالمين، والصلاة والسلام على خاتم الأنبياء والمرسلين محمد المصطفى الصادق الأمين وعلى آله وصحبه أجمعين

Faysal Bank Limited has completed another year of successful operations of its Islamic Banking. Faysal Bank is successively expanding its Islamic Branches and converting its Conventional portfolio to Islamic. In 2018, 50 new branches were added in Islamic banking network after which total Islamic branch network has reached upto 255 of which 5 have been converted from Conventional to Islamic banking during the year.

During the year, the Shariah Board ("SB") held four meetings to review various existing and new products, policies, standard operating procedures, transactions, processes and their Shariah-compliance. As required under Shariah Governance Framework, the SB also met with BOD twice this year to have a detailed briefing on Shariah compliance environment.

Shariah Board appreciates the commitment of the BOD and Management to transform the Bank's entire operations to Islamic Banking.

Following is the overview of the year 2018:

Conversion of Bank's portfolio

SB is pleased with Management's efforts for speeding up the conversion process. During the year, five (5) Conventional branches have been converted into Islamic. Furthermore, approximately more than 20 customers specific process flows have been approved by Shariah Board for the conversion of the facilities from Conventional to Islamic. During the year, Alhamdulillah, the Bank converted its existing Conventional loan portfolio of over PKR 24.00Bn into Shariah compliant mode of finance.

Product Development

Under the guidance of SB, Product Development has worked for the improvement of existing products as well as development of new products along with their related documentation. During the year Faysal Bank, Islamic further enriched its asset side product menu through introducing Running Musharakah Variant for IERS, Salam for SME, commercial and corporate, Musawamah for consumer financing product has been developed and Tijarah product has been launched. During the year the Kamil Business account has been revamped and relaunched with new features. Furthermore, new variants of Muntazim Monthly Saving account, PayCheq Remunerative Current Account, Barkat Investment Certificate (FCY/LCY) and FCY Saving Account were also introduced.

Moreover, to improve the understanding about Islamic Banking across the board, the Bank has also introduced a Hand Book, Islamic helpline and Product directory for internal use.

Shariah Compliance Department

Shariah Compliance Department ("SCD") working under the guidance of the Shariah Board, carried out Shariah compliance reviews on sample basis, to assess the compliance of different departments with the approved process flows, policies and procedures. Reviews were carried out for Running Musharakah, Murabaha, Ijarah, Istisna, Charity accumulation and disbursement, Guarantees & Non-funded facilities and Islamic Branch network etc. Furthermore, SCD also reviewed the Pool management & Profit distribution mechanism and calculations on monthly basis to ensure the mechanism is being followed as per the regulatory and Shariah Board's guidelines.

While reviewing, interactive sessions were also conducted with the various departments to assess the capacity building requirements. Furthermore, as per directives of Shariah Board including RSBM & SCD visited different regional offices and Islamic branches in Islamabad, Lahore Multan, Quetta, and Karachi, where interactive awareness sessions were arranged with the Bank's staff.

During the year, SCD obtained approval for approximately more than 160 customer specific process flows and several syndicate participations transactions.

Subsequently, random physical inspections were also made by the SCD. As per the guidance of Shariah Board, the process had been initiated for the separation of Bank vide Policies and Procedures for Islamic Banking from that of Conventional side; and during this year approximately more than 60 existing and new policies and standard operating procedure have been reviewed by SCD and approved by the SB.

SCD also played a pivotal role in the capacity building of the staff, wherein, the SCD has facilitated through improvement of training material as well as conducting various trainings.

Shariah Advisory Services

During the year, the Shariah Board has provided Shariah Advisory services for different 8 Islamic syndicate transactions, which included transactions related to various industries like Automobile, Steel, Power, Service, Educational institutes, Beverages and Shipping Industries.

Shariah Audit

Internal & External Shariah Audit were undertaken as per the requirement of Shariah Governance Framework. Internal Shariah Audit Unit (ISAU) is an integral part toward strengthening of overall Shariah Compliance environment of the Bank. The ISAU carried out Shariah Audits in this year for following products and segments i.e. Corporate finance, Marketing and Service quality, Shariah Compliance, SME and Commercial Branch Banking, Retail Banking, Charity accumulation and disbursement, Profit distribution and Pool Management. Further, external Shariah audit was also carried out encompassing all relevant functions of Islamic Banking.

Charity

The opening balance of the charity funds was PKR 8.182 Mn and during the year an amount of PKR 9.488 Mn was recovered from the customers in lieu of delayed payments made by them. Furthermore, during the reviews & audits conducted by SCD & ISAU, various transactions were referred to Shariah Board where an amount of PKR 0.617 Mn was credited to Charity Fund due to Shariah Non-compliance.

During this period an amount of PKR 8.500 Mn was distributed to various charitable organizations with the approval of Shariah Board. Details of charity are available on note # A-2.4

Learning Development and Awareness Sessions

Trained human capital is the key toward success of Islamic Banking Industry. During the year the Bank took an initiative to have an in-depth training program arranged in liaison with the Center of Islamic Economic “CIE” (a division of Jamia Darul Uloom Karachi) and IBA Centre of Excellence in Islamic Finance (CEIF) for the Executive and Senior Management of the Bank. Further, a session was conducted for BOD members on Pool Management & Profit Distribution Mechanism. In addition to this as per the directives of State Bank of Pakistan (“SBP”), staff for newly opened branches undergone a 5 days Islamic Banking Certification Program. Furthermore, Advanced Islamic Banking courses level 1 and 2 were also introduced, especially aimed at capacity building of the staff, including for bank’s front-end officials and support function departments. It is pertinent to mention that Learning Development (“L&D”) has arranged Islamic banking training for approximately 3000 staff. Furthermore, the Bank’s L&D department also arranged Islamic Banking training for selective staff through various external renowned training institutions.

Opinion of Shariah Board

While the Board of Directors and Executive Management are solely responsible to ensure that the operations of Faysal Bank Limited, Islamic Banking are conducted in a manner that comply with Shariah principles at all times, we are required to submit a report on the overall Shariah compliance environment of Faysal Bank Limited, Islamic Banking.

To form our opinion as expressed in this report, the Shariah Compliance Department of the Bank carried out reviews, on test check basis, of each class of transactions, the relevant documentation and process flows. Further, we have also reviewed the reports of the internal Shariah audit and external Shariah audit.

Based on above, we are of the view that:

1. In our opinion the Islamic Banking Division of the Bank by and large complied with the Shariah rules and principles in the light of fatawa, rulings and guidelines issued by the Shariah Board.
2. During review, any matter requiring corrective measures have been noted and were resolved by the Management or ensured to be rectified in future. Subject to the foregoing, in our opinion the affairs of the Barkat Islamic Banking Division have been carried out in accordance with the directives, regulations, instructions and guidelines related to Shariah compliance issued by the SBP.
3. The Bank has a comprehensive mechanism in place to ensure Shariah compliance in their overall operations.
4. Bank has a well-defined system in place in the form of Shariah Compliance Review and Internal Shariah Audit to ensure that the earnings realized from sources or means prohibited by Shariah are credited to charity account and properly utilized for charitable purposes.
5. The allocation of funds, profit and loss distribution and pool management is in accordance with Shariah Rules & Principles and Pool Management guidelines of SBP.

6. Though L&D department of the Bank actively pursuing the training and development of human capital on the Islamic Finance & Finance through various training programs. However, considering the challenge of conversion, increased efforts are required on this front to enhance the awareness of staff, Management and BOD for the products and processes of the Bank and importance of Shariah compliance in the same.
7. The Shariah Board has been provided with adequate resources, enabling it to discharge its duties effectively.

Recommendations from Shariah Board

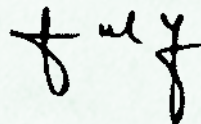

Based on the above, we recommend that:

1. The efforts of the Executive Management and other support functions are appreciated; Nevertheless, the conversion process needs to speed up.
2. Keeping in view that, exponential growth and conversion in FBL Islamic banking is projected the adherence to Shariah guidelines become more important, therefore, it is recommended that Shariah Compliance should be an integral part of performance appraisal mechanism and the existing appraisal mechanism should be revisited, while incorporating direct impact of instances of Shariah Non-compliance on the employee's appraisal.
3. Due to continuous branch expansion and conversion into Islamic Banking, the more focus is desired towards marketing of Islamic banking products & services of all kinds.

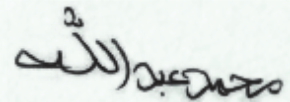

And Allah Subhanahu-wa-Taa'la knows the Best

Statement on Internal Controls

This statement is presented to comply with the instructions of the State Bank of Pakistan (SBP) issued vide BSD Circular No. 07 dated May 27, 2004 “Guidelines on Internal Controls” and OSED Circular No. 01 of 2014 dated February 07, 2014 “Instructions on Internal Controls over Financial Reporting (ICFR)”.

The Management of Faysal Bank Limited is responsible for establishing and maintaining adequate and effective internal control system in the Bank.

The management of the Bank fully recognizes this responsibility, appreciates its value and significance; therefore, has designed the Bank’s Internal Control Program to provide reasonable assurance on the reliability of financial reporting, effectiveness of the operations and compliance with applicable laws and regulations. Although, the Internal Controls Program is effectively implemented and monitored, there are inherent limitations in the effectiveness of any system, including the possibility of human error or system failure, circumvention and overriding of controls. Accordingly, even an effective internal control system can provide reasonable but not absolute assurance that the system’s objective will be achieved.

Accordingly, policies and procedures encompassing various business and operational areas are in place, updated and communicated across all pertinent levels of the organization. The policies are approved by the Board of Directors and the procedures are approved by the Senior Management. The Bank’s internal audit function keep monitoring of compliance with these policies and procedures and regularly apprises the management and the Board on the same through Board’s Audit and Corporate Governance Committee.

The management of the Bank has instituted an Internal Control and Monitoring Unit (ICMU) for the conduct of on-site and off-site reviews of the processes in head office as well as in the branches. ICMU monitors and identifies gaps in the day to day operations and ensures prompt corrective actions. Further the ICMU ensure compliance of policies approved by the Board of Directors and the procedures as approved by the senior management and implements sound control procedures to maintain a suitable control environment.

The management takes remedial measures to address weaknesses identified by ICMU, internal and external auditors. These remedial measures, which include improvements in internal controls to ensure non recurrence of those exceptions and are monitored by the Compliance Committee.

Additionally, the Bank has completed all stages of the ICFR roadmap, issued vide BSD Circular No. 05 dated February 24, 2009 of the State Bank of Pakistan (SBP). The Bank has adopted the “COSO Internal Control Integrated Framework” in relation to its internal control program in order to ensure consistency in the process of compliance with SBP’s Internal Control Guidelines involving documentation, risk assessment, gap analysis, controls testing and controls implementation. In the year 2017 State Bank of Pakistan granted exemption for submission of Long form Report through external auditors. Furthermore, as per the instructions of State Bank of Pakistan on the subject, Audit Committee of the Board will submit the annual assessment report on efficacy of the ICFR to OSED for the year ended December 31, 2018 within regulatory timeline.

The management is confident that through adoption of these measures, the Bank’s internal control environment is maintained at a satisfactory level.

The Board of Directors endorses the above stated management's evaluation of internal controls and ICFR program.

Directors' Report

Unconsolidated Financial Statements

On behalf of the Board of Directors, we are pleased to present the Directors' Report of Faysal Bank Limited along with Audited Unconsolidated Financial Statements and the Auditors' Report thereon for the year ended December 31, 2018.

Company Profile

Faysal Bank Limited (FBL) was incorporated in Pakistan on 3rd October, 1994 as a public limited company. The Bank's shares are listed on the Pakistan Stock Exchange and its footprint now spreads over 150 cities with 455 branches (out of which 255 are Islamic including 01 sub branch). Bank has placed 440 ATMs all over the country for the convenience of its customers.

FBL is offering services to Corporate, Retail, Commercial, SME and Agri-based customers and is well on the path of transforming into an Islamic Financial Institution. It is increasing its reach by opening new branches so as to provide banking services to its customer at their doorstep. Alongside branch expansion, FBL is investing in technology to provide user friendly, secure and trouble free services.

Economic Update

During Calendar Year 2018 (CY '18), Pakistan's economy underwent considerable changes on many fronts. Political set up witnessed a change of government and the new regime had to face challenges on the economic front. As a result, in CY'18 policy rate was raised by 425 basis points from 5.75% to 10.0%. The PKR/USD parity was devalued by about 25% from PKR 110.52/\$ to PKR 138.86/\$. Real GDP growth for FY'18 at 5.8% fell short of the 6.0% target and has since taken a further downward trajectory. IMF sees Pakistan GDP growth to fall at 4% and 3.5% in FY19 and FY20, respectively.

The average YoY Consumer Price Index (CPI) for 2HFY18 clocked in at 4.11% against 1HFY19 level of 6.04%. A major shift in inflation levels was observed because of higher international crude prices, impact of PKR depreciation, imposition of import duties and widening output gap. Core inflation, measured by non-food non-energy (NFNE) CPI has also seen a steady rise from 5.2% in Jan'18 to 8.4% in Dec'18.

On the fiscal side, healthy growth in revenues could not keep pace with increasing expenditures, particularly, the development expenditures pertaining to infrastructure and power projects increased sharply with a major contribution from provinces. According to international rating agency, Fitch, Pakistan's fiscal deficit is expected to increase from 5.8% in FY18 to 6.0% in FY19.

On the external front, current account deficit during Jul-Jun FY18 was measured at USD 18.989 billion, highest ever for Pakistan. Despite several rounds of devaluation of PKR against USD, Jul-Dec FY19 current account deficit stood at approximately USD 8 billion, only US\$ 350 million less than that of the corresponding period last year. Remittances, however, increased by 10% during Jul-Dec FY19. Overall, trade deficit remains a major challenge as exports have still not seen a major positive shift.

Bank's Performance:

The Bank is following a strategy with the following features:

- To further expand branch network with an objective to increase customer reach and provide them banking services at their doorstep. Branches increased from 405 to 455 branches till Dec' 18.

- To selectively build assets in the areas of Corporate, Commercial, SME and Consumer segments.
- To further enhance the use of technology to facilitate customers and reduce cost of doing business.
- To responsibly work towards conversion to a full-fledged Islamic bank.

Some of the achievements of 2018 are highlighted as follows:

Project Financing & Syndication

- o FBL, acting as mandated lead advisor & arranger, has arranged a long term financing of PKR 2,000 million under Islamic mode of financing for setting up of a green-field steel melting shop and rolling mill at Karachi with a capacity of 185,000 tons per annum.
- o FBL acted as a mandated lead advisor & arranger in the syndicated long term finance facility of up to PKR 25,000 million in combination of conventional and Islamic modes of financing for the largest electricity generation, transmission and distribution company. The funds raised will be used for partial financing of several ongoing and future projects intended for enhancing and strengthening the transmission and distribution system of the company.
- o FBL, acted as a mandated lead advisor & arranger, arranged a long term financing of PKR 10,500 million under the Islamic and Conventional modes of financing for a largest state owned marine transportation company. The proceeds will be utilized for purchase of vessels for operations of the company.
- o FBL acted as a mandated lead advisor & arranger in the Syndicated Long Term Finance Facility in a combination of Islamic and conventional modes of financing up to PKR 1,865 million for setting up a Rice Syrup & Sorbitol production facility.

Product Development

- o The Bank introduced variants under SBP's Islamic Export Refinance Scheme (IERS) and Islamic Term Financing Facility (ITFF).
- o Salam and Tijarah financing introduced to service Trade & Agri based customers.
- o Business First Current Account was re-launched with added features.
- o FBL launched Rent Free lockers against USD Deposits.
- o FBL in collaboration with Jubilee Life introduced unit linked products catering to medium to long term needs of both conventional and Islamic banking customers.
- o FBL re-launched completely revamped Islamic Kamil business account product to serve high net worth customers.
- o FBL introduced secured personal loans against customers' vehicle and loans for self-employed professionals at discounted rates.

- o FBL introduced Virtual Card allowing customers to make secure worldwide online purchases.
- o FBL launched online trading platform that allowed our Internet Banking customers, an opportunity to invest and manage their own GoP Securities.
- o Shariah compliant Takaful Health coverage product was launched.

New Initiatives

- o As part of our growth strategy, the Retail Banking unit reorganized its management structure and the distribution network to strengthen and optimize growth.
- o The Bank successfully implemented automated Obligor Risk Rating and Facility Risk Rating (ORR/ FRR) models for Corporate, Commercial, SME, Agri and Financial Institutions.
- o FBL developed automated branch conversion bulk processing utility which allows Products, Accounts and Lockers transfer from conventional branch setup to Islamic branch efficiently.
- o This year, the Bank successfully converted 7 conventional branches to Islamic.
- o In line with the requirements issued by SWIFT International, the prescribed 'mandatory controls' have been successfully implemented by the Bank.
- o Branch Led model was initiated for leveraging the strength of distribution network across the country for promoting Commercial & SME business.

Training & Development

- o Islamic Banking & Finance Course was completed for Senior Management.
- o 24,751 participants were trained both in class rooms and online trainings in 2018. Total training man hours for 2018 clocked in at 110,222.
- o 200 Branch Managers and 273 branch staff were trained in Sales transformation program "Believe". Consolidated man hours of the program were 4,540.
- o Faysal Bank launched Management Training program. 60 Management Training Officers were trained in 2 batches.
- o 509 participants were trained in Mandatory Islamic Banking Certification program and 2,770 were trained in Online Program namely Islamic Banking Level-I and Banking - The Islamic Way.
- o 171 Branch Service Officers were trained in 7 batches across the country.
- o Ethics & Values training program and Service Soft Skills program were conducted for more than 350 participants on pan-country basis.

Environmental Stewardship

The Bank, being a responsible corporate entity, remained cognizant of its responsibilities with regard to environmental protection and has developed a comprehensive 'Green Banking Policy'. The objective of this policy is to inculcate environmental consciousness in the employees of the Bank, as part of organizational culture. The Policy includes a framework for:

- Extending financing facilities to customers to help them in reducing carbon emission.
- Adopting environmental friendly policies and practices in the bank.
- Awareness for the bank's customers.

Bank has also developed Environmental Risk Rating Model in line with the requirements stipulated in SBP's Green Banking guidelines.

Corporate Social Responsibility ("CSR")

The Bank donated CSR amounts to the following Educational, Social Welfare and Healthcare Institutions / NGOs through Waqf Faisal:

Education & Social Welfare	Health Care
Centre of Excellence in Islamic Finance	Patient Welfare Association
The Citizens Foundation	Indus Hospital
LUMS National Outreach Program	Patient Aid Foundation
Professional Education Foundation	Child Aid Association
Namal Education Foundation	Friends of Burns Centre
Path Education Society	Behbud Association
Karigar Training Institute	Pink Ribbon
The Lahore Businessmen Association for Rehabilitation of the Disabled (LABARD)	Baitul Sukoon
Hope Uplift Foundation	Shaukat Khanum Memorial Cancer Hospital & Research Centre

Investment in Faysal Asset Management Limited

Shareholders, at the Extra Ordinary General Meeting held on July 10, 2018, approved strategic acquisition of Faysal Asset Management Limited (FAML). In line with this approval, the Bank has acquired interest in Faysal Asset Management Limited (FAML) by purchasing shares from Islamic Investment Company of Gulf Bahamas Limited (IICG) and from an individual at the rate of PKR 30 per share. After this acquisition, Bank's holding increased from 30% in FAML to 99.99% thereby, establishing the Bank's control over the FAML. In view of this a separate set of accounts at consolidated level together with audit report and Directors' review report is being presented.

Pursuant to maximize benefit of synergy, the Bank has injected further share capital into FAML by subscribing the right issue of 27,995,333 shares at the rate of PKR 10 each.

Future Outlook

The Bank will continue to follow strategy of Branch network expansion to increase its customer reach. On the assets side while our focus will remain on corporate sector, we will also selectively increase our exposure in the commercial, Small & Medium Enterprises (SME) and consumer segments. The Bank will continue to invest in technology to further improve customer experience and reduce cost. The momentum of conversion of the bank into an Islamic institution will increase with more branches and customers converting to Islamic banking solutions. With an increase in the policy rate the core markup income of the bank is expected to maintain its growth trajectory.

Financial Highlights

		(Rs in million)	
	2018	2017 Restated	Growth
Balance Sheet			
Investment	214,186	179,728	19.1%
Financing	296,445	231,532	28.0%
Total assets	599,914	494,934	21.2%
Deposits	409,384	371,624	10.2%
Profit and Loss Account			
Total revenue	22,535	19,575	15.1%
Operating expenses	14,492	12,608	14.9%
Profit before tax and provision	8,043	6,967	15.4%
Net reversals including WWF	(159)	(326)	51.2%
Profit before taxation	8,202	7,293	12.5%
Taxation	(3,365)	(2,763)	21.8%
Profit after taxation	4,837	4,530	6.8%
Earnings per share (rupees)	3.19	2.98	

Your Bank continued its growth momentum in 2018 showing over 20% increase in total assets mainly led by 28% growth in financing and 19% in investments. This asset growth was supported and financed in part, by deposits mobilized during the year. Going forward, with continued expansion in the branch network, growth momentum on deposits side will further increase. The Bank with a healthy Capital Adequacy Ratio of 16.8% is well above the regulatory requirement of 11.9% and has sufficient room to maintain this growth momentum.

On the profitability side, impacts of this growth strategy can be seen as the total revenue increased by PKR 2.9 billion or 15.1%. This increase in revenue derived from sustainable sources like markup income PKR 2.3 billion, fee and commission PKR 460 million and foreign exchange income PKR 764 million.

Increase in operating cost mainly reflects the cost of branch network expansion; the benefits of which are already reflecting on the revenue side.

The Bank continued to perform well in the area of recovering its non-performing loans. As a result of effective NPLs management the Bank posted a reversal of PKR 159 million in provisions. The Bank's non-performing assets are adequately covered through provision, with a coverage ratio of 86.8% while NPL ratio dropped to 8.3%, in line with Industry.

Consequently, profit after tax is higher than last year by PKR 307 million and Earning Per Share also improved from PKR 2.98 to PKR 3.19.

Appropriations

The directors in their meeting held on February 21, 2019 have proposed bonus share @ Nil % i.e. Nil million shares (bonus share 2017: 15% i.e. 197,960 million shares). in respect of year ended December 31, 2018.

Auditors' Report

The format of external auditors' report was changed on January 01, 2018 as per the requirements of Auditors (Reporting Obligations) Regulation, 2018 issued by the Securities and Exchange Commission of Pakistan. The external auditors have issued their report on the financial statements as per the new format which is part of this Annual Report. One of the significant changes is the inclusion of 'Key Audit Matters' ("KAMs") in the auditor's report on the financial statements.

Financial Statements Format:

Performance Evaluation of Board of Directors:

In line with the best practices of the corporate governance FBL's Board since 2012 has conducted self-evaluation exercise on an annual basis by engaging Pakistan Institute of Corporate Governance (PICG) as an external facilitator which is the lead on Corporate Governance and has a team of consultants to conduct board evaluations for companies and banks. SBP Guidelines on Performance Evaluation of Board of Directors were implemented in August 2016 and subsequently, FBL's Board in compliance thereof has conducted its self-evaluation for the year 2018 by engaging PICG. The evaluation covered various aspects of the performance of the Board including but not limited to: Board's role, Committees, Training, Strategy, Risk Management and Board Meetings. The evaluation covered:

- The Board as a whole
- Individual Director (Independent, Non-Executive and CEO)
- Board Committees

The evaluation was carried out using quantitative method, based on subjective assessment and was conducted via questionnaires developed by the consultants in conformance with the State Bank of Pakistan's Guidelines on Performance Evaluation of Board of Directors. The quantitative technique has the advantage of being specific and measurable. Measurement scale used in FBL's board evaluation is the summated rating on a scale of 1-10 depending on how strongly they agree or disagree with a given statement. The use of this method ensures specific and measurable data that can be benchmarked over time.

Directors' Remuneration Policy

Remuneration is very important for overall success of a Bank as it helps to attract high quality professionals to the Bank. Given that remuneration system is a key element in creating value, therefore, FBL Board has adopted the following principles for fixation of remuneration of FBL's Directors:

- a) Analyze the increase in the Role and Responsibilities of the BOD,
- b) Market practices local and international and comparisons with the peers,
- c) Long-term value creation by attracting and retaining the best professional.
- d) Ensure equity and competitiveness with the market;
- e) Ensure transparency in the remuneration process/procedure.

Remuneration for the Non-executive and Independent Directors

Directors are paid attendance fees as remuneration for attending a board or committee meeting and are also reimbursed all expenses incurred on or in relation to travelling and lodging for attending a board or committee meeting.

The Board at the time of constituting or appointing may in its discretion fix remuneration for attending the meetings of specially formed task force of the Board Members and for the attendances by a director for the special assignment entrusted to him/her.

The aggregate amounts of remuneration paid to Non-Executive and Independent Directors separately are disclosed in this Annual Report.

Risk Management Framework

Risk Management Group (RMG) is organized under the Chief Risk Officer ("CRO") who is independent from the Bank's operations. CRO has been authorized by the Board of Directors (BoD) to implement a Risk Management Framework across the Bank. Risk Management Framework covering the major risks and uncertainties faced by the Bank and how these are managed is elaborated in Note 44 of the Financial Statements.

Statement of Internal Control

The Board of Directors fully recognize its responsibility to ensure that a system of sound internal controls is established, which is fully implemented and maintained at all levels within the Bank. The Board is pleased to endorse the statement made by the management relating to internal controls. The system of internal controls is sound in design and has been effectively implemented and monitored. The management's statement on internal controls is included in this Annual Report.

Pattern of Shareholding

The pattern of shareholding and categories of shareholders of the bank as at December 31, 2018 is separately presented in this Annual Report.

Credit Rating

JCR-VIS Credit Rating Company Limited (JCR) and Pakistan Credit Rating Agency Limited (PACRA) have re-affirmed the following entity ratings as on December 31, 2017:

Long-Term	AA
Short-Term	A1+

Stable outlook has been assigned to the ratings by both the rating agencies.

Definitions of JCR-VIS for the assigned ratings are reproduced below:

“AA: High credit quality. Protection factors are strong. Risk is modest but may vary slightly from time to time because of economic conditions.

A1+: The Highest certainty of timely payment. Short term liquidity including internal operating factors and/or access to alternative sources of funds; is outstanding and safety is just below risk free Government of Pakistan short-term obligations.”

Definitions of PACRA for the assigned ratings are reproduced below:

“AA: Very high credit quality. “AA” rating denotes a very low expectation of credit risk. It indicates very strong capacity for timely payment of financial commitments. This capacity is not significantly vulnerable to foreseeable events.

A1+: Obligations supported by the highest capacity for timely repayment.”

Holding Company

Ithmaar Bank B.S.C (closed), a banking entity regulated by the Central Bank of Bahrain is the parent company holding directly and indirectly, 66.78% (2017: 66.78%) of the shareholding in the Bank. Ithmaar Bank B.S.C. (closed) is a wholly owned subsidiary of Ithmaar Holdings B.S.C. and Dar Al-Maal Al-Islami Trust (DMIT) is the holding company of Ithmaar Holding B.S.C. and is the ultimate parent of the Bank. DMIT was formed by indenture under the laws of the Commonwealth of The Bahamas for the purpose of conducting business affairs in conformity with Islamic law, principles and tradition.

Auditors

The present auditors, A F Ferguson & Co., Chartered Accountants, will retire on the date of next Annual General Meeting and are eligible for re-appointment. The Board's Audit and Corporate Governance Committee in its meeting held on February 19, 2019 has recommended appointment of A. F. Ferguson & Co, Chartered Accountants, as the auditor of the bank for the year 2019. The Board of Directors endorses the recommendation of the Audit Committee and recommends to the shareholders the appointment of A. F. Ferguson & Co., Chartered Accountants, as the auditors of the bank for the financial year 2019.

Subsequent Events

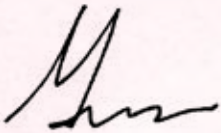

No material changes or commitments affecting the financial position of the bank have occurred between the end of the financial year of the bank and the date of this report other than disclosed in financial statements.

Acknowledgement

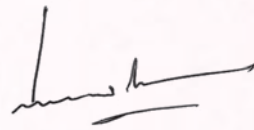

On behalf of the Board & Management of the Bank, we would like to take this opportunity to thank the shareholders and valued customers for the trust they have reposed in the Bank. We are also grateful to the State Bank of Pakistan and Securities and Exchange Commission of Pakistan for their continued support and guidance. We would also like to express sincere appreciation for the Shariah Board and employees of the Bank for their dedication and hard work.

Approval

In compliance with the requirement of the Companies Act, 2017, this Directors' Report with the recommendation of the Board Audit and Corporate Governance Committee has been approved by the Directors in their meeting held on February 21, 2019 and signed by the Chief Executive Officer and a director.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the unconsolidated financial statements of the current period. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S.No.	Key Audit Matters	How the matter was addressed in our audit
1	<p>Provision against advances: (Refer note 11.4 to the unconsolidated financial statements).</p> <p>The Bank makes provision against advances on a time based criteria that involves ensuring all non-performing loans and advances are classified in accordance with the ageing criteria specified in the Prudential Regulations (PRs) issued by the State Bank of Pakistan (SBP).</p>	<p>Our audit procedures to verify provision against advances, amongst others, included the following:</p> <p>We reviewed the design and tested operating effectiveness of key controls established by the Bank to identify loss events and for determining the</p>

S.No.	Key Audit Matters	How the matter was addressed in our audit
	<p>In addition to the above time based criteria the PRs require a subjective evaluation of the credit worthiness of borrowers to determine the classification of advances.</p> <p>The PRs also require the creation of general provision for the consumer portfolio.</p> <p>The Bank has recognised a net reversal of provision against advances amounting to Rs 433.611 million in the unconsolidated profit and loss account in the current year. As at December 31, 2018, the Bank holds a provision of Rs 25,813.448 million against advances.</p> <p>The determination of provision against advances based on the above criteria remains a significant area of judgement and estimation. Because of the significance of the impact of these judgements / estimations and the materiality of advances relative to the overall unconsolidated statement of financial position of the Bank, we considered the area of provision against advances as a key audit matter.</p>	<p>extent of provisioning required against non - performing loans.</p> <p>The testing of controls included testing of:</p> <ul style="list-style-type: none"> • automated (IT system based) controls over correct classification of non-performing advances on time based criteria; • controls over monitoring of advances with higher risk of default and correct classification of non-performing advances on subjective criteria; • controls over accurate computation and recording of provisions; and • controls over the governance and approval process related to provisions, including continuous reassessment by the management. <p>In accordance with the regulatory requirement, we sampled and tested at least sixty percent of the total advances portfolio and performed the following substantive procedures for sample loan accounts:</p> <ul style="list-style-type: none"> • verified repayments of loan / mark-up installments and checked that non-performing loans have been correctly classified and categorised based on the number of days overdue. • examined watch list accounts and, based on review of the individual facts and circumstances, discussions with management and our assessment of financial conditions of the borrowers, formed a judgement as to whether classification of these accounts as performing was appropriate. <p>We checked the accuracy of specific provision made against non-performing advances and of general provision made against consumer finance by recomputing the provision amount in accordance with the criteria prescribed under the PRs.</p>

2 Change in format of the financial statements (Refer note 3.8.2 to the unconsolidated financial statements)

The State Bank of Pakistan (SBP) has amended the format of annual financial statements of banks. All banks are directed to prepare their annual financial statements on the revised format effective from the accounting year ended December 31, 2018. Accordingly, the Bank has prepared these unconsolidated financial statements on the new format prescribed by the State Bank of Pakistan.

As part of this transition to the new requirements, the management performed a gap analysis to identify differences between the previous and current format. The adoption of the new format required certain recognition requirements and reclassification of financial information. The amended format also introduced certain new disclosures in the unconsolidated financial statements.

In view of the significant impact of the first time adoption of the revised format on these unconsolidated financial statements, we considered this as a key audit matter

We reviewed and understood the requirements of the SBP's amended format of annual financial statements for banks. Our audit procedures included the following:

- considered the management's process to identify the changes required in the unconsolidated financial statements to comply with the new format; and
- obtained relevant underlying supports relating to the changes required in the unconsolidated financial statements consequent to the adoption of the new format to assess their appropriateness and verified them on a test basis.

Information Other than the Unconsolidated and Consolidated Financial Statements and Auditor's Reports Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the unconsolidated and consolidated financial statements and our auditor's reports thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Bank as required by the Companies Act, 2017 (XIX of 2017) and the returns referred above from the branches have been found adequate for the purpose of our audit;
- b) the unconsolidated statement of financial position, the unconsolidated profit and loss account, the unconsolidated statement of comprehensive income, unconsolidated statement of changes in equity and unconsolidated cash flow statement together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were in accordance with the objects and powers of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank; and
- d) Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

2. We confirm that for the purpose of our audit we have covered more than sixty per cent of the total loans and advances of the Bank.

The engagement partner on the audit resulting in this independent auditor's report is Shahbaz Akbar.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

1 STATUS AND NATURE OF BUSINESS

- 1.1** Faysal Bank Limited (the Bank) was incorporated in Pakistan on October 3, 1994 as a public limited company under the provisions of the Companies Ordinance, 1984. Its shares are listed on Pakistan Stock Exchange Limited. The Bank is mainly engaged in Conventional and Islamic Corporate, Commercial and Consumer banking activities. The Bank has a network of 455 branches (2017: 405); including 254 Islamic banking branches (2017: 197) and 1 Islamic sub-branch (2017: 1) in Pakistan.

The Registered Office of the Bank is located at Faysal House, ST-02, Shahra-e-Faisal, Karachi.

Ithmaar Bank B.S.C (closed), a fully owned subsidiary of Ithmaar Holdings B.S.C is the parent company of the Bank, holding directly and indirectly 66.78% (2017: 66.78%) of the shareholding of the Bank. Dar Al-Maal Al-Islami Trust (DMIT), (ultimate parent of the Bank) is the holding company of Ithmaar Holdings B.S.C.

- 1.2** Based on the unconsolidated financial statements of the Bank for the period ended September 30, 2018 and for the year ended December 31, 2017, the Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS Credit Rating Company Limited have determined the Bank's long-term rating as 'AA' (December 31, 2017: 'AA') and the short term rating as 'A1+' (December 31, 2017: 'A1+').

2 BASIS OF PRESENTATION

- 2.1** In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan (SBP) has issued various circulars from time to time. Permissible forms of trade related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these unconsolidated financial statements as such but are restricted to the amount of facility actually utilised and the appropriate portion of mark-up thereon.
- 2.2** The financial results of the Islamic banking branches have been consolidated in these unconsolidated financial statements for reporting purposes only. Inter branch transactions and balances have been eliminated.
- 2.3** In accordance with the directives issued by the SBP, the statement of financial position and the profit and loss account of Islamic banking branches of the Bank are disclosed in Annexure II to these unconsolidated financial statements.
- 2.4** During the current year, the Bank acquired controlling interest in Faysal Asset Management Limited (FAML) which was previously classified as associate in the financial statements of the Bank. As a result of the acquisition Faysal Bank Limited is now the parent company of FAML and is now required to prepare consolidated financial statements under the provisions of the Companies Act, 2017. These financial statements represent the unconsolidated results of the Bank and a separate set of consolidated financial statements are also being presented by the Bank.

3 STATEMENT OF COMPLIANCE

- 3.1** These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:
- International Financial Reporting Standards (IFRS) assigned by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017.
 - Islamic Financial Accounting standards (IAFS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017.
 - Provisions of, and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017, and
 - Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives have been followed.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

3.2 The SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' (replaced by IFRS 9, 'Financial Instruments') and International Accounting Standard (IAS) 40, 'Investment Property' for Banking Companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has also deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' through its S.R.O. 633(I)/2014 dated July 10, 2014. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

3.3 As per the directive of the SBP through its letter BPRD (R&P-02)/625-99/2011/3744 dated March 28, 2011, gain arising on bargain purchase of Pakistan operations of Royal Bank of Scotland (ex-RBS Pakistan) was credited directly into equity as Non-Distributable Capital Reserve (NCR). The SBP allowed the Bank to adjust the amortisation of intangible assets against the portion of reserve which arose on account of such assets. Accordingly, during the year ended December 31, 2018 the Bank has adjusted amortisation of intangible assets amounting to Rs. 124.867 million (net of tax) from the Non-distributable Capital Reserve.

3.4 The SBP vide its BPRD Circular No. 04 dated February 25, 2015 has clarified that the reporting requirements of IFAS-3 for Institutions offering Islamic Financial Services (IIFS) relating to annual, half yearly and quarterly financial statements would be notified by the SBP through issuance of specific instructions and uniform disclosure formats in consultation with IIFS. These reporting requirements have not been ratified to date. Accordingly, the disclosure requirements under IFAS 3 have not been considered in these unconsolidated financial statements.

3.5 The SECP has directed that the requirements of IFRS 10, 'Consolidated Financial Statements' are not applicable in case of investments by Companies in mutual funds established under Trust Deed structure. Accordingly, implications of IFRS 10 in respect of mutual funds are not considered in these unconsolidated financial statements.

3.6 Standards, interpretations of and amendments to published accounting and reporting standards that are effective in the current year

The Bank has applied the following amendments for the first time for their accounting period commencing January 1, 2018:

3.6.1 The State Bank of Pakistan (SBP) through its BPRD Circular No. 2 of 2018 dated January 25, 2018 has amended the format of annual financial statements of banks. All banks are directed to prepare their annual financial statements on the revised format effective from the accounting year ending December 31, 2018. Accordingly the Bank has prepared these unconsolidated financial statements on the new format prescribed by the State Bank of Pakistan. The adoption of new format required remeasurement and reclassification of comparative information and accordingly a third statement of financial position has been presented at the beginning of the preceeding period (i.e. December 31, 2016) in accordance with the requirement of International Accounting Standard (IAS) 1, 'Presentation of Financial Statements'.

3.6.2 There are certain other new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2018 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated financial statements.

3.7 Standards, interpretations of and amendments to published accounting and reporting standards that are not yet effective:

3.7.1 The following revised standards, amendments and interpretations with respect to the accounting and reporting standards would be effective from the dates mentioned below against the respective standards, amendments or interpretations:

Standards, Interpretations or Amendments

Effective date (accounting periods beginning on or after)

- IFRS 9 - 'Financial Instruments'	July 1, 2018
- IFRS 15 - 'Revenue from contracts with customers' with amendments	July 1, 2018
- IFRS 16 - 'Leases'	January 1, 2019
- IFRIC 23 - 'Uncertainty over income tax treatments'	January 1, 2019

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

- IAS 12 - 'Income Taxes' (amendments)	January 1, 2019
- IAS 19 - 'Employee Benefits' (amendments)	January 1, 2019
- IFRS 3 - 'Business Combinations' (amendments)	January 1, 2020
- IAS 1 - 'Presentation of Financial Statements' (amendments)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendments)	January 1, 2020

The management is in the process of assessing the impact of these standards and interpretations on the financial statements of the Bank.

IFRS 16 replaces existing leasing guidance, including IAS 17 'Leases', IFRIC 4 'Determining whether an arrangement contains a Lease', SIC-15 'Operating Leases' Incentive and SIC-27 'Evaluating the Substance of Transactions Involving the legal form of a Lease'. IFRS 16 introduces a single, on balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligations to make lease payments. There are recognition exemptions for short-term lease and leases of low-value items. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as finance or operating leases.

On adoption of IFRS 16, the Bank shall recognize a 'right to use asset' with a corresponding liability for lease payments. The Bank is in the process of assessing the full impact of this standard.

IFRS 9: "Financial Instruments" has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on 'expected credit losses' (ECL) approach rather than 'incurred credit losses' approach as currently followed. The ECL has impact on all the assets of the Bank which are exposed to credit risk.

The Bank is in the process of assessing the full impact of this standard.

- 3.7.2** There are certain other new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2019 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated financial statements.

3.8 Changes in accounting policies

- 3.8.1** The Companies Ordinance, 1984 was repealed through the enactment of the Companies Act, 2017. However, as directed by the Securities and Exchange Commission of Pakistan vide Circular No. 23 dated October 4, 2017, the financial reporting requirements of the Companies Act, 2017 were only made applicable for reporting periods starting from January 1, 2018.

Consequently, the Bank has changed its policy for accounting for a deficit arising on revaluation of fixed assets. The Bank's previous accounting policy (as described in note 7.6 of the annual financial statements for the year ended December 31, 2017), in accordance with the repealed Companies Ordinance, 1984, required that a deficit arising on revaluation of a particular asset was to be adjusted against the total balance in the surplus account or, if no surplus existed, was to be charged to the unconsolidated profit and loss account as an impairment of the asset. The Companies Act, 2017 removed the specific provisions allowing the above treatment. A deficit arising on revaluation of a particular asset is now to be accounted for in accordance with IFRS, which requires that such deficit can not be adjusted against surplus for any other asset, but is to be taken to the unconsolidated profit and loss account as an impairment.

The effect of this change in accounting policy, which is applied with retrospective effect, is as follows:

	As at December 31, 2018	As at December 31, 2017	As at December 31, 2016
	----- Rupees '000 -----		
Impact on Unconsolidated Statement of Financial Position			
(Decrease) / increase in surplus on revaluation of assets - net of tax	-	(8,182) *	50,820
Increase / (decrease) in unappropriated profit	-	8,182 *	(50,820)

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

	Year ended December 31, 2018	Year ended December 31, 2017
	----- Rupees '000 -----	
Impact on Unconsolidated Profit and Loss Account		
Decrease in other charges	-	11,340
Increase in taxation	-	(2,982)
Increase in earnings per share (Rupees)	-	0.01

*Rs 0.176 million being the impact of incremental depreciation directly transferred from 'unappropriated profit' to 'surplus on revaluation of assets - net of tax'.

3.8.2 As referred to in note 3.6.1, the adoption of revised format has resulted in following significant changes:

- Acceptances amounting to Rs 10,899.656 million (2017: Rs 6,892.781 million) which were previously shown as part of contingencies and commitments are now recognised on the unconsolidated statement of financial position both as assets and liabilities. They are included in Other Assets (note 15) and Other Liabilities (note 19);
- Surplus on revaluation of fixed assets, non banking assets acquired in satisfaction of claims and investments which was previously shown below equity have now been included as part of equity. These surpluses aggregate to Rs. 5,093.667 million as at December 31, 2018 (2017: 5,613.243 million); and
- Intangibles (note 13) amounting to Rs 1,331.731 million (2017: Rs 1,496.097 million) which were previously shown as part of fixed assets (note 12) are now shown separately on the unconsolidated statement of financial position.
- IFRS 8, 'Operating Segments' was effective for the Bank's accounting period beginning on or after January 1, 2009. All banking companies in Pakistan were required to prepare their annual financial statements in line with the format prescribed under BSD Circular No. 4 dated February 17, 2006, 'Revised Forms of Annual Financial Statements', effective from the accounting year ended December 31, 2006. The SBP had defined the segment categorisation in the above mentioned circular, the SBP's requirements prevailed over the requirements specified in IFRS 8. Accordingly, segment information disclosed in prior financial statements was based on the requirements laid down by the SBP. The new format as aforesaid has revised the segment reporting requirement and requires the Bank to apply IFRS 8 for such reporting. Application of IFRS 8 has resulted into certain changes in the disclosure of segment information. The segment information of the current and prior year based on the requirement of IFRS 8 is prescribed in note 40 to these unconsolidated financial statements.
- Certain reclassifications have been made in the unconsolidated statement of financial position and unconsolidated profit and loss account which are summarised in the note 46 to the unconsolidated financial statements.

3.8.3 As mentioned in note 2.4, the Bank has acquired a controlling interest in Faysal Asset Management Limited (FAML) during the year. Prior to this acquisition, the Bank did not have a subsidiary and only prepared a single set of financial statements (standalone financial statements) as required under the provisions of the Companies Act, 2017. Investments in associates were accounted for using the equity method in the standalone financial statements of the Bank. As a result of the acquisition, Faysal Bank Limited is now the parent company of FAML and is now required to prepare consolidated financial statements under the provisions of the Companies Act, 2017 and in accordance with the requirements of accounting and reporting standards as applicable in Pakistan.

Consolidated financial statements are those in which the results and financial position of the parent company and its subsidiary are reflected as one economic entity. Investments in associates are required to be accounted for using the equity method in the consolidated financial statements. Consequently, the Bank has changed its accounting policy for investments in associates in its standalone financial statements. As per the revised policy investments in associates are presented in the standalone financial statements at cost less accumulated impairment losses; if any, rather than on the basis of the reported results and net assets of the investees.

The above mentioned change in accounting policy has been accounted for retrospectively in accordance with the requirements of IAS 8, 'Accounting Policies, Changes in Accounting Estimates and Errors' and the comparative information has been restated.

The effects on the Bank's unconsolidated financial statements as a result of this change have been summarized below:

4 BASIS OF MEASUREMENT

These unconsolidated financial statements have been prepared under the historical cost convention, except that certain fixed assets and non-banking assets acquired in satisfaction of claims are carried at revalued amounts, certain investments and derivative contracts have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits are carried at present value.

4.1 Critical accounting estimates and judgments

The preparation of the unconsolidated financial statements in conformity with the accounting and reporting standards requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgments in application of its accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgments were made by the management in the application of the accounting policies are as follows:

- Business combinations (note 6.1);
- Classification and provisioning against investments (notes 6.4 and 10);
- Income taxes (notes 6.8, 14 and 32);
- Classification and provisioning against advances (notes 6.5 and 11);
- Depreciation / amortisation of fixed assets / intangibles / revaluations (notes 6.6 and 12);
- Accounting for non-banking assets acquired in satisfaction of claims (note 6.9 and 15);
- Accounting for defined benefit plan (notes 6.11 and 36);
- Impairment of intangible assets (note 6.7 and 13);
- Impairment of assets (note 6.7);
- Provisions and contingent assets and liabilities (note 6.10); and
- Staff retirement benefits (note 6.11).

5 FUNCTIONAL AND PRESENTATION CURRENCY

Items included in these unconsolidated financial statements are measured using the currency of the primary economic environment in which the Bank operates. These unconsolidated financial statements are presented in Pakistani Rupees, which is the Bank's functional and presentation currency.

6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these unconsolidated financial statements are set out below. These policies have been consistently applied to all the years except for the changes as disclosed in note 3.8 to these unconsolidated financial statements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

6.1 Business Combination

Business combinations are accounted for by applying the acquisition method. The cost of acquisition is measured as the fair value of assets given, equity instruments issued and the liabilities incurred or assumed as at the date of acquisition. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement, if any. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values as at the acquisition date. The excess of the consideration transferred over the fair value of the Bank's share of identifiable net assets acquired is recorded as goodwill. If this is less than the fair value of the net assets acquired in the case of a bargain purchase, the difference is recognised directly in the consolidated profit and loss account. However, as more fully described in note 13.4 to these consolidated financial statements, the gain on bargain purchase arising on an acquisition made in 2010 has been recognised directly in equity as per the directives of the SBP.

Goodwill acquired in a business combination is measured, subsequent to initial recognition, at its cost less accumulated impairment losses, if any. Goodwill acquired in a business combination is tested for impairment annually or whenever there is an indication of impairment as per the requirements of International Accounting Standard (IAS) 36, 'Impairment of Assets'. Impairment charge in respect of goodwill is recognised in the consolidated profit and loss account and is not subsequently reversed.

Acquisition of non-controlling interests (NCI) is measured at the proportionate share of the NCI in the fair value of the net assets acquired by the Bank. The excess of the fair value of consideration transferred over the proportionate share of the NCI in the fair value of the net assets acquired is recognised in equity.

6.2 Cash and cash equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise of cash in hand, balances with treasury banks, balances with other banks in current and deposit accounts, national prize bonds, if any, and overdrawn nostro accounts.

6.3 Lendings to / borrowings from financial institutions

The Bank enters into repurchase agreement (repo) and reverse repurchase agreements (reverse repos) at contracted rates for a specified period of time. These are recorded as under:

(a) Sale of securities under repurchase agreements

Securities sold subject to a repurchase agreement (repo) are retained in the consolidated financial statements as investments and the counter party liability is included in borrowings. The difference between the sale and contracted repurchase price is accrued over the period of the contract and recorded as an expense.

(b) Purchase of securities under repurchase agreements

Securities purchased under agreement to resell (reverse repo) are not recognised in the consolidated financial statements as investments and the amount extended to the counter party is included in lendings. The difference between the purchase and contracted resale price is accrued over the period of the contract and recorded as income.

(c) Musharaka / Modaraba placements / Acceptances

In Musharaka / Modaraba, the Bank invests in the Shari'ah compliant business pools of the financial institutions at the agreed profit and loss sharing ratio under musharaka agreements.

(d) Bai Muajjal

Bai Muajjal transactions with the SBP and other financial institutions are classified under lendings. In Bai Muajjal, the Bank sells Shari'ah compliant instruments on credit to other financial institutions. The credit price is agreed at the time of sale and such proceeds are received at the end of the credit period. The difference between the sale and the credit price is recognised over the credit period and recorded as income.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

6.4 Investments

The Bank classifies its investments as follows:

(a) Held for trading

These are securities, which are either acquired for the purpose of generating profit from short-term fluctuations in market prices, interest rate movements, or dealer's margin or are securities included in the portfolio in which a pattern of short-term profit making exists.

(b) Held to maturity

These are securities with fixed or determinable payments and maturity that the Bank has a positive intent and ability to hold to maturity.

(c) Available for sale

These are investments, other than those, in associates and subsidiaries, that do not fall under either held for trading or held to maturity categories.

(d) Associates

Associates are all entities over which the Bank has significant influence but not control.

(e) Subsidiaries

Subsidiaries are all entities over which the Bank has control.

6.4.1 Initial recognition and measurement:

All purchases and sales of investments that require delivery within the time frame established by the regulations or market convention are recognised at the trade date. Trade date is the date on which the Bank commits to purchase or sell the investment.

Investments other than those classified as held for trading are initially recognised at fair value which includes transaction costs associated with the investments. Investments classified as 'held for trading' are initially recognised at fair value and transaction costs associated with the transactions are expensed in the unconsolidated profit and loss account.

6.4.2 Subsequent measurement:

Held for trading

These are measured at subsequent reporting dates at fair value. Gains and losses on re-measurement are included in the unconsolidated profit and loss account.

Held to maturity

These are measured at amortised cost using the effective interest rate method, less any impairment loss recognised to reflect irrecoverable amounts.

Available for sale

Quoted securities classified as available for sale investments are measured at subsequent reporting dates at fair value. Any surplus or deficit arising thereon is kept in a separate account shown in the unconsolidated statement of financial position within equity and is taken to the unconsolidated profit and loss account when realised upon disposal or when the investments are considered to be impaired.

Unquoted equity securities are valued at the lower of cost and break-up value. The break-up value of these securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. A decline in the carrying value is charged to the unconsolidated profit and loss account. A subsequent increase in the carrying value, upto the cost of the investment, is credited to the unconsolidated profit and loss account. Investments in other unquoted securities are valued at cost less impairment, if any.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

6.4.3 Impairment

Impairment loss in respect of investments classified as available for sale (except term finance certificates and sukuk certificates) and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in the fair value of a listed equity investment below its cost is also considered an objective evidence of impairment. Provision for diminution in the value of term finance certificates and sukuk certificates is made as per the requirements of the Prudential Regulations issued by the SBP. In case of impairment of available for sale securities, the cumulative loss that has been recognised in surplus / deficit on revaluation of securities on the unconsolidated statement of financial position within equity is removed therefrom and recognised in the unconsolidated profit and loss account. For investments classified as held to maturity, the impairment loss is recognised in the unconsolidated profit and loss account.

Gain or loss on sale of investments is included in the unconsolidated profit and loss account currently.

Premium or discount on acquisition of investments is amortised through the unconsolidated profit and loss account over the remaining period till maturity using the effective interest method.

6.4.4 Investment in associates and subsidiaries

Investments in associates and subsidiaries are recorded at cost less accumulated impairment, if any.

The carrying amount of associates and subsidiaries are tested for impairment in accordance with the policy described in note 6.7 below.

6.5 Advances

- 6.5.1** Advances are stated net of specific and general provisions. Specific provision for advances is made in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP. The amount of provision is charged to the unconsolidated profit and loss account. General provision against consumer and small enterprises financings portfolio is maintained as per the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Advances are written off when there is no realistic prospect of recovery. In addition to conventional products, the Bank also offers various Islamic financing products the details of which are as follows:

(a) Murabaha

In Murabaha transactions, the Bank purchases the goods and after taking the possession, sells them to the customer on cost plus profit basis either in a spot or credit transaction.

(b) Diminishing Musharaka

It is a form of partnership in which the Bank and the customer create co-ownership in the asset by purchasing it jointly. The Bank then rents out its share of the asset to the customer. Besides the payment of rentals, customer also purchases the asset from the Bank in installments. Hence at the end of the tenure, customer becomes sole owner of the asset.

(c) Running Musharaka

In Running Musharaka financing, the Bank enters into financing with the customer based on Shirkat-ul-Aqd or business partnership in the customer's operating business. Under this mechanism the customer can withdraw and return funds to the Bank subject to its Running Musharaka Financing limit during the Musharaka period. At the end of each period the customer pays the provisional profit as per the desired profit rate which is subject to final settlement based on the relevant quarterly / half yearly / annual accounts of the customer.

(d) Ijarah

Ijarah is a contract whereby the owner of an asset (other than consumables) transfers its usufruct to another person for an agreed period and for an agreed consideration.

Ijarah assets are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is charged from the date of recognition of Ijarah assets on a straight line basis over the period of Ijarah. Impairment of

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Ijarah assets is determined on the same basis as that of operating fixed assets.

Ijarah receivable income is recognised in income on accrual basis as and when the rental becomes due. Impairment of Ijarah rental is determined in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP and charged to the unconsolidated profit and loss account.

In service Ijarah financing, the Bank provides financing by acquiring certain agreed services from the customer. After the purchase of services, the Bank appoints the customer to sell those services in the market over a period and provide a confirmation of such sale. The profit is only accrued from the date of receipt of such confirmation.

(e) Istisna

Istisna is a mode of sale at an agreed price, whereby the buyer places an order to or cause to manufacture, assemble or construct anything to be delivered at a future date.

The funds disbursed under Istisna are recorded as 'Advance against Istisna'. On execution of goods receiving note and receipt of manufactured goods, the same are recorded in the unconsolidated statement of financial position as inventories of the Bank at cost price and after sale of goods by the customer to its ultimate buyers, Istisna financing is booked.

(f) Musawamah

In Musawamah financing, the Bank purchases the goods and after taking the possession, sells them to the customer either in spot or credit transaction, without disclosing the cost.

(g) Salam

Salam is a sale transaction where the seller undertakes to supply some specific goods to the buyer at a future date against an advance price fully paid on spot.

The funds disbursed under Salam are recorded as advances against Salam. On execution of goods receiving note and receipt of Salam goods, the same will be recorded at the unconsolidated statement of financial position as inventories of the Bank at cost price and after the sale of goods by the customer to its ultimate buyers, Salam financing will be booked.

(h) Tijarah

Tijarah is a financing mode under which the Bank purchases finished goods from the customer / seller against spot payment and delivery. Thereafter, the Bank appoints customer as an agent to sell the Tijarah goods in the market.

The funds disbursed under Tijarah are recorded as advances against Tijarah. On execution of goods receiving note and receipt of Tijarah goods, the same will be recorded at the unconsolidated statement of financial position as inventories of the Bank at cost price and after the sale of goods by the customer to its ultimate buyers, Tijarah financing will be booked.

6.5.2 Net investment in finance lease

Leases where the Bank transfers substantially all the risks and rewards incidental to the ownership of an asset are classified as finance lease. A receivable is recognised on the commencement of lease term at an amount equal to the present value of the minimum lease payments, including guaranteed residual value, if any. Unearned finance income is recognised over the term of the lease, so as to produce a constant periodic return on the outstanding net investment in lease. Specific and general provisions for net investment in finance lease are made in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP and charged to the unconsolidated profit and loss account.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

6.6 Fixed assets and depreciation

(a) Tangible assets - owned

Operating fixed assets other than land and buildings are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Buildings are carried at revalued amount less any accumulated depreciation and subsequent impairment losses, if any. Land is carried at revalued amount less any subsequent impairment losses, if any.

Depreciation on operating fixed assets (excluding land which is not depreciated) is charged using the straight line method in accordance with the rates specified in note 12.2 to these unconsolidated financial statements after taking into account residual value, if significant. The asset's residual values and useful lives are reviewed and adjusted, if required, at each reporting date. Depreciation on additions is charged from the month the assets are available for use. No depreciation is charged in the month of disposal.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. All other repairs and maintenance expenditures are charged to the unconsolidated profit and loss account as and when incurred.

Land and buildings are revalued by professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains / losses on disposal of fixed assets, if any, are taken to the unconsolidated profit and loss account in the period in which they arise except that the related surplus on revaluation of fixed assets (net of deferred taxation) is transferred directly to unappropriated profit.

(b) Tangible assets - leased

Leases are classified as finance lease wherever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease. Lease payments, if any, under operating lease are charged to income on a straight line basis over the lease term.

Assets held under finance lease are stated at the lower of their fair value or present value of minimum lease payments at inception less accumulated depreciation and accumulated impairment losses, if any. Leasehold land and buildings on leasehold land are subsequently revalued. The outstanding obligations under the lease agreements, if any, are shown as a liability net of finance charges allocable to the future periods.

The finance charges are allocated to the accounting periods in a manner so as to provide a constant periodic rate of return on the outstanding liability.

Depreciation on assets held under finance lease, subsequent costs and gains / losses are recognised in a manner consistent with that for depreciable on other fixed assets which are owned by the Bank.

(c) Capital work in progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. All expenditure connected with specific assets incurred during installation and construction period are carried under this head. These are transferred to specific assets as and when assets become available for use.

(d) Intangible assets

Intangible assets having definite lives are stated at cost less accumulated amortisation and accumulated impairment losses, if any. The intangible assets include directly attributable cost that are capitalised as part of the intangible asset. Amortisation, except for customer relationship is charged applying the straight-line method over the useful lives of the assets. Amortisation is calculated so as to write-off the assets over their expected economic lives at rates specified in note 13 to these unconsolidated financial statements. Amortisation is charged from the

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

month in which the asset is available for use. No amortisation is charged for the month in which the asset is disposed of. The intangible asset comprising customer relationship is being amortised over the life expectancy of the deposits. The residual values and useful lives of intangible assets are reviewed and adjusted, if appropriate, at each reporting date.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably.

Intangible assets having an indefinite useful life are stated at acquisition cost less accumulated impairment losses, if any.

Gains and losses on disposals, if any, are taken to the unconsolidated profit and loss account in the period in which they arise.

6.7 Impairment

The carrying amount of assets is reviewed at each reporting date for impairment whenever events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. If any such indication exists, and where the carrying value exceeds the estimated recoverable amount, assets are written down to their recoverable amount. The resulting impairment loss is taken to the unconsolidated profit and loss account except for impairment loss on revalued assets, which is adjusted against related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of asset.

An impairment loss is reversed except for impairment loss relating to goodwill, if there has been a change in the estimate used to determine the recoverable amount. Such reversals are only made to the extent that the asset's carrying amount does not exceed the amount that would have been determined if no impairment loss had been recognised.

6.8 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the unconsolidated profit and loss account except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current

Provision for current taxation is based on taxable income for the year. Tax charge for the current year is determined in accordance with the prevailing laws for taxation. The charge for the current tax is calculated using tax rates enacted or substantively enacted at the reporting date.

Prior

The charge / reversals for prior years represents adjustments to the tax charge / reversals for prior years, arising from assessments, changes in estimates, and retrospectively applied changes to the law, made during the current year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. In addition, the Bank also records deferred tax asset on available tax losses. Deferred tax is calculated using the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted at the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

The carrying amount of the deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

The Bank also recognises deferred tax asset / liability on deficit / surplus on revaluation of securities, fixed assets and assets acquired in satisfaction of claims which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12, 'Income Taxes'.

6.9 Assets acquired in satisfaction of claims

Non-banking assets acquired in satisfaction of claims are carried at revalued amounts less accumulated depreciation and accumulated impairment, if any. These assets are revalued by professionally qualified valuers with sufficient regularity to ensure that their net carrying value does not differ materially from their fair value. Legal fees, transfer costs and direct costs of acquiring title to the non-banking assets are charged to the unconsolidated profit and loss account and these are not capitalised as part of non-banking assets. A surplus arising on revaluation of non-banking assets acquired in satisfaction of claims is credited to the 'surplus on revaluation of assets, account. Any deficit arising on revaluation is first set off against the surplus account for that particular non-banking asset, if any, or if no surplus exists, is charged to the unconsolidated profit and loss account. These assets are disclosed in other assets as specified by the SBP.

6.10 Provisions and contingent assets and liabilities

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimates.

Contingent assets are not recognised and are also not disclosed unless an inflow of economic benefits is probable. Contingent liabilities are not recognised and are disclosed unless the probability of an outflow of resources embodying economic benefits is remote.

6.11 Staff retirement benefits

a) Defined contribution plan

The Bank operates a contributory provident fund for all its permanent employees to which equal monthly contributions at the rate of 10 percent of basic salary are made both by the Bank and the employees.

b) Defined benefit scheme

The Bank operates an approved funded gratuity scheme for all its permanent eligible employees and eligible employees who are on contractual service and are employed under non-management cadre. Contributions to the fund are made on the basis of actuarial recommendations. Projected Unit Credit Method is used for the actuarial valuation.

Amounts arising as a result of "Remeasurements", representing the actuarial gains and losses and the differences between the actual investment returns and the return implied by the net interest cost are recognised in the unconsolidated statement of financial position immediately, with a charge or credit to other comprehensive income in the periods in which they occur.

Staff retirement benefits are payable to staff on completion of prescribed qualifying period of service under these schemes.

6.12 Borrowings / deposits and their costs

Borrowings / deposits are recorded at the proceeds received. Borrowing / deposit costs are recognised as an expense in the period in which these are incurred to the extent that they are not directly attributable to the acquisition of or construction of qualifying assets. Borrowing cost that is directly attributable to the acquisition, construction or production of a qualifying asset (one that takes a substantial period of time to get ready for use or sale) is capitalised as part of the cost of the asset.

6.13 Subordinated loans

Subordinated loans are initially recorded at the amount of proceeds received. Mark-up on subordinated loans is charged to the unconsolidated profit and loss account over the period on an accrual basis and is recognised separately as part of other liabilities.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

6.14 Revenue recognition and other items

- Mark-up income / interest / profits on advances and returns on investments are recognised on a time proportion basis except that mark-up income / interest / returns / profits on non-performing advances and investments are recognised on receipt basis in accordance with the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Interest / returns / mark-up income / profits on rescheduled / restructured advances and investments are recognised as permitted by the State Bank of Pakistan, except where, in the opinion of the management, it would not be prudent to do so.
- Profit on Murabaha and Musawamah transactions are recognised on accrual basis for the period from the date of sale of goods to customer to the date of culmination of Murahaba / Musawamah. However, no profit can be accrued in excess of selling price determined at the time of executing the Murahaba / Musawamah transactions.
- Profit on Istisna / Salam / Tijarah transactions are recognised on accrual basis for the period from the date of sale of goods by the Banks customer to its ultimate buyer to the date of culmination of the transaction.
- Ijarah rentals once due are recognised as income on accrual basis over the corresponding rental period.
- Rental on Diminishing Musharaka financing once due is recognised on accrual basis over the corresponding rental period.
- Profit on Running Musharaka is recognised on accrual basis and is adjusted upon declaration of profit by the customer.
- Financing method is used in accounting for income from lease financing. Under this method, the unearned finance income (excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is taken to income over the term of the lease so as to produce a constant periodic rate of return on the outstanding net investment in lease.
- Unrealised finance income in respect of non-performing lease finance is held in suspense account, where necessary, in accordance with the requirements of the Prudential Regulations issued by the SBP. Gains / losses on termination of lease contracts, documentation charges, front-end fee and other lease income are recognised as income when they are realised.
- Premium or discount on acquisition of debt investments is capitalised and amortised through the unconsolidated profit and loss account over the remaining period till maturity.
- Dividend income from investments is recognised when the Bank's right to receive the dividend is established.
- Fee, commission on letters of credit / guarantee, other commission and brokerage income is recognised on accrual basis.
- Financial advisory fee is recognised when the right to receive the fee is established.
- Rent and other income is recognised on accrual basis.
- Profits on Bai Muajjal lendings are recognised on straight line basis.

6.15 Proposed dividend and transfer between reserves

Dividends and appropriations to reserves, except appropriations which are required by law, made subsequent to the reporting date are considered as non-adjusting events and are recorded in the unconsolidated financial statements in accordance with the requirements of International Accounting Standard (IAS) 10, 'Events after the Balance Sheet Date' in the year in which they are approved / transfers are made.

6.16 Foreign currencies

(a) Foreign currency transactions

Transactions in foreign currencies are translated into rupees at the foreign exchange rates prevailing at the transaction date. Monetary assets and liabilities in foreign currencies are expressed in rupee terms at the rates of exchange prevailing at the reporting date. Foreign bills purchased and forward foreign exchange contracts are valued at rates determined with reference to their respective maturities. Forward purchase contracts with

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

the State Bank of Pakistan relating to foreign currency deposits are valued at the spot rate prevailing on the reporting date. The forward cover fee, if any, payable on contracts with the SBP is amortised over the term of the contract.

(b) Translation gains and losses

Translation gains and losses are included in the unconsolidated profit and loss account.

6.17 Commitments

Commitments for outstanding forward foreign exchange contracts are disclosed in the unconsolidated financial statements at committed amounts. Commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange prevailing at the reporting date.

6.18 Acceptances

Acceptances comprise undertakings by the Bank to pay bills of exchange drawn on customers. The Bank expects most acceptances to be simultaneously settled with the reimbursement from the customers. Acceptances are accounted for on the unconsolidated statement of financial position both as assets and liabilities.

6.19 Financial instruments

Financial assets and financial liabilities

Financial instruments carried on the unconsolidated statement of financial position include cash and balances with treasury banks, balances with other banks, lendings to financial institutions, investments, advances, certain other assets, bills payable, borrowings, deposits, liabilities against assets subject to finance lease and certain other liabilities. The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with these assets and liabilities.

Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured to fair value using appropriate valuation techniques. All derivative financial instruments are carried as assets when the fair value is positive and the liability when the fair value is negative. Any change in the fair value of derivative financial instruments is taken to the unconsolidated profit and loss account.

Offsetting

Financial assets and financial liabilities are set off and the net amount is reported in the unconsolidated financial statements only when the Bank has a legally enforceable right to set off and the Bank intends to either settle on a net basis, or to realise the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also offset and the net amount is reported in the unconsolidated financial statements only when permitted by the accounting and reporting standards as applicable in Pakistan.

6.20 Earnings per share

The Bank presents basic and diluted earnings per share (EPS) for its shareholders. Basic EPS is calculated by dividing the profit attributable to ordinary shareholders of the Bank by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

6.21 Segment reporting

Operating segment are reported in a manner consistent with internal reporting provided to the Chief Operating decision maker. The Chief Executive Officer (CEO) has been identified as being their Chief Operating decision maker.

13.1 The intangible assets include fully amortised items still in use having cost of Rs 1,792.074 million (2017: Rs 1,221.485 million).

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

13.2 The intangible asset - Customer relationship comprises of core deposits which were recognised at the time of acquisition of ex-RBS Pakistan. These core deposits represent the funding benefit that would be available to the Bank on account of availability of funding through deposit customers rather than from the wholesale or interbank market. This benefit also considers the fact that the economic life time of these deposits is longer than their contractual life. Based on this assumption, this intangible asset has been valued using certain valuation techniques and is being amortised over the life expectancy of these deposits. As more fully explained in note 13.4 to these unconsolidated financial statements the SBP allowed the Bank to adjust the amortisation charge arising on this intangible assets against non-distributable capital reserve.

13.3 The remaining amortisation period of these intangibles are ranging from 2 to 11 years.

13.4 Non-distributable Capital Reserve- gain on bargain purchase

As per the directive of the SBP through its letter BPRD (R&P-02)/625-99/2011/3744 dated March 28, 2011, gain arising on bargain purchase of Pakistan operations of Royal Bank of Scotland (ex-RBS Pakistan) was credited directly into equity as Non-Distributable Capital Reserve (NCR). The SBP allowed the Bank to adjust the amortisation of intangible assets against the portion of reserve which arose on account of such assets. Accordingly, the Bank has adjusted amortisation of intangible assets amounting to Rs. 124.867 million (2017: Rs. 124.867 million) (net of tax) from the Non-distributable Capital Reserve.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

(iii) The Executive Officer, Karachi Cantonment Board (KCB), vide its notice CBR No. 1 dated March 03, 2017 has proposed revised rates for assessment of shops and flats "A" category in which a fresh sub-category "Banks (self-occupied)" has been introduced for the purpose of cantonment tax in the limit of KCB. This has resulted in additional demand of Rs 171 million by KCB which includes demand on reassessment for the years from 2013 to 2017. On the basis of legal grounds agreed in consultation with legal counsel, the Bank has filed a suit in the Honorable High Court of Sindh against such levy of tax. A stay order has been granted by the Honorable High Court of Sindh in respect of payment of this additional demand.

(iv) Income tax assessments of the Bank have been finalised upto the tax year 2018 (accounting year 2017).

The department and the Bank have disagreements on a matter relating to taxability of gain on bargain purchase on the acquisition of Ex-RBS Pakistan. The additional tax liability on the matter amounts to Rs. 1,154.701 million (2017: Rs. 1,154.701 million). Subsequently, the Commissioner Income Tax Appeals (CIT(A)) has deleted the said additional tax liability, however the Income Tax Department has filed an appeal against the order of CIT(A) in front of Income Tax Appellate Tribunal. The management and tax advisors of the Bank are confident that the matter will be decided in the Bank's favor and accordingly, no provision has been recorded in these unconsolidated financial statements in respect of the matter.

(v) There are certain claims against the Bank not acknowledged as debt amounting to Rs 31,579 million (2017: Rs 31,628 million). These mainly represent counter claims filed by the borrowers for restricting the Bank from disposal of assets (such as mortgaged / pledged assets kept as security), cases where the Bank was proforma defendant for defending its interest in the underlying collateral kept by it at the time of financing, certain cases filed by ex-employees of the Bank for damages sustained by them consequent to the termination from the Bank's employment and cases for damages towards opportunity losses suffered by customers due to non disbursements of running finance facility as per the agreed terms. The above also includes an amount of Rs 25,299 million (2017: 25,299 million) in respect of a suit filed against the Bank for declaration, recovery of monies, release of securities, rendition of account and damages.

Based on legal advice and / or internal assessments, management is confident that the above matters will be decided in the Bank's favour and the possibility of any outcome against the Bank is remote and accordingly no provision has been made in these unconsolidated financial statements.

22.4 Commitments to extend credits

The Bank makes commitments to extend credit (including to related parties) in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn except for Rs 27,080 million (2017: Rs 32,457 million) which are irrevocable in nature.

36 DEFINED BENEFIT PLAN

36.1 General description

The Bank operates an approved funded gratuity scheme for all its permanent employees and employees who are on contractual service in non-management cadre. During the year the Bank has bifurcated the approved funded gratuity scheme into 2 sub-funds that is conventional and Islamic within a single scheme. The benefits under the gratuity schemes are payable on retirement at the age of 60 years or earlier cessation of service in lump sum. The benefits are equal to one month's last drawn basic salary for each year of eligible service or part thereof. The minimum qualifying eligible service for gratuity is 1 year for employees who became members of the Funds before November 12, 2002. In the case of other members of the Funds the minimum qualifying eligible service is 5 years. The minimum qualifying eligible service for contractual employees not employed under the management cadre is 6 months. The latest actuarial valuation of the Bank's defined benefit plan, based on the Projected Unit Credit Actuarial Cost Method, was carried out as at December 31, 2018.

36.2 Number of Employees under the scheme

The number of employees covered under the following defined benefit schemes are:

	2018 Number of employees	2017 Number of employees
- Gratuity fund	6,141	3,977

36.3 Principal actuarial assumptions

The actuarial valuations were carried out as at December 31, 2018 using the following significant assumptions:

The funds are primarily invested in Government securities (Market Treasury Bills, Pakistan Investment Bonds, Special Savings Certificates, etc) and accordingly do not carry any credit risk. These are subject to interest rate risk. Equity securities are subject to price risk which is being regularly monitored by the Trustees of the employee fund.

36.10 Sensitivity analysis

The analysis based on a change in an assumption while holding all other assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognised within the unconsolidated statement of financial position. The increase / (decrease) in the present value of defined benefit obligations as a result of change in each assumption should be summarised as illustrated below:

36.12 Expected charge for the next financial year	117,722	59,781

36.13 Maturity profile

The weighted average duration of the defined benefit obligation is 9.68 years and 10.10 for conventional and Islamic fund respectively.

36.14 Funding Policy

The policy followed by the Bank for funding the staff retirement benefit schemes is disclosed in note 6.11 of these unconsolidated financial statements.

36.15 The Gratuity scheme exposes the Bank to the following risks:

Asset volatility

The Defined Benefit Gratuity Conventional Fund is almost entirely invested in Government Bonds with mostly fixed income bonds. Almost 31.65% of the total Investments (Rs. 99.479 million) is invested in PIB's. This gives rise to significant reinvestment risk. The remaining Fund is invested in Treasury Bills. The fixed T-bills exposure is almost 0.82%. The rest of 0.09% is invested in the Equity instrument. The asset class is volatile with reference to the yield on this class. This risk should be viewed together with change in the bond yield risk. On the other hand, the Islamic Fund does not have investment in any Government Bonds, equity or Corporate Bonds.

Changes in bond yields

There are two dimensions to the changes in Bond yields: first, as described above; second, the valuation of the Gratuity Liability is discounted with reference to these bond yields. So any increase in Bond yields will lower the Gratuity Liability and vice versa, but, it will also lower the Asset values.

Inflation risk

The salary inflation is the major risk that the gratuity fund liability carries. In a general economic sense and in a longer view, there is a case that if bond yields increase, the change in salary inflation generally offsets the gains from the decrease in discounted gratuity liability. But viewed with the fact that asset values will also decrease, the salary inflation does, as an overall affect, increase the net liability of the Bank.

Life expectancy / Withdrawal rate

The Gratuity is paid off at the maximum age of 60. The Life expectancy is in almost minimal range and is quite predictable in the ages when the employee is in the accredited employment of the Bank for the purpose of the Gratuity. Thus, the risk of life expectancy is almost negligible. However, had a post- retirement benefit been given by the Bank like monthly pension, post-retirement medical etc., this would have been a significant risk which would have been quite difficult to value even by using advance mortality improvement models.

The withdrawal risk is dependent upon the: benefit structure; age and retention profile of the staff; the valuation methodology; and long-term valuation assumptions. In this case, it is not a significant risk.

FOR THE YEAR ENDED DECEMBER 31, 2018

Other risks

Though, not imminent and observable, over long term there are some risks that may crystallize. This includes:

- Retention risk – The risk that employee will not be motivated to continue the service or start working with the Bank if no market comparable retirement benefit is provided.
- Final Salary Risk – The risk, for defined benefit gratuity, that any disproportionate salary merit increases in later service years will give rise to multiplicative increase in the gratuity liability as such increase is applicable to all the past years of service.
- Model Risk – The defined benefit gratuity liability is usually actuarially valued each year. Further, the assets in the Gratuity Fund are also marked to market. This two-tier valuation gives rise to the model risk.
- Operational Risk related to a separate entity - Retirement benefits are funded through a separate trust fund which is a different legal entity than the Bank. Generally, the protocols, processes and conventions used throughout the Bank are not applicable or are not actively applied to the retirement benefit funds. This gives rise to some specific operational risks.
- Compliance Risk – The risk that retirement benefits offered by the Bank does not comply with minimum statutory requirements.
- Legal / Political Risk – The risk that the legal / political environment changes and the Bank is required to offer additional or different retirement benefits than what the Bank projected.

37 DEFINED CONTRIBUTION PLAN

The Bank operates an approved funded contributory provident fund for all its permanent employees to which equal monthly contributions are made both by the Bank and the employees at the rate of 10% of the basic salary. The financial statements of the fund are separately prepared and are not included as part of these unconsolidated financial statements.

38.3 In addition to the above, all executives, including the President & Chief Executive Officer of the Bank are also entitled to bonus which is disclosed in note 29 to these unconsolidated financial statements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

39 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

39.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date when the event or change in circumstances require the Bank to exercise such transfers.

There were no transfers between levels 1 and 2 during the year.

Valuation techniques used in determination of fair values within level 2

Item	Valuation approach and input used
Pakistan Investment Bonds / Market Treasury Bills	Fair values of Pakistan Investment Bonds and Treasury Bills are derived using the PKRV rates.
Ijara Sukuk	Fair values of GoP Ijarah Sukuk are derived using the PKISRV rates announced by the Financial Market Association (FMA) through Reuters. These rates denote an average of quotes received from different pre-defined / approved dealers / brokers.
Unlisted ordinary shares	Break-up value determined on the basis of the NAV of a company using the latest available audited financial statements.
Term Finance Certificates (TFCs) and Sukuk Certificates	Fair values of TFCs and Sukuk certificates are determined using the MUFAP rates.
Forward foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivative instruments	The Bank enters into derivative contracts with various counterparties. Derivatives that are valued using valuation techniques with market observable inputs are mainly interest rate swaps, cross currency swaps and forward foreign exchange contracts. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Valuation techniques used in determination of fair values within level 3

Item	Valuation approach and input used
Fixed assets (land and building)	Land and buildings are revalued by professionally qualified valuers as per the accounting policy disclosed in note 6.6.
Non-banking assets acquired in satisfaction of claims	NBAs are valued by professionally qualified valuers as per the accounting policy disclosed in note 6.9.

The valuations, mentioned above, are conducted by the valuation experts appointed by the Bank which are also on the panel of the State Bank of Pakistan. The valuation experts use a market based approach to arrive at the fair value of the Bank's properties. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a quantitative disclosure of sensitivity has not been presented in these unconsolidated financial statements.

Capital adequacy is regularly monitored by the Bank's management, employing techniques based on the guidelines developed by the Basel Committee, as per the requirements of the SBP. The required information is submitted to the SBP on a quarterly basis.

As at December 31, 2018 the SBP requires each Bank or Banking group to: (a) hold the minimum level of the paid-up capital of Rs 10 billion; (b) maintain a ratio of total regulatory capital to the risk-weighted assets at or above the required minimum level of 10.00% and (c) maintain Common Equity Tier I (CET1) ratio and Tier 1 ratio of 6.0% and 7.5% respectively.

With effect from December 31, 2018 an additional Capital Conservation Buffer of 1.90% (to be met from CET1) has to be maintained over and above the minimum required level.

The paid-up capital of the Bank for the year ended December 31, 2018 stood at Rs 15.176 billion (2017: Rs 13.197 billion). As at December 31, 2018 Bank's CAR stood at 16.80% whereas CET1 and Tier 1 ratios both stood at 14.81%.

The Bank is also in compliance with the CCB requirements.

44 RISK MANAGEMENT

Risk Management Group (RMG) has been organized under the Chief Risk Officer (CRO). It has been authorized by the Board of Directors (BoD) to monitor the implementation of various risk policies via implementation of an integrated risk management framework across the Bank. As an ongoing exercise to integrate risk related functions, RMG has been expanded, strengthened and entrusted to monitor the risk areas across the organization, including adoption and convergence towards regulatory and Basel guidelines on risk management.

The primary objective of this architecture is to inculcate risk management into the organization flows to ensure that risks are timely and accurately identified and assessed, properly documented, approved and adequately monitored and managed in order to ensure that risk taking activities are in line with the guidelines approved by the BoD and to protect the interests of the Bank's depositors and shareholders.

The "Risk Management Framework" at the Bank encompasses:

- Scope of risks to be managed;
- Process, systems and procedures to manage risk; and
- Roles and responsibilities of individuals involved in risk management.

The Bank has adopted an approach that gives an integrated view of the risks faced by the organisation. This calls for aligning strategic vision, policy objectives and business processes / procedures within the risk management framework. The management of risk is integrated with the Bank's management of capital and strategy. This ensures that risks taken in pursuit of the Bank's strategic objectives are consistent with the policies, translating into targeted shareholder return as well as the Bank's desired credit rating and risk appetite.

With this in view, the risk management framework endeavours to be a comprehensive and evolving guidelines to cater to changing business dynamics. The risk management framework includes:

- Clearly defined risk management policies;
- Well constituted organizational structure; and
- Mechanism for ongoing review of credit policies and procedures and risk exposures.

The "Risk Management Framework" is built on the following elements:

- Comprehensive risk governance; and
- Effective risk processes.

The Bank has developed and implemented a governance and management structure, processes surrounding each risk area, including credit risk, market risk, liquidity risk, capital management, operational risk, environmental risk and information security risk.

The essential components which contribute in effective management of all these risks are as follows:

- Active board / senior management strategic direction and centralised RMG oversight;
- Sufficient policies, procedures and limits;
- Adequate risk measurement, monitoring and management information systems; and
- Comprehensive internal controls.

The Board of Directors (BoD) monitoring and oversight is facilitated through the Board Risk Management Committee (BRMC), comprising of directors including the President & CEO. It is appointed and authorised by the BoD to assist in the design, regular evaluation and timely updation of the risk management framework. The BRMC has further authorised management committees such as Country Credit Committee (CCC), Agriculture Credit Committee (ACC),

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

Enterprise Risk Management Committee (ERMC) and Assets and Liabilities Committee (ALCO) to supervise risk management activities within their respective areas.

In order to have an effective and efficient risk assessment, and to closely align its functions with Business, RMG has separate risk management functions for credit risk management, based on the specialised skill sets and required specific experience in various business segments. These functions comprise of corporate risk, CBSME, agri and retail risk management.

The common responsibilities of all credit risk management functions include:

- Conduct a thorough and independent due diligence of the proposed / existing exposures in the respective risk portfolios.
- Work with Compliance to ensure conformity to the relevant Government regulations, SBP PRs as well as internal policies.
- Work with relationship teams to structure exposures such that they mitigate key risks, cater to customer requirements, remain economical in terms of risk weighted assets / capital allocation to ensure adequate risk coverage.

The risk management architecture is further fostered by enterprise risk management, credit administration, risk policy and portfolio management and information security functions.

- The enterprise risk management function is responsible for managing and controlling market, operational and liquidity risks at an enterprise level and monitoring regulatory capital requirements of the Bank.
- Credit administration department looks after the security, loan documentation, disbursement and post disbursement monitoring aspects of the credit portfolio.
- Risk policy and analytics department serves as an independent check in risk management function. It performs periodic review of all credit related portfolios (corporate, CBSME, retail, agri, SAM) and analyses portfolio compositions, risk rating distributions, emerging trends of NPLs, renewal status of RAs as per policy and other policy related matters. It also formulates / updates credit policies (along with various limits prescribed therein) in line with regulatory environment, business strategy, the BoD approvals and the best practices.
- The information security risk function is responsible for information security risk identification, monitoring and reporting.

44.1 Credit Risk

Credit risk is the identification of probability that a counterparty will cause a financial loss to the Bank due to its inability or unwillingness to meet its contractual obligation. This credit risk arises mainly from both direct lending activities as well as contingent liabilities.

The Bank's credit risk philosophy is based on the Bank's overall business strategy / direction as established by the Board. The Bank is committed to the appropriate level of due diligence to ensure that credit risks have been properly analysed, fully disclosed to the approving authorities and appropriately rated, appropriately structured, appropriately priced and documented.

The Bank deals with many different types of borrowers and borrowing structures across the corporate, commercial, SME and Retail segments. The Bank manages customer credit risk exposures within appropriate limits to ensure that it does not provide a disproportionate level of credit to a single customer or group of connected clients. The Bank follows aggregation principles – summing of credit risk limits to the same customer, or group of connected clients – to identify and manage effectively all significant credit risk exposures to a single customer within an individual business and, where appropriate, across other business segments.

The Bank has well-defined credit approval and review processes under which senior officers with the requisite credit background, critically scrutinise, advise & discuss associated risks and recommend / review / approve credit facilities and financing, through respective credit committees. Besides financial, industry and transaction analysis, in order to quantify risks of counterparty, the credit evaluation also includes risk rating system to evaluate risk rating of the customers which is then monitored on a portfolio basis to gauge the Bank's credit portfolio quality. To avoid risk

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

concentration, counterparty limits, counterparty group limits and industry concentration limits are also established, monitored and assessed in the light of changing counterparty and market conditions.

With a view to develop and effectively manage a diversified credit portfolio within each business segment (as an integral part of the credit risk management process), the Bank has adopted the concept of an industry / sector-wise exposure concentration grid which dictates target market exposures.

As part of the Bank's portfolio strategy and planning activity, these industry concentration limits are continually overseen by the management against the Bank's approved exposures in these sectors and reviewed by the Board Risk Management Committee (BRMC) in its meetings with an aim to monitor the overall risk and to avoid high exposure to a single group or industry.

44.1.1 Segment by class of business

Credit Risk Management (CRM) Framework (non-retail / non-individual portfolio) covers three business segments: Corporate Risk Management, Commercial Banking and SME (including agri) Risk Management and Retail Risk Management. Based on overall guidance provided by a recognised and established external consultant, in line with the global best practices while ensuring regulatory compliance and alleviation of any (perceived) conflict of interest, credit management process has been segregated into two distinct categories:

- Independent risk advice by risk management function.
- Credit approvals by credit committee(s), while taking into consideration the business unit recommendations / approvals and independent risk advice.

With this segregation, the role of risk management function in credit approval process is focused to provide risk advice only, based on key risk parameters; whereas relevant credit committees are responsible for providing credit related approvals.

The common responsibilities of corporate risk management and commercial banking and SME (including agri) risk management include:

- Conduct a thorough and an independent due diligence of the proposed / existing exposures in the respective risk portfolios.
- Work with relationship teams to advise on structure of exposures such that they mitigate key risks, cater to customer requirements, remain economical in terms of risk weighted assets / capital allocation to ensure risk coverage.
- Work with the independent credit risk review team (under Internal Audit) for effective and periodic review of the credit portfolio.

Retail risk management is responsible for managing the credit risk of consumer finance credit products, with credit facilities extended to individual (non-corporate) customers. The consumer finance / retail finance function operates on a program approach, which are approved by the Country Credit Committee and subsequently by the BoD. The retail risk management provides its input on risk parameters in term of 'risk advice', at the time of approval / changes in product programs. The retail risk management also ensures that all the ongoing individual credit approvals are within pre-defined risk parameters as per the approved product programs.

44.1.2 Credit Risk: General disclosures Basel II specific

The Bank has adopted the Standardized Approach under Basel. According to the regulatory statement submitted under the Standardised approach, the portfolio has been divided into claims on public sector entities in Pakistan (PSEs), claims on corporate (excluding equity exposure) and claims categorised as retail portfolio. Claims on corporate constitute 64.34% (2017: 63.33%) of the total risk weighted assets, 3.33% (2017: 3.21%) represents claims on PSEs and 15.72% (2017: 16.56%) exposure pertains to claims categorised as retail portfolio.

44.1.3 Credit Risk: Disclosures for portfolio subject to Standardised Approach

For domestic claims, External Credit Assessment Institutions (ECAIs) recommended by the SBP, namely Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS Credit Rating Company Limited (JCR-VIS) are used. For

44.2 Market Risk

The Bank seeks to mitigate market risk by employing strategies that correlate price, rate and spread movements of its earning assets, liabilities and trading activities. Treasury front office, market risk management and treasury middle office perform market risk management activities within the Bank. The Bank has Enterprise Risk Management Committee which is responsible for recommending market risk policies and strategies for the Board approval and its subsequent implementation and review.

44.2.2 Foreign Exchange Risk

Foreign exchange risk / currency risk is the current or prospective risk to earnings and capital arising from adverse movements in currency exchange rates. It refers to the impact of adverse movements in currency exchange rates on the value of open foreign currency positions. Changes in currency rates affect the value of assets and liabilities denominated in foreign currencies and may affect revenues from foreign exchange dealing.

The Bank undertakes currency risk mostly to support its trade services and maintains overall foreign exchange risk position to the extent of statutory Foreign Exchange Exposure Limit (FEEL) prescribed by the SBP.

Exposure limits such as counterparty, gap, net open position, dealer and bucket-wise currency delta limits are in place in accordance with the Bank's approved policies in order to manage associated risk and concentration at the acceptable tolerance levels.

44.2.3 Equity position Risk

Equity position risk is the risk arising from unfavourable fluctuations in prices of shares in which the Bank carries long / short positions. It is a risk to earnings or capital that results from adverse changes in the value of equity related portfolios of the Bank. Price risk associated with equities could be systematic or unsystematic. Systematic risk is due to sensitivity of portfolio's value to changes in overall level of equity prices, while unsystematic risk is associated with price volatility that is determined by the specific characteristics of the investee company.

The Bank's equity position is governed by position limits imposed by the State Bank of Pakistan for overall investment and per scrip exposure. Additionally, there are internal limits set to manage overall earnings in the form of stop loss limits and maintain a diverse portfolio through sector concentration limits.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Yield curve risk is the risk that a financial instrument will suffer either a decline in income or capital because future changes in prevailing interest rates impact assets more or less than they impact liabilities.

The interest rate risk of the Bank arises when there is a mismatch between contractual maturities, which are subject to interest rate adjustment within a specified period or re-pricing of on and off-balance sheet assets and liabilities. Risk is addressed by Asset and Liability Management Committee that reviews the interest rate dynamics at regular intervals and decides re-pricing of assets and liabilities to ensure that the spread of the Bank remains at an acceptable level.

Major sources of Interest rate risk are;

- i) differences between the timing of rate changes and the timing of cash flows (re-pricing risk);
- ii) changing rate relationships among different yield curves affecting Bank's activities (basis risk);
- iii) changing rate relationships across the range of maturities (yield curve risk);
- iv) interest-related options embedded in Bank's products (options risk); and
- v) changes in marked-to-market value of financial instruments which occur when interest rate changes (price risk).

44.3 Operational Risk

Operational risk is the risk of direct or indirect losses resulting from inadequate or failed internal processes or systems, human factors or from external events. The Bank's businesses are dependent on the ability to process a large number of transactions efficiently and accurately. Operational risks and losses originate from business / operational process failure, IT security failure, natural disasters, dependence on key suppliers, fraud, service quality compromises, regulatory non-compliance, loss of key staff and social and environmental impacts.

The operational risk management function is primarily responsible for the oversight of operational risk management across the Bank. The operational risk management framework of the Bank is governed by the operational risk management policy and procedures, while the implementation is supported by an operational risk management system and designated operational risk coordinators within different units across the Bank. The framework is in line with international best practices, flexible enough to implement in stages and permits the overall approach to evolve in response to organizational learning and future requirements.

The Bank has implemented an effective operational risk management framework for managing operational risk. Each department has processes and system controls in place to address operational risks within their area. Operational loss data is collected through a well defined program implemented across the Bank. Periodic workshops are conducted for risk and control self assessment and key risk exposures are identified and assessed against existing controls to evaluate improvement opportunities. Key risk indicators are also defined for monitoring of risk exposures. New products, systems, activities and processes, are subject to comprehensive operational risk assessments, before implementation. Regular updates on operational risk status is presented to Enterprise Risk Management Committee (ERMC) and the Board of Directors through the Board Risk Management Committee (BRMC).

Operational Risk-Disclosures Basel II Specific

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events.

The Bank is currently using basic indicator approach for calculating operational risk capital charge.

Under basic indicator approach the capital charge for operational risk is a fixed percentage (denoted alpha) of average positive annual gross income of the Bank over the past three years. Figures for any year in which annual gross income is negative or zero, should be excluded from both the numerator and denominator when calculating the average.

44.4 Liquidity Risk

Liquidity risk is the risk that the Bank will be unable to meet its payment obligations associated with its financial liabilities when they fall due and to replenish funds when they are withdrawn.

Liquidity risk management framework is governed by the liquidity risk management policy. The policy provides specific directives for measuring and managing liquidity risk identifies responsible personnel; and defines their respective roles and responsibilities relating to liquidity risk management.

Management of liquidity risk is accomplished through a formal structure which includes:

- Board of Directors (BoD)
- Board Risk Management Committee (BRMC)
- Asset and Liability Committee (ALCO)
- Enterprise Risk Management Committee (ERMC)
- Treasury
- Risk management (enterprise risk management)
- Finance

The BoD approves the liquidity risk management policy including risk limits and ensures, through quarterly reviews by the BRMC, that the Bank's liquidity risk is being managed prudently. The BRMC plays a strategic role in liquidity risk management by overseeing the liquidity risk profile of the Bank. ERMC defines the risk tolerance levels and setting risk limits for effective liquidity risk management. ALCO ensures adherence with policy requirements and risk limits so that the Bank remains sufficiently liquid at all times.

The market and liquidity risk under enterprise risk management function overseas liquidity risk. The Bank's Asset and Liability Committee manages the liquidity position on a continuous basis. The Bank's liquidity risk management process, as carried out within the Bank and monitored by the management, includes:

The Bank ensures to maintain a diversified portfolio of liquid assets and funding base. Sources of funding comprise of a good mix of core deposits. Concentration in deposit, especially large volume deposits, is closely monitored to anticipate any potential liquidity issues in case of their withdrawals.

Various tools and techniques are used to measure and monitor the possible liquidity risk. These include monitoring of different liquidity ratios like liquid assets to liquid liabilities, liquid assets to total deposits, large volume deposits to total deposits, advances to deposit, liquid assets to volatile funding; on regular basis against defined limits. Further, liquidity gaps over different time bands, are also monitored through maturity profiling of assets and liabilities. The Bank also ensures that statutory cash and liquidity requirements are maintained at all times. In addition, the Bank has also implemented the SBP's Basel III Liquidity Standards for ensuring compliance with the requirements of LCR, NSFR and other Monitoring Tools.

The Bank performs liquidity stress testing on periodic basis in order to ensure sufficient liquidity is always available to meet financial obligations / commitments. Stress testing aims to quantify the potential impact of extreme yet plausible events or movements on the value of portfolio. Shocks include withdrawal of deposits, withdrawal of wholesale / large deposits, withdrawal of top deposits etc. The results of liquidity stress testing are shared with relevant authorities / committees, on periodic basis.

Contingency Funding Plan (CFP) is a part of liquidity risk management policy of the Bank. CFP provides a set of several early warning indicators of a possible liquidity shortfall situation; describes the actions to be taken to manage it and identifies the roles and responsibilities of ALCO, CFP team or other relevant authorities.

44.4.2 Maturities of assets and liabilities - based on expected maturities of the assets and liabilities of the Bank

In line with the SBP BSD Circular Letter No. 02 and 03 of 2011 on "Maturity and Interest Rate Sensitivity Gap Reporting", deposit withdrawal pattern analysis on Current and Saving Accounts (CASA) is conducted on ten years weekly data. The outliers (seasonal variations) are adjusted from data using fourth spread statistical methodology. The moving average methodology is used to estimated deposits withdrawal pattern of both current and saving deposits. This methodology is in line with industry best practices and regulatory guidelines.

44.5 Derivative Risk Management

The Bank's derivatives risk management is performed under market risk management which is an independent unit reporting to the Chief Risk Officer. The risk management policies are governed by the regulatory and internal guidelines. Risk management department of the Bank reviews credit risk, market risk and other risks associated with the derivative transactions or related area of the activity and assigns limits within which the transactions / area of activity can be carried out. Adherence to these limits is ensured through independent monitoring and control functions.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

There are a number of risks undertaken by the Bank, which need to be monitored and assessed. The management of risks includes the following primary components:

- Comprehensive risk measurement approach;
- Detailed structure of limits, guidelines and other parameters used to govern risk taking; and
- Strong management information system for controlling, monitoring and reporting risks.

Major risks associated with the derivative instruments are market risk, credit risk and liquidity risk. The Bank uses SunGard-Sierra to measure and manage these risks which provides end-to-end capability with respect to transaction life cycle.

Market risk

The risk that the value of a derivative contract will be adversely affected by movements in equity prices, interest rates, currency exchange rates and commodity prices. The authority for approving policies, limits and periodic reviews rest with the Board of Directors. The critical measures used to manage market risks are Interest Rate Delta and Currency Delta Basis. These measures involve extreme shifts in a variety of parameters, such as FX rates, interest rates, equity prices, implied volatility levels and combinations of the above. These measures are calculated through the relevant systems.

Credit risk

The risk that a party to a derivative contract will fail to perform its obligation. There is a settlement risk associated with the derivative transactions. Settlement risk is monitored on a daily basis. Risk management department of the Bank sets the policies and limits for counterparty risk based on a pre-defined criteria linked with the internal risk rating of the customer.

Liquidity risk

Liquidity risk is managed as part of the overall liquidity risk of the Bank. The risk management policies related to liquidity risk are explained in note 44.4 to these unconsolidated financial statements.

45 DATE OF AUTHORISATION FOR ISSUE

These unconsolidated financial statements were authorised for issue on February 21, 2019 by the Board of Directors of the Bank.

47 EVENTS AFTER THE REPORTING DATE

47.1 The Board of Directors in its meeting held on February 21, 2019 has proposed a stock dividend of Nil% amounting to Rs Nil (2017: 15% stock dividend amounting to Rs 1,979.604 million).

47.2 Finance Supplementary (Second Amendment) Bill, 2019 laid down before the National Assembly of Pakistan on January 23, 2019, amended the rate of super tax noted in the earlier Finance Act 2018 and prescribed a flat rate of 4% super tax for all accounting years from 2017 to 2020.

Since the above change in tax rates has been announced after the reporting date, it has been treated as non adjusting event under IAS 10, 'Events after the reporting period' and no financial impact has been taken in these current year's unconsolidated financial statements.

9 Pool management

The Bank's Islamic Banking Division (FBL IBD) has maintained the following pools:

- 'General Pool' for local and foreign currency deposits;
- 'Islamic Export Refinance Pool';
- 'Treasury Musharaka Pool';
- FBL 'Islamic Investment Pool';
- FBL 'Islamic Equity Pool'; and
- Haj Musharaka Pool

Key features and risk & reward characteristics of all pools

- The 'General Pool' for both local and foreign currency is catered for all FBL Islamic depositors and provide profit / loss based on Modaraba and Musharika.
- The IERS Pool caters the 'Islamic Export Refinance' requirements based on the guidelines issued by the SBP.
- The 'Treasury Musharaka Pool' is to provide Shariah compliant mechanism for Interbank Money Market transactions and manage the liquidity position of FBL IBD balance sheet by creating individual pools against each FBL Islamic money market deals.
- The FBL Islamic investment pools are created to cater the needs of high net worth clients.
- The FBL Islamic equity pool is created to mainly cater the funding requirement of project/long term financing assets during non accrual period.
- The Haj Musharaka pool is created to give returns to Ministry of religious affairs deposits.
- The risk characteristics of each pool mainly depends on the asset and liability profile of each pool.

ANNEXURE II TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

9.1 Profit / (loss) distribution to depositor's pool

Parameters used for allocation of profit, charging expenses and provisions etc. along with a brief description of their major components:

Gross income generated from relevant assets, calculated at the end of the month is first divided between FBL Islamic and investors / depositors in the ratio of FBL Islamic equity commingled in a pool on pro rata basis, and then amongst FBL Islamic and the depositors after charging mudarib fee (pre-agreed) and as per the weightages declared before start of a month, respectively. All Modaraba and Musharika based deposits are fully invested in respective Pools to produce returns for them. In case where FBL Islamic is unable to utilise all funds available for investment, priority is given to the deposit account holders.

All remunerative accounts such as saving account, term deposits, business kamil accounts are opened on the basis of Modaraba, Musharaka, Wakalah or a combination of Modaraba and Musharaka. The return on these deposits is calculated on the basis of Profit and Loss sharing (PLS). Unless specified, all remunerative local currency and foreign currency deposits are taken as General Modaraba and Musharaka pool.

Profit share is determined using weight and profit sharing ratio assigned to each category of deposit within a pool. The weightages and profit sharing ratios are declared by FBL Islamic in compliance with the requirements of the SBP.

The allocation (of income and expenses to different pools) is based on pre-defined basis and accounting principles / standards. The direct expenses are charged to respective pool. The indirect expenses including the establishment cost are borne by FBL Islamic as Mudarib. The direct expenses charged to the pool include depreciation of Ijara assets, cost of sales of inventories, insurance / takaful expenses of pool assets, stamp fee, documentation charges, brokerage fee for the purchase of securities / commodities, impairment / losses due to physical damages to specific assets in pools etc. Provisions against any non-performing assets of the pool are not passed on to the pool except on the actual loss / write-off of such non-performing asset and suspension of income against non-performing assets. The profit of the pool is shared between the members of the pool on pre-defined mechanism based on the weightages announced before the profit calculation period.

Financial Statements (Consolidated)

Chairman's Message

Consolidated Financial Statements

On behalf of the Board of Directors, it is my privilege to present the Consolidated Financial Statement of Faysal Bank Limited for the financial year ended December 31, 2018. The Bank once again maintained strong financial performance which was led by a carefully crafted business plan.

The positive results are in line with the Bank's robust growth over the last several years along with the Islamic transformation vision of the Board and Management. The Bank has grown organically and evolved with a strong presence in the industry with a footprint that spans over 150 cities with 455 branches across the country including 255 dedicated Islamic branches. Faysal Bank is a significant market player and is well poised for sustainable future growth. The Bank's ambition is to provide par excellence service to its customers while meeting their financial needs in both personal and business related spheres, adhering to stringent regulatory compliance and control protocols.

Faysal Bank aims to play an active role in the growth of Islamic Banking industry by offering high standard Shariah compliant products and services through its fast growing dedicated Islamic network across the country. Furthermore, the Bank has embarked on a holistic strategy under the guidance of the Board which will align the Banks transformative vision to enhance and develop new systems, platform and services that will set the benchmark of a strong Islamic Financial institution with customer service excellence for the foreseeable future.

Moreover, during the year FBL enhanced its equity stake in Faysal Asset Management Limited (FAML) to 99.9%, consequently establishing the Bank's control over FAML and has taken measures to strengthen the management team. This endorsement by the shareholders is a testament of their confidence in the BoD and Management's vision to build FAML as the premier investment manager. With a rejuvenated focus the Bank seeks to reposition FAML as the fund manager of choice aided by; enhanced competitiveness, integrity and unparalleled customer service. Furthermore, FAML acquisition will provide best breed diversified and innovative Shariah Compliant financial solutions to compliment an evolving need of both Bank and an industry wide customer base.

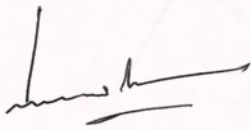

At Faysal Bank we believe that our employees are our greatest strength. In 2018, the Bank continued to invest in their training and development. As we firmly believe in developing capabilities and professional skillset from within the organization to manage leadership positions within the Bank. Hence to nurture talent and groom them to the desired skillset the Bank has successfully launched recruitment drives for Management Trainees from top universities country wide under the umbrella of "Search for the Best" program. This will be an ongoing initiative to induct the best breed young talent. Besides numerous Islamic Banking courses were conducted through in-house and external trainers to institutionalize and reinforce our commitment towards the transformation and providing career growth from within.

On the Corporate Social Responsibility, Faysal Bank remains committed to support education, professional development of our youth along with our focus on health and poverty alleviation.

Looking ahead, I expect 2019 to be another eventful year where we will continue in our efforts to reaffirm the bank's position as one of the leading financial institutions, while continuing to elevate our customer banking experience across all touch points and platforms.

On behalf of the Board of Directors, I would like to take this opportunity to express my sincere gratitude to our customers, shareholders for their continued trust, which has been the cornerstone of our continued success. I would also like to thank the State Bank of Pakistan and the Security Exchange Commission for their continued guidance.

Lastly, I would like to acknowledge the directional support provided by the Board of Directors, Management of the Bank and all employees for their hard work and contributions towards achieving the desired goals of the Bank.

Farooq Rahmatullah Khan

Chairman of the Board

Dated: February 21, 2019

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S.No.	Key Audit Matters	How the matter was addressed in our audit
1	<p>Provision against advances: (Refer note 12.4 to the consolidated financial statements.)</p> <p>The Group makes provision against advances on a time based criteria that involves ensuring all non-performing loans and advances are classified in accordance with the ageing criteria specified in the Prudential Regulations (PRs) issued by the State Bank of Pakistan (SBP).</p> <p>In addition to the above time based criteria the PRs require a subjective evaluation of credit worthiness of borrowers to determine classification of advances.</p> <p>The PRs also require creation of general provision for consumer portfolios.</p>	<p>Our audit procedures to assess provision against advances, amongst others, included the following:</p> <p>We reviewed the design and tested operating effectiveness of key controls established by the Group to identify loss events and for determining the extent of provisioning required against non-performing loans.</p>

S.No.	Key Audit Matters	How the matter was addressed in our audit
	<p>The Group has recognised a net reversal of provision against advances amounting to Rs. 433.611 million in the consolidated profit and loss account in the current year. As at December 31, 2018, the Group holds a provision of Rs 23,813.448 million against advances.</p> <p>The determination of provision against advances based on the above criteria remains a significant area of judgement and estimation. Because of the significance of the impact of these judgements / estimations and the materiality of advances relative to the overall consolidated statement of financial position of the Group, we considered the area of provision against advances as a key audit matter.</p>	<p>The testing of controls included testing of:</p> <ul style="list-style-type: none"> • automated (IT system based) controls over correct classification of non-performing advances on time based criteria; • controls over monitoring of advances with higher risk of default and correct classification of non-performing advances on subjective criteria; • controls over accurate computation and recording of provisions; and • controls over governance and approval process related to provisions, including continuous reassessment by the management. <p>In accordance with the regulatory requirement, we sampled and tested at least sixty percent of the total advances portfolio and performed the following substantive procedures for sample loan accounts:</p> <ul style="list-style-type: none"> • verified repayments of loan / mark-up installments and checked that non-performing loans have been correctly classified and categorised based on the number of days overdue. • examined watch list accounts and, based on review of the individual facts and circumstances, discussions with management and our assessment of financial conditions of the borrowers, formed a judgement as to whether classification of these accounts as performing was appropriate. <p>We checked accuracy of specific provision made against non-performing advances and of general provision made against consumer finance by recomputing the provision amount in accordance with the criteria prescribed under the PRs.</p>

2 Acquisition of Faysal Asset Management Limited: (Refer note 7 to the consolidated financial statements)

The Bank has acquired further interest in Faysal Asset Management Limited (FAML) which has increased the Bank's holding in FAML from 30% to 99.99% establishing the Bank's control over FAML.

As a result of the above acquisition, the Group has recognised goodwill amounting to Rs. 412.060 million on the acquisition date based on the provisional carrying values of FAML as at the acquisition date. The management is in the process of determining the fair values of acquired assets and liabilities. International Financial Reporting Standard (IFRS) 3: 'Business Combinations' envisages such a situation and allows the acquirer to account for the acquisition using provisional values if the initial accounting for the acquisition can be determined only provisionally by the year end. Adjustments to these provisional values consequent to completion of the initial accounting of the acquisition is

Our audit procedures with respect to the acquisition of FAML included the following:

- inspected the resolutions passed by the Board of Directors and shareholders of the Bank in relation to the investments made.
- obtained purchase agreements and reviewed their provisions with respect to the acquisition price and other terms of the agreements.
- checked the carrying values of assets and liabilities of FAML from the financial statements of FAML as of the acquisition date. Carrying values were considered provisional values as the management is in the process of determining the fair values of acquired assets and liabilities at the acquisition date.

S.No.	Key Audit Matters	How the matter was addressed in our audit
	<p>required, under IFRS 3, to be incorporated in the financial statements with effect from the acquisition date, within a period of twelve months from the acquisition date.</p> <p>As this acquisition represents a significant transaction for the year due to its impact on the annexed consolidated financial statements, we have considered the accounting implications of the transaction as a key audit matter.</p>	<ul style="list-style-type: none"> checked the calculation of goodwill by comparing the provisional values of assets and liabilities of FAML with the purchase consideration. checked that the disclosures relating to the acquisition were in accordance with the applicable financial reporting framework.
3	<p>Change in format of the financial statements (Refer note 3.8.2 to the consolidated financial statements)</p> <p>The State Bank of Pakistan (SBP) has amended the format of annual financial statements of banks. All banks are directed to prepare their annual financial statements on the revised format effective from the accounting year ended December 31, 2018. Accordingly, the Group has prepared these consolidated financial statements on the new format prescribed by the State Bank of Pakistan.</p> <p>As part of this transition to the new requirements, the management performed a gap analysis to identify differences between the previous and current format. The adoption of the new format required certain recognition requirements and reclassification of financial information. The amended format also introduced certain new disclosures in the consolidated financial statements.</p> <p>In view of the significant impact of the first time adoption of the revised format on these consolidated financial statements, we considered this as a key audit matter</p>	<p>We reviewed and understood the requirements of the SBP's amended format of annual financial statements for banks. Our audit procedures included the following:</p> <ul style="list-style-type: none"> considered the management's process to identify the changes required in the consolidated financial statements to comply with the new format; and obtained relevant underlying supports relating to the changes required in the unconsolidated financial statements consequent to the adoption of the new format to assess their appropriateness and verified them on a test basis.

Information Other than the Unconsolidated and Consolidated Financial Statements and Auditor's Reports Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the unconsolidated and consolidated financial statements and our auditor's reports thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

A.F. FERGUSON & CO.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Shahbaz Akbar.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

1 STATUS AND NATURE OF BUSINESS

1.1 The "Group" consists of:

- (i) Faysal Bank Limited - Holding Company
- (ii) Faysal Asset Management Limited - Subsidiary Company

During the year, the Holding Company acquired 10,498,000 shares of Faysal Asset Management Limited, (the Subsidiary Company) in November 2018. As a result, the Holding Company now has controlling interest of 99.99% in the paid up capital of the Subsidiary Company.

1.2 Holding Company

1.2.1 Faysal Bank Limited (the Bank or the Holding Company) was incorporated in Pakistan on October 3, 1994 as a public limited company under the provisions of the Companies Ordinance, 1984. Its shares are listed on Pakistan Stock Exchange Limited. The Bank is mainly engaged in Conventional and Islamic Corporate, Commercial and Consumer banking activities. The Bank has a network of 455 branches (2017: 405); including 254 Islamic banking branches (2017: 197) and 1 Islamic sub-branch (2017: 1) in Pakistan.

The Registered Office of the Bank is located at Faysal House, ST-02, Shahrah e Faisal, Karachi.

Ithmaar Bank B.S.C (closed), a fully owned subsidiary of Ithmaar Holdings B.S.C is the parent company of the Bank, holding directly and indirectly 66.78% (2017: 66.78%) of the shareholding of the Bank. Dar Al-Maal Al-Islami Trust (DMIT), (ultimate parent of the Bank) is the holding company of Ithmaar Holdings B.S.C.

1.2.2 Based on the unconsolidated financial statements of the Bank for the period ended September 30, 2018 and for the year ended December 31, 2017, the Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS Credit Rating Company Limited have determined the Bank's long-term rating as 'AA' (December 31, 2017: 'AA') and the short term rating as 'A1+' (December 31, 2017: 'A1+').

1.3 Subsidiary Company

1.3.1 Faysal Asset Management Limited (the Subsidiary Company) was incorporated in Pakistan under the Companies Ordinance, 1984 on August 6, 2003 as an unlisted public limited company. The Subsidiary Company commenced its operations on November 14, 2003. The registered office of the Subsidiary Company is located at 7th Floor, West Wing, Faysal House, ST-02, Main Shahrah e Faisal, Karachi.

The Subsidiary Company is a Non-Banking Finance Company (NBFC), licensed to carry out asset management and investment advisory services under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations).

1.3.2 JCR-VIS Credit Rating Company Limited has assigned Asset Management rating of AM3 to the Subsidiary Company. The rating was determined on March 19, 2018.

1.3.3 The Subsidiary Company currently manages the following open-end collective investment schemes:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

1.3.4 The Subsidiary Company is also managing investments under discretionary portfolio management agreements.

2 BASIS OF PRESENTATION

2.1 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan (SBP) has issued various circulars from time to time. Permissible forms of trade related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated financial statements as such but are restricted to the amount of facility actually utilised and the appropriate portion of mark-up thereon.

2.2 The financial results of the Islamic banking branches have been consolidated in these consolidated financial statements for reporting purposes only. Inter branch transactions and balances have been eliminated.

2.3 In accordance with the directives issued by the SBP, the statement of financial position and the profit and loss account of Islamic banking branches of the Holding Company are disclosed in Annexure II to these consolidated financial statements.

2.4 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Bank and the financial statements of the Subsidiary Company from the date from which control of the Subsidiary Company by the Group commences until the date on which control ceases. The financial statements of the Subsidiary Company are incorporated on a line-by-line basis and the investment held by the Bank is eliminated against the corresponding share capital and pre-acquisition reserve of the Subsidiary Company in the consolidated financial statements.

The financial statements of the Subsidiary Company are prepared for the same reporting period as the Holding Company, using accounting policies that are generally consistent with those of the Holding Company.

Material intra-group balances and transactions are eliminated.

Associates are those entities in which the Group has significant influence, but not control, over the financial and operating policies. Joint ventures are those entities over whose activities the Group has joint control established by contractual agreement. Associates and joint ventures are accounted for using the equity method.

3 STATEMENT OF COMPLIANCE

3.1 These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017.
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017.
- Provisions of, and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017, and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives have been followed.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

3.2 The SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' (replaced by IFRS 9, 'Financial Instruments') and International Accounting Standard (IAS) 40, 'Investment Property' for Banking Companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has also deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' through its S.R.O. 633(I)/2014 dated July 10, 2014. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

3.3 As per the directive of the SBP through its letter BPRD (R&P-02)/625-99/2011/3744 dated March 28, 2011, gain arising on bargain purchase of Pakistan operations of Royal Bank of Scotland (ex-RBS Pakistan) was credited directly into equity as Non-Distributable Capital Reserve (NCR). The SBP allowed the Holding Company to adjust the amortisation of intangible assets against the portion of reserve which arose on account of such assets. Accordingly, during the year ended December 31, 2018 the Group has adjusted amortisation of intangible assets amounting to Rs. 124.867 million (net of tax) from the Non-distributable Capital Reserve.

3.4 The SBP vide its BPRD Circular No. 04 dated February 25, 2015 has clarified that the reporting requirements of IFAS-3 for Institutions offering Islamic Financial Services (IIFS) relating to annual, half yearly and quarterly financial statements would be notified by the SBP through issuance of specific instructions and uniform disclosure formats in consultation with IIFS. These reporting requirements have not been ratified to date. Accordingly, the disclosure requirements under IFAS 3 have not been considered in these consolidated financial statements.

3.5 The SECP has directed that the requirements of IFRS 10, 'Consolidated Financial Statements' are not applicable in case of investments by Companies in mutual funds established under Trust Deed structure. Accordingly, implications of IFRS 10 in respect of mutual funds are not considered in these consolidated financial statements. Therefore direct investments by the Group in mutual funds managed by Faysal Asset Management Limited are not consolidated as would otherwise be required under the definition of control specified in IFRS 10.

3.6 Standards, interpretations of and amendments to published accounting and reporting standards that are effective in the current year:

The Group has applied the following amendments for the first time for their accounting period commencing January 1, 2018:

3.6.1 The State Bank of Pakistan (SBP) through its BPRD Circular No. 2 of 2018 dated January 25, 2018 has amended the format of annual financial statements of banks. All banks are directed to prepare their annual financial statements on the revised format effective from the accounting year ending December 31, 2018. Accordingly the Group has prepared these consolidated financial statements on the new format prescribed by the State Bank of Pakistan. The adoption of new format required remeasurement and reclassification of comparative information and accordingly a third statement of financial position has been presented at the beginning of the preceding period (i.e. December 31, 2016) in accordance with the requirement of International Accounting Standard (IAS) 1, 'Presentation of Financial Statements'.

3.6.2 There are certain other new and amended standards, interpretations and amendments that are mandatory for the Group's accounting periods beginning on or after January 1, 2018 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated financial statements.

3.7 Standards, interpretations of and amendments to published accounting and reporting standards that are not yet effective:

3.7.1 The following revised standards, amendments and interpretations with respect to the accounting and reporting standards would be effective from the dates mentioned below against the respective standards, amendments or interpretations:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Standards, Interpretations or Amendments	Effective date (accounting periods beginning on or after)
- IFRS 9 - 'Financial Instruments'	July 1, 2018
- IFRS 15 - 'Revenue from contracts with customers' with amendments	July 1, 2018
- IFRS 16 - 'Leases'	January 1, 2019
- IFRIC 23 - 'Uncertainty over income tax treatments'	January 1, 2019
- IAS 12 - 'Income Taxes' (amendments)	January 1, 2019
- IAS 19 - 'Employee Benefits' (amendments)	January 1, 2019
- IFRS 3 - 'Business Combinations' (amendments)	January 1, 2020
- IAS 1 - 'Presentation of Financial Statements' (amendments)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendments)	January 1, 2020

The management is in the process of assessing the impact of these standards and interpretations on the consolidated financial statements of the Group.

IFRS 16 replaces existing leasing guidance, including IAS 17 'Leases', IFRIC 4 'Determining whether an arrangement contains a Lease', SIC-15 'Operating Leases- Incentive and SIC-27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. IFRS 16 introduces a single, on balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligations to make lease payments. There are recognition exemptions for short-term lease and leases of low-value items. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as finance or operating leases.

On adoption of IFRS 16, the Group shall recognise a 'right to use asset' with a corresponding liability for lease payments. The Group is in the process of assessing the full impact of this standard.

IFRS 9: "Financial Instruments" has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on 'expected credit losses' (ECL) approach rather than 'incurred credit losses' approach as currently followed. The ECL has impact on all the assets of the Group which are exposed to credit risk.

The Group is in the process of assessing the full impact of this standard.

3.7.2 There are certain other new and amended standards, interpretations and amendments that are mandatory for the Group's accounting periods beginning on or after January 1, 2019 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated financial statements.

3.8 Changes in accounting policies

3.8.1 The Companies Ordinance, 1984 was repealed through the enactment of the Companies Act, 2017. However, as directed by the Securities and Exchange Commission of Pakistan vide Circular No. 23 dated October 4, 2017, the financial reporting requirements of the Companies Act, 2017 were only made applicable for reporting periods starting from January 1, 2018.

Consequently, the Group has changed its policy for accounting for a deficit arising on revaluation of fixed assets. The Group's previous accounting policy (as described in note 7.6 of the annual financial statements for the year ended December 31, 2017), in accordance with the repealed Companies Ordinance, 1984, required that a deficit arising on revaluation of a particular asset was to be adjusted against the total balance in the surplus account or, if no surplus existed, was to be charged to the profit and loss account as an impairment of the asset. The Companies Act, 2017 removed the specific provisions allowing the above treatment. A deficit arising on revaluation of a particular asset is now to be accounted for in accordance with IFRS, which requires that such deficit can not be adjusted against surplus for any other asset, but is to be taken to the consolidated profit and loss account as an impairment.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

The effect of this change in accounting policy, which is applied with retrospective effect, is as follows:

	As at December 31, 2018	As at December 31, 2017	As at December 31, 2016
	----- Rupees '000 -----		
Impact on Consolidated Statement of Financial Position			
(Decrease) / increase in surplus on revaluation of assets - net of tax	-	(8,182) *	50,820
Increase / (decrease) in unappropriated profit	-	8,182 *	(50,820)
		Year ended December 31, 2018	Year ended December 31, 2017
		----- Rupees '000 -----	
Impact on Consolidated Profit and Loss Account			
Decrease in other charges		-	11,340
Increase in taxation		-	(2,982)
Increase in earnings per share (Rupees)		-	0.01

* Rs 0.176 million being the impact of incremental depreciation directly transferred from 'unappropriated profit' to 'surplus on revaluation of assets - net of tax'.

3.8.2 As referred to in note 3.6.1, the adoption of revised format has resulted in following significant changes:

- Acceptances amounting to Rs 10,899.656 million (2017: Rs 6,892.781 million) which were previously shown as part of contingencies and commitments are now recognised on the consolidated statement of financial position both as assets and liabilities. They are included in Other Assets (note 16) and Other Liabilities (note 20);
- Surplus on revaluation of fixed assets, non banking assets acquired in satisfaction of claims and investments which was previously shown below equity have now been included as part of equity. These surpluses aggregate to Rs. 5,093.667 million as at December 31, 2018 (2017: 5,613.243 million); and
- Intangibles (note 14) amounting to Rs 1,331.731 million (2017: Rs 1,496.097 million) which were previously shown as part of fixed assets (note 13) are now shown separately on the consolidated statement of financial position.
- IFRS 8, 'Operating Segments' was effective for the Group's accounting period beginning on or after January 1, 2009. All banking companies in Pakistan were required to prepare their annual financial statements in line with the format prescribed under BSD Circular No. 4 dated February 17, 2006, 'Revised Forms of Annual Financial Statements', effective from the accounting year ended December 31, 2006. The SBP had defined the segment categorisation in the above mentioned circular, the SBP's requirements prevailed over the requirements specified in IFRS 8. Accordingly, segment information disclosed in prior financial statements was based on the requirements laid down by the SBP. The new format as aforesaid has revised the segment reporting requirement and requires the Group to apply IFRS 8 for such reporting. Application of IFRS 8 has resulted into certain changes in the disclosure of segment information. The segment information of the current and prior year based on the requirement of IFRS 8 is prescribed in note 41 to these consolidated financial statements.
- Certain reclassifications have been made in the consolidated statement of financial position and consolidated profit and loss account which are summarised in the note 47 to the consolidated financial statements.

4 BASIS OF MEASUREMENT

These consolidated financial statements have been prepared under the historical cost convention, except that certain fixed assets and non-banking assets acquired in satisfaction of claims are carried at revalued amounts, certain investments and derivative contracts have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits are carried at present value.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

4.1 Critical accounting estimates and judgments

The preparation of the consolidated financial statements in conformity with the accounting and reporting standards requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgments in application of its accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgments were made by the management in the application of the accounting policies are as follows:

- i) Business combinations (note 6.1 and 7);
- ii) Classification and provisioning against investments (notes 6.4 and 11);
- iii) Income taxes (notes 6.8, 15 and 33);
- iv) Classification and provisioning against advances (notes 6.5 and 12);
- v) Depreciation / amortisation of fixed assets / intangibles / revaluations (notes 6.6, 13, 14 and 22);
- vi) Accounting for non-banking assets acquired in satisfaction of claims (note 6.9 and 16);
- vii) Accounting for defined benefit plan (notes 6.11 and 37);
- viii) Impairment of assets (note 6.7);
- ix) Provisions and contingent assets and liabilities (note 6.10); and
- x) Staff retirement benefits (note 6.11).

5 FUNCTIONAL AND PRESENTATION CURRENCY

Items included in these consolidated financial statements are measured using the currency of the primary economic environment in which the Group operates. These consolidated financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency.

6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years except for the changes as disclosed in note 3.8 to these consolidated financial statements.

6.1 Business Combination

Business combinations are accounted for by applying the acquisition method. The cost of acquisition is measured as the fair value of assets given, equity instruments issued and the liabilities incurred or assumed as at the date of acquisition. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement, if any. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values as at the acquisition date. The excess of the consideration transferred over the fair value of the Group's share of identifiable net assets acquired is recorded as goodwill. If this is less than the fair value of the net assets acquired in the case of a bargain purchase, the difference is recognised directly in the consolidated profit and loss account. However, as more fully described in note 14.4 to these consolidated financial statements, the gain on bargain purchase arising on an acquisition made in 2010 has been recognised directly in equity as per the directives of the SBP.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Goodwill acquired in a business combination is measured, subsequent to initial recognition, at its cost less accumulated impairment losses, if any. Goodwill acquired in a business combination is tested for impairment annually or whenever there is an indication of impairment as per the requirements of International Accounting Standard (IAS) 36, 'Impairment of Assets'. Impairment charge in respect of goodwill is recognised in the consolidated profit and loss account and is not subsequently reversed.

Acquisition of non-controlling interests (NCI) is measured at the proportionate share of the NCI in the fair value of the net assets acquired by the Group. The excess of the fair value of consideration transferred over the proportionate share of the NCI in the fair value of the net assets acquired is recognised in equity.

6.2 Cash and cash equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise of cash in hand, balances with treasury banks, balances with other banks in current and deposit accounts, national prize bonds, if any, and overdrawn nostro accounts.

6.3 Lendings to / borrowings from financial institutions

The Group enters into repurchase agreement (repo) and reverse repurchase agreements (reverse repos) at contracted rates for a specified period of time. These are recorded as under:

(a) Sale of securities under repurchase agreements

Securities sold subject to a repurchase agreement (repo) are retained in the consolidated financial statements as investments and the counter party liability is included in borrowings. The difference between the sale and contracted repurchase price is accrued over the period of the contract and recorded as an expense.

(b) Purchase of securities under repurchase agreements

Securities purchased under agreement to resell (reverse repo) are not recognised in the consolidated financial statements as investments and the amount extended to the counter party is included in lendings. The difference between the purchase and contracted resale price is accrued over the period of the contract and recorded as income.

(c) Musharaka / Modaraba placements / Acceptances

In Musharaka / Modaraba, the Group invests in the Shari'ah compliant business pools of the financial institutions at the agreed profit and loss sharing ratio under musharaka agreements.

(d) Bai Muajjal

Bai Muajjal transactions with the SBP and other financial institutions are classified under lendings. In Bai Muajjal, the Group sells Shari'ah compliant instruments on credit to other financial institutions. The credit price is agreed at the time of sale and such proceeds are received at the end of the credit period. The difference between the sale and the credit price is recognised over the credit period and recorded as income.

6.4 Investments

The Group classifies its investments as follows:

(a) Held for trading

These are securities, which are either acquired for the purpose of generating profit from short-term fluctuations in market prices, interest rate movements, or dealer's margin or are securities included in the portfolio in which a pattern of short-term profit making exists.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

(b) Held to maturity

These are securities with fixed or determinable payments and maturity that the Group has a positive intent and ability to hold to maturity.

(c) Available for sale

These are investments, other than those, in associates and subsidiaries, that do not fall under either held for trading or held to maturity categories.

(d) Associates

Associates are all entities over which the Group has significant influence but not control.

6.4.1 Initial recognition and measurement:

All purchases and sales of investments that require delivery within the time frame established by the regulations or market convention are recognised at the trade date. Trade date is the date on which the Group commits to purchase or sell the investment.

Investments other than those classified as held for trading are initially recognised at fair value which includes transaction costs associated with the investments. Investments classified as 'held for trading' are initially recognised at fair value and transaction costs associated with the transactions are expensed in the consolidated profit and loss account.

6.4.2 Subsequent measurement:

Held for trading

These are measured at subsequent reporting dates at fair value. Gains and losses on re-measurement are included in the consolidated profit and loss account.

Held to maturity

These are measured at amortised cost using the effective interest rate method, less any impairment loss recognised to reflect irrecoverable amounts.

Available for sale

Quoted securities classified as available for sale investments are measured at subsequent reporting dates at fair value. Any surplus or deficit arising thereon is kept in a separate account shown in the consolidated statement of financial position within equity and is taken to the consolidated profit and loss account when realised upon disposal or when the investments are considered to be impaired.

Unquoted equity securities are valued at the lower of cost and break-up value. The break-up value of these securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. A decline in the carrying value is charged to the consolidated profit and loss account. A subsequent increase in the carrying value, up to the cost of the investment, is credited to the consolidated profit and loss account. Investments in other unquoted securities are valued at cost less impairment, if any.

6.4.3 Impairment

Impairment loss in respect of investments classified as available for sale (except term finance certificates and sukuk certificates) and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in the fair value of a listed equity investment below its cost is also considered an objective evidence of impairment. Provision for diminution in the value of term finance certificates and

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

sukuk certificates is made as per the requirements of the Prudential Regulations issued by the SBP. In case of impairment of available for sale securities, the cumulative loss that has been recognised in surplus / deficit on revaluation of securities on the consolidated statement of financial position within equity is removed therefrom and recognised in the consolidated profit and loss account. For investments classified as held to maturity, the impairment loss is recognised in the consolidated profit and loss account.

Gain or loss on sale of investments is included in the consolidated profit and loss account currently.

Premium or discount on acquisition of investments is amortised through the consolidated profit and loss account over the remaining period till maturity using the effective interest method.

6.4.4 Investment in associates

Investments in associates, where the Group has significant influence, are accounted for using the equity method of accounting. Under the equity method of accounting, the investment in associate is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of net assets after the date of acquisition. The Group's share of post acquisition profit and loss of associates is accounted for in the profit and loss account with a corresponding adjustment to the carrying amount of the investment. When the Group's share of losses in associates equals or exceeds its interest in the associates, including any other unsecured receivables, the Group does not recognise further losses, unless it has incurred legal or constructive obligation or made payments on behalf of the associates. Profit and losses resulting from upstream and downstream transactions between the Group and its associates are recognised in the Group's consolidated financial statements only to the extent of unrelated investor's interests in the associates. Accounting policies of associates are changed where necessary to ensure consistency with the policies adopted by the Group. Dilution gains and losses arising on investments in associates are recognised in the consolidated profit and loss account.

6.5 Advances

6.5.1 Advances are stated net of specific and general provisions. Specific provision for advances is made in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP. The amount of provision is charged to the consolidated profit and loss account. General provision against consumer and small enterprises financings portfolio is maintained as per the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Advances are written off when there is no realistic prospect of recovery. In addition to conventional products, the Group also offers various Islamic financing products the details of which are as follows:

(a) Murabaha

In Murabaha transactions, the Group purchases the goods and after taking the possession, sells them to the customer on cost plus profit basis either in a spot or credit transaction.

(b) Diminishing Musharaka

It is a form of partnership in which the Group and the customer create co-ownership in the asset by purchasing it jointly. The Group then rents out its share of the asset to the customer. Besides the payment of rentals, customer also purchases the asset from the Group in installments. Hence at the end of the tenure, customer becomes sole owner of the asset.

(c) Running Musharaka

In Running Musharaka financing, the Group enters into financing with the customer based on Shirkat-ul-Aqd or business partnership in the customer's operating business. Under this mechanism the customer can withdraw and return funds to the Group subject to its Running Musharaka Financing limit during the Musharaka period. At the end of each period the customer pays the provisional profit as per the desired profit rate which is subject to final settlement based on the relevant quarterly / half yearly / annual accounts of the customer.

FOR THE YEAR ENDED DECEMBER 31, 2018

(d) Ijarah

Ijarah is a contract whereby the owner of an asset (other than consumables) transfers its usufruct to another person for an agreed period and for an agreed consideration.

Ijarah assets are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is charged from the date of recognition of Ijarah assets on a straight line basis over the period of Ijarah. Impairment of Ijarah assets is determined on the same basis as that of operating fixed assets.

Ijarah receivable income is recognised in income on accrual basis as and when the rental becomes due. Impairment of Ijarah rental is determined in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP and charged to the consolidated profit and loss account.

In service Ijarah financing, the Group provides financing by acquiring certain agreed services from the customer. After the purchase of services, the Group appoints the customer to sell those services in the market over a period and provide a confirmation of such sale. The profit is only accrued from the date of receipt of such confirmation.

(e) Istisna

Istisna is a mode of sale at an agreed price, whereby the buyer places an order to or cause to manufacture, assemble or construct anything to be delivered at a future date.

Funds disbursed under Istisna are recorded as 'Advance against Istisna'. On execution of goods receiving note and receipt of manufactured goods, the same are recorded in the consolidated statement of financial position as inventories of the Group at cost price and after sale of goods by the customer to its ultimate buyers, Istisna financing is booked.

(f) Musawamah

In Musawamah financing, the Group purchases the goods and after taking the possession, sells them to the customer either in spot or credit transaction, without disclosing the cost.

(g) Salam

Salam is a sale transaction where the seller undertakes to supply some specific goods to the buyer at a future date against an advance price fully paid on spot.

The funds disbursed under Salam are recorded as advances against Salam. On execution of goods receiving note and receipt of Salam goods, the same will be recorded at the consolidated statement of financial position as inventories of the Group at cost price and after the sale of goods by the customer to its ultimate buyers, Salam financing will be booked.

(h) Tijarah

Tijarah is a financing mode under which the Group purchases finished goods from the customer / seller against spot payment and delivery. Thereafter, the Group appoints customer as an agent to sell the Tijarah goods in the market.

The funds disbursed under Tijarah are recorded as advances against Tijarah. On execution of goods receiving note and receipt of Tijarah goods, the same will be recorded at the consolidated statement of financial position as inventories of the Group at cost price and after the sale of goods by the customer to its ultimate buyers, Tijarah financing will be booked.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

6.5.2 Net investment in finance lease

Leases where the Group transfers substantially all the risks and rewards incidental to the ownership of an asset are classified as finance lease. A receivable is recognised on the commencement of lease term at an amount equal to the present value of the minimum lease payments, including guaranteed residual value, if any. Unearned finance income is recognised over the term of the lease, so as to produce a constant periodic return on the outstanding net investment in lease. Specific and general provisions for net investment in finance lease are made in accordance with the requirements of the Prudential Regulations and other directives issued by the SBP and charged to the consolidated profit and loss account.

6.6 Fixed assets and depreciation

(a) Tangible assets - owned

Operating fixed assets other than land and buildings are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Buildings are carried at revalued amount less any accumulated depreciation and subsequent impairment losses, if any, except for the building acquired as a result of acquisition of the Subsidiary Company during the year which is carried at its provisional value and will be revalued within the one year period as further specified in note 7 to these consolidated financial statements. Land is carried at revalued amount less any subsequent impairment losses, if any.

Depreciation on operating fixed assets (excluding land which is not depreciated) is charged using the straight line method in accordance with the rates specified in note 13.2 to these consolidated financial statements after taking into account residual value, if significant. The asset's residual values and useful lives are reviewed and adjusted, if required, at each reporting date. Depreciation on additions is charged from the month the assets are available for use. No depreciation is charged in the month of disposal.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance expenditures are charged to the consolidated profit and loss account as and when incurred.

Land and buildings are revalued by professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains / losses on disposal of fixed assets, if any, are taken to the consolidated profit and loss account in the period in which they arise except that the related surplus on revaluation of fixed assets (net of deferred taxation) is transferred directly to unappropriated profit.

(b) Tangible assets - leased

Leases are classified as finance lease wherever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease. Lease payments, if any, under operating lease are charged to income on a straight line basis over the lease term.

Assets held under finance lease are stated at the lower of their fair value or present value of minimum lease payments at inception less accumulated depreciation and accumulated impairment losses, if any. Leasehold land and buildings on leasehold land are subsequently revalued. The outstanding obligations under the lease agreements, if any, are shown as a liability net of finance charges allocable to the future periods.

The finance charges are allocated to the accounting periods in a manner so as to provide a constant periodic rate of return on the outstanding liability.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Depreciation on assets held under finance lease, subsequent costs and gains / losses are recognised in a manner consistent with that for depreciable on other fixed assets which are owned by the Group.

(c) Capital work in progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. All expenditure connected with specific assets incurred during installation and construction period are carried under this head. These are transferred to specific assets as and when assets become available for use.

(d) Intangible assets

Intangible assets having definite lives are stated at cost less accumulated amortisation and accumulated impairment losses, if any. The intangible assets include directly attributable cost that are capitalised as part of the intangible asset. Amortisation, except for customer relationship is charged applying the straight-line method over the useful lives of the assets. Amortisation is calculated so as to write-off the assets over their expected economic lives at rates specified in note 14 to these consolidated financial statements. Amortisation is charged from the month in which the asset is available for use. No amortisation is charged for the month in which the asset is disposed of. The intangible asset comprising customer relationship is being amortised over the life expectancy of the deposits. The residual values and useful lives of intangible assets are reviewed and adjusted, if appropriate, at each reporting date.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Intangible assets having an indefinite useful life are stated at acquisition cost less accumulated impairment losses, if any.

Gains and losses on disposals, if any, are taken to the consolidated profit and loss account in the period in which they arise.

6.7 Impairment

The carrying amount of assets is reviewed at each reporting date for impairment whenever events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. If any such indication exists, and where the carrying value exceeds the estimated recoverable amount, assets are written down to their recoverable amount. The resulting impairment loss is taken to the consolidated profit and loss account except for impairment loss on revalued assets, which is adjusted against related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of asset.

An impairment loss is reversed except for impairment loss relating to goodwill, if there has been a change in the estimate used to determine the recoverable amount. Such reversals are only made to the extent that the asset's carrying amount does not exceed the amount that would have been determined if no impairment loss had been recognised.

6.8 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the consolidated profit and loss account except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current

Provision for current taxation is based on taxable income for the year. Tax charge for the current year is determined in accordance with the prevailing laws for taxation. The charge for the current tax is calculated using tax rates enacted or substantively enacted at the reporting date.

Prior

The charge / reversals for prior years represents adjustments to the tax charge / reversals for prior years, arising from assessments, changes in estimates, and retrospectively applied changes to the law, made during the current year.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. In addition, the Group also records deferred tax asset on available tax losses. Deferred tax is calculated using the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted at the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

The Group also recognises deferred tax asset / liability on deficit / surplus on revaluation of securities, fixed assets and assets acquired in satisfaction of claims which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12, 'Income Taxes'.

6.9 Assets acquired in satisfaction of claims

Non-banking assets acquired in satisfaction of claims are carried at revalued amounts less accumulated depreciation and accumulated impairment, if any. These assets are revalued by professionally qualified valuers with sufficient regularity to ensure that their net carrying value does not differ materially from their fair value. Legal fees, transfer costs and direct costs of acquiring title to the non-banking assets are charged to the consolidated profit and loss account and these are not capitalised as part of non-banking assets. A surplus arising on revaluation of non-banking assets acquired in satisfaction of claims is credited to the 'surplus on revaluation of assets, account. Any deficit arising on revaluation is first set off against the surplus account for that particular non-banking asset, if any, or if no surplus exists, is charged to the consolidated profit and loss account. These assets are disclosed in other assets as specified by the SBP.

6.10 Provisions and contingent assets and liabilities

Provisions are recognised when the Group has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimates.

Contingent assets are not recognised and are also not disclosed unless an inflow of economic benefits is probable. Contingent liabilities are not recognised and are disclosed unless the probability of an outflow of resources embodying economic benefits is remote.

6.11 Staff retirement benefits

a) Defined contribution plan

The Holding Company and the Subsidiary Company both operate a contributory provident fund for all its permanent employees to which equal monthly contributions at the rate of 10 percent of basic salary are made both by the Group and the employees.

b) Defined benefit scheme

The Holding Company operates an approved funded gratuity scheme for all its permanent eligible employees and eligible employees who are on contractual service and are employed under non-management cadre. The Subsidiary Company also operates an approved funded gratuity scheme for all its permanent eligible employees. Contributions to the fund are made on the basis of actuarial recommendations. Projected Unit Credit Method is used for the actuarial valuation.

Amounts arising as a result of 'Remeasurements', representing the actuarial gains and losses and the differences between the actual investment returns and the return implied by the net interest cost are recognised in the consolidated statement of financial position immediately, with a charge or credit to other comprehensive income in the periods in which they occur.

Staff retirement benefits are payable to staff on completion of prescribed qualifying period of service under these schemes.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

6.12 Borrowings / deposits and their costs

Borrowings / deposits are recorded at the proceeds received. Borrowing / deposit costs are recognised as an expense in the period in which these are incurred to the extent that they are not directly attributable to the acquisition of or construction of qualifying assets. Borrowing cost that is directly attributable to the acquisition, construction or production of a qualifying asset (one that takes a substantial period of time to get ready for use or sale) is capitalised as part of the cost of the asset.

6.13 Subordinated loans

Subordinated loans are initially recorded at the amount of proceeds received. Mark-up on subordinated loans is charged to the consolidated profit and loss account over the period on an accrual basis and is recognised separately as part of other liabilities.

6.14 Revenue recognition and other items

- Mark-up income / interest / profits on advances and returns on investments are recognised on a time proportion basis except that mark-up income / interest / returns / profits on non-performing advances and investments are recognised on receipt basis in accordance with the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Interest / returns / mark-up income / profits on rescheduled / restructured advances and investments are recognised as permitted by the State Bank of Pakistan, except where, in the opinion of the management, it would not be prudent to do so.
- Profit on Murabaha and Musawamah transactions are recognised on accrual basis for the period from the date of sale of goods to customer to the date of culmination of Murabaha / Musawamah. However, no profit can be accrued in excess of selling price determined at the time of executing the Murabaha / Musawamah transactions.
- Profit on Istisna / Salam / Tijarah transactions are recognised on accrual basis for the period from the date of sale of goods by the Group's customer to its ultimate buyer to the date of culmination of the transaction.
- Ijarah rentals once due are recognised as income on accrual basis over the corresponding rental period.
- Rental on Diminishing Musharaka financing once due is recognised on accrual basis over the corresponding rental period.
- Profit on Running Musharaka is recognised on accrual basis and is adjusted upon declaration of profit by the customer.
- Financing method is used in accounting for income from lease financing. Under this method, the unearned finance income (excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is taken to income over the term of the lease so as to produce a constant periodic rate of return on the outstanding net investment in lease.
- Unrealised finance income in respect of non-performing lease finance is held in suspense account, where necessary, in accordance with the requirements of the Prudential Regulations issued by the SBP. Gains / losses on termination of lease contracts, documentation charges, front-end fee and other lease income are recognised as income when they are realised.
- Premium or discount on acquisition of debt investments is capitalised and amortised through the consolidated profit and loss account over the remaining period till maturity.
- Dividend income from investments is recognised when the Group's right to receive the dividend is established.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

- Fee, commission on letters of credit / guarantee, other commission and brokerage income is recognised on accrual basis.
- Financial advisory fee is recognised when the right to receive the fee is established.
- Rent and other income is recognised on accrual basis.
- Profits on Bai Muajjal lendings are recognised on straight line basis.

6.15 Proposed dividend and transfer between reserves

Dividends and appropriations to reserves, except appropriations which are required by law, made subsequent to the reporting date are considered as non-adjusting events and are recorded in the consolidated financial statements in accordance with the requirements of International Accounting Standard (IAS) 10, 'Events after the Balance Sheet Date' in the year in which they are approved / transfers are made.

6.16 Foreign currencies

(a) Foreign currency transactions

Transactions in foreign currencies are translated into rupees at the foreign exchange rates prevailing at the transaction date. Monetary assets and liabilities in foreign currencies are expressed in rupee terms at the rates of exchange prevailing at the reporting date. Foreign bills purchased and forward foreign exchange contracts are valued at rates determined with reference to their respective maturities. Forward purchase contracts with the State Bank of Pakistan relating to foreign currency deposits are valued at the spot rate prevailing on the reporting date. The forward cover fee, if any, payable on contracts with the SBP is amortised over the term of the contract.

(b) Translation gains and losses

Translation gains and losses are included in the consolidated profit and loss account.

6.17 Commitments

Commitments for outstanding forward foreign exchange contracts are disclosed in the consolidated financial statements at committed amounts. Commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange prevailing at the reporting date.

6.18 Acceptances

Acceptances comprise undertakings by the Group to pay bills of exchange drawn on customers. The Group expects most acceptances to be simultaneously settled with the reimbursement from the customers. Acceptances are accounted for on the consolidated statement of financial position both as assets and liabilities.

6.19 Financial instruments

Financial assets and financial liabilities

Financial instruments carried on the consolidated statement of financial position include cash and balances with treasury banks, balances with other banks, lendings to financial institutions, investments, advances, certain other

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

assets, bills payable, borrowings, deposits, liabilities against assets subject to finance lease and certain other liabilities. The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with these assets and liabilities.

Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured to fair value using appropriate valuation techniques. All derivative financial instruments are carried as assets when the fair value is positive and the liability when the fair value is negative. Any change in the fair value of derivative financial instruments is taken to the consolidated profit and loss account.

Offsetting

Financial assets and financial liabilities are set off and the net amount is reported in the consolidated financial statements only when the Group has a legally enforceable right to set off and the Group intends to either settle on a net basis, or to realise the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also offset and the net amount is reported in the consolidated financial statements only when permitted by the accounting and reporting standards as applicable in Pakistan.

6.20 Earnings per share

The Group presents basic and diluted earnings per share (EPS) for its shareholders. Basic EPS is calculated by dividing the profit attributable to ordinary shareholders of the Holding Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

6.21 Segment reporting

(iv) Special asset management (SAM)

This includes recoveries from borrowers' accounts which became delinquent or have defaulted in their loan repayment obligations.

(b) Geographical segment

The operations of the Group are currently based only in Pakistan.

6.22 Provision of claims under guarantees

A provision for claim under guarantees is recognised when intimated and reasonable certainty exists that the Group will settle the obligation. The charge to the consolidated profit and loss account is stated net of expected recoveries as the obligation is recognised in other liabilities.

7 BUSINESS COMBINATION

7.1 Acquisition of Faysal Asset Management Limited (FAML)

'During the year, the Holding Company acquired 10,498,000 shares of Faysal Asset Management Limited in November 2018. As a result, the Holding Company now has controlling interest of 99.99% in the paid up capital of FAML. FAML was previously classified as associate in the financial statements of the Group having 30% shareholding in FAML.

The business combination has been accounted for by applying the acquisition method. The cost of the acquisition has been measured at the cash payment made by the parent company against the purchase of shares. Identified assets acquired, liabilities assumed or incurred have been carried at the book value at the acquisition date. The excess of the cost of acquisition over the book value of the Group's shares of the identifiable net assets acquired has been recorded as goodwill in the consolidated financial statements of the Group. The goodwill in the consolidated financial statement is provisional as fair value of the assets and liabilities was not determined as at the end of the reporting period.

7.2 Consideration transferred

Details of the purchase consideration given, book values of the net assets acquired and goodwill are as follows:

	Rupees '000
- Fair value of already held equity interest in associate	135,000
- Consideration paid	314,940

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

14.1 The intangible assets include fully amortised items still in use having cost of Rs 1,809.384 million (2017: Rs 1,221.485 million).

14.2 The intangible asset - Customer relationship comprises of core deposits which were recognised at the time of acquisition of ex-RBS Pakistan. These core deposits represent the funding benefit that would be available to the Bank on account of availability of funding through deposit customers rather than from the wholesale or interbank market. This benefit also considers the fact that the economic life time of these deposits is longer than their contractual life. Based on this assumption, this intangible asset has been valued using certain valuation techniques and is being amortised over the life expectancy of these deposits. As more fully explained in note 14.4 to these consolidated financial statements the SBP allowed the Bank to adjust the amortisation charge arising on this intangible assets against non-distributable capital reserve.

14.3 The remaining amortisation period of these intangibles are ranging from 2 to 11 years.

14.4 Non-distributable Capital Reserve- gain on bargain purchase

As per the directive of the SBP through its letter BPRD (R&P-02)/625-99/2011/3744 dated March 28, 2011, gain arising on bargain purchase of Pakistan operations of Royal Bank of Scotland (ex-RBS Pakistan) was credited directly into equity as Non-Distributable Capital Reserve (NCR). The SBP allowed the Group to adjust the amortisation of intangible assets against the portion of reserve which arose on account of such assets. Accordingly, the Group has adjusted amortisation of intangible assets amounting to Rs. 124.867 million (2017: Rs. 124.867 million) (net of tax) from the Non-distributable Capital Reserve.

23.3 Other contingent liabilities		

23.3.1 Holding Company:

- (i) Suit filed by a customer for recovery of alleged losses suffered which is pending in the High Court of Sindh. The Holding Company's legal advisors are confident that the Holding Company has a strong case
- (ii) Indemnity issued favouring the High Court in one of the cases
- (iii) The Executive Officer, Karachi Cantonment Board (KCB), vide its notice CBR No. 1 dated March 03, 2017 has proposed revised rates for assessment of shops and flats "A" category in which a fresh sub-category "Banks (self-occupied)" has been introduced for the purpose of cantonment tax in the limit of KCB. This has resulted in additional demand of Rs 171 million by KCB which includes demand on reassessment for the years from 2013 to 2017. On the basis of legal grounds agreed in consultation with legal counsel, the Holding Company has filed a suit in the Honorable High Court of Sindh against such levy of tax. A stay order has been granted by the Honorable High Court of Sindh in respect of payment of this additional demand.
- (iv) Income tax assessments of the Holding Company have been finalised upto the tax year 2018 (accounting year 2017).

The department and the Holding Company have disagreements on a matter relating to taxability of gain on bargain purchase on the acquisition of Ex-RBS Pakistan. The additional tax liability on the matter amounts to Rs. 1,154.701 million (2017: Rs. 1,154.701 million). Subsequently, the Commissioner Income Tax Appeals (CIT(A)) has deleted the said additional tax liability, however the Income Tax Department has filed an appeal against the order of CIT(A) in front of Income Tax Appellate Tribunal. The management and tax advisors of the Holding Company are confident that the matter will be decided in the Holding Company's favor and accordingly, no provision has been recorded in these consolidated financial statements in respect of the matter.

Based on legal advice and / or internal assessments, management is confident that the above matters will be decided in the Group's favour and accordingly no provision has been made in these consolidated financial statements.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

- (v) There are certain claims against the Holding Company not acknowledged as debt amounting to Rs 31,579 million (2017: Rs 31,628 million). These mainly represent counter claims filed by the borrowers for restricting the Holding Company from disposal of assets (such as mortgaged / pledged assets kept as security), cases where the Holding Company was proforma defendant for defending its interest in the underlying collateral kept by it at the time of financing, certain cases filed by ex-employees of the Holding Company for damages sustained by them consequent to the termination from the Holding Company's employment and cases for damages towards opportunity losses suffered by customers due to non disbursements of running finance facility as per the agreed terms. The above also includes an amount of Rs 25,299 million (2017: 25,299 million) in respect of a suit filed against the Holding Company for declaration, recovery of monies, release of securities, rendition of account and damages.

Based on legal advice and / or internal assessments, management is confident that the above matters will be decided in the Group's favour and the possibility of any outcome against the Group is remote and accordingly no provision has been made in these consolidated financial statements.

23.3.2 Subsidiary Company:

- (i) The income tax returns of the Subsidiary Company for the tax years 2004 to 2017 (financial year ended June 30, 2004 to 2017) have been filed and are deemed to have been assessed under the Income Tax Ordinance, 2001, unless selected by the taxation authorities for audit purposes. The tax year 2005 (financial year ended June 30, 2005) has been selected by the taxation authorities for audit purpose. The tax authorities have passed an order under section 221 of the Income Tax Ordinance, 2001, whereby they have determined an additional liability of Rs. 0.913 million for the tax year 2005 on account of apportionment of expenses and disallowance of certain expenses. The Subsidiary Company has paid Rs. 0.414 million and has filed an appeal against the order before the Commissioner Appeals, the proceedings of which are underway. The remaining tax liability on these matters is Rs. 0.498 million. The management of the Subsidiary Company is confident that the decision in respect of these matters will be decided in the Subsidiary Company's favour and accordingly no provision for the above has been made in these financial statements in respect of this liability.
- (ii) The income tax department has issued orders and show cause notices under section 221 of the Income Tax Ordinance, 2001 for recovery of Workers Welfare Fund (WWF) aggregating to Rs 0.818 million in respect of tax years 2008 and 2013. The details of orders and show cause along with the management actions are listed below:

Tax years	Order / show cause reference	Status	WWF Demand
			Rupees '000
2008	Order u/s 221 dated June 30, 2014	Appeal pending before the Commissioner Appeals	315
2013	Show cause u/s 221 dated May 7, 2014	Showcause notice has been responded to	503
			818

The management is of the view that WWF was not applicable for tax year 2008. In tax year 2013, subsequent to clarification decision by the SHC, the management has not admitted WWF charge in the annual return of income. The management of the Subsidiary Company is confident that the decision in respect of these matters will be decided in the Subsidiary Company's favour and accordingly no provision for the above has been made in these financial statements in respect of this liability.

- (iii) The Punjab Revenue Authority issued show cause notice No.PRA/AM/61/2205/ dated March 12, 2014 to Faysal Asset Management Limited requiring the Subsidiary Company to obtain registration / enrolment and to pay sales tax amounting to Rs. 6.055 million from July 2013 to March 2014 under the Punjab Sales Tax on Services Act, 2012 with effect from May 22, 2013 on management fee earned in Punjab.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

In respect of this, the Subsidiary Company, jointly with other Asset Management Companies together with their respective collective schemes through their trustees, has filed a petition on July 8, 2014 in the High Court of Sindh challenging the above notice. The Court has ordered suspension of the show cause notice till the next hearing of appeal in their order dated July 10, 2014. The next date of hearing has not yet been decided. The management of the Subsidiary Company is confident that the decision in respect of these matters will be decided in the Subsidiary Company's favour and accordingly no provision for the above has been made in these financial statements in respect of this liability.

23.4 Commitments to extend credits

The Group makes commitments to extend credit (including to related parties) in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn except for Rs 27,080 million (2017: Rs 32,457 million) which are irrevocable in nature.

37 DEFINED BENEFIT PLAN

37.1 General description

Holding Company

The Holding Company and the Subsidiary Company each operate approved funded gratuity schemes for all their permanent employees and employees who are on contractual service in non-management cadre. Last year, the Holding Company has bifurcated the approved funded gratuity scheme into 2 sub-funds that is conventional and Islamic within a single scheme. The benefits under the gratuity schemes are payable on retirement at the age of 60 years or earlier cessation of service in lump sum. The benefits are equal to one month's last drawn basic salary for each year of eligible service or part thereof. The minimum qualifying eligible service for gratuity is 1 year for employees who became members of the Funds before November 12, 2002. In the case of other members of the Funds the minimum qualifying eligible service is 5 years. The minimum qualifying eligible service for contractual employees not employed under the management cadre is 6 months. The latest actuarial valuation of the Bank's defined benefit plan, based on the Projected Unit Credit Actuarial Cost Method, was carried out as at December 31, 2018.

Subsidiary Company

The Company operates an approved funded defined benefit gratuity scheme for all its permanent employees. The latest actuarial valuation of the fund was carried out at June 30, 2018.

These are subject to interest rate risk. Equity securities are subject to price risk which is being regularly monitored by the Trustees of the employee fund.

37.10 Sensitivity analysis of the Holding Company*

The analysis based on a change in an assumption while holding all other assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognised within the consolidated statement of financial position. The increase / (decrease) in the present value of defined benefit obligations as a result of change in each assumption should be summarised as illustrated below:

37.13 Maturity profile

The weighted average duration of the defined benefit obligation is 9.68 years and 10.10 for conventional and Islamic funds of the Holding Company respectively whereas 9.08 for the Subsidiary Company.

37.14 Funding Policy

The policy followed by the Group for funding the staff retirement benefit schemes is disclosed in note 6.11 of these consolidated financial statements.

37.15 The Gratuity scheme exposes the Group to the following risks:

Asset volatility

The Defined Benefit Gratuity Conventional Fund is almost entirely invested in Government Bonds with mostly fixed income bonds and saving accounts. The asset class is volatile with reference to the yield on this class. This risk should be viewed together with change in the bond yield risk. On the other hand, the Islamic Fund does not have investment in any Government Bonds, equity or Corporate Bonds.

Changes in bond yields

There are two dimensions to the changes in Bond yields: first, as described above; second, the valuation of the Gratuity Liability is discounted with reference to these bond yields. So any increase in Bond yields will lower the Gratuity Liability and vice versa, but, it will also lower the Asset values.

Inflation risk

The salary inflation is the major risk that the gratuity fund liability carries. In a general economic sense and in a longer view, there is a case that if bond yields increase, the change in salary inflation generally offsets the gains from the decrease in discounted gratuity liability. But viewed with the fact that asset values will also decrease, the salary inflation does, as an overall affect, increase the net liability of the Group.

Life expectancy / Withdrawal rate

The Gratuity is paid off at the maximum age of 60. The Life expectancy is in almost minimal range and is quite predictable in the ages when the employee is in the accredited employment of the Group for the purpose of the Gratuity. Thus, the risk of life expectancy is almost negligible. However, had a post- retirement benefit been given by the Group like monthly pension, post-retirement medical etc., this would have been a significant risk which would have been quite difficult to value even by using advance mortality improvement models.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

The withdrawal risk is dependent upon the: benefit structure; age and retention profile of the staff; the valuation methodology; and long-term valuation assumptions. In this case, it is not a significant risk.

Other risks

Though, not imminent and observable, over long term there are some risks that may crystallize. This includes:

- Retention risk – The risk that employee will not be motivated to continue the service or start working with the Group if no market comparable retirement benefit is provided.
- Final Salary Risk – The risk, for defined benefit gratuity, that any disproportionate salary merit increases in later service years will give rise to multiplicative increase in the gratuity liability as such increase is applicable to all the past years of service.
- Model Risk – The defined benefit gratuity liability is usually actuarially valued each year. Further, the assets in the Gratuity Fund are also marked to market. This two-tier valuation gives rise to the model risk.
- Operational Risk related to a separate entity - Retirement benefits are funded through a separate trust fund which is a different legal entity than the Group. Generally, the protocols, processes and conventions used throughout the Group are not applicable or are not actively applied to the retirement benefit funds. This gives rise to some specific operational risks.
- Compliance Risk – The risk that retirement benefits offered by the Group does not comply with minimum statutory requirements.
- Legal / Political Risk – The risk that the legal / political environment changes and the Group is required to offer additional or different retirement benefits than what the Group projected.

38 DEFINED CONTRIBUTION PLAN

The Group operates an approved funded contributory provident fund for all its permanent employees to which equal monthly contributions are made both by the Bank and the employees at the rate of 10% of the basic salary. The financial statements of the fund are separately prepared and are not included as part of these consolidated financial statements.

40 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

40.1 Fair value of financial assets

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

There were no transfers between levels 1 and 2 during the year.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Valuation techniques used in determination of fair values within level 2

Item	Valuation approach and input used
Pakistan Investment Bonds / Market Treasury Bills	Fair values of Pakistan Investment Bonds and Treasury Bills are derived using the PKRV rates.
Ijara Sukuk	Fair values of GoP Ijarah Sukuk are derived using the PKISRV rates announced by the Financial Market Association (FMA) through Reuters. These rates denote an average of quotes received from different pre-defined / approved dealers / brokers.
Unlisted ordinary shares	Break-up value determined on the basis of the NAV of a company using the latest available audited financial statements.
Term Finance Certificates (TFCs) and Sukuk Certificates	Fair values of TFCs and Sukuk certificates are determined using the MUFAP rates.
Forward foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivative instruments	The Bank enters into derivative contracts with various counterparties. Derivatives that are valued using valuation techniques with market observable inputs are mainly interest rate swaps, cross currency swaps and forward foreign exchange contracts. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations.

Valuation techniques used in determination of fair values within level 3

Item	Valuation approach and input used
Fixed assets (land and building)	Land and buildings are revalued by professionally qualified valuers as per the accounting policy disclosed in note 6.6.
Non-banking assets acquired in satisfaction of claims	NBAs are valued by professionally qualified valuers as per the accounting policy disclosed in note 6.9.

The valuations, mentioned above, are conducted by the valuation experts appointed by the Group which are also on the panel of the State Bank of Pakistan. The valuation experts use a market based approach to arrive at the fair value of the Bank's properties. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a quantitative disclosure of sensitivity has not been presented in these consolidated financial statements.

Capital adequacy is regularly monitored by the Bank's management, employing techniques based on the guidelines developed by the Basel Committee, as per the requirements of the SBP. The required information is submitted to the SBP on a quarterly basis.

As at December 31, 2018 the SBP requires each Bank or Banking group to: (a) hold the minimum level of the paid-up capital of Rs 10 billion; (b) maintain a ratio of total regulatory capital to the risk-weighted assets at or above the required minimum level of 10% and (c) maintain Common Equity Tier I (CET1) ratio and Tier 1 ratio of 6% and 7.5% respectively.

With effect from December 31, 2018 an additional Capital Conservation Buffer of 1.9% (to be met from CET1) has to be maintained over and above the minimum required level.

The paid-up capital of the Holding Company for the year ended December 31, 2018 stood at Rs 15.176 billion (2017: Rs13.197 billion). As at December 31, 2018 Bank's consolidated CAR stood at 16.72% whereas CET1 and Tier 1 ratios both stood at 14.72%.

The Bank is also in compliance with the CCB requirements.

45 RISK MANAGEMENT

Risk Management Group (RMG) has been organised under the Chief Risk Officer (CRO). It has been authorised by the Board of Directors (BoD) to monitor the implementation of various risk policies via implementation of an integrated risk management framework across the Group. As an ongoing exercise to integrate risk related functions, RMG has been expanded, strengthened and entrusted to monitor the risk areas across the organisation, including adoption and convergence towards regulatory and Basel guidelines on risk management.

The primary objective of this architecture is to inculcate risk management into the organization flows to ensure that risks are timely and accurately identified and assessed, properly documented, approved and adequately monitored and managed in order to ensure that risk taking activities are in line with the guidelines approved by the BoD and to protect the interests of the Group's depositors and shareholders.

The "Risk Management Framework" at the Group encompasses:

- Scope of risks to be managed;
- Process, systems and procedures to manage risk; and
- Roles and responsibilities of individuals involved in risk management.

The Group has adopted an approach that gives an integrated view of the risks faced by the organisation. This calls for aligning strategic vision, policy objectives and business processes / procedures within the risk management framework. The management of risk is integrated with the Group's management of capital and strategy. This ensures that risks taken in pursuit of the Group's strategic objectives are consistent with the policies, translating into targeted shareholder return as well as the Group's desired credit rating and risk appetite.

With this in view, the risk management framework endeavours to be a comprehensive and evolving guidelines to cater to changing business dynamics. The risk management framework includes:

- Clearly defined risk management policies;
- Well constituted organisational structure; and
- Mechanism for ongoing review of credit policies and procedures and risk exposures.

The "Risk Management Framework" is built on the following elements:

- Comprehensive risk governance; and
- Effective risk processes.

The Group has developed and implemented a governance and management structure, processes surrounding each risk area, including credit risk, market risk, liquidity risk, capital management, operational risk, environmental risk and information security risk.

The essential components which contribute in effective management of all these risks are as follows:

- Active board / senior management strategic direction and centralised RMG oversight;
- Sufficient policies, procedures and limits;
- Adequate risk measurement, monitoring and management information systems; and
- Comprehensive internal controls.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

The Board of Directors (BoD) monitoring and oversight is facilitated through the Board Risk Management Committee (BRMC), comprising of directors including the President & CEO. It is appointed and authorised by the BoD to assist in the design, regular evaluation and timely updation of the risk management framework. The BRMC has further authorised management committees such as Country Credit Committee (CCC), Agriculture Credit Committee (ACC), Enterprise Risk Management Committee (ERMC) and Assets and Liabilities Committee (ALCO) to supervise risk management activities within their respective areas.

In order to have an effective and efficient risk assessment, and to closely align its functions with Business, RMG has separate risk management functions for credit risk management, based on the specialised skill sets and required specific experience in various business segments. These functions comprise of corporate risk, CBSME, agri and retail risk management.

The common responsibilities of all credit risk management functions include:

- Conduct a thorough and independent due diligence of the proposed / existing exposures in the respective risk portfolios.
- Work with Compliance to ensure conformity to the relevant Government regulations, SBP PRs as well as internal policies.
- Work with relationship teams to structure exposures such that they mitigate key risks, cater to customer requirements, remain economical in terms of risk weighted assets / capital allocation to ensure adequate risk coverage.

The risk management architecture is further fostered by enterprise risk management, credit administration, risk policy and portfolio management and information security functions.

- The enterprise risk management function is responsible for managing and controlling market, operational and liquidity risks at an enterprise level and monitoring regulatory capital requirements of the Group.
- Credit administration department looks after the security, loan documentation, disbursement and post disbursement monitoring aspects of the credit portfolio.
- Risk policy and analytics department serves as an independent check in risk management function. It performs periodic review of all credit related portfolios (corporate, CBSME, retail, agri, SAM) and analyses portfolio compositions, risk rating distributions, emerging trends of NPLs, renewal status of RAs as per policy and other policy related matters. It also formulates / updates credit policies (along with various limits prescribed therein) in line with regulatory environment, business strategy, the BoD approvals and the best practices.
- The information security risk function is responsible for information security risk identification, monitoring and reporting.

45.1 Credit Risk

Credit risk is the identification of probability that a counterparty will cause a financial loss to the Group due to its inability or unwillingness to meet its contractual obligation. This credit risk arises mainly from both direct lending activities as well as contingent liabilities.

The Group's credit risk philosophy is based on the Group's overall business strategy / direction as established by the Board. The Group is committed to the appropriate level of due diligence to ensure that credit risks have been properly analysed, fully disclosed to the approving authorities and appropriately rated, appropriately structured, appropriately priced and documented.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

The Group deals with many different types of borrowers and borrowing structures across the corporate, commercial, SME and Retail segments. The Group manages customer credit risk exposures within appropriate limits to ensure that it does not provide a disproportionate level of credit to a single customer or group of connected clients. The Group follows aggregation principles – summing of credit risk limits to the same customer, or group of connected clients – to identify and manage effectively all significant credit risk exposures to a single customer within an individual business and, where appropriate, across other business segments.

The Group has well-defined credit approval and review processes under which senior officers with the requisite credit background, critically scrutinise, advise & discuss associated risks and recommend / review / approve credit facilities and financing, through respective credit committees. Besides financial, industry and transaction analysis, in order to quantify risks of counterparty, the credit evaluation also includes risk rating system to evaluate risk rating of the customers which is then monitored on a portfolio basis to gauge the Group's credit portfolio quality. To avoid risk concentration, counterparty limits, counterparty group limits and industry concentration limits are also established, monitored and assessed in the light of changing counterparty and market conditions.

With a view to develop and effectively manage a diversified credit portfolio within each business segment (as an integral part of the credit risk management process), the Group has adopted the concept of an industry / sector-wise exposure concentration grid which dictates target market exposures.

As part of the Group's portfolio strategy and planning activity, these industry concentration limits are continually overseen by the management against the Group's approved exposures in these sectors and reviewed by the Board Risk Management Committee (BRMC) in its meetings with an aim to monitor the overall risk and to avoid high exposure to a single group or industry.

45.1.1 Segment by class of business

Credit Risk Management (CRM) Framework (non-retail / non-individual portfolio) covers three business segments: Corporate Risk Management, Commercial Banking and SME (including agri) Risk Management and Retail Risk Management. Based on overall guidance provided by a recognised and established external consultant, in line with the global best practices while ensuring regulatory compliance and alleviation of any (perceived) conflict of interest, credit management process has been segregated into two distinct categories:

- Independent risk advice by risk management function.
- Credit approvals by credit committee(s), while taking into consideration the business unit recommendations / approvals and independent risk advice.

With this segregation, the role of risk management function in credit approval process is focused to provide risk advice only, based on key risk parameters; whereas relevant credit committees are responsible for providing credit related approvals.

The common responsibilities of corporate risk management and commercial banking and SME (including agri) risk management include:

- Conduct a thorough and an independent due diligence of the proposed / existing exposures in the respective risk portfolios.
- Work with relationship teams to advise on structure of exposures such that they mitigate key risks, cater to customer requirements, remain economical in terms of risk weighted assets / capital allocation to ensure risk coverage.
- Work with the independent credit risk review team (under Internal Audit) for effective and periodic review of the credit portfolio.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

Retail risk management is responsible for managing the credit risk of consumer finance credit products, with credit facilities extended to individual (non-corporate) customers. The consumer finance / retail finance function operates on a program approach, which are approved by the Country Credit Committee and subsequently by the BoD. The retail risk management provides its input on risk parameters in term of 'risk advice', at the time of approval / changes in product programs. The retail risk management also ensures that all the ongoing individual credit approvals are within pre-defined risk parameters as per the approved product programs.

45.1.2 Credit Risk: General disclosures Basel II specific

The Group has adopted the Standardised Approach under Basel. According to the regulatory statement submitted under the Standardised approach, the portfolio has been divided into claims on public sector entities in Pakistan (PSEs), claims on corporate (excluding equity exposure) and claims categorised as retail portfolio. Claims on corporate constitute 64.94% of the total risk weighted assets, 3.36% represents claims on PSEs and 15.87% exposure pertains to claims categorised as retail portfolio.

45.1.3 Credit Risk: Disclosures for portfolio subject to Standardised Approach

For domestic claims, External Credit Assessment Institutions (ECAIs) recommended by the SBP, namely Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS Credit Rating Company Limited (JCR-VIS) are used. For claims on foreign entities, ratings assigned by Standard and Poor, Fitch and Moody's are used. Exposures not rated by any of the aforementioned rating agencies are categorised as unrated.

45.2 Market Risk

It is the risk that the value of on-balance sheet and off-balance sheet positions of the Group will be adversely affected by movements in market rates or prices such as interest rates, equity prices and / or commodity prices resulting in a loss to earnings and capital. Market risks arise generally from trading activities, open foreign currency positions, holding common equity and other products. All such instruments and transactions are exposed to general and specific market movements.

The Group seeks to mitigate market risk by employing strategies that correlate price, rate and spread movements of its earning assets, liabilities and trading activities. Treasury front office, market risk management and treasury middle office perform market risk management activities within the Group. The Group has Enterprise Risk Management Committee which is responsible for recommending market risk policies and strategies for the Board approval and its subsequent implementation and review.

45.2.2 Foreign Exchange Risk

Foreign exchange risk / currency risk is the current or prospective risk to earnings and capital arising from adverse movements in currency exchange rates. It refers to the impact of adverse movements in currency exchange rates on the value of open foreign currency positions. Changes in currency rates affect the value of assets and liabilities denominated in foreign currencies and may affect revenues from foreign exchange dealing.

The Group undertakes currency risk mostly to support its trade services and maintains overall foreign exchange risk position to the extent of statutory Foreign Exchange Exposure Limit (FEEL) prescribed by the SBP.

Exposure limits such as counterparty, gap, net open position, dealer and bucket-wise currency delta limits are in place in accordance with the Group's approved policies in order to manage associated risk and concentration at the acceptable tolerance levels.

45.2.3 Equity position Risk

Equity position risk is the risk arising from unfavourable fluctuations in prices of shares in which the Group carries long / short positions. It is a risk to earnings or capital that results from adverse changes in the value of equity related portfolios of the Group. Price risk associated with equities could be systematic or unsystematic. Systematic risk is due to sensitivity of portfolio's value to changes in overall level of equity prices, while unsystematic risk is associated with price volatility that is determined by the specific characteristics of the investee company.

The Group's equity position is governed by position limits imposed by the State Bank of Pakistan for overall investment and per scrip exposure. Additionally, there are internal limits set to manage overall earnings in the form of stop loss limits and maintain a diverse portfolio through sector concentration limits.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

Yield curve risk is the risk that a financial instrument will suffer either a decline in income or capital because future changes in prevailing interest rates impact assets more or less than they impact liabilities.

The interest rate risk of the Group arises when there is a mismatch between contractual maturities, which are subject to interest rate adjustment within a specified period or re-pricing of on and off-balance sheet assets and liabilities. Risk is addressed by Asset and Liability Management Committee that reviews the interest rate dynamics at regular intervals and decides re-pricing of assets and liabilities to ensure that the spread of the Group remains at an acceptable level.

Major sources of Interest rate risk are;

- i) differences between the timing of rate changes and the timing of cash flows (re-pricing risk);
- ii) changing rate relationships among different yield curves affecting Group's activities (basis risk);
- iii) changing rate relationships across the range of maturities (yield curve risk);
- iv) interest-related options embedded in Group's products (options risk); and
- v) changes in marked-to-market value of financial instruments which occur when interest rate changes (price risk).

45.3 Operational Risk

Operational risk is the risk of direct or indirect losses resulting from inadequate or failed internal processes or systems, human factors or from external events. The Group's businesses are dependent on the ability to process a large number of transactions efficiently and accurately. Operational risks and losses originate from business / operational process failure, IT security failure, natural disasters, dependence on key suppliers, fraud, service quality compromises, regulatory non-compliance, loss of key staff and social and environmental impacts.

The operational risk management function is primarily responsible for the oversight of operational risk management across the Group. The operational risk management framework of the Group is governed by the operational risk management policy and procedures, while the implementation is supported by an operational risk management system and designated operational risk coordinators within different units across the Group. The framework is in line with international best practices, flexible enough to implement in stages and permits the overall approach to evolve in response to organisational learning and future requirements.

The Group has implemented an effective operational risk management framework for managing operational risk. Each department has processes and system controls in place to address operational risks within their area. Operational loss data is collected through a well defined program implemented across the Group. Periodic workshops are conducted for risk and control self assessment and key risk exposures are identified and assessed against existing controls to evaluate improvement opportunities. Key risk indicators are also defined for monitoring of risk exposures. New products, systems, activities and processes, are subject to comprehensive operational risk assessments, before implementation. Regular updates on operational risk status is presented to Enterprise Risk Management Committee (ERMC) and the Board of Directors through the Board Risk Management Committee (BRMC).

Operational Risk-Disclosures Basel II Specific

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events.

The Group is currently using basic indicator approach for calculating operational risk capital charge.

Under basic indicator approach the capital charge for operational risk is a fixed percentage (denoted alpha) of average positive annual gross income of the Group over the past three years. Figures for any year in which annual gross income is negative or zero, should be excluded from both the numerator and denominator when calculating the average.

45.4 Liquidity Risk

Liquidity risk is the risk that the Group will be unable to meet its payment obligations associated with its financial liabilities when they fall due and to replenish funds when they are withdrawn.

Liquidity risk management framework is governed by the liquidity risk management policy. The policy provides specific directives for measuring and managing liquidity risk identifies responsible personnel; and defines their respective roles and responsibilities relating to liquidity risk management.

Management of liquidity risk is accomplished through a formal structure which includes:

- Board of Directors (BoD)
- Board Risk Management Committee (BRMC)
- Asset and Liability Committee (ALCO)
- Enterprise Risk Management Committee (ERMC)
- Treasury
- Risk management (enterprise risk management)
- Finance

The BoD approves the liquidity risk management policy including risk limits and ensures, through quarterly reviews by the BRMC, that the Group's liquidity risk is being managed prudently. The BRMC plays a strategic role in liquidity risk management by overseeing the liquidity risk profile of the Group. ERMC defines the risk tolerance levels and setting risk limits for effective liquidity risk management. ALCO ensures adherence with policy requirements and risk limits so that the Group remains sufficiently liquid at all times.

The market and liquidity risk under enterprise risk management function overseas liquidity risk. The Group's Asset and Liability Committee manages the liquidity position on a continuous basis. The Group's liquidity risk management process, as carried out within the Group and monitored by the management, includes:

The Group ensures to maintain a diversified portfolio of liquid assets and funding base. Sources of funding comprise of a good mix of core deposits. Concentration in deposit, especially large volume deposits, is closely monitored to anticipate any potential liquidity issues in case of their withdrawals.

Various tools and techniques are used to measure and monitor the possible liquidity risk. These include monitoring of different liquidity ratios like liquid assets to liquid liabilities, liquid assets to total deposits, large volume deposits to total deposits, advances to deposit, liquid assets to volatile funding; on regular basis against defined limits. Further, liquidity gaps over different time bands, are also monitored through maturity profiling of assets and liabilities. The Group also ensures that statutory cash and liquidity requirements are maintained at all times. In addition, the Group has also implemented the SBP's Basel III Liquidity Standards for ensuring compliance with the requirements of LCR, NSFR and other Monitoring Tools.

The Group performs liquidity stress testing on periodic basis in order to ensure sufficient liquidity is always available to meet financial obligations / commitments. Stress testing aims to quantify the potential impact of extreme yet plausible events or movements on the value of portfolio. Shocks include withdrawal of deposits, withdrawal of wholesale / large deposits, withdrawal of top deposits etc. The results of liquidity stress testing are shared with relevant authorities / committees, on periodic basis.

Contingency Funding Plan (CFP) is a part of liquidity risk management policy of the Group. CFP provides a set of several early warning indicators of a possible liquidity shortfall situation; describes the actions to be taken to manage it and identifies the roles and responsibilities of ALCO, CFP team or other relevant authorities.

45.4.2 Maturities of assets and liabilities - based on expected maturities of the assets and liabilities of the Group

In line with the SBP BSD Circular Letter No. 02 and 03 of 2011 on "Maturity and Interest Rate Sensitivity Gap Reporting", deposit withdrawal pattern analysis on Current and Saving Accounts (CASA) is conducted on ten years weekly data. The outliers (seasonal variations) are adjusted from data using fourth spread statistical methodology. The moving average methodology is used to estimated deposits withdrawal pattern of both current and saving deposits. This methodology is in line with industry best practices and regulatory guidelines.

Derivative Risk Management

The Group's derivatives risk management is performed under market risk management which is an independent unit reporting to the Chief Risk Officer. The risk management policies are governed by the regulatory and internal guidelines. Risk management department of the Group reviews credit risk, market risk and other risks associated with the derivative transactions or related area of the activity and assigns limits within which the transactions / area of activity can be carried out. Adherence to these limits is ensured through independent monitoring and control functions.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

There are a number of risks undertaken by the Group, which need to be monitored and assessed. The management of risks includes the following primary components:

- Comprehensive risk measurement approach;
- Detailed structure of limits, guidelines and other parameters used to govern risk taking; and
- Strong management information system for controlling, monitoring and reporting risks.

Major risks associated with the derivative instruments are market risk, credit risk and liquidity risk. The Group uses SunGard-Sierra to measure and manage these risks which provides end-to-end capability with respect to transaction life cycle.

Market risk

The risk that the value of a derivative contract will be adversely affected by movements in equity prices, interest rates, currency exchange rates and commodity prices. The authority for approving policies, limits and periodic reviews rest with the Board of Directors. The critical measures used to manage market risks are Interest Rate Delta and Currency Delta Basis. These measures involve extreme shifts in a variety of parameters, such as FX rates, interest rates, equity prices, implied volatility levels and combinations of the above. These measures are calculated through the relevant systems.

Credit risk

The risk that a party to a derivative contract will fail to perform its obligation. There is a settlement risk associated with the derivative transactions. Settlement risk is monitored on a daily basis. Risk management department of the Bank sets the policies and limits for counterparty risk based on a pre-defined criteria linked with the internal risk rating of the customer.

Liquidity risk

Liquidity risk is managed as part of the overall liquidity risk of the Group. The risk management policies related to liquidity risk are explained in note 45.4 to these consolidated financial statements.

46 DATE OF AUTHORISATION FOR ISSUE

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

48 EVENTS AFTER THE REPORTING DATE

The Board of Directors in its meeting held on February 21, 2019 has proposed a stock dividend of Nil% amounting to Rs Nil (2017: 15% stock dividend amounting to Rs 1,979.604 million).

Finance Supplementary (Second Amendment) Bill, 2019 laid down before the National Assembly of Pakistan on January 23, 2019, amended the rate of super tax noted in the earlier Finance Act 2018 and prescribed a flat rate of 4% super tax for all accounting years from 2017 to 2020.

Since the above change in tax rates has been announced after the reporting date, it has been treated as non adjusting event under IAS 10, 'Events after the reporting period' and no financial impact has been taken in these current year's consolidated financial statements.

9 Pool management

The Group's Islamic Banking Division (FBL IBD) has maintained the following pools:

- 'General Pool' for local and foreign currency deposits;
- 'Islamic Export Refinance Pool';
- 'Treasury Musharaka Pool';
- FBL 'Islamic Investment Pool';
- FBL 'Islamic Equity Pool'; and
- Haj Musharaka Pool

ANNEXURE II TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

Key features and risk & reward characteristics of all pools

- The 'General Pool' for both local and foreign currency is catered for all Group Islamic depositors and provide profit / loss based on Modaraba and Musharika.
- The IERS Pool caters the 'Islamic Export Refinance' requirements based on the guidelines issued by the SBP.
- The 'Treasury Musharaka Pool' is to provide Shari'ah compliant mechanism for Interbank Money Market transactions and manage the liquidity position of Group IBD balance sheet by creating individual pools against each Group Islamic money market deals.
- The Group Islamic investment pools are created to cater the needs of high net worth clients
- The Group Islamic equity pool is created to mainly cater the funding requirement of project/long term financing assets during non accrual period.
- The Haj Musharaka pool is created to give returns to Ministry of religious affairs deposits.
- The risk characteristics of each pool mainly depends on the asset and liability profile of each pool.

9.1 Profit / (loss) distribution to depositor's pool

Parameters used for allocation of profit, charging expenses and provisions etc. along with a brief description of their major components:

Gross income generated from relevant assets, calculated at the end of the month is first divided between Group Islamic and investors / depositors in the ratio of Group Islamic equity commingled in a pool on pro rata basis, and then amongst Group Islamic and the depositors after charging mudarib fee (pre-agreed) and as per the weightages declared before start of a month, respectively. All Modaraba and Musharika based deposits are fully invested in respective Pools to produce returns for them. In case where Group Islamic is unable to utilise all funds available for investment, priority is given to the deposit account holders.

All remunerative accounts such as saving account, term deposits, business kamil accounts are opened on the basis of Modaraba, Musharaka, Wakalah or a combination of Modaraba and Musharaka. The return on these deposits is calculated on the basis of Profit and Loss sharing (PLS). Unless specified, all remunerative local currency and foreign currency deposits are taken as General Modaraba and Musharaka pool.

Profit share is determined using weight and profit sharing ratio assigned to each category of deposit within a pool. These weightages and profit sharing ratios are declared by Group Islamic in compliance with the requirements of the SBP.

The allocation (of income and expenses to different pools) is based on pre-defined basis and accounting principles / standards. The direct expenses are charged to respective pool. The indirect expenses including the establishment cost are borne by Group Islamic as Mudarib. The direct expenses charged to the pool include depreciation of Ijara assets, cost of sales of inventories, insurance / takaful expenses of pool assets, stamp fee, documentation charges, brokerage fee for the purchase of securities / commodities, impairment / losses due to physical damages to specific assets in pools etc. Provisions against any non-performing assets of the pool are not passed on to the pool except on the actual loss / write-off of such non-performing asset and suspension of income against non-performing assets. The profit of the pool is shared between the members of the pool on pre-defined mechanism based on the weightages announced before the profit calculation period.

Consumer Grievances Handling Mechanism

Following is the Bank's consumer grievances handling mechanism chart.

Consumer Grievances Handling Mechanism

- Customer makes a complaint against the Bank via call centre, branch, email, website etc. and the same is lodged in the system.
- All the customer complaints are acknowledged to the customer as per the requirement.
- Initial investigation of the complaint is being conducted by the Complaint Management Unit (CMU) of the Bank, the same is then forwarded to the relevant department for feedback.
- In case resolution / closure of a complaint requires more time, complainant is informed through an interim reply.
- Resolution of the complaint is given to the customer post completion of investigation.
- In such cases where complaint is declined by the Bank, complainant is being encouraged via resolution letter to contact other alternate grievance redressal forum which is Banking Mohtasab Pakistan.

Below is the key initiative taken by the Complaints Management Unit Department in the Year 2018.

FBL is one of the few banks which has been granted the ISO 10002 Certification whereby FBL's Complaint Management Unit is recognized as an entity which ensures that complaints are acknowledged, Interims are performed, and Resolutions are communicated to customers as part of Bank's SOP. This certification is a reflection of excellence which means that Bank has been committed to deliver an effective and transparent complaints handling mechanism for its customers which is one of the critical element in enhanced customer experience.

Considering the commendable efforts of the unit, it is worth mentioning here that total numbers of complaints received by the Bank in the year 2018 were 84,880 and the average time taken to resolve them was 5 working days.

Code of Conduct

Introduction

Faysal Bank's reputation is a priceless asset that each of us is responsible for maintaining. Our organizational reputation determines employee loyalty and how we feel about coming to work.

The Code of Conduct is designed to guide the personal business ethics to all of us. It applies to every employee of Faysal Bank Limited (FBL). In addition, other persons performing services for the Bank may be subject to the Code by Contract or Agreement. Employees are expected to read this document promptly upon receiving it. Please read and understand the Bank's policies that relate to sections of this Code.

In addition to the guidelines included in the Code, compliance with the requirements of all applicable laws and regulations governing banks must be adhered to.

Adherence to the Bank's Code of Conduct is a condition of employment. All employees are required to comply with the Code, and no waivers from its coverage may be granted.

Ideology Of Pakistan

No employee shall express views detrimental to the ideology or integrity of the Islamic Republic of Pakistan.

Employees Identity Card

The Bank's employee card gives you a unique identity as a teammate of Faysal Bank Limited. It is compulsory that employees wear the card for identification and security reasons.

Health, Safety & Hygiene

Faysal Bank is committed to providing a working environment that is both safe and fit for conducting ideal banking business and ensures that health and safety issues are a priority for all banking operations. Employees shall adhere to applicable health and safety rules and cooperate with the Management to ensure compliance of health and safety legal requirements. Reporting must be made without delay if any potential health / security hazard is seen.

Smoking and chewing betel leaf (paan) are strictly prohibited in all the offices of the Bank and at the customer's premises. Customers may politely be informed of this regulation which has been introduced in the interest of public health as well as keeping the work place neat and clean.

Professional Attire

Employees are required to follow the dress code that is appropriate for the office and customer interaction, as appended below:

Dress Code for Gents

Male employees shall wear a suit or dress trousers, dress shirt, suit jacket (obligatory for VP and above, optional for the rest), necktie and dress shoes during all workdays. Shalwar kameez with formal waistcoat or Sherwani is also allowed. Employees facing customers in branches open on Saturdays shall also follow this code from Monday through Saturday.

Staff with no customer dealing may come on working Saturdays in smart casuals. Jeans, collarless / sleeveless T-shirts, Shalwar kameez without Waistcoat / Sherwani, are strictly not allowed.

The above dress code also applies to all internees.

Dress Code for Ladies

Female employees should dress elegantly with cultural norms i.e., Shalwar kameez, Kurta suit, or any modest dressing (loose-fitting dress codes) with shoes or formal flat heels. All the female staff in Islamic Banking Group i.e., Head Office and Islamic Branches (existing and new) are required to wear Hijab (a scarf covering the entire head and hair, and a gown without being ostentatious covering hands up to wrists till toes) while on duty, training and clients' visits, as required by Islamic injunction. Adherence of this dress code is mandatory and shall be communicated in interview sessions with new candidates. The staff is expected to show discretion in their selection of makeup and jewelry.

The above dress code also applies to all internees.

Business Ethics and Compliance with Law

Employees are expected to protect and enhance the assets and reputation of Faysal Bank Limited.

Our business is based on a strong tradition of trust. It is the reason our customers come to us. Honesty and integrity are cornerstones of ethical behavior. Trustworthiness and dependability are essential to lasting relationships. Our continued success depends on doing what we promise - promptly, competently and fairly.

In our rapidly evolving businesses, each of us is challenged by a complex environment. This often requires fast responses under pressure. No written policy can definitively set forth the appropriate action for all business situations.

Accordingly, rather than a set of specific rules, this Code emphasizes a standard of ethical conduct that must permeate all of our business dealings and relationships. Individual businesses may issue additional policies that provide more specific guidance about certain practices related to that business. Employees should speak with their supervisor for more information about any of those policies that pertain to them. Employees also should pay careful attention to compliance training programs to help them apply the Code in their daily activities.

Employees must discharge their duty in accordance with the Bank's rules and regulations, Islamic Banking practices, internal SOPs, customs and standing instructions, usage and practices pertaining to the Bank's operation, in addition to all applicable laws & regulations imposed by regulatory authorities, along with the Code. Faysal Bank's Threshold and Differentiator Values are governed by Shariah, and the Bank expects its employees to be committed to the cause of Islamic Banking.

Faysal Bank's Threshold and Differentiator Values are governed by Shariah, and the Bank expects its employees to be committed to the cause of Islamic Banking

The Code of Conduct provides guidelines for a variety of business situations. It does not try to anticipate every ethical dilemma employee may face. Faysal Bank, therefore, relies on employee's good judgment.

Employees should consult the Legal Counsel whenever they have a question about the legality of a course of action.

Employees must also exercise the utmost care to ensure that all statements you make, especially those made to the government bodies that regulate our businesses (or with which we do business), are accurate. If employees are in doubt about any situation or behavior, they should speak to their Manager, Compliance or Human Resources representative.

Managers, by virtue of their positions of authority, must be ethical role models for all employees.

An important part of a manager's responsibility is to exhibit the highest standards of integrity in all dealings with fellow employees, customers, suppliers and the community at large. An equally important responsibility is to obtain employees' commitment and develop their ability to make sound ethical judgments. Managers must communicate the seriousness of the Bank's expectations for ethical conduct and their own personal support of these expectations. Ethical manager ship includes both fostering a work environment that encourages employees to voice concerns or otherwise seek assistance if faced with potentially compromising situations, and supporting those who speak out. Managers must be alert to any situations and / or actions that may be unethical or potentially damaging to the Company's reputation and to respond appropriately. Managers must avoid giving even implicit approval of such situations and actions. For example, Managers must ensure that financial reports and product and service claims are honest and complete.

Treatment of Team Members & Colleagues

Employees are expected to treat colleagues, employees and others, with whom they interact, with professionalism, respect and dignity.

Treating all employees with respect and dignity is an FBL Value that applies to everyone. Employees working in any department shall speak in such low volume and pitch that the colleague sitting at the adjoining desk should not be disturbed. Talking to colleagues across desks is not encouraged at all, and intercom facility can be utilized for this purpose. This is particularly important for managers who influence the work environment of their areas on a daily basis. Managers must remember that they are role models for their employees and that these employees are likely to treat their colleagues, including employees whom they manage, and others, as they themselves are treated.

The Bank expects Managers to seek out the ideas of subordinates and to involve them in decisions whenever appropriate. At the same time, once a decision is made, everyone involved is expected to pull together and support it.

In addition, Managers must respect and maintain the confidentiality of information they learn about their employees and colleagues (e.g., salaries, performance reviews, disabilities or leaves of absence). Managers must not share this information with anyone either inside or outside their department, except as is necessary to perform their job.

Dealing & Communication with Regulators

All communications with regulators must be handled through the appropriate level / department / function. Where communication with the regulator is part of an employee's job description (e.g. dealing with the regulators for filing regular financial returns which is the responsibility of the respective department sending the regular returns). In these cases, Compliance is only involved if there is a potential breach of regulations. Guidelines of SBP issued in this regard shall be strictly followed. A copy of all non-routine correspondence with the regulators must be provided to the Compliance Function.

Meetings with Regulators

Any visits to regulators by employees or Senior Management must be notified to and if required may be coordinated by the Compliance Function.

Reporting to Regulators

Information provided to regulators by FBL must:

- a) Be accurate;
- b) Not omit any information that might result in the information provided being misleading;
- c) Be provided only after all reasonable enquiries are made to ascertain the accuracy and completeness of the information;
- d) Be reviewed by Head of the Department / Function.

Inspection by Regulators

FBL to enable regulators to inspect its activities. FBL must maintain all records in a form capable of being checked or audited. Employees must ensure that they do not amend, destroy, erase or make further entries to any record or file which is, or may be, relevant to a matter being inspected or investigated by a regulator or to any disciplinary process or appeal process. Employees must cooperate with any inspection carried out by the regulator to the fullest possible degree. Compliance may coordinate inspections but employees must:

- a) Make themselves readily available to the inspection team;
- b) On receipt of a proper request by the regulator, produce to the inspection team any documents, files, and computer data and other material in their possession or control;
- c) Give the inspection team access, at all times, to FBL's premises and reasonable facilities; to the extent that they are properly requested by the regulator, permit the inspection team to copy any documents or other material in FBL's premises or elsewhere at FBL's expense and to remove copies and hold them elsewhere;
- d) Answer truthfully and fully all questions put to them by the inspection team. Failure to comply with a request by regulators to produce records and documents, give regulators access to the premises, staff or records of FBL for the purposes of supervision or inspection or to provide information relating to a transaction is an offence for which FBL and Senior Management may be punished by fine or imprisonment. Directors, officers or employees of FBL must comply with any fines, prohibitions, requirements, sanctions, penalties, orders and decisions of any regulator.

Dealing & Communication with Customers

Employees must ensure that all communications with customers are done in official form and with official contents. In case this is not clear, please contact your supervisor immediately. FBL must manage conflicts of interests appropriately and ensure fair treatment of all clients.

Employees must not unfairly or unreasonably place the interests of FBL above those of a client. Employees must ensure they are aware of each client's current financial situation and other relevant facts about the client appropriate to the services provided to or requested by the client. If FBL has control of client assets, it must ensure those assets are properly accounted for and safeguarded in accordance with regulatory, contractual or fiduciary responsibilities.

Every employee shall not divulge any information relating to the affairs of its customers except in circumstances in which it is, in accordance with law, practice and customary usage among bankers, necessary or appropriate to divulge such information.

Employees' Duty of Non-disclosure & Tipping Off

Anti-Money Laundering (AML) Act of 2010 forbids and makes it a crime, for the Bank or employee to alert a client or potential client (or any party involved in the transaction) to the fact that the Bank is investigating their actions or motives, or to tell them, or any other outside party, that a report of activity identified as suspicious has been prepared and / or filed. The same also applies for the Currency Transaction Reporting (CTR) to Financial Monitoring Unit. Such an act is known as Tipping Off and is a punishable crime under AML Act of 2010 which may lead to fine and / or imprisonment. Such an act may also subject an employee to disciplinary action by the Bank.

To protect against a violation of any non-disclosure requirements, employees should adhere to the following guidelines:

- Never disclose to the client or any third parties that information has been provided to any department within FBL or a government authority or that any suspicious activity investigation is contemplated or underway.
- Never take any action that might otherwise alert the subject that FBL has suspicions that will result in a report or filing a Suspicious Transaction Reporting (STR) and treat the filing of an STR as a confidential matter, even within FBL.

Confidentiality

It is the policy of FBL to honour all applicable laws, including AML, data protection, privacy and Bank confidentiality laws. Copies of STR filings and underlying documentation are maintained as confidential documents. This means they are shared within FBL only on a "need to know" basis. A summary or description of these reports (and supporting materials) may be shared with local regulators as required by applicable law. Generally, regulators are also required to treat as confidential any details that they are provided. In case of any uncertainty as to how to respond to such an inquiry, kindly contact the Compliance Function for guidance.

FBL Employee Reporting Responsibilities

Every employee of FBL is responsible for identifying reportable events and adhering to the CAAML policy with respect to any suspicious activity he / she may observe in his / her job capacity. Consistent with FBL's CAAML policy, employees with client-related duties are responsible for understanding the nature of their clients' transactions, business and source of wealth, and for using currently available FBL resources to monitor their clients' activity for consistency with this understanding. This review activity is a formal means by which Reportable Events may be identified. In addition, employees must be diligent and alert in all aspects of their job functions, including but not limited to the use and review of any available reports and information databases, and must use common sense and experience to guide them in asking questions and spotting irregularities.

When a possibly suspicious activity or potential legal or regulatory violation is observed, the employee is responsible for calling the situation to the attention of his / her supervisor, who will notify the Functional Head and the Compliance Function. In extremely sensitive situations or in any instance where an employee is uncomfortable working with their supervisors on such matters, he / she may directly report to the Compliance Function.

Failure to follow the STR policy when a Reportable Event occurs is a breach of policy and may subject an employee to disciplinary action.

Know your Customer and Anti-money Laundering

Every client must be owned by a relationship officer of the business line. Such relationship officer will be responsible for the client's KYC, due diligence and ensuring that FBL is safeguarded against criminal activities like money laundering, terrorist financing, drug trafficking, etc. in this regard.

We must ensure that we have sufficient information about our customers to satisfy ourselves as to their reputation, standing and the nature of their business activities.

Money laundering is the process by which banks are used as vehicles to disguise or “launder” the proceeds of criminal activity. Such activities undermine a bank's integrity, damage its reputation, deter honest customers and expose a bank to severe sanctions. Faysal Bank fully supports the international drive against money laundering and is committed to assisting relevant authorities in preventing money laundering. Faysal Bank's success on this front is dependent upon the cooperation of all employees. Everyone must exercise prudence and vigilance when assessing potential new clients, handling client requests and processing client transactions. With everyone's commitment and determination, it is possible to translate the spirit of FBL's Core Values and business principles into daily practice, continue to protect the integrity of the banking system, and maintain the Bank's reputation as a respectable and trustworthy institution.

Accordingly, the following precautionary steps are to be adopted in this connection:

- The identity of every new customer with whom we deal must be established from reliable identifying documents.
- If employees suspect that funds stem from illegal activities; this must be reported internally to their Reporting Supervisor or Compliance who will liaise with competent authorities.
- Customers should not be warned when information relating to them is being reported.
- Detailed requirements on Bank's due diligence policy and procedures are to be followed as given in the Compliance Manual.

Insider Trading

Insider trading involves the improper use of unpublished price sensitive information for personal benefit when dealing in securities.

Part X of the Securities Act, 2015 prohibits every person to indulge in insider trading. Employees who have privileged price sensitive information and are due to other means, as defined under the said Act, considered to be an insider, should not indulge themselves in insider trading. Those found guilty of contravening the provisions of the Act can be awarded imprisonment up to three years or obliged to pay fine as well as compensation to any person who may have suffered on account of such insider trading.

Speculative Dealing

Personal dealing in speculative transactions can entail employees with risks to their financial standing, distract them from the performance of their duties and impact the reputation of the Bank. For these reasons, employees should not engage in speculative transactions for their personal account. Accordingly, no employee shall:

- Borrow money from or in any way place himself / herself under pecuniary obligation to a broker or money lender / financier or any firm or persons having dealings with the Bank;
- Buy or sell stocks, shares, commodities, foreign exchange or securities of any description without funds to meet the full cost thereof;
- Lend / finance money in his private capacity to a constituent of the Bank or have personal dealings with a constituent for the purpose of sale of bill of exchange, Government paper or any other securities. In this connection, employees are advised to note that borrowing money from any source of placing themselves under pecuniary obligations beyond the capacity to repay or honour the commitment will be tantamount to speculative activity.

If employees are unclear whether any particular transaction / activity could be considered speculative they should seek guidance from their Executive Officer or Compliance. Please refer to the Compliance Manual - Personal Account Dealing Policy, for details and for adherence.

Conflict Of Interest

Employees must be alert to any situation that could compromise the position of trust they hold as a Faysal Bank employee, and avoid any kind of conflict between their personal interests and those of Faysal Bank.

Employees may engage in outside activities that do not conflict with the interests of the Bank, interfere with the responsibilities of its employees, or damage or misuse the reputation, trademarks, relationships, confidential information or other property of the Bank. The Bank has adopted the following guidelines to protect both the Bank and employees against conflicts of interest, and from situations that create a perception of impropriety.

From time to time, situations will arise that are not clear-cut. If employees are uncertain about the propriety of their conduct or business relationships, consult their supervisor, Legal or Compliance. Employees should never use their position with the Bank, or information acquired during your employment, in a manner that may create a conflict - or the appearance of a conflict - between your personal interests and the interests of the Bank or its customers and clients. Employees should also be aware that actual or potential conflicts of interest can arise not just from dealings with external parties, such as customers or suppliers, but also from relationships or transactions with managers, subordinates or other employees. If a conflict or potential conflict arises, employees must report it immediately to their manager or the Compliance Function, who will review it and any such discussion will be held in confidence to the extent possible and in a spirit of cooperation.

Employees must ensure that their personal interests do not conflict with the duties which are owed to the Bank or which the Bank owes to its customers. This includes engaging in any of the following activities without the prior written approval of the Management:

- Becoming personally involved in any transaction of the Bank / Group.
- Negotiating or contracting on behalf of the Bank with an entity in which you or a relative has an interest.
- Accepting any employment (whether part time, temporary or other), retainer-ship, consultancy, directorship or partnership outside the Bank except with the approval / allowance of the Bank's concerned authorities as and if required.

If employees are in doubt about whether a certain circumstance might create a conflict of interest, employees may consult the Compliance for guidance before taking action.

Personal Investment Policy

This policy covers Members of Investment Committee and Members of Investment Staff (Back Office) who are required to disclose their personal investments in stocks, shares and other securities.

Accordingly, a staff member in the above category is required to obtain prior permission in writing from the Chief Executive for personal investments making sure that there is no case of conflict of interest. A copy should also be forwarded to Compliance.

In case prior approval could not be obtained for any reason, investment made should be reported to Compliance as and when investment is made.

External Functions

Employees may not simultaneously work for any concern that does business with or competes with the Bank without the approval of the Head HR and / or authorities concerned as and if required.

Employees must disclose the following outside positions to the HR, who will determine if a conflict exists:

- A member of employees' immediate family or household works for, and holds a position that can influence decisions at a firm that directly competes with or does business with the Bank.
- A member of employees' immediate family or household holds a position that interacts with positions of authority at a firm that directly competes with or does business with the Bank.
- Further, an employee may not serve as a director, trustee, officer or similar position (paid or otherwise) of any business, other than with the Bank or one of its subsidiaries, without prior approval of the HR and / or authorities concerned as and if required. This rule does not apply to charitable, civic, religious, educational, public or social organizations, or to residential boards whose activities do not conflict with the interests of the Bank and do not impose excessive demand on your time.

- An employee must obtain the consent of Corporate Communication and Human Resources before submitting a work for publication, articles, or making a public speech / media presentation / interview in either medium.

Books and Records

Accuracy and Completeness

Employees must ensure that the accounting and financial records of the Bank meet the highest standards of accuracy and completeness.

Reporting accurate, complete and understandable information about the Bank's business, earnings and financial condition is an essential responsibility of all employees. It is not the exclusive responsibility of the Bank's accounting personnel to ensure that the Bank's accounting and financial records are accurate and complete. If employees have reason to believe that any of the Bank's books and records are not being maintained in an accurate or complete manner, employees are expected to report this immediately to their manager, the Chief Financial Officer, Compliance or the HR. Similarly, the Bank relies on employees to speak up if they feel that they are being pressured to prepare or destroy documents in violation of Bank policy. Employees also should speak up if they become aware that any misleading, incomplete or false statement has been made to an accountant, auditor, attorney or government official in connection with any audit, examination or filing with a government agency, such as the State Bank of Pakistan or Securities and Exchange Commission.

Protection and Proper use of Bank's Property & Information

As Faysal Bank's employee, you are entrusted with protecting the Bank's property.

Acts of dishonesty against the Bank or its customers involving theft, destruction or misappropriation of money, property, office equipment, information, data, devices, supplies or any other items of value are, of course, prohibited. Falsification, alteration or substitution of records for the purpose of concealing or aiding such acts are also prohibited. If an employee suspects someone has committed such an act or witnesses such an act, he / she should report it immediately to Security. If employees prefer, they can speak informally and confidentially with Compliance.

Employees also must protect the use of the Bank's computer equipment, including Faysal Bank's domain email, public email, customers' information or customers' data, and Internet access. The email should only be used for official purpose. All communication and information are the property of the Bank and the Bank reserves the right to retrieve message contents for the purpose of monitoring. Employees are, therefore, accountable for all activities under their password.

Employees must remember that the Management has zero tolerance on both password sharing and key compromise (esp. vault and ATM keys / combination).

Employees should additionally follow the Bank's policies and procedures in connection with the disposition of personal computers, personal digital assistants, mobile phones or other Bank assets.

Employees should review the Bank's policies present at the Banks Intranet Portal.

Gifts and Entertainment

It is the policy of the Bank that gifts are not to be accepted from customers or suppliers and potential donors must be diplomatically informed of this. However, if the employees are offered gifts, other than minor items, they should politely but firmly decline them, referring to the Bank policy, if necessary.

Exceptions

In cases where refusal of a gift would be regarded as an affront or it would be impractical or impossible to return the gift then in certain cases it can be accepted provided the gift is:

- Not in the form of cash,
- Clearly not in return for any consideration or in the anticipation of such,
- Of nominal value only.

Most of the Takaful coverage companies to generate business offer a number of inducements to their clients. The employee dealing with such entities for coverage of the Bank employees, assets, transit items or obtaining policies on behalf of customers for trade finance or consumer products must exercise due care and caution; negotiate the best advantageous coverage at best prices without any consideration for self. This due care and cautiousness must be adhered in case of valuers / contractors and consultants as well.

Any departure or proposed departure not included above must be reported through the line to the Compliance Function for a ruling on acceptance:

Employees are allowed to accept only minor items such as small number of inexpensive items like calendars, diaries, desk pads, pens, etc. The Department Heads / Line Managers / Compliance should be consulted if any doubts are encountered.

If gifts are delivered at their houses or workplace and cannot be easily returned without incurring embarrassment, they must hand over gifts to the Department Head / HRD, which will consider the most appropriate ways of dealing with them.

Personal Gifts by Employees

Personal friendships developed on the basis of banking relationships can sometimes encourage the exchange of gifts for personal account. Care must be taken in this regard as it must be realized that, unfortunately, what may be offered simply as a token of friendship and goodwill, may be construed, in some circumstances, as not only a breach of ethics but even a criminal action.

Presenting Gifts

Gifts may be given for promotional purposes or on special occasions where it may be appropriate while remaining within the jurisdiction of FBL management. The context in which such gifts are given is important and care must be exercised to avoid any such event that could be misinterpreted or construed as bribery or corruption.

No lavish entertainment offered or extended to any government or private official, agent / supplier or employee. Their entertainment is limited to routine lunches or dinners occurring during the conduct of regular business and that only to the extent that it is not in violation of the policy of the government, private entity involved and has duly been sanctioned by the Bank. Invitations to customers' / suppliers' social events, sports or theatre tickets, golf outings, non-business dinners etc. should be avoided.

It must be ensured that the entertainment against the Islamic injunctions (like music) must be avoided.

Confidential Information and Trade Secrets

Employees must protect confidential information and trade secrets, and prevent such information from being improperly disclosed to others inside or outside the Bank.

Employees may learn, to a greater or lesser degree, facts about the Bank's business plans, operations or "trade secrets" that are not known to the general public or to competitors. Sensitive information such as customer data, the terms or fees offered to particular customers, product manuals, technical secrets, confidential research work, technical processes, operating manuals, marketing or strategic plans, proprietary or products and systems developments are examples of the Bank's confidential information and trade secrets. Similarly, during the course of performing your responsibilities, employees may obtain information concerning possible transactions with other companies or receive confidential information about other companies. Employees may not disclose any confidential information or trade secret of the Bank to others or use any such information for your own or someone else's benefit. Within the Bank, confidential information and trade secrets should be divulged only to other employees who need the information to carry out their business responsibilities.

Employees also are responsible for maintaining the confidentiality of sensitive employee information, such as salary, bonus or performance appraisal data. These obligations apply both during and subsequent to your employment with the Bank. Employees must be careful not to discuss such matters with family members, business or social acquaintances, or in places where employees can be overheard, such as taxis, elevators, the Bank cafeteria or restaurants. In addition, employees should not communicate or transmit confidential or sensitive information through external online communications services, such as the Internet. Employees are also required to maintain "Clean Desk", leaving no confidential information on the working place / desk unattended.

The confidentiality of non-banking information must also be respected regardless of how an employee comes across it. If an employee receives or holds information which he / she knows or believes is confidential to another person / organization, he / she should not disclose that information to anyone else. The distinction between this information and the other is not always clear. If in doubt, consult Human Resources.

اقتصادی اپ ڈیٹ

پاکستان کی مصیبت مالی سال ۲۰۱۸ کے دوران تہذیبوں کے مرطلے سے گزر رہی ہے۔ ملکی سیاسی ماحول میں حکومت تبدیل ہو چکی ہے اور نئی حکومت کو سماجی سطح پر کئی چیلنجز کا سامنا ہے۔ نتیجتاً مالی سال ۱۸ میں شرح سود ۳۲.۵۵ فیصد سے اضافے کے ساتھ ۵۷.۷۷ فیصد سے ۱۰ فیصد ہو گئی۔ امریکی ڈالر کے مقابلے میں پاکستانی روپے کی قدر میں تقریباً ۲۵ فیصد کمی ہوئی جس سے ڈالر کی قدر ۵۳۔۱۰ سے بڑھ کر ۸۶۔۱۳۸ روپے کا ہو گیا۔ مالی سال ۲۰۱۸ کے لیے جی ڈی پی کے چارٹرٹ ۶۰ کے مقابلے میں ۵۸ فیصد سامنے آئی اور اس صورتحال میں مزید کی کارخانان و یکھا جارہا ہے۔ آئی ایم ایف نے پاکستان کی جی ڈی پی میں مالی سال ۲۰۱۹ اور ۲۰۲۰ کے لیے بالترتیب ۳ فیصد اور ۳۔۵ فیصد کی کمی پیش گوئی کی ہے۔

سال پر سال کنزرویٹو پیکس انڈیکس (CPI) برائے دوسری ششماہی ۲۰۱۸ مالی سال ۲۰۱۹ کی پہلی ششماہی کے ۰.۳-۶ فیصد کے مقابلے میں ۱۱ فیصد رہا۔ عالمی سطح پر کروڑوں کی قیمتوں میں اضافہ، پاکستانی روپے کی قدرتی، اچھوتری قیمتیں اور ذخیرہ کا خفا اور بڑھتے ہوئے پیداواری خلا کے سبب مہنگائی میں اضافہ سامنے آیا۔ غیر غذائی اور توانائی کے علاوہ دیگر اشیاء کی قیمتوں کے کمی پائی آئی جس میں جنوری ۲۰۱۸ میں ۵.۲ فیصد سے بڑھ کر دسمبر ۲۰۱۸ میں ۸.۴ فیصد کا اضافہ کروڑوں کی کیا گیا۔

آمدنی میں ہونے والے اضافے میں سترویں اور پچھتے ہوئے اخراجات، خاص طور پر انفراسٹرکچر اور پاور پراجیکٹس اور ترقیاتی اخراجات کی وجہ سے عالمی ریٹنگ ایجنسی، فچ کے مطابق پاکستان کا معاشی بحران مالی سال ۲۰۱۸ میں ۵-۸ فیصد سے بڑھ کر مالی سال ۲۰۱۹ میں ۶-۱۰ فیصد ہونے کا امکان ہے۔

ہر دوئی سطح پر جولائی سے جون مابی سال ۲۰۱۸ کے دوران کرٹ اکاؤنٹ خسارہ ۹۸۹-۱۸ بلین امریکی ڈالر ہو گیا جو کہ پاکستان کے لیے اب تک کا سب سے بڑا خسارہ ہے۔ ڈالر کے مقابلے میں روپے کی کئی بار قدری کے باوجود مابی سال ۲۰۱۹ کی پہلی ششماہی میں کرٹ اکاؤنٹ خسارہ تقریباً ۹ بلین امریکی ڈالر رہا جو کہ گزشتہ سال کے اسی عرصے کے مقابلے میں ۲۵۰ بلین ڈالر کم ہے۔ دوسری جانب مابی سال ۲۰۱۹ جولائی تا دسمبر کے دوران ریجنل میں ۱۰ فیصد اضافہ ہوا۔ مجموعی طور پر تجارتی خسارہ ایک بہت بڑا مسئلہ بنا ہوا ہے کیونکہ برآمدات میں ابھی تک کوئی مثبت اضافہ دیکھنے میں نہیں آیا۔

سرمایہ سے زیادہ منافع حاصل کرنے کے لیے، بینک نے FAML میں خرید سرمایہ کاری کی اور اس مقصد کے تحت ۱۰ روپے کی شرح سے ۲۷,۹۹۵,۳۳۳ شیئرز کا اجراء کیا گیا۔

مستقبل پر نظر

بینک صارفین میں اضافے کے لیے اپنے برانچ نیٹ ورک میں توسیع کی منصوبہ بندی پر گامزن ہے۔ اسٹوریٹ کے حوالے سے بینک اپنی توجہ کارپوریٹ سیکٹر پر رکھے گا جبکہ اہم کمرشل دائیں بائیں ای اور کنزیومر شعبہ جات تک اپنی رسائی میں بھی اضافہ کرے گا۔ بینک اپنے صارفین کی سہولیات میں اضافے اور اخراجات میں کمی کے لیے ٹیکنالوجی میں سرمایہ کاری جاری رکھے گا۔ بینک کو اسلامی مالیاتی ادارے میں تبدیلی کرنے کی کوشش میں زیادہ برانچوں اور سہولتوں کا اسلامی بینکاری میں تبدیل ہونا معاون بن رہا ہے۔ پالیسی ریٹ میں اضافے کے ساتھ بینک کی اصل مارک اپ آمدنی میں اضافے سے ترقی جاری رہنے کا امکان ہے۔

آپ کے بینک نے ترقی کا سفر جاری رکھا اور ۲۰۱۸ میں کل ۱۵۱ جات میں ۲۰ فیصد اضافہ حاصل کیا جس سے ٹرانگ میں ۲۸ فیصد اور سرمایہ کاریوں سے ۹ فیصد ترقی حاصل کی۔ ۱۵۱ جات میں یہ اضافہ دوران سال ڈپازٹس کے بڑھنے کی وجہ سے ہوا۔ مزید برآں، برانچ نیٹ میں مسلسل توسیع سے ڈپازٹس مزید بڑھیں گے۔ بینک کا کینٹنل اینڈ کنٹری ریسٹو ۸-۶۹ فیصد کے ساتھ ریگولیٹری ضروریات کی سطح ۹-۱۱ فیصد سے بہت آگے ہے اور مزید ترقی کی گنجائش ہے۔

منافع کے اعتبار سے، اس اسٹریٹیجی کے اثرات کل آمدنی پر دیکھے جاسکتے ہیں جو کہ ۲-۹ بلین روپے یا ۱۵-۱۹ فیصد بڑھ گئی ہے۔ آمدنی میں یہ اضافہ مستقل ذرائع سے حاصل کیا گیا جیسا کہ مارک اپ کی آمدنی ۳-۲ بلین روپے، فیس اور کمیشن ۳۶۰ ملین روپے اور قارئین کی بچکھچ آمدنی ۶۳ بلین روپے حاصل ہوئی۔ انتظامی اخراجات میں اضافہ برانچ نیٹ ورک میں توسیع کی وجہ سے ہوا ہے اور اس کے مثبت اثرات آمدنی میں اضافے کی صورت میں دیکھے جاسکتے ہیں۔

بینک نے اپنے غیر فعال قرضوں کی واپسی کو یقینی بنانے کے لیے اپنی کوششیں جاری رکھی ہوئی ہیں۔ NPL کی موثر مینجمنٹ کے نتیجے میں زیر جائزہ سال کے دوران بینک نے پرانے قرضوں کی واپسی کی وجہ سے ۱۵۹ ملین روپے کی پروویژن واپس ہوئی۔ بینک کے غیر فعال ۱۵۱ جات کی پروویژن کوریج ۸-۸۶ فیصد ہے جبکہ NPL ریسٹو ۳-۸۰ فیصد ہے جو کہ اسٹریٹیجی کے برابر ہے۔

اس کے نتیجے میں، بینک کا بعد از ٹیکس منافع گزشتہ سال کے مقابلے میں ۳۰۷ ملین روپے یا ۲۹-۳۰ فیصد اضافہ اور فی حصص منافع ۲-۹۸ روپے سے بڑھ کر ۳-۱۹ روپے ہو گیا۔

تخصیصات (Appropriations)

ڈائریکٹرز نے ۲۱ فروری ۲۰۱۹ کو منعقدہ اجلاس عام میں ۳۱ دسمبر ۲۰۱۸ کو ختم شدہ سال کے لیے بزنس شیئر NIL کے حساب سے دینے کی تجویز دی ہے۔ NIL ملین شیئرز (بزنس شیئرز برائے ۲۰۱۷: ۱۵ فیصد یعنی ۱۹،۹۶۰ ملین شیئرز) بنتا ہے۔

آڈیٹرز کی رپورٹ

بیرونی آڈیٹرز کی رپورٹ کا مضمون سیکورٹیز اینڈ ایکسچینج کمیشن آف پاکستان کی جانب سے جاری کردہ آڈیٹرز ریگولیشن ۲۰۱۸ کی ہدایات کے مطابق یکم جنوری ۲۰۱۸ کو تبدیل کیا گیا۔ بیرونی آڈیٹرز نے مالیاتی گوشواروں پر اپنی رپورٹ نئے فارمیٹ پر جاری کی ہے جو سالانہ رپورٹ کا حصہ ہے۔ اس رپورٹ میں ہونے والی تبدیلیوں میں ایک خاص تبدیلی مالیاتی گوشواروں پر آڈیٹرز کی رپورٹ میں "کی آڈٹ میٹرز (KAMs) شامل ہونا ہے۔

مالیاتی گوشواروں کا مضمون

اسٹیٹ بینک آف پاکستان نے ۲۵ جنوری ۲۰۱۸ کو جاری کردہ اپنے BPRD سرکلر میں بینکوں کے سالانہ مالیاتی گوشواروں کے موجودہ نمونے میں ترمیم کی ہے۔ تمام بینکوں کو اپنے سالانہ مالیاتی گوشوارے ۳۱ دسمبر ۲۰۱۸ سے ترمیم شدہ نمونے کے مطابق تیار کرنے کی ہدایت کی گئی ہے۔ اسی کے پیش نظر بینک نے اسٹیٹ بینک آف پاکستان کی جانب سے تجویز نمونے پر اپنے مجموعی اور Unconsolidated مالیاتی گوشوارے تیار کئے ہیں۔

مالیاتی گوشواروں کے نمونے میں گزشتہ نمونے کے مقابلے میں تبدیلیاں درج ذیل ہیں:

بورڈ آف ڈائریکٹرز کی کارکردگی کا جائزہ

کارپوریٹ گورننس کی روایات کے مطابق فیصل بینک لیجنڈ کے بورڈ میں ۲۰۱۲ سے سالانہ بنیادوں پر پاکستان انسٹی ٹیوٹ آف کارپوریٹ گورننس (PICG) کے ذریعے اپنے جائزے کی روایت برقرار ہے جو کہ بیرونی سہولت کار اور کارپوریٹ گورننس میں مٹائی ہے۔ پی آئی سی جی کے پاس کمپنیوں کے بورڈ کا جائزہ لینے کے لیے کنسلٹنٹ حضرات کی ایک ٹیم کام کرتی ہے۔ بینک دولت پاکستان کے بورڈ آف ڈائریکٹرز کی کارکردگی کا جائزہ لینے کے لیے رہنما اصولوں پر عملدرآمد کو اگست ۲۰۱۶ لازمی قرار دیا گیا ہے، اور فیصل بینک لیجنڈ کے بورڈ نے اس پر عمل کرتے ہوئے پی آئی سی جی کے ذریعے خود کو ۲۰۱۸ کی کارکردگی کا جائزہ لینے کے لیے پیش کیا۔ جائزے میں بورڈ کی کارکردگی کے مختلف پہلوؤں کو شامل کیا گیا، جن میں: بورڈ کا کردار، کمپنیاں، ترقیت، حکمت عملی، رسک مینجمنٹ، اور بورڈ کے اجلاس شامل ہیں۔ جائزہ میں احاطہ کیا جاتا ہے:

- بورڈ مجموعی طور پر
- انفرادی طور پر ڈائریکٹر (خود ہی رمان - ایگزیکٹو اور سی ای او)
- بورڈ کی کمپنیاں

جائزہ کے لیے تعداد کے طریقہ کار پر عمل کیا جاتا ہے۔ بینک دولت پاکستان کی جانب سے بورڈ آف ڈائریکٹرز کی کارکردگی کے جائزے پر درجہ اصولوں کے مطابق کنسلٹنٹ ڈائریکٹرز ایک سوالنامہ کا جواب دیتے ہیں جو کہ کنسلٹنٹ نے ترتیب دیا ہے۔ تعداد کی تکنیک سے فائدہ ہو سکتا ہے۔ فیصل بینک کے بورڈ کا جائزہ لیجے ہوئے جانے کے لیے ایک اسکیل استعمال کیا جاتا ہے، بورڈ کے ارکان کو اس اسکیل پر دیئے گئے بیان کے سامنے اسے ایک نمبر دے کر ان کی کارکردگی کا اندازہ لگایا جاتا ہے۔ اس طریقہ کار کے استعمال سے خاص مقصد اور کاغذی پیشکش ڈیٹا مل جاتا ہے جو کہ بعد میں ایک مثال بن جاتی ہے کہ کارکردگی کو بہتر طور پر جانچا جاسکتا ہے۔

ڈائریکٹرز کے لیے مشاہرے کی پالیسی

مشاہرے کا تعین کسی بھی بینک کی مجموعی کامیابی کے لیے بہت اہم ہوتا ہے کیونکہ اس سے بینک کے لیے اعلیٰ معیاری ماہرین کو متوجہ کرنے میں مدد ملتی ہے۔ اس طرح کا مشاہرے کا نظام اعلیٰ اقدار پیدا کرنے میں معاون ثابت ہوتا ہے، اس لیے فیصل بینک کے بورڈ نے فیصل بینک کے ڈائریکٹرز کا مشاہرہ طے کرنے کے لیے درج ذیل اصول اپنائے ہیں:

- (الف) بورڈ آف ڈائریکٹرز کے کردار بورڈ مدار میں اضافے کا جائزہ لینا
- (ب) مقامی اور عالمی مارکیٹ کے تجربات اور دوسرے بینک میں مساوی عہدہ رکھنے والوں سے موازنہ
- (ج) طویل مدتی فائدے کے لیے بہترین پروفیشنل کا انتخاب
- (د) مارکیٹ کے ساتھ برابری اور تقابلی کی صلاحیت کو یقینی بنانا
- (ر) مشاہرے کے عمل اور طریقہ کار میں شفافیت کو یقینی بنانا

ٹان انگریزیکٹو اور خود مختار ڈائریکٹرز کے لیے مشاہرہ

ڈائریکٹرز کو اجلاس یا کمیٹی کی میٹنگ میں شرکت کے لیے مشاہرہ کے طور پر حاضری کی فیس ادا کی جاتی ہے اس کے علاوہ ان اجلاسوں یا میٹنگز میں شرکت کے لیے انہیں سفری سہولیات اور اخراجات سے متعلق تمام اخراجات ادا کئے جاتے ہیں۔

بورڈ اپنے اختیار سے بورڈ ممبران کے خصوصی طور پر بنائے ہوئے ٹاسک فورس کی میٹنگ میں شرکت کے لیے مشاہرہ طے کر سکتا ہے اور کسی بھی ڈائریکٹر کی جانب سے خصوصی طور پر تفویض کئے جانے والے امور میں حاضر ہونے پر بھی مشاہرہ دے سکتا ہے۔

ٹان انگریزیکٹو اور آزاد ڈائریکٹرز کو ادا کئے جانے والے مشاہروں کی مجموعی رقم اس سالانہ رپورٹ میں ملحدہ سے واضح کر دی گئی ہے۔

رسک منجمنٹ فریم ورک

چیف رسک آفیسر (CRO) کے تحت رسک منجمنٹ گروپ (RMG) قائم کیا گیا ہے جس کا بینک آپریشن سے تعلق نہیں ہوتا۔ سی آر او کو بورڈ آف ڈائریکٹرز کی جانب سے پورے بینک میں رسک منجمنٹ فریم ورک لاگو کرنے کا اختیار دے دیا ہے۔ رسک منجمنٹ فریم ورک کی مالیاتی گوشواروں کے نوٹ ۴۴ میں وضاحت کی گئی ہے۔

انٹرنل کنٹرول کا اسٹینڈ

یورڈ آف ڈائریکٹرز مکمل طور پر اپنی ذمہ داری کا احساس رکھتا ہے کہ یقینی بنایا جائے کہ انٹرنل کنٹرولز کا نظام موثر ہے جس پر بینک کے اندر ہر سطح پر عمل درآمد اور اسے بحال رکھا جاتا ہے۔ یورڈ آف ڈائریکٹرز انٹرنل کنٹرولز سے متعلق انتظامیہ کے تیار کردہ اسٹینڈ کی تصدیق کرتے ہوئے خوشی محسوس کرتا ہے۔ انٹرنل کنٹرول کا نظام تشکیل کے اعتبار سے بہتر ہے اور اس پر سوئٹھ طریقے سے عمل کے گہرائی کی جاتی ہے۔ انٹرنل کنٹرول سے متعلق اسٹینڈ اس سالانہ رپورٹ میں شامل ہے۔

شیر ہولڈنگ کا طریقہ کار

۳۱ دسمبر ۲۰۱۸ کے مطابق شیر ہولڈنگ کا طریقہ کار اور بینک کے حصص مالکان کی درجہ بندی اس سالانہ رپورٹ میں ملحدہ سے پیش کی جاتی ہے۔

کریڈٹ ریننگ

سے سی آر۔ وی آئی ایس کریڈٹ ریننگ ایجنسی لمیٹڈ (JCR) اور پاکستان کریڈٹ ریننگ ایجنسی لمیٹڈ (PACRA) نے ۳۱ دسمبر ۲۰۱۸ کے مالیاتی گوشواروں کی بنیاد پر درج ذیل درجہ بندی جاری کی ہے:

AA	طویل المیعاد:
A1+	قلیل المیعاد:

مذکورہ بالا کریڈٹ ریننگ ایجنسیز نے مستحکم حالت کی درجہ بندی تقویض کی ہے۔

JCR-VIS کی جانب سے تقویض کردہ درجہ بندیوں کی تعریضات درج ذیل ہیں:

”AA: اپنی کریڈٹ کوالٹی۔ حتمی عوامل مضبوط ہیں۔ خطرات بہت کم ہیں لیکن اقتصادی حالات کے باعث ہوا وکات کچھ خطرات رونما ہو سکتے ہیں۔

A1+: بروقت ادائیگی کے لیے بڑی یقین دہانی۔ قلیل المیعاد نقد کے تباہوں ذرائع تک رسائی موجود ہے۔ درجہ بندی حکومت پاکستان کی قلیل المیعاد قرضوں کی درجہ بندی سے ذرا سی نیچے ہے۔“

پاکستان کریڈٹ ریننگ ایجنسی لمیٹڈ (PACRA) کی جانب سے تقویض کردہ درجہ بندیوں کی تعریضات درج ذیل ہیں:

”AA: بہت اعلیٰ قرض دہائی میعاد۔ AA درجہ بندی سے مراد قرضوں کے خطرات کی بہت ہی کم امید ہے۔ اس سے اشارہ ملتا ہے کہ مالیاتی معاہدوں پر بروقت ادائیگی کی بہترین صلاحیت موجود ہے۔

A1+: بروقت ادائیگی کے لیے بڑی یقین دہانی موجود ہے۔“

ڈائریکٹرز کا جائزہ

۳۱ دسمبر ۲۰۱۸ کو ختم ہونے والے سال کے لیے ڈائریکٹرز کا کنسولیدٹڈ فنانشل اسٹیٹمنٹس کا جائزہ

فیصل بینک کے بورڈ آف ڈائریکٹرز کی طرف سے ہم آپ کی خدمت میں ۳۱ دسمبر ۲۰۱۸ کو ختم ہونے والے سال کی Consolidated رپورٹ مالیاتی گوشواروں اور آڈیٹرز کی رپورٹ کے ساتھ پیش کرتے ہوئے سرٹ محسوس کر رہے ہیں۔

کمپنی پر وقائل

فیصل بینک لیونڈ (FBL) نے ۲۲ نومبر ۲۰۱۸ کو فیصل ایسٹ منجمنٹ لیونڈ (FAML) کے مزید شیئرز ذریعے اور اس ٹرانزیکشن کے بعد، FAML کی حیثیت منسلک ادارے سے ذیلی ادارے میں تبدیل ہو گئی ہے۔ FBL نے FAML کی بنیادی سرمایہ کاری کو مضبوط بنانے اور کمپنیل ایڈیکٹو ریسٹرو (CAR) کو بہتر بنانے کے لیے FAML کے کپٹل میں ۲۸۰ ملین روپے کی رقم ڈال دی ہے۔ اب کمپنیوں کی حیثیت کچھ اس طرح ہے:

ہولڈنگ کمپنی	:	فیصل بینک لیونڈ
ذیلی ادارہ	:	فیصل ایسٹ منجمنٹ لیونڈ

FBL اسلامی مالیاتی ادارے میں تبدیل ہونے کے ساتھ ساتھ کارپوریٹ، ریشیل، کمرشل، ایس ایم ای اور ایگری۔ سینٹرل سٹریٹس کو خدمات فراہم کر رہا ہے جبکہ فیصل ایسٹ منجمنٹ لیونڈ (FAML) ایک نان۔ بینکنگ فنانس کمپنی (NBFC) ہے جس کے پاس نان۔ بینکنگ فنانس کمپنیز (اسٹیبلشمنٹ اینڈ ریگولیشنز) آرڈر، 2003 اور نان بینکنگ فنانس کمپنیز اور نوٹیفائیڈ اینڈ ریسٹرو کے تحت ایسٹ منجمنٹ اور سرمایہ کاری کے لیے مشاورت کی خدمات فراہم کرنے کا لائسنس ہے۔

اپنے صارفین کی آسانی کے لیے ان کے قریب بینکاری کی سہولیات فراہم کرنے کے لیے بینک نئی برانچوں کے ذریعے اپنے دائرہ کار کو وسیع کر رہا ہے۔ برانچوں کی تعداد بڑھانے کے ساتھ، FBL اپنے صارفین کو آسان استعمال، محفوظ اور مشکلات سے پاک خدمات فراہم کرنے کے لیے ٹیکنالوجی میں بھی سرمایہ کاری کر رہا ہے۔

ماحولیاتی تحفظ

بینک ماحولیاتی تحفظ کے حوالے سے اپنی ذمہ داریوں سے باخبر ہے اور اس سلسلے میں ایک جامع گرین بینکنگ پالیسی تشکیل دی گئی ہے۔

ادارے کی سماجی ذمہ داری (CSR)

بینک نے تعلیمی، سماجی بہبود اور صحت عامہ سے تعلق رکھنے والے اداروں اور این جی او کو فیصل وقف کے ذریعے عملیات فراہم کئے۔ تفصیلات فیصل بینک لیونڈ کے ڈائریکٹرز کے ان۔ کنسولیدٹڈ فنانشل اسٹیٹمنٹس کے جائزے میں شامل ہے۔

مستقبل پر نظر

بینک صارفین میں اضافے کے لیے اپنے برانچ نیٹ ورک میں توسیع کی منصوبہ بندی پر گامزن رہے گا۔ FAML کی خریداری سے فیصل بینک کی پروڈکٹس کا پورٹ فولیو وسیع ہو گیا ہے اور اس سے فیصل بینک کے صارفین کے لیے انتظامیہ کے تحت فنڈز اور مشاورت کی خدمات بھی دستیاب ہیں۔ اضافی وسائل کے ساتھ، فیصل بینک لمیٹڈ گروپ نہ صرف اپنے کاروباری حجم میں اضافہ کر سکتا ہے بلکہ اسٹیک ہولڈرز کے لیے بہتر منافع بھی کما سکتا ہے۔

بینک نے FAML کے تکنیکی ڈھانچے میں تبدیلی کی حکمت عملی کے لیے منصوبہ بندی کر لی ہے۔ انتظامی ہجری اور منافع جات بڑھانے کے لیے قلیل اور طویل مدتی حکمت عملی پر مبنی پروگرام تیار کیے جا رہے ہیں۔

شریعہ بورڈ رپورٹ

برائے سال 2018

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

الحمد لله رب العالمین، والصلوة والسلام علی خاتم الانبیاء والمرسلین محمد المصطفی الصالح الامین وعلی آله واصحابہ اجمعین

الحمد لله، فیصل بینک لیونڈ نے اپنی اسلامک بینکنگ کے کامیاب آپریشنز کا مزید ایک سال مکمل کر لیا ہے۔ فیصل بینک کامیابی سے اپنی اسلامک بینکنگ کی برانچز میں اضافہ کر رہا ہے اور مزید بینکاری کے پورٹ فولیو سے اسلامک کی طرف منتقل کر رہا ہے۔ اس سال 50 نئی برانچز کو اسلامک بینکنگ نیٹ ورک کا حصہ بنایا گیا ہے جس کے بعد اسلامک برانچز نیٹ ورک کی تعداد 255 تک پہنچ گئی ہے جس میں 5 وہ برانچز بھی ہیں جن کو دوران سال مزید بینکاری سے اسلامک بینکنگ کی طرف منتقل کیا گیا ہے۔

شرعیہ بورڈ (SB) نے دوران سال متعدد موجودہ اور نئی پروڈکٹس، پالیسیز، اسٹینڈرڈ آپریشننگ پروسیجرز، ٹرانزیکشنز اور ان کے شریعت سے ہم آہنگ ہونے کا جائزہ لینے سے متعلق 4 اجلاس منعقد کئے۔ SB نے شرعیہ گورنرس فریم ورک کے تحت شریعت سے ہم آہنگ ماحول پر تفصیلی چارہ خیال کے لئے اس سال دو دفعہ (BoD) بورڈ آف ڈائریکٹرز سے بھی ملاقات کی۔

شرعیہ بورڈ، بینک کے تمام تر آپریشنز کو اسلامک بینکنگ کی طرف منتقل کرنے کے BoD اور انتظامیہ کے فیصلہ کو سراہتا ہے۔

سال 2018 کا جائزہ درج ذیل ہے۔

بینک کے مزید پورٹ فولیو کی اسلامک پورٹ فولیو کی طرف منتقلی (Conversion of Bank's Portfolio)

شرعیہ بورڈ، منتقلی کے طریقہ کار میں تیزی لانے کی انتظامیہ کی کوششوں پر مسرت کا اظہار کرتا ہے۔ اس سال کے دوران، مزید بینکاری کی پانچ (5) برانچز کو اسلامک کی طرف منتقل کر دیا گیا ہے۔ مزید یہ کہ شرعیہ بورڈ نے مزید بینکاری کی فیصلہ سازی کو اسلامک کی طرف منتقل کر دینے کے لئے تقریباً 20 سے زائد کسٹمرز کے لئے مخصوص پروسیجرز کو منظور کیا ہے۔ الحمد للہ، اس سال بینک نے اپنے موجودہ 24.00 بلین روپے کے مزید قرضی پورٹ فولیو کو شریعت سے ہم آہنگ طریقہ کاری کی طرف منتقل کر دیا ہے۔

پروڈکٹ ڈیولپمنٹ (Product Development)

پروڈکٹ ڈیولپمنٹ نے شرعیہ بورڈ کی زیر ہدایت موجودہ پروڈکٹس کی مزید بہتری اور اسی طرح نئی پروڈکٹس کو اپنی متعلقہ دستاویزات اور معاہدات کے ساتھ مطابقت کرنے پر کام کیا ہے۔ اس سال فیصل بینک اسلامک نے اپنی (Asset Side) پروڈکٹ کی فہرست میں مزید اضافہ کیا ہے جیسے اسلامک ایکیٹیو پورٹ فولیو (IERS) کے لئے "رنگ مشارکہ" SME، کمرشل اور کارپوریٹ، کے لئے "سلم"، کمزور فنانسنگ پروڈکٹ کیلئے "مسامرہ" کو تیار کیا جا چکا ہے اور تجارتی پروڈکٹ کا آغاز بھی کیا گیا ہے۔ اس سال کامل بزنس اکاؤنٹ کو نئی سہولیات کے ساتھ دوبارہ پیش کیا گیا ہے۔ مزید یہ کہ اس سال بختلم ہائونڈ سٹیجنگ اکاؤنٹ، پے بینک نفع بخش کرڈ اکاؤنٹ، برکٹ انویسٹمنٹ ٹولکٹ (LCY/FCY) اور FCY سٹیجنگ اکاؤنٹ کی نئی اقسام کو بھی متعارف کروایا گیا ہے۔

مزید برآں اسلامک بینکنگ کی معلومات میں اضافہ کے لئے بینک نے وینڈ بک، اسلامک ہیپ لائن اور دفتری عملہ کی پروڈکٹ ڈیسکٹاپی کیسٹری کو متعارف کروایا ہے۔

شرعیہ کمپلائنس ڈیپارٹمنٹ (Shariah Compliance Department)

شرعیہ بورڈ کے ذریعہ شریعہ کمپلائنس ڈیپارٹمنٹ نے مختلف شعبہ ہائے جات کا نمونہ جاتی بنیادوں پر منظور شدہ پروسیجرز، پالیسیز اور پروسیجرز سے مطابقت کے لئے "شرعیہ کمپلائنس جائزوں" کو انجام دیا ہے۔ اس سلسلے میں رنگ مشارکہ، مراد، ہمارا، اصصناع، جمع شدہ چیز، اور اس کی تقسیم، گارنٹی اور غیر متواظی سہولیات اور اسلامک برانچ نیٹ ورک وغیرہ کے جائزوں کو انجام دیا گیا۔ مزید یہ کہ SCD نے دماوند بنیادوں پر پول ٹیجٹ اور منافع کی تقسیم کے طریقہ کار کا ریگولیٹری اور شرعیہ بورڈ کی ہدایات کے مطابق ہونے کے لیے جائزے لئے۔

ان جائزوں کے دوران عملہ کی صلاحیت اور اہلیت کے تقاضوں کو جانچنے کے لیے مختلف شعبہ ہائے جات کے ساتھ مشترک نشستوں کا بھی انعقاد کیا گیا۔

حریہ برائشریہ بورڈ کی ہدایات کے مطابق RSBM اور SCD کے سربراہ اسلام آباد، لاہور، ملتان، کوئٹہ اور کراچی کے مختلف علاقائی دفاتر کا معائنہ کیا گیا جہاں بینک کے عملہ کے ساتھ آگاہی کی مشترک نشستوں کا اہتمام کیا گیا۔ سال کے دوران SCD نے تقریباً 160 میٹنگز، سٹریٹس سے مخصوص پوسٹس اور متعدد مشترک تمولی فتود (Syndicate Participations Transactions) کی اجازت حاصل کی۔

اسکے ساتھ ہی SCD نے غیر ملے شدہ عملی معائنے کو بھی انجام دیا۔ شریہ بورڈ کی ہدایات کے مطابق مرحلہ بینکاروں سے اسلامک بینکنگ کے لئے بینک کی پالیسیز اور پروسیجرز کی ملحدگی کے طریقہ کار کا آغاز ہو گیا ہے اور سال کے دوران تقریباً 60 سے زائد موجودہ پالیسیز اور اسٹینڈرڈز پر بینک پر سٹریٹس SCD نے نظر ثانی کی ہے اور SB سے منظور کروایا ہے۔ SCD نے عملہ کی قابلیت میں اضافہ کرنے کے سلسلے میں مرکزی کردار ادا کیا ہے جس میں SCD نے تربیتی مواد میں اضافہ اور اسی طرح متعدد تربیتی نشستوں کا انعقاد بھی کیا ہے

شریہ ایڈوائزی سروسز (Shariah Advisory Services)

اس سال شریہ بورڈ نے 8 مختلف اسلامک مشترک تمولی فتود (Syndicate Participations Transactions) کو شریہ ایڈوائزی سروسز فراہم کی ہیں جو کہ مختلف اضطررینہ مشاغل کو موبائل، اسٹیک، پاور (بھلی)، سروس (خدمات)، تعلیمی اداروں، مشروبات اور ترسیلات کے اداروں سے متعلقہ فراڈ میسجز پر مشتمل ہے۔

شریہ آڈٹ (Shariah Audit)

SGF کے تقاضوں کے مطابق انٹرنل اور ایکسٹرنل شریہ آڈٹ کو انجام دیا گیا ہے۔ انٹرنل شریہ آڈٹ پینٹ (ISAU) مجموعی طور پر بینک کے شریعت سے ہم آہنگ ماحول کو تقویت دینے کے لئے ایک لازمی حصہ ہے۔ ISAU نے اس سال درج ذیل پروڈکٹس اور شعبوں کے لئے شریہ آڈٹس کو انجام دیا مثلاً کارپوریٹ فنڈس، مارکیٹنگ اور سروسز کوآپریٹو شریہ کمپنیز، SME اور کرشل برانچ بینکنگ، ریٹیل بینکنگ، چیرٹی کے لیے جمع شدہ رقم اور تقسیم، منافع کی تقسیم اور پول منجھوت۔ حریہ یہ کہ ایکسٹرنل شریہ آڈٹ بھی کرایا گیا جو اسلامک بینکنگ کے تمام متعلقہ فنکشنز پر محیط تھا۔

چیرٹی (Charity)

چیرٹی فنڈز کی ابتدائی رقم 8,182 ملین روپے تھی اور سال کے دوران 9,488 ملین روپے کی رقم سٹریٹس سے ادائیگیوں میں تاخیر کے ذریعے میں وصول کی گئی۔ حریہ یہ کہ SCD اور ISAU کی طرف سے انجام دیے گئے شرعی جائزوں اور آڈٹس کے دوران متعدد شرعی شریہ بورڈ نے نظر ثانی کی جس کے نتیجے میں شرعی اصولوں کی عدم مطابقت کی بناء پر 0.617 ملین روپے کی رقم چیرٹی فنڈ میں ڈالوائی گئی۔ اس مدت کے دوران شریہ بورڈ کی اجازت سے 8,500 ملین روپے کی رقم کو متعدد خیراتی اداروں میں تقسیم کیا گیا۔ چیرٹی کی تفصیلات نوٹ نمبر A-22 پر دستیاب ہیں۔

لرننگ ڈیولپمنٹ اور آگاہی کے اجلاس (Learning Development and Awareness Sessions)

تربیت یافتہ افرادی قوت، اسلامک بینکنگ اضطرری کی کامیابی کی گنجی ہے۔ اس سال کے دوران بینک نے سینٹر آف اسلامک اکنامکس "CIE" (جو جامعہ دارالعلوم کراچی کا ایک ذیلی ادارہ ہے) اور IBA سینٹر آف اکنامکس ان اسلامک فنڈس (CIEF) کے تعاون سے بینک کی ایگزیکٹو اور سٹریٹس منجھوت کے لئے جامع معلوماتی پروگرام کے انعقاد کا آغاز کیا۔ حریہ یہ کہ BOD کے اراکین کے لئے بھی پول منجھوت اور منافع کی تقسیم کے طریقہ کار پر ایک آگاہی سیشن کا انعقاد کیا گیا۔ حریہ برائش SBP کی ہدایات کے مطابق نئی کھولی گئی برانچز کے عملہ کے لئے 5 روزہ اسلامک بینکنگ سٹریٹس پروگرام کو منعقد کیا گیا۔ حریہ برائش سال اسلامک بینکنگ کے اعلیٰ سطحی کورسز درجہ 1 اور درجہ 2 بھی متعارف کروائے گئے جن کا مقصد بالخصوص فرنٹ آفس میں کام کرنے والے عملے اور ان کے معاون شعبہ جات کی اہلیت اور صلاحیت میں اضافہ کرنا تھا۔ یہ بات قابل ذکر ہے کہ L&D ڈیپارٹمنٹ نے تقریباً 3000 بینک کے اسٹاف (عملے) کے لئے اسلامک بینکنگ کی ٹریننگ کا انعقاد کیا۔ حریہ یہ کہ بینک کے L&D ڈیپارٹمنٹ نے متعدد نامور بیرونی ٹریننگ کے اداروں سے منتخب عملہ کی اسلامک بینکنگ ٹریننگ کا انتظام بھی کیا۔

شرعیہ بورڈ کی رائے (Opinion of Shariah Board)

جیسا کہ بورڈ آف ڈائریکٹرز اور ایگزیکٹو مینجمنٹ مکمل طور سے اس بات کو یقینی بنانے کے ذمہ دار ہیں کہ فیصل بینک لمیٹڈ - اسلامک بینکنگ کے آپریٹنگس طریقہ سے انہماج دیے جائیں جو ہر وقت شریعت کے اصولوں سے ہم آہنگ ہوں۔ ہم سے فیصل بینک لمیٹڈ، اسلامک بینکنگ کا مجموعی طور سے شریعت سے ہم آہنگ ماحول ہونے پر ایک رپورٹ پیش کرنے کا تقاضا کیا جاتا ہے۔

ہماری رائے کے مطابق جیسا کہ اس رپورٹ میں ظاہر ہے کہ بینک کے شریعہ کمپلائنس ڈپارٹمنٹ نے ٹیمٹ چیک کی بنیاد پر ہر طرح کی ٹرانزیکشنز، متعلقہ دستاویزات اور طریقہ کار کا جائزہ لیا ہے۔ مزید یہ کہ ہم اعزلی شریعہ آڈٹ اور ایکسٹرنل شریعہ آڈٹ کی رپورٹس کا جائزہ بھی لے چکے ہیں۔

مندرجہ بالا تفصیلات کی بنیاد پر ہماری رائے درج ذیل ہے کہ:

1. بینک کے اسلامک بینکنگ کے شعبہ نے شریعہ بورڈ کی طرف سے جاری شدہ فتاویٰ، ضابطوں اور ہدایات کی روشنی میں مجموعی حیثیت سے شریعت کے اصولوں پر عمل درآمد کیا ہے۔
2. شریعہ جائزوں کے دوران صحیح طریقہ کار کے متقاضی ہر معاملہ کو نوٹ کیا گیا اور مینجمنٹ کی جانب سے حل کیا گیا یا مستقبل میں اسکی اصلاح کی یقین دہانی کرائی گئی۔ ماقبل سے مربوط ہماری رائے میں شعبہ برکت اسلامک بینکنگ کے معاملات کو SBP کی طرف سے جاری شدہ شریعہ کمپلائنس سے متعلق احکامات، ضابطوں اور ہدایات کے مطابق انہماج دیا گیا ہے۔
3. بینک کے پاس اپنے تمام تر آپریٹنگس کا شریعت سے ہم آہنگ ہونے کو یقینی بنانے کے لئے ایک جامع نظام کا حامل ہے۔
4. بینک، شریعہ کمپلائنس ریویو اور اعزلی شریعہ آڈٹ کی صورت میں اس بات کو یقینی بنانے کے لئے ایک جامع سسٹم رکھتا ہے کہ شریعت کی رو سے ممنوع ذرائع یا طریقوں سے حاصل شدہ رقم کو چھٹی اکاؤنٹ میں منتقل کیا جائے اور خیراتی مقاصد میں صحیح طریقے سے خرچ کیا جاسکے۔
5. فنانسنگ فراہمی، نفع و نقصان کی تقسیم اور پول مینجمنٹ، شریعت کے اصول و ضوابط اور اسٹیٹ بینک آف پاکستان کی پول مینجمنٹ کی ہدایات کے مطابق ہیں۔
6. اگرچہ بینک کا L&D شعبہ، اسلامک فنانس اور مختلف فنانس ٹریڈنگ پروگرامز کے ذریعہ افرادی قوت کی تربیت و ترقی کے لئے فعال کردار ادا نہماج دے رہا ہے تاہم منتقلی (Conversion) کے چیلنجز کے پیش نظر ترجیحی طور سے مزید جدوجہد کرنا مطلوب ہے، جو پروڈکٹس، بینک کے پروڈیوسرز اور اسکے شریعت سے ہم آہنگ ہونے کی اہمیت کے بارے میں عملہ، انتظامیہ اور BOD کی آگاہی میں اضافہ کرے۔
7. اپنی ذمہ داریوں کو مؤثر طریقے سے ادا کرنے کے لئے شریعہ بورڈ کو مکمل اور مناسب وسائل مہیا کیے گئے ہیں۔

شریہ بورڈ کی طرف سے سفارشات (Recommendations from Shariah Board)

مندرجہ بالا تفصیلات کی بنیاد پر ہماری سفارشات درج ذیل ہیں:

1. اگرچہ ایگزیکٹو منجسٹ اور دیگر معاون فنکشنرز (نیوں) کی کوششیں قابل قدر ہیں تاہم اسکے باوجود منظم کارپورس مزید تیزی کا تقاضا ہے۔
2. متوقع ترقی اور FBL اسلامک بینکنگ کی طرف منظم کے منصوبہ کو مد نظر رکھتے ہوئے شریعت کی ہدایت پر عمل مزید اہمیت اختیار کر گیا ہے، لہذا یہ سفارش کی جاتی ہے کہ شریہ کمیٹی کے کارکردگی سے متعلق ایپریزل (Appraisal) کے نظام کا لازمی حصہ ہونا چاہئے اور موجودہ منظم کی کارکردگی کے ایپریزل (Appraisal) کے نظام پر نظر ثانی کرنا چاہئے جو کہ شریعت سے ہم آہنگ نہ ہونے کی صورت میں ملازمین کی کارکردگی کی ایپریزل (Appraisal) پر براہ راست اثر انداز ہونے کو مشتمل ہو۔
3. برانچ میں مسلسل اضافے اور اسلامک بینکنگ کی طرف منظم کی وجہ سے اسلامک بینکنگ کی اہمیت پر دو کٹس اور سروسز کی مارکیٹنگ کی طرف مزید توجہ خوش آمد عمل ہوگا۔
