SHABBIR TILES AND CERAMICS LIMITED DIRECTORS' REPORT TO THE SHAREHOLDERS FOR THE THIRD QUARTER & NINE MONTHS PERIOD ENDED MARCH 31, 2019

The Directors of your Company have the pleasure in presenting to you the financial results of your Company for the third quarter and nine months period ended March 31, 2019.

Financial performance

The financial performance for the nine months period ended March 31, 2019 is summarized below:

Rs in '000

Particulars	March 31, 2019	March 31, 2018
Turnover – net	5,225,429	4,274,903
Gross profit	1,286,103	936,706
Earnings before interest, tax and depreciation (EBITDA)	856,688	564,281
Operating profit	419,966	284,447
Profit before tax	353,398	203,693
Profit after tax	243,307	113,631
Earnings per share (Rs./ share)	1.02	0.47

The continued focus towards optimization of energy, material usage and improved product mix has resulted in gross profit percentage rising to 25% as compared to 22% of last year; despite the increase in gas tariff by 30% coupled with high rupee devaluation. Net turnover grew by 22% as against comparative period whereas profit after tax increased to Rs. 243.307 million from Rs. 113.631 million, registering a strong progression.

Future outlook and challenges:

Generally the focus of the government should be on trade policies and industry development. The local tile industry is massively hit by the high input cost and import friendly ITPs & duty structure. The ongoing smuggling from neighboring countries is adding to the high outflow of foreign reserves. Strengthening local tile industry will not only stimulate all the direct and indirect affiliated commerce but also increase the contribution to the national exchequer.

Your Company, is striving hard to mitigate business risks in terms of high energy cost, import/ smuggled influx and market shrinkage by optimizing cost, re-strategizing marketing strategy and investing in high quality products. Your Company is also continuously engaging with authorities to explain them the scale of the current situation to help them come up with a policy which provides even playing field to all. With the support of the Government, your Company is fully geared up to grow further and contribute in the progression of the economy.

We take this opportunity to thank all stakeholders for their continued support.

آپ کی کمپنی کے ڈائریکٹرز آپ کے لۓ مالیاتی نتائج براۓ تیسری سہ ماہی اور نو ماہی اختتامیۂ31 مارچ 2019 پیش کرتے ہوۓ اظہار مسرت کرتے ہیں .

مالیاتی کارکردگی

31 مارچ 2019 کو ختم ہونے والی نو ماہی کے دوران مالیاتی کارکردگی کا خلاصہ درج ذیل ہے:

رویے ہزاروں میں

		U U U

توانائی اور خام مال کے استعمال میں بہتری اور مصنوعات کے بہتر مرکب کی جانب توجہ کی وجہ سے مجموعی منافع کی شرح 25 فیصد تک پہنچ گئ جو کہ پچھلے سال 22 فیصد تھی ' جبکہ گیس کے نرخوں میں 30 فیصد اضافہ ہوا ہے اور روپیہ کی قدر میں قابل ذکر کمی واقع ہوئ ہے۔ خالص فروخت میں پچھلے سال کے تقابل میں 22 فیصد اضافہ ہوا ہے جبکہ منافع بعد از ٹیکس 113.631 ملین روپے سے بڑھ کر 243.307 ملین روپے ہو چکا ہے جو کہ ایک مستحکم پیشقدمی کی نشاندہی کرتا ہے۔

مستقبل کے نقطہ نظر اور چیلنجز:

عام طور پر حکومت کی توجہ تجارتی پالیسی اور صنعت کی ترقی پر ہونا چاہئے۔ مقامی ٹائل کی صنعت پیداواری لاگت میں اضافے اور دوستانہ درآمدی آئی ٹی پی اور ڈیوٹی ڈھانچہ سے شدید متاثر ہوئ ہے۔ پڑوسی ممالک سے جاری اسمگلنگ غیر ملکی ذخائر کے اخراج میں مدد گار ثابت ہو رہی ہے۔ مقامی ٹائل کی صنعت کو مضبوط بنانے سے نہ صرف تمام براہ راست اور بالواسطہ تجارت کو فروغ ملے گا بلکہ ذرمبادلہ میں بھی اضافہ ہوگا .

آپ کی کمپنی گیس کی قیمت میں اضافے، درآمدات / اسمگلنگ میں اضافے، اور مارکیٹ کے حجم کی کمی کو، لاگت میں کمی، مارکیٹنگنگ کی حکمت عملی میں تبدیلی اور اعلی معیار کی مصنوعات میں سرمایہ کاری کے زریعے کم کرنے کی کوشش کر رہی ہے۔ آپ کی کمپنی اعلی حکام سے مسلسل رابطے میں ہیں کہ وہ ان کو موجودہ صورتحال کی سنگینی کی وضاحت کرسکیں تاکہ ایسی پالیسیوں کو مارکیٹ میں آنے میں مدد ملے جو سب کو یکساں مواقع فراہم کرے۔ حکومت کی حمایت کے ساتھ، آپ کی کمپنی مکمل طور پر آگے بڑھنے اور معیشت کی ترقی میں شراکت کے لئے تیار

اس موقع پر ہم تمام مستفیدان سے ان کی مسلسل حمایت پر شکریہ ادا کرتے ہیں.

SHABBIR TILES AND CERAMICS LIMITED NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE NINE MONTHS PERIOD ENDED MARCH 31, 2019 (UN-AUDITED)

1. THE COMPANY AND ITS OPERATIONS

Shabbir Tiles and Ceramics Limited (the Company) was incorporated in Pakistan as a public limited company, under the repealed Companies Act 1913 on November 07, 1978 and listed on the Pakistan Stock Exchange Limited. The Company is primarily engaged in the manufacture and sale of tiles and trading of allied building products. The registered office of the Company is situated at 15th Milestone, National Highway, Landhi, Karachi.

2. STATEMENT OF COMPLIANCE

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting which comprise of International Accounting Standard (IAS) 34 - 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 (the "Act") and provisions of and directives issued under the Act. Where the provisions of and directives issued under the Act differ with the requirement of IAS 34, the provisions of and directives issued under the Act have been followed.

3. BASIS OF PREPARATION

These condensed interim financial statements are un-audited and do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the annual financial statements of the Company for the year ended June 30, 2018.

These condensed interim financial statements are presented in Pakistan Rupees which is the Company's functional and presentation currency.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and methods of computation adopted in the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended June 30, 2018 except for the adoption of new standards, amendments and interpretation of International Financial Reporting Standards (IFRSs) as disclosed in note 5.

5. NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS OF IFRSs

Effective 1 July 2018, the Company has adopted IFRS 15 "Revenue from Contracts with Customers" (replacing IAS 18 "Revenue", IAS 11 "Construction Contracts" and related interpretations) and IFRS 9 "Financial Instruments (replacing IAS 39 "Financial Instruments: Recognition and Measurement"). The effects of adoption of these standards are explained below;

5.1 IFRS 15 Revenue from Contracts with Customers

According to IFRS 15, revenue is recognized to depict the transfer of promised goods or services to a customer in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is recognized when, or as, the customer obtains control of the goods or services. IFRS 15 also includes guidance on the presentation of contract balances, that is, assets and liabilities arising from contracts with customers, depending on the relationship between the entity's performance and the customer's payment.

The Company has applied IFRS 15 with initial application date of 1 July 2018 as notified by the Securities and Exchange Commission of Pakistan (SECP). The first-time application of IFRS 15 by the Company has not had any significant effects with regard to the amount of revenue recognised and when it is recognised. Hence, no cumulative adjustment amounts have been recognised to adjust the opening equity as at 1 July 2018. Accordingly, the information presented for previous years has not been restated, as previously reported, under IAS 18 and related interpretations.

The management of the Company has assessed that the Company is in compliance with the requirements of IFRS 15.

5.2 IFRS 9 Financial Instruments

IFRS 9 sets out requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items. The details of new significant accounting policies and the nature and effect of the changes to previous accounting policies are set out below:

5.2.1 Effect of adopting IFRS 9 on the classification of financial assets

Financial asset	Original category under IAS 39	New category under IFRS 9
Trade debts	Loans and receivables	Amortised cost
Loans	Loans and receivables	Amortised cost
Deposits and other receivables	Loans and receivables	Amortised cost
Cash and bank balances	Loans and receivables	Amortised cost
Long-term deposits	Loans and receivables	Amortised cost
Long-term loans	Loans and receivables	Amortised cost

5.2.2 Classification and measurement of financial assets and financial liabilities

IFRS 9 largely retains the existing requirements in IAS 39 for the classification and measurement of financial liabilities. However, it eliminates the previous IAS 39 categories for financial assets of held to maturity, loans and receivables and available for sale.

The adoption of IFRS 9 has not had a significant effect on the Company's accounting policies related to financial liabilities. The impact of IFRS 9 on the classification and measurement of financial assets is set out below:

a) Initial recognition and measurement

Under IFRS 9, on initial recognition, a financial asset is classified as measured at: amortised cost; Fair Value through Other Comprehensive Income (FVOCI) – debt investment; FVOCI – equity investment; or Fair Value through Profit or Loss (FVTPL).

The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Subsequent measurement

The following accounting policies apply to the subsequent measurement of financial assets.

Financial assets at amortised cost - These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any.

Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

5.2.3 Impairment of financial assets

IFRS 9 replaces the 'incurred loss' model in IAS 39 with an 'expected credit loss' (ECL) model. The new impairment model applies to financial assets measured at amortised cost, contract assets and debt investments at FVOCI, but not to investments in equity instruments.

At each reporting date, the Company assesses whether financial assets are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the respective asset.

The Company uses the standard's simplified approach and calculates ECL based on life time ECL on its financial assets. For this purpose, the management conducts an exercise to assess the impairment of its financial assets using historical data and forward looking information.

Based on such exercise, the Company has concluded that it is in compliance with the requirements of the new accounting standard including the assessment of impairment on its financial assets using expected credit loss model.

6. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND FINANCIAL RISK MANAGEMENT

The preparation of condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Judgements and estimates made by the management in the preparation of these condensed interim financial statements are the same as those applied in the Company's annual financial statements for the year ended June 30, 2018.

The Company's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2018.
