THEME

WINNING TOGETHER

At Abbott, we are all about teamwork, with a method to it. From getting started with the aim of adding value, to collaboration which is at the heart of it all. We measure risk-taking, to re-adjust and keep on track. Finally taking ownership where we not only analyze the outcome, but also set new goals. Thus we start the process all over again, keeping a check on our key behaviors. But in the end we all know that we can only win being together.

VISION

To be the most admired healthcare company in Pakistan.

MISSION

To deliver consistently superior products and services which contribute significantly to improve the quality of life of consumers.

A Tradition of Innovation

More than 125 years ago, 30-year-old Dr. Wallace C. Abbott, a practicing physician and pharmacy proprietor, founded the company that bears his name. Using the active part of a medicinal plant, known as the "alkaloid," he formed tiny pills, called "dosimetric granules," which provided more accurate and effective dosing for his patients than other treatments available at the time. The demand for these accurate granules soon far exceeded the needs of his own practice and, from these modest origins, was born Abbott, one of the world's most broad-based health care companies and a global leader in the discovery, development and manufacture of products that span the continuum of care.

MESSAGE FROM SYED ANIS AHMED, OUR NEW MANAGING DIRECTOR AND CHIEF EXECUTIVE*

I am extremely humbled and grateful to Almighty for the opportunity bestowed upon me to lead this great company. I am thankful to Board members, our regional & local management and most importantly all the employees for their trust, support and confidence they have shown and given me in all these years and I look forward to work with all of you as a *Team* to make this company a *great place to work* while achieving new levels of success.

We launched a new brand last year that captures Abbott's mission, its philosophy, its spirit and the way it does business – "Life. To the Fullest." This expresses our company's deep respect for people and our world, and our commitment to help them both thrive through better health.

Abbott Pakistan's existence in Pakistan is almost as old as Pakistan. It started its operations in 1948 and today we are the 2nd leading pharmaceutical company of the Country, operating two state-of-art manufacturing facilities in Karachi. We have the most diverse

products portfolio mix with leading brands in almost all therapeutical areas with presence in businesses: Established Pharmaceuticals, Nutrition, Diagnostics and Diabetes care.

This offers us the widest range of opportunities to address the most relevant needs and capture and build on emerging trends — technological or demographic, social or economic. We continually shape our business to ensure that it remains ready and able to provide what our customers' needs are.

We are not without challenges but with products' innovation, operational excellence, commercial execution and winning behaviors, we will touch new horizons in terms of quality products, future growth and profitability of the business. So, this translates into higher value to shareholders, better serving to patients and positive contribution in health care sector of the Country.

Syed Anis Ahmed, MD & CEO Abbott Pakistan

^{*} Mr Arshad Saeed Husain, ex-Chief Executive Officer of the company resigned and ceased to hold the position effective January 1, 2016. Subsequently, the Board of Directors appointed Syed Anis Ahmed as 'Interim Chief Executive'. Thereafter in the month of March 2016, the Board of Directors has finalized the appointment of Syed Anis Ahmed as 'Managing Director & Chief Executive Officer' of Abbott Laboratories (Pakistan) Limited.

THIS IS ABBOTT

Our solutions–across the spectrum of care and for all stages of life–help people live their best lives through better health.

OUR VALUES

Values are the foundation for building a meaningful corporate identity. Abbott is a company rooted in values and our core values of honesty, integrity and fairness describe a standard of behavior expected of every Abbott employee.

Abbott has four differentiating values built on these core values that speak to the unique strengths that have made our company what it is today, and describe the strengths we continue to build on to deliver our business goals.

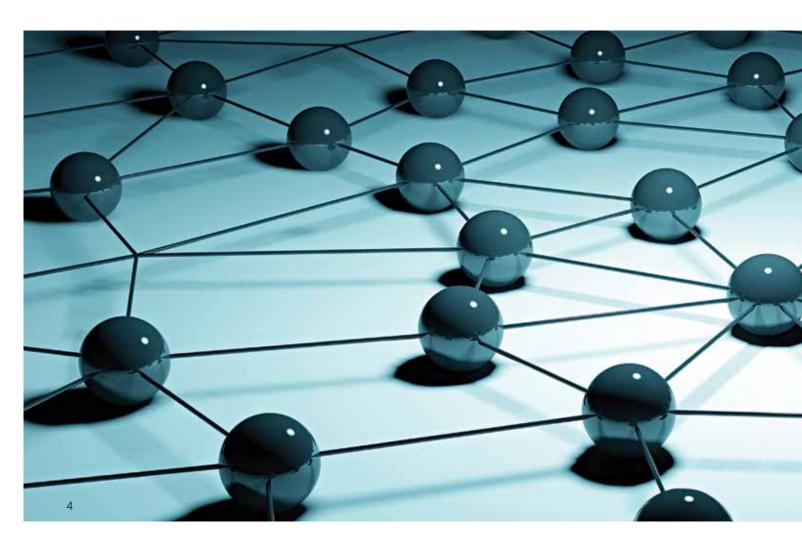

The values are a blueprint for employee behavior. They are the underpinnings of our Brand Promise, defining how we serve our constituents. These values are

woven into all business processes company-wide over time, informing how we plan and run our businesses, how we serve our customers, how we measure and motivate performance, and how we communicate internally and externally. Aligning our organization around this cohesive set of values has been critical to the achievement of Abbott's brand and business goals.

PIONEERING

Leading-edge science and innovative commercialization

We lead with solutions that address human needs by pioneering innovative treatments and solutions, lifesaving medical devices, and new approaches to managing health.

ACHIEVING

Customer-focused outcomes and world-class execution

We drive for meaningful results demanding of ourselves and each other because our work impacts people's lives. We're committed to working together to deliver solutions that are effective and profitable. Our focus on execution and collaboration ensures that we keep our promises to each other and to those we serve.

CARING

Making a difference in people's lives

Caring is central to the work that we do to help people live healthier lives. We have tremendous respect for the lives of everyone touched by our company. Our

respect for people is demonstrated in what we do and how we act.

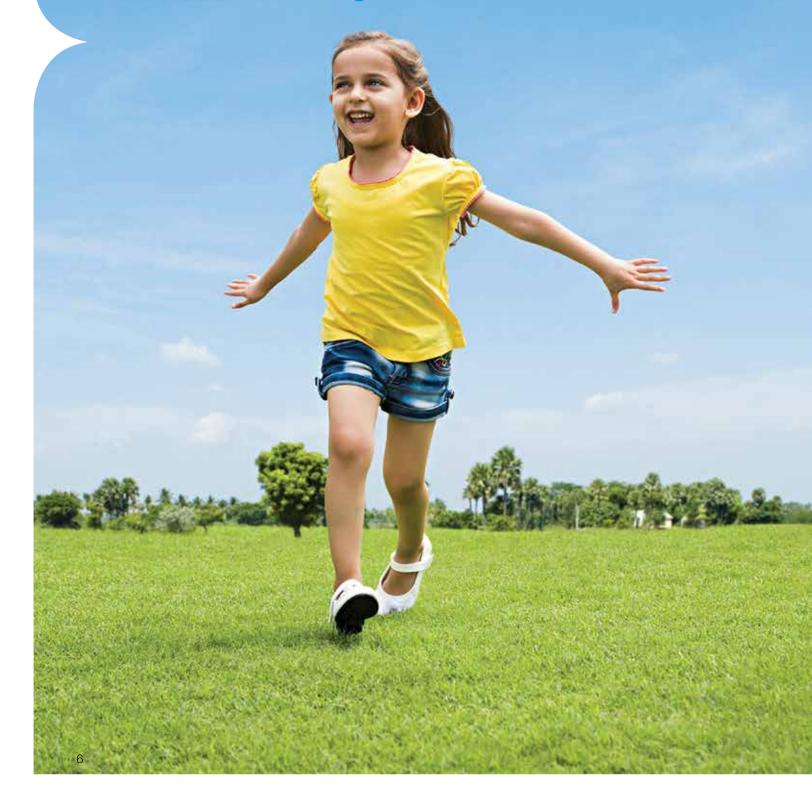

ENDURING

Commitment and purpose

Enduring means both honoring our history and maintaining our commitment to the future. We will always be here to help keep people healthy. We keep our promises, acting in accordance with all of our values.

Values are the foundation for building a meaningful corporate identity. Abbott is a company rooted in values and our core values of honesty, integrity and fairness describe a standard of behavior expected of every Abbott employee.

LIFE.

to the fullest.

People across the world share a simple goal. They want to live their fullest lives, achieve their highest potential and become their best possible selves. At Abbott, we help them do that, with innovative, high-quality products and services that help people live not just longer, but better.

LEADING

commercial presence

 Two state-of-art manufacturing facilities in Karachi.

LEADING innovation

Abbott research has resulted in next-generation products that have redefined the standard of care in several treatment areas.

LEADING

brands

With a global profile that is more visible than ever, Abbott is building on a foundation of trust that we've built over our more than 125 years in business.

ESTABLISHED PHARMACEUTICALS

EXPANDING OUR IMPACT IN FAST-GROWING MARKET

With the help of Abbott's Anti-epileptic drug (AED), Hania is able to have an epilepsy free normal life. She is progressing at school and enjoying her playtime without fear of another episode.

Hania Hoor, 7 years old is a student of Kindergarten. At the age of 3, she had 3 episodes of generalized body stiffness and head deviation followed by brief loss of consciousness and was taken to a neurologist.

The EEG revealed an abnormality suggesting generalized and multifocal epilepsy.

Hania has since then been put on Abbott's Anti-epileptic drug (AED) by her neurologist and has been using it since the last 4 years. Since then she is physically and mentally very active. She has a good memory and is completely free from seizures.

Hania is now attending Kindergarten and she has received A grade showing excellent progress in her school.

Abbott helps patients live their best possible lives.

ESTABLISHED PHARMACEUTICALS

RESHAPED FOR ACCELERATED GROWTH

We're helping more people in Pakistan by bringing them high quality, branded generic pharmaceuticals that have been successfully treating patients for years.

We're tailoring our product offerings to the specific needs of the country, offering new formulations, delivery methods and packaging. Abbott has leadership positions in many therapeutic areas and is well aligned with the fundamentals driving long-term growth for healthcare.

NUTRITION

A SOLID FOUNDATION FOR A FULL LIFE

Recovery from a traumatic condition of spinal cord was made easy, thanks to Ensure. Now Dr. Raees Ahmed Siddiqui can go about his daily life, feeling energetic and fresh.

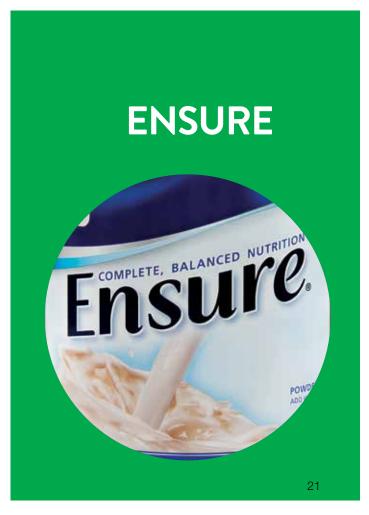

Dr. Raees Ahmed Siddiqui in 2012 suffered from a traumatic condition in spinal cord. He was advised complete bed rest and was recommended to take a nutritionally rich diet, however considering limited physical activity his meal intake was limited and insufficient.

In order to cater for this, he started Ensure daily during his recovery period. Dr. Raees is now 60 years old and has found excellent results from Ensure in his overall recovery and feels healthy and energetic.

He is currently working as a family physician, operating his own private practice.

Raees feels that Ensure is his partner for life!

NUTRITION

UNIQUELY BALANCED FOR GROWTH

At Abbott, we develop science-based nutrition products to help make every stage of life a healthy one.

We offer trusted brands like *Similac* infant formula and the complete nutrition of *PediaSure*, for children, and *Ensure*, for adults. We support the unique nutrition needs of people with chronic conditions with products like Glucerna, for people with diabetes.

TARGETED STRATEGIES

Focus on retail sales that will be key to our continued success

2015 BUSINESS HIGHLIGHTS

- Gross Profit increased by 27% from last year
- Sales grew by 20% over last year
- Continued to build our Infant Nutrition business with the launch of Similac Neosure and Similac Total Comfort 3
- Increased our market share from 29.4% to 31.1% (IMS-Q4 2015)

HEALTHY LIVING

DIAGNOSTICS

TIMELY INFORMATION TO IMPROVE THE QUALITY OF CARE

Dr. Imran N. Ahmed, Chief of Pathology & Director Laboratories, Shifa International Hospital, Islamabad finds Abbott instrumentation more robust and reliable.

Shifa International Hospital is a private hospital based in Islamabad. The laboratory of the hospital offers a wide variety of tests and caters for all in-patients and out-patients.

"I have been working as the Chief of Pathology & Director Laboratories of Shifa International Hospitals Limited since 2014. I find the Abbott instrumentation more robust & reliable and the entire Abbott diagnostics' team very helpful and supportive. Abbott has been a key partner of Shifa International and its laboratory for over last 15 years. In 2010, Abbott ARCHITECT ci8200 (seamless integrated system) was installed along with a mirror image back up unit. This helped us in addressing growing volume needs improving quality and turnaround time at Shifa International Hospital laboratory, benefiting patients ultimately".

DIAGNOSTICS

IMPROVING OUTCOMES WORLDWIDE

Abbott is a leader in core laboratory in vitro diagnostics, offering a broad portfolio spanning immunoassay, clinical chemistry, hematology, blood screening, molecular and informatics. Our diagnostics solutions are designed to improve decision-making and patient care across the entire healthcare system. Abbott develops and commercializes in vitro diagnostics instruments, tests and related automation and informatics solutions for use in hospitals, reference labs, physician offices, emergency departments and clinics

CORE LABORATORY

Abbott's focus on combining speed, accuracy and efficiency helps maintain our position as the leader in immunoassay and blood screening

2015 BUSINESS HIGHLIGHTS

- Sales growth by 14% over last year.
- Launch of state-of-art Cardiac Marker, the ARCHITECT High Sensitive Troponin I
- Global acquisition of Omnilab, expanding our lab informatics capabilities in global as well as local market.

DIABETES CARE

INNOVATION IN ACTION

Realizing that diabetes is not a disease but just a condition was helpful for M. Khurram Idrees. With the help of FreeStyle Optium blood glucose monitoring system, his life is back to normal with peace of mind.

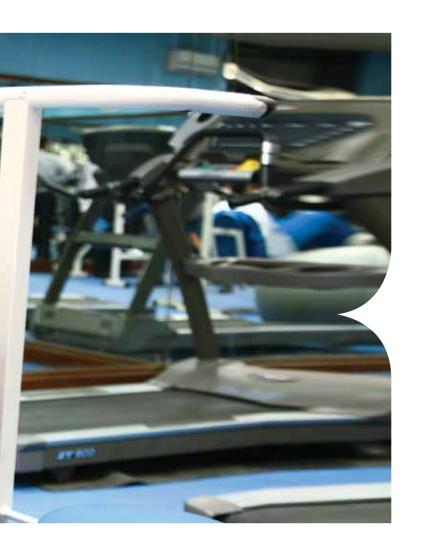

M. Khurram Idrees, a young banker who is a fond reader, likes to spend time in reading new and interesting articles.

Through his reading and research, he noticed that excessive thirst is one of the many symptoms of Diabetes. This made him conscious as he was experiencing the symptom on a regular basis. Having realized this matter he decided to go for a medical checkup.

On the basis of tests conducted, he was diagnosed with Type 2 Diabetes Mellitus in December 2012.

Along with the medications, he has been managing his diabetes well with balanced diet, regular exercise and more importantly through continuous blood glucose testing with FreeStyle Optium blood glucose monitoring system.

DIABETES CARE

LEADING-EDGE TECHNOLOGIES THAT IMPROVE LIVES

Good health management is one of the most important goals for people living with diabetes. So, in addition to product development, Abbott seeks to help patients and their caregivers understand how they can make the most beneficial choices in consultation with their healthcare team.

Abbott's focus on diabetes is part of the global healthcare company's aim to improve life through products and technologies that span the breadth of healthcare.

BUILDING TRUST

ETHICS AND COMPLIANCE

Abbott's integrity is based on decisions – large and small – that our employees make each day at every level of the company. Our decisions are guided by our values, a sense of ethics and respect for the law. To support our commitment to ethical conduct and compliance with the law, Abbott has a longstanding ethics and compliance program. The ethics and compliance program applies to all officers, employees, contract workers and agents of Abbott Laboratories, its divisions, and affiliates, whether operating inside or outside of the United States. The **Abbott Code of Business Conduct ("Code")** sets forth the principles and behaviors to which all Abbott employees must commit. All employees are required to read,

understand and certify their adherence to this Code annually.

Our Code makes it clear that we do not tolerate illegal or unethical behavior in any of Abbott's business dealings. It stresses the importance of ethical and honest conduct, appropriate treatment of confidential information, avoiding conflicts of interest, and the accuracy and integrity of Abbott's books and records. In addition, it requires timely and accurate public disclosures and compliance with relevant laws, including food and drug laws, laws relating to government healthcare programs and antitrust laws.

One of the key features of our Code is its 'Speak Up' program where by employees are encouraged through several communication channels to report promptly any violations or potential violations of the Code or complaints or concerns with respect to their work or seek guidance or advice in understanding the applicability of the Code.

A key to our ethics and compliance program is the policies and procedures that the Abbott Office of Ethics & Compliance (OEC) has created to guide employees as they conduct their day-to-day activities within the global healthcare community.

Whether writing an email, managing external relationships, working through ethical decisions or interpreting a regulation, Abbott employees play a critical role in maintaining Abbott's reputation. To ensure they have the most up-to-date knowledge about how to comply with laws and regulations, the Office of Ethics and Compliance (OEC) offers a comprehensive list of courses and resources that provide guidance and training on ethics and compliance topics most relevant to our business.

During 2015 as part of OEC initiatives, a new online training system "LERN (Legal & Ethics Resource Network)" has been launched in Abbott Pakistan. The LERN Training Program is an online program designed to educate Abbott employees on a broad range of ethics and compliance topics. LERN courses are designed to provide employees with the practical knowledge needed to recognize legal and ethical issues that may be encountered on the job, to make sound decisions, and to know when to seek assistance from the OEC and other resources.

LERN courses are assigned to employees using LERN system annually which include courses on Code of Business Conduct, Code re-certification, Overview of Abbott's Ethics and Compliance Program, Anti-Corruption, Ethical Awareness and Decision Making and Ethically Speaking. Its assignment, notification and progress are managed and tracked at employee level through system reports which is part of top leadership review on periodic basis.

HUMAN RESOURCE DEVELOPMENT

At Abbott, we believe that when we are healthiest, we have the potential to live not just longer, but better. We believe that humans are capable of doing amazing things, and that healthy people create more productive communities that can overcome many kinds of barriers. This belief – that health is the key to unlocking our potential – drives our work every day. As we expanded to meet changing health needs through new offerings, we also expanded and invested to meet these needs where they are – in Pakistan and around the world.

To do that well requires people on the ground to understand the culture, and bring together the right partners and expertise to develop the most relevant solutions. Doing this well also requires that our human resources share the same vision and are committed to deliver results that not only adds value to our shareholders, but to themselves as well and to the society and communities that we serve. We take pride in our rich heritage and highly committed human resources who strive their best to achieve results with highest degrees of commitment.

CREATING IMPACTS

Our employees understand the impact their work and our products can have on people. As a result, we strive every day to do the right thing, in the right way.

Our leadership makes sure employees – as stewards of our company – understand and, have access to the policies, training, resources and people they need to be able to conduct themselves with the highest standards and expectations for integrity and ethics.

When we say that we are making an impact, our claim is also backed by our global citizenship initiatives where we are making measurable, positive impacts on improving health for everyone, everywhere.

UNIQUE EMPLOYMENT VALUE PROPOSITIONS

At Abbott, employees have the opportunity to work in successful diverse business environment where

employees can make a positive impact on the health of the communities we serve while pursuing their own professional growth.

At Abbott, employees have the opportunity to realize their own full potential while helping others achieve theirs. It's an employment value proposition that few companies can claim. Being a stable, growing, relevant company, we provide our employees with excellent development opportunities. With our global presence and work in diverse areas of healthcare, Abbott employees have the chance to pursue a variety of career experiences in an environment rich in opportunities for career growth and advancement. Our Human Resource strategies follow a comprehensive approach towards attracting, retaining, developing and growing employees to enable them to achieve their career ambitions while making a positive impact on the society and contributing towards achieving business objectives.

TALENT ATTRACTION

Our innovative and varied workplace programs have earned us recognition as a leading employer globally as well as in Pakistan. By providing equal opportunities across several professions within the business supplemented by excellent opportunities to grow within the company both internally as well as in the global organization, we are able to attract some of the best talents across disciplines and career levels.

Our employee development programs are aligned with our global strategies and talent needs. We provide industry competitive compensation and benefits packages. As an equal opportunity employer, your company maintains a strong focus on diversity and inclusion and being a socially responsible corporate citizen. Together, these make Abbott a company where employees enjoy a healthy yet competitive environment where their skills and competencies are adequately challenged which keeps employee excited, engaged and committed to your company.

TALENT RETENTION

Our thriving culture fosters a stimulating, challenging and fulfilling work environment. Each employee has an opportunity to work to his/her optimum level. Their contributions are well recognized through several 'reward and recognition' programs that add to their motivation and commitment. Employees are provided with opportunities to work in crossfunctional and cross-divisional teams which enhances their knowledge base and equip them with better and broader vision of businesses. Our talent management and retention processes help identify people with specific talents and supports employees in their growth goals.

EMPLOYEE GROWTH AND SUCCESSION PLANS

We value innovation, diversity, collaboration, personal development and growth opportunities. At Abbott, we are always looking forward, never content to dwell on our past successes. Employees find themselves continually challenged and engaged, and pushed not only to meet, but also to exceed their personal development goals. We focus on strong teamwork and relationships, and we believe that diverse teams drive innovation and encourage personal growth.

Employees also get ample opportunities to work in global teams on various local rollout as well as international initiatives. This is an exposure only a few multinational companies can offer. With our functions being strategically aligned with business needs, and high degree of focused and aligned learning and exposure, our employees are able to explore internal growth opportunities locally as well as for international roles based on their own readiness and interest and company's needs. Our well-structured individual Talent Management and Succession Plans provide for excellent learning and organic growth to employees within Abbott Pakistan. The international openings additionally provide employees with opportunities to achieve or exceed their aspirations of working in international markets. This way, your company not only caters to employees' own growth and development needs, but also benefits in the process by having a robust talent pipeline in place for future opportunities.

A GREAT PLACE TO WORK

We have been widely regarded as an employer of choice, with numerous local and global awards recognizing our commitment to fostering an extraordinary workplace. With our ongoing employee events that focus on both engagement and employees'

well-being; your HR team took and drove several initiatives that contributed to employee motivation and retention.

Senior Management Interactions

To provide higher degree of accessibility to employees, HR Director and CEO conducted face to face sessions with the entire sales and distribution teams across Pakistan. This followed similar sessions in cycle meetings of the salesforce where other senior members of the management team interacted with employees across Pakistan and responded directly to their queries and concerns. This direct exposure has considerably boosted the morale of the teams.

Several employee events were also organized across Pakistan to provide our cross-country teams to further interact with their senior management in an informal set-up and enjoy some relaxed, quality time outside of workplace setting. Several other similar initiatives are in pipeline that are expected to further strengthen the bond between employees and the company while ensuring that each member of Abbott family remains fully committed and highly motivated.

Workday

'Workday', an online HR Management System rolled out globally earlier this year was successfully rolled-out this year in Pakistan as well. The system enables employees to have ready access to their personnel data as well as data of the organization reporting into them as managers. This has brought about significant operational efficiencies enabling managers to give more time to their core functional responsibilities.

Learning and Development Initiatives

This year, your company has given a stronger than ever focus towards employees development. Through structured in-house programs and relevant programs being offered by external vendors, several employees were provided with opportunities to further enhance their skills to deliver even better in their current role, as well as prepare themselves to positions of higher responsibilities.

Through providing stronger support to the businesses, your HR Team is poised to continue making your company 'A Great Place to Work.'

'Winning Together Behavior and Culture'

WTBC is another one of Abbott's global initiative which was also rolled-out in Abbott Pakistan. Through this rollout, employees were exposed to the winning behaviors that contribute directly to their own performance and well-being; while also contributing directly to business. All divisions of Abbott Pakistan are participating in this learning and transformation journey.

EMPLOYMENT OF SPECIAL PERSONS

As a socially responsible corporate entity, Abbott provides employment opportunity to special persons and dependents of deceased or incapacitated employees subject to availability of position and suitability of the candidates in accordance with the company's recruitment policy/standard in a supportive environment for mutual growth.

MANAGEMENT TRAINEESHIPS AND INTERNSHIP PROGRAMS

As a responsible corporate citizen, your company continued to provide management traineeships and internship experiences to students from various academic institutions. While management trainees provide your company with succession pipeline, interns continue to serve as our ambassadors at these institutions. You will be happy to note that this year, one intern has been selected for Abbott EMEA region's formal 'Campus Ambassador Program' as well.

ENVIRONMENT HEALTH & SAFETY

Abbott has clear, consistent policies and standards requiring that we operate in a manner that promotes employee health, safety and productivity while also protecting the environment which has been the key for continual improvement in the Environment, Health & Safety culture of the organization and the EHS Department itself. This year was no different.

Both manufacturing plants and commercial operations sites adhere to technical requirements, including metrics, auditing and reporting, which serve as a baseline for health and safety performance.

As usual the Company was able to achieve all of its EHS goals well within target dates, even the ones as challenging, yet enthralling, as achieving Zero Waste to Landfill i.e. preventing any waste from being discarded to landfill (*leading best practice of the industry*), and not just stopping there but also discovery green – best environmentally feasible solutions for the wastes to be either re-used or recycled as a beneficial product.

One of such innovative solutions was the installation of Compost Machine, which contributed significantly towards the reduction of waste by 30%! Another key milestone was the development of in-house state of the

art Medical Surveillance Room. Other achievements during the year were engaging almost all of the plant employees in carrying out Fire Prevention training sessions, water conservation by 3%, 2% CO₂ footprint reduction, rise in reporting and rectification of near misses & potential incidents and achieving almost 200,000 lost time accident free work hours at project sites. All in all it was a good year where Abbott Pakistan was able to improve its health and safety standards and initiate some ground breaking ideas for environmental conversation.

THE WASTE BURDEN & ABBOTT'S ZERO WASTE TO LANDFILL INITIATIVE (ZWL)

Zero waste to landfill is defined as the process whereby a site finds ethical, economical, efficient means to manage processes to avoid and eliminate the volume and toxicity of waste and materials, and to conserve and recover all resources. Implementing ZWL eliminates all waste sent to a landfill and diverts it to become a resource for other beneficial use.

Our environmental programs aim to improve the efficiency and sustainability of our business activities and products, reduce greenhouse gas emissions, water use and waste. We integrate sound EHS practices consistent with our management system into all aspects of the business.

Zero Waste is a philosophy that encourages the redesign of resource life cycles so that all products are reused. Abbott Pakistan achieved a 20% reduction in waste generation in 2015 with zero waste going to landfill. This was a total reduction of 100 tons of waste produced at site. This was accomplished through;

- ✓ Segregation at source
- ✓ Identification of "As-Is" reusable opportunities
- ✓ Composting

Employee education was also an important component of the program which included display of Awareness Posters & Food Waste Statistics. Training sessions on Waste Management were also held for key team members at the plants.

COMPOSTING

As concern about landfill space increases, worldwide interest in recycling by means of composting is growing. Composting is a process for converting decomposable organic materials into useful stable products. This is also one of the only ways to revitalize soil vitality due to phosphorus depletion in soil.

In this regard, Abbott Pakistan acquired the composting machine, leading by example in industry. The machine at site is a fully automated in-vessel composting system that converts organic waste to compost in just 24 hours. It has a capacity to produce 400 kg material as compost per day utilizing garden waste and food scrapes from site canteen. This project supports Abbott's zero waste to landfill initiative.

ENERGY CONSERVATION

Increasing concerns about reducing carbon emissions and growing global support for actions on energy and environmental issues has shaped in a corporate environmental commitment. Energy conservation has emerged as a key component of these commitments. Taking energy conservation initiatives gives control over costs and a competitive edge as well as instrumental towards meeting environmental goals.

Heating, ventilation and air-conditioning (HVAC) is one of the major sources of consumption of energy at our facility and offered opportunity to improve energy efficiency. To seize this opportunity, a project is at the verge of completion making our HVAC equipment and process energy efficient through a Direct Digital Control system by installing chilled water control valves, temperature/RH sensors and VFDs.

WATER CONSERVATION

Abbott Pakistan gives special attention to water conservation. This encompasses the activities made to manage fresh water as a sustainable resource, to protect the water environment, and to meet current and future human demand.

The company achieved a 2.2% reduction in water consumption in 2015. This was a total conservation of 2 million US gallons of water used. This was accomplished through:

- Re-use of RO Reject Water for flushing in toilets

- Installation of automatic water faucets
- Installation of flow meters for better monitoring

QUALITY ASSURANCE

SolTRAQs: As a part of Quality Management System improvement, SolTRAQs (Solution Tracking of Regulatory and Quality Systems) has been deployed to handle Validation Change Requests, Exceptions and Laboratory Investigations. This will bring further compliance improvement to regulations and policies, and increased access to relevant data by various functions, along with velocity improvement in quality related processes.

SolTRAQs is used to manage multiple quality system business processes at Abbott. This system gives users the ability to manage their tasks in a more time efficient and organized manner.

Quality month: The company celebrated Quality & Regulatory month during November 2015. This was celebrated at both plants with several activities aimed at re-emphasizing that everyone's action contributes towards promoting culture of high quality at production sites.

A variety of different activities which included poster displays at both sites, distribution of flyers, displaying screen savers with quality messages on personal computers and presentation on quality were carried out to promote a culture of high quality in the Company.

CORPORATE SOCIAL RESPONSIBILITY AT ABBOTT PAKISTAN

TREE PLANTATION DRIVE - TREES PLANTED IN COORDINATION WITH SINDH FORESTRY DEPARTMENT

To promote a culture of plantations, Abbott Pakistan helped plant a total of 400 plants in the community by collaborating with Sindh Forestry department.

For this purpose "Pir Bakhsh Village" close to Korangi plant was the location chosen. A team visited the residential area and handed over the plants to the local residents. Similarly "Swedish College" near Landhi plant was chosen for Neem plantations, bringing to

the student there a greener and cleaner environment together with sense of responsibility for preserving the nature.

BLOOD CENTER PROGRAM - BLOOD DONATION IN COLLABORATION WITH INDUS HOSPITAL

Carrying forward the tradition of CSR activities, this year in January 2015, Abbott Pakistan once again collaborated with Indus Hospital to participate in their Blood Donation Program.

Blood donation centers were arranged at both Landhi and Korangi plants where number of employees volunteered and made this drive successful.

This contribution of Abbott was highly appreciated by the management of Indus Hospital.

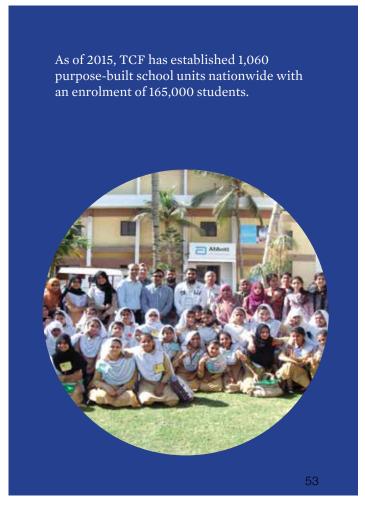

EMPLOYEE HEALTH CAMP

As an initiative to help promote employee health and well-being, Abbott Pakistan organized a health camp where free of cost flu vaccination was offered to Abbott employees at site. A total of 1,294 employees benefited from this free of cost health offering. All employees participated in the activity with great enthusiasm.

TCF'S EXPOSURE TRIP AT ABBOTT LANDHI AND KORANGI PLANT

During November 2015 a group of 115 TCF (Mentees & Mentors) visited both Abbott Plants (Landhi / Korangi). It was a great learning experience for the students, they were motivated and keen on continuing their education so they can become part of organizations like Abbott Laboratories in future.

SUPPORTING OUR COMMUNITIES

"FIT AFTER FIFTY" CAMPAIGN TO HELP PATIENTS CREATE AWARENESS OF A GOOD DIET IN THEIR SENIOR YEARS

To connect with our audiences in a meaningful way, we developed the Ensure Health Drive, which was an experiential campaign on wheels that went to public areas across 4 metropolitan cities of Pakistan to educate people about the prospect of staying "Fit After Fifty". Our vans traveled to location after location, where they intercepted and invited people to come in for an interactive session on health in senior years, assisted by tools such as the Handgrip meter and a professional assessment conducted by doctors & dieticians.

Over 9,800 people experienced this context specific campaign and were educated about the issue and people were guided on ideal supplements available to stay healthy in senior years.

ABBOTT ORGANIZED "PATIENT SUPPORT PROGRAM" TO HELP PATIENTS IN DIAGNOSIS OF THYROID DISORDERS

Abbott Pakistan not only endeavors to provide quality medicines that are efficacious but also supports the community in diagnosis of patients' health conditions.

The Company's medical department collaborated with Abbott diagnostic division and a reputable clinical laboratory to initiate a Patient Support Program. This program was aimed to support health care professionals and patients to test for thyroid disorders. On multiple occasions thyroid disorders go undiagnosed due to prohibitive cost of tests.

Abbott Pakistan through this support program is providing free testing to approximately 5,000 patients across the country. This service will not only support doctors in diagnosis but will also help patients in timely treatment.

ABBOTT ORGANIZED "WELLNESS CAMPAIGN" FOR PATIENTS TO HELP CREATE AWARENESS ABOUT LEVEL OF ZINC IN THEIR BODY AND ITS IMPORTANCE

Abbott Pakistan takes pride in giving back to the community. Therefore, helping people live life healthier is not just a vision but a part of our practical reality. It is for this purpose that Abbott's women and men health portfolio leads pan-Pakistan patient support programs, providing free of cost zinc taste tests, bone mineral densitometry and hemoglobin testing to the common public.

These are done under the banner of 'Abbott Wellness Camps' without advocating the name of any particular brand. Through these camps, patients can get an indication of the level of zinc in their body. They can also get an indication of their bone health or the level of hemoglobin in their body. They are then encouraged to consult their doctor or certified pharmacist for further medical recommendation.

OUR GLOBAL CITIZENSHIP PRIORITIES

At Abbott, we constantly work to integrate our citizenship strategy with our core business strategy. Abbott has four strategic priorities that, we believe, best align our citizenship activities and resources with our business operations. These are the material areas where our core business can have the most significant impact on society and the environment. We continue to work diligently in pursuit of these priorities:

Innovating For The Future

Using our core strength as an innovator to make a difference to the health and well-being of people everywhere.

Enhancing Access

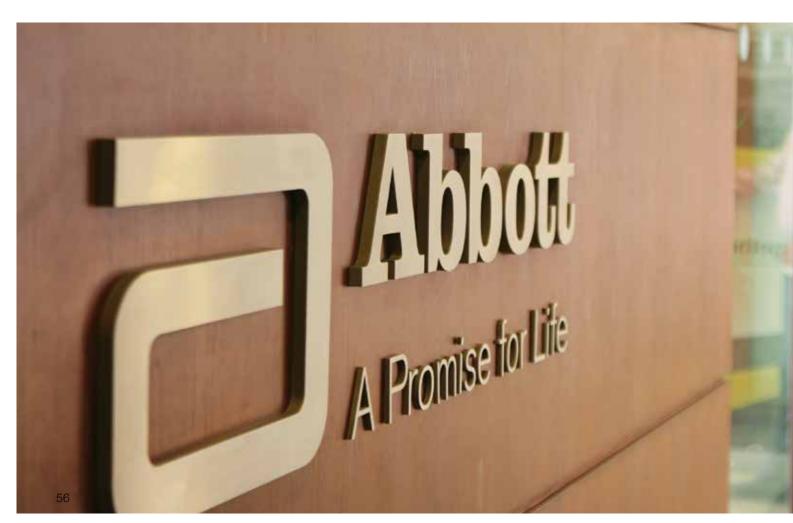

Breaking down the barriers that prevent many people worldwide from accessing the medicine and health care they need.

Supporting Patients and Consumers

Working to improve quality of life for our patients and consumers, while helping to educate health care professionals about the latest tools and treatments.

Safeguarding the Environment

Playing our part in addressing the global challenges of climate change and water scarcity while minimizing the environmental impacts of our products.

These four priorities provide a clear road map for pursuing our responsibilities as a socially responsible citizen, yet are flexible enough to enable creativity and innovation across our diverse mix of businesses.

INNOVATING FOR THE FUTURE

Scientific discovery and innovation are the hallmarks of Abbott's business – and the core of our commitment to advancing health and well – being. Our broad scientific expertise enables us to create new health care products, carry them through the critical stages of development and then deliver them to patients and health care providers around the world. Our diverse

itagether

portfolio of pharmaceuticals, nutrition, medical and diagnostic devices share a common framework of excellence in science, research, development and engineering.

With increasing awareness and demands, we will continue to run ICH-GCP (International Conference on Harmonization Good Clinical Practices) complaint clinical trials with the highest ethical standards to demonstrate clinical effectiveness and with robust Pharmacovigilance system to establish the safety of Abbott products with our consumers. This in turn will ensure availability of health care solutions for doctors and highest quality products for patients.

Our ongoing investment in R & D enables us to address the ever – changing global disease burden and to foster new, improved solutions for emerging health care challenges.

ENHANCING ACCESS

Our expertise and resources help to bridge gaps in healthcare access. We tailor our approach to specific patient needs in specific regions of the world.

Expanding access to care requires addressing a complex array of challenges. Lack of awareness about health care issues and treatments, inadequate healthcare infrastructure and social stigmas also can make it difficult for patients to get the medicines they need. We work to address these and other obstacles as part of our core business strategy and as part of our commitment to enhancing global health and wellbeing.

Expanding access to health care for patients around the world is a key component of Abbott's commitment to citizenship and is integral to our core business strategy. One of the most critical challenges facing our society is a broad lack of awareness about health care issues and treatments.

Abbott continues to be committed towards improving the quality of life of the people it serves.

Educating Healthcare Professionals - We continue to invest in continuing medical education of our healthcare professionals while striking a balance between continuing education and ethics compliance.

Reaching out to Under-served Communities - Abbott is also aware of its surroundings and is committed to giving back to the community where it operates.

SUPPORTING PATIENTS & CONSUMERS

Our ability to create life-enhancing and life-preserving products is constantly bolstered by scientific advances, but delivering on our commitment to patients and consumers goes well beyond the laboratory. To deliver safe and effective products - at the right time and in the right dosage or formulation - we work to educate patients and health care professionals about potential risks and side effects. All medicines, health care interventions, procedures and products carry some degree of risk - which must be balanced against

the often greater risks associated with the illnesses or injuries these interventions are designed to treat. Fully educating and informing our stakeholders about these risks and benefits is paramount. Along with educating patients and health care professionals about the safe use of our products, we work hard to ensure safety and consumer protection throughout the manufacturing and distribution process. The safety of many product ingredients is generating significant debate throughout the health care industry. At the same time, the broad geographic dispersion of our supply chain requires increased oversight and auditing.

Our obligation to protect patients and consumers goes beyond simply complying with regulatory requirements. It means earning and keeping the trust of all those who depend on our products by:

- Ensuring quality, safety and product integrity across the full spectrum of research, development and manufacturing of our products and packaging.
- Ensuring the quality, safety and authenticity of each product that bears the Abbott name through our distribution channels.

- Effectively identifying and targeting the most appropriate patient profiles for each Abbott product and ensuring that health care professionals are fully informed of the benefits and risks of our products.
- Directly and indirectly educating patients about proper storage, use and disposal of their medicines and health care products under appropriate medical supervision.

As a leader in global health care, Abbott's goal is to create and develop products that preserve and enhance the lives of patients and consumers.

SAFEGUARDING THE ENVIRONMENT

We work diligently to reduce our global environmental impacts - from the sourcing of raw materials, to the manufacture and distribution of our products, to the use and disposal of our products by consumers and health care providers. Our environmental stewardship initiatives help protect the planet while improving efficiency, reducing costs and preserving our ability to do business in the future. We have three environmental priorities:

- Climate change
- Water usage
- Product stewardship

We recognize the interrelated nature of these three priorities. Our work in one area inevitably affects the others. We have developed comprehensive management and governance systems to ensure that environmental considerations are fully integrated into our day-to-day planning and business processes. Our environmental stewardship initiatives help protects the planet while improving efficiency, reducing costs and preserving our ability to do business in the future.

Our environmental policy achieves these objectives:

- Improve the efficiency and sustainability of our business activities and products, reducing greenhouse gas emissions, water use and waste.
- · Require contractors working on behalf of Abbott

- to conform to regulatory requirements and meet applicable internal Environment, Health and Safety (EHS) standards.
- Establish goals and strategies for the enterprise and report publicly on our progress.
- Integrate sound EHS practices consistent with our management system into all aspects of the business, maintaining legal compliance.

Our global standards include technical program requirements, metrics and audit and reporting mechanisms that serve as a baseline expectation for health and safety performance worldwide. Every Abbott manufacturing plant implements a plan based on these standards and is evaluated regularly.

Clear policies, standards and management system ensure we operate in a manner that protects both human health and the environment. Our environmental management metrics, auditing and reporting mechanisms are evaluated regularly, and we hold our employees responsible for improving their performance against these targets as part of our annual performance appraisal process.

AWARDS AND RECOGNITION

ABBOTT WINS BEST CORPORATE REPORT AWARD 2014

Abbott Pakistan was awarded 2nd position in the Others category (which includes pharmaceutical companies) of the 2014 Best Corporate Report Awards organized by the Institute of Chartered Accountants of Pakistan (ICAP) and Institute of Cost and Management Accountants of Pakistan (ICMAP).

The objective of the award is to encourage and give recognition to companies showing excellence in annual corporate reporting that promotes corporate accountability and transparency through the publication of timely, qualitative and reader-friendly annual reports. Hence, this achievement of the company is a manifestation of Abbott's unrelenting drive towards excellence in all domains.

ABBOTT WINS "BEST CORPORATE SOCIAL RESPONSIBILITY (CSR) CONTRIBUTORS" AWARD

Abbott Pakistan during 2015 was awarded the Best CSR Contributor in the category of Green Environmental Stewardship, at the event of 5th Corporate Social Responsibility Awards 2016 organized by The Professional Network. This award is an acknowledgment of Abbott's contribution towards promotion of CSR values part of its culture.

Some major CSR activities included procurement and operation of Compost Machine that converts food and garden waste into useful fertilizer, celebrating World Environment Day with school children, educating them on the topic of environmental conversation and providing them with plantation opportunity, blood donation camps organized at Landhi and Korangi plants and plantation drive conducted in coordination with a college.

ABBOTT WINS MAP CORPORATE EXCELLENCE AWARD

Abbott Pakistan won the 31st Corporate Excellence Award and was awarded first rank by the Management

Mont Palatie

Association of Pakistan (MAP) in Pharmaceutical and Bio Tech sector for the third consecutive year.

MAP annually organizes 'Corporate Excellence Awards' to recognize and honor the best managed companies in Pakistan that follow guidelines and principles of latest management techniques by awarding them Corporate Excellence Award through an extensive, transparent process. The evaluation process and criteria entails Management Practices Appraisal based on questionnaire and

Top Management meetings and detailed financial evaluation based on Annual Report.

Abbott Pakistan, through its consistent Abbott values, best leadership practices and winning behavior culture has once again won this distinguished corporate award. Such recognition is clearly a source of continued enhanced image of Abbott Pakistan in the corporate world.

ABBOTT WINS COMMERCIAL EHS PROGRAM OF THE YEAR

Abbott Pakistan has been selected WINNER of 2014 Commercial EHS Program of the Year – Large Affiliate Category, organized by Global EHS of Abbott Group in which the company competed against various international affiliates.

The objective of the award is to recognize and honor the Environmental, Health & Safety (EHS) programs that have consistently demonstrated best-practice performance. This award shows Abbott Pakistan's commitment to excellence and acknowledges the Company's commitment to caring for its employees, customers and society.

Mr Arshad Saeed Husain, ex-Chief Executive Officer of the company resigned and ceased to hold the position effective January 1, 2016. Subsequently, the Board of Directors appointed Syed Anis Ahmed as 'Interim Chief Executive'. Thereafter in the month of March 2016, the Board of Directors has finalized the appointment of Syed Anis Ahmed as 'Managing Director & Chief Executive Officer' of Abbott Laboratories (Pakistan) Limited.

CORPORATE STRUCTURE

DIRECTORS' PROFILE

Munir Shaikh is currently Chairman of the Board of Directors of Abbott Laboratories (Pakistan) Limited and also Chairman of the Board of Directors of Abbott India Ltd. and Sunshine Holdings Ltd. Sri Lanka. All of these companies are publically listed with their shares quoted on Pakistan, Mumbai and Colombo Stock Exchanges respectively. Mr. Shaikh has held several management positions with Abbott in Asia, Middle East and the United States. He was Managing Director of Abbott Pakistan, Regional Manager, Caribbean based in Puerto Rico, Director of Business Development based in Chicago, Vice President, Middle East and Africa based in Dubai and Vice President Pacific, Asia Africa based in Singapore. Mr. Shaikh is a fellow of the Institute of Chartered Accountants in England and Wales.

Arshad Saeed Husain served as the Chief Executive Officer of Abbott Laboratories (Pakistan) Limited during 2015. Subsequently he tendered his resignation and ceased to hold the position effective 1st January 2016. Arshad was also a member of the Board of Trustees of the Abbott Staff Provident Fund and Abbott Staff Pension Fund. Earlier he was Managing Director for Syngenta Pakistan Limited and President Director, PT Syngenta Indonesia. He has a Bachelor's Degree (Honors) with specialization in International Trade & Development from the London School of Economics & Political Science, University of London.

Ehsan Ali Malik is part of the Board of Directors of Abbott Laboratories (Pakistan) Limited. Recently he has retired as a Chief Executive Officer/Director of Unilever Pakistan Limited. He was also a Director of Unilever Pakistan Foods Limited. He is currently serving as Director on Board of IGI Life Insurance Limited and as a Chief Executive, Pakistan Business Council. Further, he also served as a Chief Executive/ Director of Lever Chemical (Private) Limited, Lever Associated Pakistan Trust (Private) Limited, Unilever Birds Eye Foods Pakistan (Private) Limited and Sadiq (Private) Limited. His earlier international appointments covered Unilever's regional business in Srilanka, Egypt, Lebanon, Jordan, Syria and Sudan as well as Unilever's Head Office in UK. Ehsan is a Fellow of the Institute of Chartered Accountants in England and Wales and alumni of the Wharton and Harvard Business Schools.

Syed Anis Ahmed is part of the Board of Directors of Abbott Laboratories (Pakistan) Ltd. During 2015 he served as the Chief Financial Officer of Abbott Pakistan. Later, he was appointed as 'Interim Chief Executive' by the Board of Directors after resignation of Mr. Arshad Saeed Husain. Thereafter in the month of March 2016, the Board of Directors has finalized his appointment as 'Managing Director & Chief Executive Officer' of Abbott Laboratories (Pakistan) Limited. Anis is a member of Board of Trustees of the Abbott Staff Provident Fund, Abbott Staff Pension Fund and Abbott Workers' Profit Participation Fund. He has more than 20 years of experience in Finance, Taxation, IT, Corporate Governance and Compliance. Prior to Abbott, he was associated with A.F. Ferguson & Co. and Philips Pakistan. Anis is a fellow member of the Institute of Chartered Accountants of Pakistan.

KAMRAN Y. MIRZA Director Kamran Mirza is part of the Board of Directors Abbott Laboratories (Pakistan) Limited. Previously, he has also served as the Chief Executive Officer of Abbott Pakistan for 29 years. He currently serves as Director on the Boards of Safari & Outdoor Club of Pakistan, International Steel Ltd., Karwan-e-Hayat and Bank Al-Falah. He is also Chairman & Director of Education Fund for Sindh (EFS), Unilever Pakistan Foods Limited and Philip Morris (Pakistan) Limited. In the past, he has also served as Chief Executive, Pakistan Business Council, Chairman, Karachi Stock Exchange (KSE), President, Overseas Chamber of Commerce & Industry (OICCI), President American Business Council (ABC) and Chairman Pharma Bureau. He is a qualified Chartered Accountant from the United Kingdom.

Shamim Ahmad Khan is part of the Board of Directors of Abbott Laboratories (Pakistan) Limited. He also serves on the Boards of Packages Limited, IGI Insurance Limited, Attock Refinery Ltd, IGI Life Insurance Ltd. and Karandaaz (Pvt) Limited (a non-profit company sponsored by DFID). He is also a Member of the Board of Governors Sustainable Development Policy Institute (SDP) and Advisory Committee of Centre for International Private Enterprises (CIPE). After joining the Civil Service of Pakistan in 1962, Mr. Shamim Ahmad Khan served in various senior positions in Government of Pakistan retried as Secretary, Ministry of Commerce. For ten years he worked as Member and later as Chairman of the Corporate Law Authority, the regulatory body for the corporate sector in Pakistan. He was the founder Chairman of the Securities and Exchange Commission of Pakistan.

Zehra Naqvi is the Chief Executive Officer of ACE Insurance Ltd. a wholly owned subsidiary of ACE-INA International Holdings Limited, Delaware, USA (an ACE Group Company). She has 35 years of experience in the Insurance sector. Prior to joining ACE, she worked with Guardian Royal Exchange and Adamjee Insurance Company in Pakistan. Ms. Naqvi is a member of the Punjab Board of Investment & Trade. She is on the Managing Committee of the Overseas Investors Chamber of Commerce & Industry and the Insurance Association of Pakistan. She has also served on the Executive Committee of the American Business Council. She is a Chartered Insurer from the Chartered Insurance Institute, UK. She has a B.Sc. Degree from Karachi University and an MBA Degree from the Institute of Business Administration, Karachi.

CORPORATE GOVERNANCE

PERFORMANCE EVALUATION OF THE BOARD

The Board of Directors act as governing trustees of the Company on behalf of the shareholders while carrying out the Company's mission and goals. The Board of Directors sets the following evaluation criteria to judge its performance.

- a. Compliance with the legislative system in which Abbott Pakistan operates, particularly Companies Ordinance, 1984, listing regulations of Pakistan Stock Exchange, and the Memorandum and Articles of Association of the Company.
- b. Review of the strategic plans and business risks, monitor Company's performance against the planned objectives and advise the management on strategic initiatives.
- c. Establishing adequate internal control system in the Company and its regular assessment through self assessment mechanism and internal audit activities.
- d. Ensuring required quorum of Board meeting is available, in order to have detailed deliberation and quality decision on matters of significance.
- Ensuring training of Board of Directors including new appointments such that each member is fully aware of his roles and responsibilities.

PERFORMANCE EVALUATION OF THE CHIEF EXECUTIVE

The Chief Executive Officer, being part of the Board, is present in every meeting of the Board. The CEO provides an overview of the Company's performance to the Board and addresses any specific questions by the Board members. The performance of the CEO is assessed through the evaluation system set by Abbott Pakistan. The principle factors of evaluation include financial performance, business processes, compliance, business excellence and people management.

ROLE OF CHAIRMAN

The Chairman of the Board has a responsibility to lead the Board and ensure its effective functioning and continuous development.

Role of Chairman of the Board is to:

- ensure that the Board is properly working and all matters relevant to the effective functioning of the Company are placed on the agenda of Board meetings;
- conduct the Board meetings including fixing the agenda; and
- ensure that all the directors are enabled and encouraged to fully participate in the deliberations and decisions of the Board.

ROLE OF CHIEF EXECUTIVE

Chief Executive is responsible for the management of the Company and its procedures in financial and other matters, subject to the oversight and directions of the Board, in accordance with the Companies Ordinance, 1984. His responsibilities include implementation of strategies and policies approved by the Board, making appropriate arrangements to ensure that all the resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations.

INTERNAL CONTROL FRAMEWORK AND ROLE OF INTERNAL AUDITOR

The Company maintains an established internal control framework comprising clear structures, authority limits, and accountabilities, well understood policies and procedures and budgeting for review processes under oversight of Board of Directors. All policies and control procedures are documented in manuals.

As a part of internal control framework, the Board of Directors acts in accordance with the recommendations of the Audit Committee as documented in its terms of reference.

In line with the requirements of Code of Corporate Governance, the Company has established an independent Internal Audit function who reports to the Audit Committee. During the year, the Internal Audit function carried out its activities in accordance with its approved Audit Program and made its recommendations for value addition and improvement in existing internal controls / operations. Internal Audit function has played a vital role in improving the overall control environment within the organization.

It is also acting as an advisor to other functions for streamlining systems in addition to ensuring effective implementation of Company's policies and suggesting procedures for revenue maximization and cost savings.

CONFLICT OF INTEREST AMONG BOARD MEMBERS

Any conflict of interest relating to members of Board of directors is managed as per provisions of the Companies Ordinance, 1984 and rules and regulations of SECP and Pakistan Stock Exchange.

STAKEHOLDERS' ENGAGEMENT

At Abbott, a robust engagement takes place to understand and respond to our legitimate stakeholder concerns. Our key stakeholders are:

- Shareholders
- Customers
- Suppliers
- Banks
- Employees
- Government and regulatory authorities

The frequency of engagements is based on business needs and corporate requirements as specified by the Code of Corporate Governance, or as contracted, under defined procedures.

SAFEGUARDING OF RECORDS

Abbott effectively ensures the safety of records. All records are retained as long as they are required to meet legal, administrative, operational and other requirements of the Company.

IT GOVERNANCE AT ABBOTT

Abbott Pakistan has put into place governance arrangements through an IT steering committee to align IT related decisions and actions with the organizations strategic and operational priorities. With senior executive representation from each division and chaired by the Managing Director, the committee meets on a quarterly basis and provides oversight of IT Governance and input on strategic alignment, value delivery and resource management.

BRIEF TERMS OF REFERENCE OF BOARD COMMITTEES

AUDIT COMMITTEE

The Committee comprises of three members, all of whom are Non-Executive Directors. The Audit Committee meets at least four times a year. The Company Secretary acts as secretary to the Audit Committee. The brief terms of reference of the audit committee are as follows:

- Review quarterly, half yearly and annual financial statements of the company prior to their approval by the Board of Directors.
- Review preliminary announcements of results prior to publication.
- At least once a year, the Audit Committee shall meet external auditors without Chief Financial Officer and Chief Internal Auditor.
- At least once a year, the Audit Committee shall meet Chief Internal Auditor without Chief Financial Officer and external auditors.
- Recommend the appointment of external auditors to the Board of Directors and consider any questions of resignation or removal of external auditors, if any, audit fees, and provision by external auditors of any service in addition to audit of financial statements.
- · Review management letter issued by the external auditors and management response thereto.
- Determination of appropriate measures to safeguard the Company's assets.
- · Consideration of any other issue or matter as may be assigned to the Committee by the Board of Directors.

BANKING COMMITTEE

The Committee comprises of a Non-Executive Director, one Executive Director and Chief Executive Officer. The Banking Committee approves matters relating to opening, closing and day-to-day operations of bank accounts, issuing such instructions to the Company's bankers with regards to the Company's banking transaction and business, as it may consider appropriate.

HUMAN RESOURCE AND REMUNERATION COMMITTEE

The Committee consists of Chief Executive Officer and three Non-Executive Directors. The HR Director acts as Secretary to the Committee. This Sub-Committee of the Board is responsible for reviewing the remuneration and benefits of the Chief Executive Officer, Executive Directors, Company Secretary and Chief Internal Auditor. The meeting of the committee is held at least once in a year.

SHARE TRANSFER COMMITTEE

The Committee comprises of Chief Executive Officer, one Executive Director and one Non-Executive Director. The Company Secretary acts as secretary to the Committee. The Committee approves registration, transfer and transmission of shares. Moreover, it also issues and cancels share certificates including duplicate share certificates.

^{**} Appointed as Member of Committee w.e.f August 21, 2015

DIRECTORS' REPORT

The Directors take pleasure in presenting this Report together with the audited financial statements of the Company for the year ended December 31, 2015.

OPERATING RESULTS	Rs in 000
Profit for the period before taxation	5,006,477
Taxation	(1,419,741)
Profit after taxation	3,586,736
Other comprehensive income net of tax	(102,629)
Un-appropriated profit brought forward	4,214,694
Profit available for appropriation	7,698,801

APPROPRIATIONS:

Final dividend 2014 Rs 4.8 per share	(469,921)
Interim dividend 2015 Rs 10 per share	(979,003)
Un-appropriated profit carried forward	6,249,877

FINANCIAL PERFORMANCE

Net sales for the year increased 8% over previous year. Gross Profit ratio at 39% improved marginally. Further, decrease in Taxation charge is due to reduced tax rate in the current year. Additionally, deferred tax income in the current year as against deferred tax charge in the prior year also contributed to the decrease. Profit after tax for the year increased 27% over prior year. Earnings Per Share was Rs 36.64 (2014: Rs 28.77).

The Directors are pleased to announce a final cash dividend of Rs 20.00 per share (2014: Rs 4.80 per share), which is in addition to an interim cash dividend of Rs 10.00 per share (2014: Rs 3.00 per share) paid to the shareholders during 2015.

SEGMENT-WISE SALES AND MARKET PERFORMANCE

Pharmaceutical sales increased 5%. Nutritional sales increased 20% over prior year mainly due to volume and selective price increases of certain products. Pediasure, Ensure and Glucerna posted strong double digit growth.

General Health Care (GHC), Diagnostic and Diabetes Care sales for the year grew 12%. This is mainly driven by new product launches.

INDUSTRY OVERVIEW

Pharmaceutical industry in Pakistan is currently estimated at US \$ 2.6 billion as per IMS December 2015. The market share of MNCs is currently at 37% which has declined

significantly over the years. Some MNCs have been forced to scale back their operations due to continued financial viability of their products. This highlights need for more pragmatic pricing policy by the Government. Abbott Pakistan achieved share of 6.4% (as per IMS Dec. 2015, MAT) in the pharmaceutical and nutrition market.

CAPITAL EXPENDITURE

The Company during the year made capital investment of Rs. 1,174 million for enhancement of productivity, efficiency of plant operations and future growth. Major capital expenditure was for expanding manufacturing capacity of Lyophilized products, Tablet manufacturing, and Liquid manufacturing at Korangi.

LIQUIDITY MANAGEMENT AND CASH FLOW STRATEGY

During the period, Rs. 4,062 million was generated from operations. At year end, the Company had liquid funds comprising cash/bank balances and short term investments amounting to Rs. 8,321 million net of investments on capital projects and dividend payments.

A formal cash flow monitoring mechanism has been developed whereby cash inflows and outflows are projected and monitored on a regular basis. This ensures sufficient availability of funds at all times while generating optimum returns through placement of surplus liquidity in various suitable investment opportunities.

The Company follows a prudent investment strategy for placement of surplus funds. These funds are generally placed in short-term bank deposits.

The Company's existing investment portfolio and new proposals for funds placement are reviewed by the investment committee comprising members of senior management.

EVALUATION OF COMPANY'S PERFORMANCE

For the purpose of evaluating the performance of the Company, the management uses various indicators that include industry growth, position of peer companies in relevant therapeutic areas, prior years' performance, macroeconomic indicators and business environment impacting the Company.

Budgets are formulated and actual performance measured against the budget at regular intervals during the year so that remedial action could be taken on a timely basis. This exercise is carried out for all the business segments of the Company. The management believes that these indicators will continue to be relevant in the future.

RISK MANAGEMENT

The Company's overall risk management program focuses on minimizing potential adverse effects on the Company's performance. The overall risk management of the Company is carried out by the Company's senior management team and the results are shared with the Board of Directors. This entails identifying, evaluating and addressing strategic,

financial, commercial and operational risks faced by the Company.

A senior management team also carries out a SWOT analysis of the Company and its products. On the basis of the SWOT analysis, key challenges are addressed and opportunities identified, action plans developed and executed to achieve the long term strategic objectives of the Company.

CONTRIBUTION TO NATIONAL EXCHEQUER

Your Company has contributed Rs 3,043 million (2014: Rs 2,765 million) to the government on account of various government levies including income tax, customs duties and sales tax.

ENVIRONMENT, HEALTH AND SAFETY

Your Company has achieved the targets set for concept of "Zero Waste to Landfill" through various waste reduction initiatives including installation of composting machine. Your company has pioneered to convert canteen and garden waste into compost that can be utilized as fertilizer. To conserve water, automatic water faucets and flow meters have been installed.

Overall it proved to be a highly successful year in which all the Environment, Health and Safety (EHS) goals were achieved and a truly EHS enriched culture was promoted throughout the organization.

BUSINESS PROCESS IMPROVEMENT

Abbott Pakistan has been continuously making investment in production facilities for process improvement, energy conservation, and improvement in quality and ensuring regulatory, safety and environmental compliance.

Manufacturing capacity of liquid area has been expanded and approved by regulatory authority. This should improve productivity and customer service.

Sterile Manufacturing facility has been expanded to increase manufacturing capacity of Lyophilized products by installing a new state-of-the-art Lyophilizer (Freeze Dryer) of four times higher capacity along with Vial Filling and Sealing Machines to meet increasing customer demand.

New software "Solution for Tracking Regulatory and Quality Systems" (SolTRAQs) has been deployed for Validation Change Requests, Exceptions and Laboratory Investigations to enhance process efficiency and compliance as part of improvement in Quality Management System.

Overall, various Business Process Improvement initiatives greatly contributed towards improving your Company's financial performance.

HUMAN RESOURCES

Abbott Pakistan HR continued to take and drive several initiatives that contributed to employee motivation and retention.

'Workday' an online HR Management System which was globally rolled-out earlier this year was also successfully rolled-out in Pakistan. The system enables employees to have ready access to their personnel data as well as data of the organization reporting into them as managers. This system is bringing about significant operational efficiencies enabling managers to give more time to their core functional responsibilities.

Winning Together Behavior and Culture'; another one of Abbott's global initiatives was rolled-out in Abbott Pakistan. Through this rollout, employees were educated on behaviors that positively contribute to their own performance and well-being; while also contributing directly to business; and it is expected to bring about a major positive change in how employees pursue their targets. All divisions of Abbott Pakistan are participating in this initiative.

As a responsible corporate citizen, your company continued to provide management traineeships and internship experiences to students from various academic institutions. While management trainees provide your company with succession pipeline, interns continue to serve as our ambassadors at these institutions.

Your company has been placing a stronger than ever focus on employees' development, through structured in-house programs and structured in-house and external programs to enhance their skills. By implementing all these initiatives, your company is endeavoring to make itself 'A Great Place to Work.'

GLOBAL CITIZENSHIP

At Abbott, we believe that responsible, sustainable businesses have an important role to play in building a healthy, thriving society. This commitment to global citizenship shapes the way we operate, the people we hire, the activities we support, and the relationships we form. To transform our global citizenship ambitions into sustainable ideas, Abbott focuses on four key priorities: Innovating for the Future, Enhancing Access, Protecting Patients and Consumers and Safeguarding the Environment.

Working in partnership with others, Abbott leverages its core business expertise and resources to create sustainable solutions in countries around the world.

SUBSEQUENT EVENTS

The Chief Executive Officer of the company has resigned and ceased to hold the position effective January 1, 2016. Subsequently, the Board of Directors has appointed Syed Anis Ahmed, Director Finance as 'Interim Chief Executive' for the period of three months with effect from January 13, 2016.

No material changes or commitments affecting the financial position of the Company have taken place between the end of the year and the date of this report.

BUSINESS CHALLENGES AND FUTURE OUTLOOK

Lack of pricing mechanism is adversely impacting growth of Pharmaceutical industry. This also hampers introduction of new drugs in the country. Despite the enactment of new Drug Pricing Policy (the Policy) by the Government in 2015 with prescribed timeframe, The Drug Regulatory Authority (the authority) has been unable to provide any price adjustment for pending hardship applications for many years. The Policy also mandated a rollback in drug prices to October 2013 levels. In this respect, the Industry has obtained a Stay Order from the Sindh High Court. Further, there are concerns as to other provisions of the Policy where the perspective of all the stakeholders has not been taken into account.

The Company continues to face the ever present challenges of rapid escalation in costs owing to inflation and devaluation of Pak Rupee. In the absence of corresponding price adjustments, efforts are being made to offset increase in manufacturing and operating cost through productivity improvements, cost containment and process simplification.

The Company despite all these challenges has remained focused on continued sustainability of its operations by providing quality products to the consumers.

Considering the steady escalation in input costs, we request the Government of Pakistan to implement a rational and transparent pricing mechanism acceptable to all the stakeholders to ensure continued availability of quality pharmaceutical products in the market. Abbott Pakistan along with other members of the pharmaceutical industry continues to work with the Government for the implementation of a rational acceptable pricing policy for pharmaceutical products. Rationalization of taxes, especially through zero rating the pharmaceutical industry for sales tax purposes is an urgent need to ensure availability of quality pharmaceuticals to the patients.

The Drug Regulatory Authority has significant importance for the overall development of pharmaceutical industry. We hope that the Authority will remain affirmative in helping the industry to grow and addressing various long outstanding issues.

Ineffective legal protection of Intellectual Property Rights remains a matter of concern for the industry. Concrete steps need to be taken to address the growing menace of both piracy and counterfeiting. Active implementation and monitoring would help the industry and the consumers.

AUDITORS

The present Auditors M/s Ernst & Young Ford Rhodes Sidat Hyder, Chartered Accountants, retire and being eligible, offer themselves for re-appointment. The Board of Directors endorses the recommendation of the Audit Committee for their re-appointment as auditors of the Company for the financial year ending December 31, 2016.

PATTERN OF SHAREHOLDING

A statement showing the pattern of shareholding in the Company and additional information as at December 31, 2015 is given on page 143.

Mr. Ehsan Ali Malik, Director has acquired 3,400 shares at the rate of Rs 681.8 per share in December 2015.

Other directors, CEO, CFO, Company Secretary and their spouses and minor children did not carry out any transaction in the shares of the Company during the year.

HOLDING COMPANY

As at December 31, 2015 Abbott Asia Investments Limited, UK held 76,259,454 shares. The ultimate holding Company is Abbott Laboratories, USA.

COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

As required by the Code of Corporate Governance 2012, the Directors are pleased to state as follows:

- The financial statements, prepared by the management of the Company, present fairly its state of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of account of the Company have been maintained.
- Appropriate Accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
- International Financial Reporting Standards, as applicable
 in Pakistan, have been followed in preparation of financial
 statements and any departure therefrom has been
 adequately disclosed and explained.
- The Company maintains a sound internal control system which gives reasonable assurance against material misstatement or loss. The internal control system is regularly reviewed.
- There are no doubts upon the Company's ability to continue as a going concern.
- Key operating and financial data for the last six years is summarized on page 78.

- Outstanding taxes, statutory charges and duties, if any, have been duly disclosed in the Financial Statements.
- Significant deviations, from last year in the operating results of the Company have been highlighted and explained.
- In accordance with the criteria specified in clause (xi) of the Code, two directors have a certification under Directors' Training Program, three directors of the Company are exempt from the requirement of Directors' training program and the remaining Directors will receive training within the prescribed time period up to June 30, 2016. All the directors on the Board are fully conversant with their duties and responsibilities as directors of corporate bodies. The Board had arranged an orientation course of the Code of Corporate Governance for its directors in the previous years to apprise them of their role and responsibilities.
- There are no outstanding loans, TFCs, sukuks or any other debt instruments.
- The value of investments made by the staff retirements funds as per their financial statements are as follows:-

Value (Rs in millions)

ALPL Pension Fund (Based on year ended	3,065
December 31, 2014) - audited	
ALPL Provident Fund (Based on year ended	
December31, 2014) - audited	1,052

 During the period, four meetings of the Board of Directors were held. Attendance by each Director/CFO/Company Secretary was as follows:

	Mr. Arshad Saeed Husain Syed Anis Ahmed – Director & CFO Mr. Kamran Y. Mirza Mr. Shamim Ahmad Khan Mr. Ehsan Ali Malik Mr. Atif Aslam Bajwa* Ms. Zehra Naqvi**	of Board Meetings Attended

COMMENTS ON FINANCIAL RATIOS

PROFITABILITY RATIOS

The increase in profit after tax by 27% compared to prior year is mainly attributable to volume growth, new product launches, effective cost controls and reduced taxation charge in current year.

Gross Profit ratio improved to 39% from 38% last year despite inflationary pressures owing to improved product mix. **Net Profit to sales ratio** improved to 17% from 14% last year mainly on account of improved gross margins, effective cost controls and reduced prior year taxation charge in current year.

LIQUIDITY RATIOS

The increase in cashflows from operating activities is mainly derived from improved profitability and better working capital management which accordingly resulted in increase in cash and cash equivalents by Rs 1,939 million as compared to last year.

Increase in cash & cash equivalents has resulted in increase in liquidity ratios such as **quick / acid test ratio** (2015: 2.81, 2014: 2.76) and **cash to current liabilities** (2015: 2.51, 2014: 2.39).

ACTIVITY / TURNOVER RATIOS

Operating cycle has declined overall from 44.17 days in 2014 to 30.96 days in 2015 due to better inventory management which has resulted in reduced number of days in inventory.

Total assets turnover ratio declined from 1.58 in 2014 to 1.40 in 2015 due to increase in cash & cash equivalents as explained above.

Fixed assets turnover ratio declined from 5.96 in 2014 to 5.70 in 2015 due to increase in capital expenditure from Rs. 661 million in 2014 to Rs. 1,174 million in 2015.

INVESTMENT / MARKET RATIOS

Earnings per share increased from Rs 28.77 in 2014 to Rs 36.64 in 2015 as a result of the increase in profit after tax by 27% compared to prior year as mentioned above.

P/E ratio declined from 24.70 in 2014 to 17.33 in 2015, mainly due to decline in market price per share from Rs 710.68 in 2014 to Rs 635.00 in 2015.

Dividend yield ratio increased from 1.1% in 2014 to 4.7% in 2015 and **Dividend pay-out ratio** increased from 0.27 (times) in 2014 to 0.82 (times) in 2015, on account of increased dividend payout in the current year from Rs 7.8 to Rs 30.00 per share.

Break-up value per share has increased from Rs 111.05 in 2014 to Rs 132.27 in 2015 due to increase in total equity this year by Rs 2,078 million as compared to prior year.

Market capitalization has declined from Rs 69,576 million in 2014 to Rs 62,167 million in 2015 due to decline in market price per share from Rs 710.68 in 2014 to Rs 635.00 < in 2015

CAPITAL STRUCTURE RATIOS

There is no short-term or long-term debt as at balance sheet date, therefore capital structure ratios like financial leverage ratio, weighted average cost of debt and debt to equity ratio are not relevant.

COMMENTS ON PROFIT AND LOSS ACCOUNT

SALES

Net sales for the year increased 8% over previous year. Pharmaceutical sales for the year increased by 5% over prior year mainly due to unit growth. Nutritional sales for the year posted 20% growth over prior year mainly due to volume and selective price increases of certain products. Pediasure, Ensure and Glucerna posted strong double digit growth. Sales for 'others' that include General Health Care (GHC), Diagnostic and Diabetes Care, grew by 12% over last year. This is mainly driven by new product launches during the year.

SELLING AND DISTRIBUTION EXPENSES

Decrease in selling and distribution expenses is attributable to company initiatives taken last year resulting in savings in current year mainly from realignment of our field force, induction of trade team and one off expenditures in connection with successful launch of portfolio selling strategy.

TAXATION

Decrease in overall taxation charge in current year versus last year is attributable to reduced prior year charge in current year, reduction in 1% corporate tax rate, and occurrence of deferred tax income in current year versus deferred tax charge in last year.

COMMENTS ON BALANCE SHEET

NON-CURRENT ASSETS

Property, plant and equipment have witnessed significant increase during the current year due to strategic investments in production facilities and infrastructure to support growing scale of business at international quality standards. Major capital expenditure incurred during the year was for expanding manufacturing capacity of lyophilized products, tablet manufacturing, liquid manufacturing upgrade at Korangi facility and demonstration equipments.

CURRENT ASSETS

The increase in current assets mainly owes to higher cash and bank balances generated from operations during the year.

CURRENT LIABILITIES

Trade and other payables have increased over prior year mainly because of increased bills payable liability at year end due to timing difference.

EQUITY

Equity grew from prior year primarily due to profit for the year, partially offset by final and interim dividends during the year.

COMMENTS ON CASH FLOWS

CASHFLOWS FROM OPERATING ACTIVITIES

There is an increase in cashflows from operating activities mainly due to higher profitability and favorable working capital changes, partially offset by income taxes paid during the year.

CASHFLOWS FROM INVESTING ACTIVITIES

Net cash outflows from investing activities have increased from prior year primarily due to increase in capital expenditure during the year.

CASHFLOWS FROM FINANCING ACTIVITIES

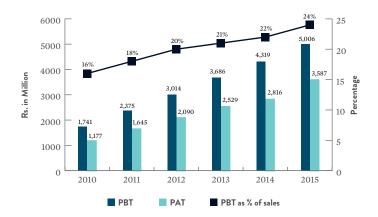

Cash outflow from financing activities increased during the current year primarily on account of increased dividend payout during the year.

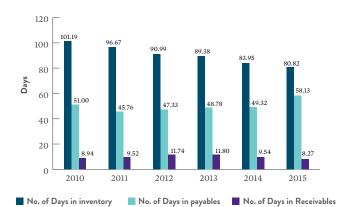

CASH FLOW STATEMENT - DIRECT METHOD

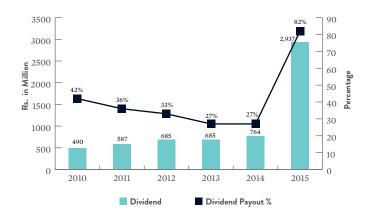

For The Year Ended December 31, 2015

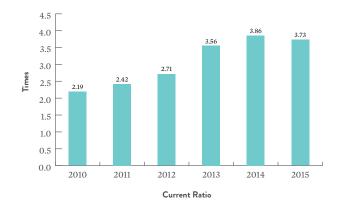

(Rupees → OF TRIMS ACTIVITIES Cash FLOWS FROM OPERATING ACTIVITIES 21,183,885 19,731,593 Cash paid to suppliers / service providers (12,593,143) (12,091,832) Cash paid to employees (2,283,587) (2,269,422) Payment of royalty and technical service fee (168,209) (157,575) Bayment to retirement funds (236,917) (218,416) Income taxes paid (1,520,063) (1,409,639) Payment of other statutory charges (319,623) (249,020) Long-term deposits - net 130 (3,502) Long-term prepayments - net (439) (1,106) Net cash inflow from operating activities 4,062,034 3,331,081 CASH FLOWS FROM INVESTING ACTIVITIES Fixed capital expenditure (1,174,097) (661,443) Acquisition of intangible asset (1,185,00) - Sale proceeds from disposal of property, plant and equipment 63,199 75,51 Interest income 456,928 426,542 Net cash outflow from investing activities (672,470) (159,370) CASH FLOWS FROM FINAN		2015	2014

SHARE PRICE SENSITIVITY ANALYSIS

Share price in the stock market moves due to various factors such as company performance, general market sentiment, economic events and interest rates, etc. Being a responsible and law-compliant Company, Abbott circulates price sensitive information to the stock exchange in accordance with the requirements of listing regulations on a timely manner. During the year 2015, Abbott share price has touched the peak of Rs 744.4 while the lowest recorded price was Rs 473.2 with a closing price of Rs. 635 at the end of the year.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

This statement is being presented to comply with the Code of Corporate Governance (the Code) contained in the listing regulations of Pakistan Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner:

1. The Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of Directors (the Board). At present the Board constitutes of:

Category	Names		
Indonesia de la Dinactoria	Mr. Ehsan Ali Malik		
Independent Director	Ms. Zehra Naqvi		
Executive Director	Mr. Arshad Saeed Husain		
Executive Director	Syed Anis Ahmed		
Non-Executive Director	Mr. Munir A. Shaikh		
	Mr. Kamran Y. Mirza		
	Mr. Shamim Ahmad Khan		

The independent directors meet the criteria of independence under clause i (b) of the Code.

- The directors have confirmed that none of them is serving as a director on more than seven listed companies, including this Company.
- 3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loans to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. One casual vacancy occurred in the Board during the year and was filled within 90 days of its occurrence.
- 5. The Company has prepared a Code of Business Conduct and has ensured that appropriate steps have been taken to disseminate it throughout the Company. In addition, the Company has prepared and fully implemented an Ethics Compliance Program under which a number of core policies have been prepared to cover various facets of business practices.
- The Company has developed a vision / mission statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of appointment of the Chief Executive Officer (CEO), other executive and non-executive directors, have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose. The Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated in time.
- 9. In accordance with the criteria specified in clause (xi) of the Code, two directors have a certification under Directors' Training Program, three directors of the Company are exempt from the requirement of Directors' Training Program and the rest of the Directors will be trained within the prescribed time period during June 30, 2012 to June 30, 2016. All the directors on the Board are fully conversant with their duties and responsibilities as directors of corporate bodies. The Board had arranged an orientation course of the Code of Corporate Governance for its directors in the previous years to apprise them of their role and responsibilities.
- 10. The Board approves the appointment, remuneration and terms and conditions of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit, as recommended by HR and Remuneration Committee.

- 11. The Company maintains an updated list of related parties and all transactions with related parties are placed before the Audit Committee on a quarterly basis. All related party transactions have been reviewed and approved by the Board and are carried out on normal / agreed terms and conditions in accordance with the agreements.
- 12. The Directors' report for this year has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 13. The financial statements of the Company were duly endorsed by the CEO and CFO before approval of the Board.
- 14. The Directors, CEO and executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
- 15. The Company has complied with all the corporate and financial reporting requirements of the Code.
- 16. The Board has formed an Audit Committee. It comprises three members, of whom all are non-executive directors including the chairman of the audit committee and the chairman of the Committee is an independent director.
- 17. The meetings of the Audit Committee were held at least once every quarter prior to approval of the quarterly, half yearly and final results of the Company and as required by the Code. The terms of reference of the Committee have been formed and advised to the committee for compliance.
- 18. The Board has formed an HR and Remuneration Committee. It comprises four members, of whom three are non-executive directors and an executive director. The Chairman of the Committee is a non-executive director.
- 19. The Board has set-up an effective in-house Internal Audit function. In addition, the Board has made arrangements for periodic internal audits by an independent firm of Chartered Accountants. Both the firm and the in-house internal audit staff are conversant with the policies and procedures of the Company.
- 20. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of The Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on the code of ethics as adopted by the ICAP.
- 21. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Listing Regulations and auditors have confirmed that they have observed IFAC guidelines in this regard.
- 22. The 'closed period', prior to the announcement of interim and final results, and business decisions, which may materially affect the market price of the Company's securities was determined and intimated to directors, employees and Stock Exchanges.
- 23. Material / price sensitive information has been disseminated among all market participants at once through Stock Exchanges.
- 24. We confirm that all other material principles enshrined in the Code have been complied with.

By order of the Board

Munir A. Shaikh Chairman

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of Abbott Laboratories (Pakistan) Limited (the Company) for the year ended 31 December 2015 to comply with the requirements of Listing Regulations of Pakistan Stock Exchange Limited, where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal controls covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors' for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code, as applicable to the Company for the year ended 31 December 2015.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of Abbott Laboratories (Pakistan) Limited as at 31 December 2015 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- a) in our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- b) in our opinion:
 - the balance sheet and profit and loss account, together with the notes thereon, have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied except for changes as stated in note 2.1.3 to the accompanying financial statements with which we concur;
 - ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, gives the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of the profit, the comprehensive income, its cash flows and changes in equity for the year then ended; and
- d) in our opinion, Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under Section 7 of that Ordinance.

Chief Executive (Interim)

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended December 31, 2015

1. THE COMPANY AND ITS OPERATIONS

Abbott Laboratories (Pakistan) Limited (the Company) is a public limited Company incorporated in Pakistan on July 02, 1948, and its shares are quoted on Pakistan Stock Exchange. The address of its registered office is opposite Radio Pakistan Transmission Centre, Hyderabad Road, Landhi, Karachi. The Company is principally engaged in the manufacture, import and marketing of research based pharmaceutical, nutritional, diagnostic, diabetic care, hospital and consumer products.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

2.1.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984, shall prevail.

2.1.2 Accounting convention

These financial statements have been prepared under the historical cost convention except for defined benefit pension plan which is carried at present value of defined benefit obligation net of fair value of plan assets.

2.1.3 Adoption of amended standards

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as describe below:

New Standards, Interpretations and Amendments

The Company has adopted the following accounting standards and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 10 - Consolidated Financial Statements

IFRS 11 - Joint Arrangements

IFRS 12 - Disclosure of Interests in Other Entities

IFRS 13 – Fair Value Measurement

IAS 19 - Employee Benefits - (Amendment) - Defined Benefit Plans: Employee Contributions

Improvements to Accounting Standards Issued by the IASB in December 2013

IFRS 2 Share-based Payment – Definitions of vesting conditions

IFRS 3 Business Combinations - Accounting for contingent consideration in a business combination

IFRS 3 Business Combinations – Scope exceptions for joint ventures

IFRS 8 Operating Segments - Aggregation of operating segments

IFRS 8 Operating Segments – Reconciliation of the total of the reportable segments' assets to the entity's assets

IFRS 13 Fair Value Measurement - Scope of paragraph 52 (portfolio exception)

IAS 16 Property, Plant and Equipment and IAS 38 Intangible Assets – Revaluation method – proportionate restatement of accumulated depreciation / amortisation

IAS 24 Related Party Disclosures - Key management personnel IAS 40 Investment Property - Interrelationship between IFRS 3 and IAS 40 (ancillary services)

The adoption of the above amendments, improvements to accounting standards and interpretations did not have any effect on the financial statements.

2.1.4 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard or Interpretation	Effective date (annual periods beginning on or after)
IFRS 10 Consolidated Financial Statements, IFRS 12 Disclosure of Interests in Other Entities and IAS 27 Separate Financial Statements – Investment Entities: Applying the Consolidation Exception (Amendment)	s 01 January 2016
IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	n Not yet finalized
IFRS 11 – Joint Arrangements - Accounting for Acquisition of Interest in Joint Operation (Amendment)	ı 01 January 2016
IFRS 1 – Presentation of Financial Statements - Disclosure Initiative (Amendment)	01 January 2016
IAS 16 Property, Plant and Equipment and IAS 38 intangible assets Clarification of Acceptable Method of Depreciation and Amortization (Amendment)	
IAS 16 Property, Plant and Equipment and IAS 41 Agriculture - Agriculture Bearer Plants (Amendment)	: 01 January 2016
IAS 27 - Separate Financial Statements - Equity Method in Separate Financial Statements (Amendment)	e 01 January 2016

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in September 2014. Such improvements are generally effective for accounting periods beginning on or after 01 January 2016. The Company expects that such improvements to the standards will not have any material impact on the Company's financial statements in the period of initial application

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standard	IASB Effective date (annual periods beginning on or after)
IFRS 9 - Financial Instruments: Classification and Measurement	01 January 2018
IFRS 14 – Regulatory Deferral Accounts	01 January 2016
IFRS 15 – Revenue from Contracts with Customers	01 January 2018
IFRS 16 – Leases	01 January 2019

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended December 31, 2015

2.1.5 Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affects the application of policies and the reported amount of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates underlying the assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments and estimates made by the management that may have a significant risk of material adjustments to the financial statements in the subsequent years are as follows:

- i) Useful lives of items of property, plant and equipment (note 2.3 and note 8.1);
- ii) Provision for slow moving and obsolete stock-in-trade (note 2.6 and note 13);
- iii) Provision for slow moving and obsolete stores and spares (note 2.5 and 12);
- iv) Provision for doubtful trade debts (note 2.7 and 14);
- v) Provision for doubtful other receivables (note 2.7 and 17);
- vi) Provision for sample inventory (note 2.8);
- vii) Estimates of receivables and payables in respect of staff retirement benefit schemes (note 2.14 and note 21);
- viii) Provision for taxation (note 2.9, note 5 and note 27);
- ix) Share based compensation (note 2.22 and 30); and
- x) Contingencies and commitments (note 7).

2.2 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (the "functional currency"). The financial statements are presented in Pakistani Rupees, which is also the Company's functional currency.

2.3 Property, plant and equipment

a) Owned

These are stated at cost less accumulated depreciation and impairment loss, if any, except freehold land, which is stated at cost. Cost includes expenditure that is directly attributable to the acquisition of the asset. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

b) Leased

Leased asset comprises of leasehold land which is stated at cost less accumulated amortisation and accumulated impairment, if any.

c) Depreciation / amortisation

Depreciation is charged to income applying the straight line method whereby the cost less residual value of an asset is allocated over its estimated useful life at the rates given in note 8.1. Depreciation on assets is charged from the month of addition to the month of disposal. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each financial year end. Amortisation on leasehold land is charged to profit and loss account equally over the period of the lease.

Gains or losses on disposal of fixed assets

Gains or losses on disposal of fixed assets are taken to the profit and loss account in the period in which they arise.

Subsequent costs

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and improvements which increase the assets' remaining useful economic life or the performance beyond the current estimated levels are capitalized and the assets so replaced, if any, are retired.

Capital work-in-progress

This is stated at cost less impairment loss, if any, and consists of expenditure incurred and advances made in the course of construction and installation. These are transferred to specific assets as and when the assets are available for use.

Intangible assets 2.4

An intangible asset is recognised as an asset if it is probable that future economic benefits attributable to the asset will flow to the entity and the cost of such asset can be measured reliably.

Intangible asset with finite life is measured initially at cost and subsequently stated at cost less accumulated amortisation and impairment losses, if any. It is amortised on a straight line basis over its estimated useful life.

The amortisation period for intangible assets with finite useful lives is reviewed at each year end and is changed to reflect the useful life expected at respective year end.

Stores and spares 2.5

These are valued at cost determined on weighted average basis. Cost in relation to items in transit comprises of invoice value and other charges incurred thereon up to the balance sheet date. Provision is made in the financial statements for obsolete and slow moving items based on estimates regarding their usability.

Stock-in-trade 2.6

Stock of raw and packing materials, work-in-process and finished goods are valued at the lower of cost, calculated on first-in-first-out basis, and net realisable value. Cost in relation to work-in-process and finished goods represent direct cost of materials, direct wages and an appropriate portion of production overheads. Cost in relation to items in transit represent invoice value and other charges incurred thereon up to the balance sheet date.

Net realisable value signifies the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

2.7 Trade debts and other receivables

Trade debts and other receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment. A provision for impairment of trade debts is estimated when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The carrying amount of the asset is reduced through the use of an allowance

For The Year Ended December 31, 2015

account, and the amount of the loss is recognized in the profit and loss account within 'other charges'. When a trade debt is uncollectible, it is written off against the allowance account for trade debts. Subsequent recoveries of amounts previously written off are credited to 'other income' in the profit and loss account.

2.8 Sample inventory

Sample inventory is classified as prepayment in the balance sheet and is carried at cost. The cost of sample inventory is charged to profit and loss account on issuance of samples to medical practitioners. Provision is made in the financial statements for obsolete and slow moving items based on estimates regarding their usability.

2.9 Taxation

Current

The charge for current taxation is based on taxable income at the current rates of taxation in accordance with Income Tax Ordinance, 2001.

Deferred

Deferred tax is provided in full using the balance sheet liability method on all temporary differences arising at the balance sheet date, between the tax bases of the assets and the liabilities and their carrying amounts. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which these can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date and recognised after adjusting the impact of tax under FTR.

2.10 Cash and cash equivalents

Cash and cash equivalents comprise of cash in hand, cheques and drafts in hand and in transit and balances with banks in savings, deposit, current accounts and short-term running finance, if any.

2.11 Trade and other payables

Short-term liabilities for trade and other amounts payable are recognised initially at fair value plus directly attributable transaction cost, if any, and subsequently carried at amortised cost.

2.12 Dividend distribution

Dividend distribution to the Company's shareholders is recognised as a liability in the financial statements in the period in which the dividends are approved by the shareholders.

2.13 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and the amount can be reliably estimated. Provisions are reviewed at each balance sheet date to reflect the current best estimate.

2.14 Staff retirement benefits

Defined contribution plan

The Company operates a recognised provident fund (defined contribution plan) for all permanent employees who have completed six months' service. Equal monthly contributions are made by the Company and its employees at the rate of 10% of basic salary. The contribution of the Company is charged to profit and loss account as and when incurred.

Defined benefit plan

The Company operates an approved funded pension scheme (defined benefit plan) for all its permanent employees who have completed one year's service.

Contributions and annual provisions to cover the obligation under the funded pension scheme are made based on annual actuarial valuation. The actuarial valuation is carried out using the Projected Unit Credit Method. The actuarial gains and losses arising at each valuation date are recognised in other comprehensive income and presented in the statement of comprehensive income.

Staff retirement benefits are payable to employees on completion of the prescribed qualifying period of service under the scheme.

Liability for employees' compensated absences

The Company accounts for the liability in respect of employees' compensated absences in the year in which these are earned. Provisions to cover the obligations are made using the current salary levels of employees. No actuarial valuation of compensated absences is carried out as the management considers that the financial impact is not material.

Foreign currency transactions 2.16

Transactions denominated in foreign currencies are recorded in Pakistani Rupees at the foreign currency rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the rates of exchange approximating those at the balance sheet date. Exchange differences are taken to the profit and loss account.

2.17 Revenue recognition

- Local sales are recognised as revenue upon transfer of significant risk and rewards of ownership, which coincides with delivery of goods to customers.
- Export sales are recognised as revenue upon transfer of significant risks and rewards of ownership, which coincides with date of shipment.
- Service income is recognised when the related services are rendered.
- Income on investments / deposits is accrued on a time proportionate basis, taking into account the effective interest rates.

For The Year Ended December 31, 2015

2.18 Impairment

Financial assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

Non-financial assets

The carrying amount of non-financial assets other than inventories are assessed at each reporting date to ascertain whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated. An impairment loss is recognised, as an expense in the profit and loss account, for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects the current market assessments of the time value of money and the risk specific to the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment had been recognised.

2.19 Financial instruments

All financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised at the time when the Company loses control of the contractual rights that comprise the financial assets. All financial liabilities are derecognised at the time when they are extinguished that is, when the obligation specified in the contract is discharged, cancelled or expires. Any gains or losses on derecognition of financial assets and financial liabilities are taken to the profit and loss account currently.

2.20 Offsetting

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when the Company has a legally enforceable right to offset the recognised amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.21 Segment reporting

Segment reporting is based on the operating (business) segments of the Company. An operating segment is an identifiable component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components and for which discrete financial information is available. An operating segment's operating results are reviewed regularly by the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segment and assess its performance.

Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly corporate assets, income tax assets, liabilities and related income and expenditure. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment.

The business segments are engaged in providing products or services which are subject to risks and rewards which differ from the risk and rewards of other segments. Segments reported are as follows:

Pharmaceutical

The Pharmaceutical segment is engaged in the manufacture, import and marketing of research based pharmaceutical products registered with the Drug Regulatory Authority of Pakistan.

Nutritional

The Nutritional segment is engaged in the import and marketing of pediatric nutritional products and medical nutritional products.

Others

The Others segment represents the manufacture, import and marketing of diagnostic equipment, diabetes care, molecular devices, their testing kits, general healthcare products.

2.22 Share based compensation

The cost of awarding shares to employees is reflected by recording a charge in the profit and loss account equivalent to the fair value of shares on the grant date over the vesting period. Since awarded shares relate to the ultimate holding company, a corresponding reserve is created to reflect the equity component.

AUTHORISED CAPITAL

2015 2014		2015	2014
Number of shares		(Rupee	s '000)
200,000,000 200,000,000	Ordinary shares of Rs. 10 each	2,000,000	2,000,000

7. CONTINGENCIES AND COMMITMENTS

7.1 Contingencies

- 7.1.1 The Company has given bank guarantees of Rs. 141.626 million (2014: Rs. 135.054 million) to the Customs Department, a utility company and other institutions against tenders.
- 7.1.2 The taxation officer has contended that the Company has not deducted tax under the law on certain expenses. The order was passed and a demand of Rs. 20 million was raised against the Company, however an appeal has been filed by the Company with the Appellate Tribunal Inland Revenue which is pending for adjudication.
 - Based on the tax advisors opinion, management is of the view that the position of the Company is sound and the eventual outcome is expected to be in the Company's favour.
- 7.1.3 The Commissioner Inland Revenue (CIR) has selected the case of the Company for audit of tax year 2012 (accounting year December 31, 2011) and has requested various information from the Company in this regard. The Company believes that only the Federal Board of Revenue has the right to select the Company for audit based on defined criteria or through random balloting and the CIR does not have the right to select the Company for Audit. The Company has filed writ petition in the High court in this regard.

For The Year Ended December 31, 2015

7.2 Commitments

- 7.2.1 Commitments for capital expenditure aggregated approximately Rs. 298.176 million (2014: Rs. 353.850 million).
- 7.2.2 The Company has obtained short-term financing facilities from various commercial banks amounting to Rs. 1,120 million (2014: Rs. 1,020 million). These facilities can be utilised for letters of credit, guarantees and running finance / short-term loans. However, the running finance / short-term loan utilisation cannot exceed Rs. 250 million (2014: Rs. 250 million). The running finance / short-term loan carries markup at rates ranging from KIBOR plus 1% to KIBOR plus 2% (2014: KIBOR plus 1% to KIBOR plus 2%) and are secured against first joint pari passu hypothecation charge over stocks and book debts of the Company, ranking hypothecation charge over stocks and book debts of the Company, promissory notes, and counter guarantees. The Company has not borrowed any amount against running finance / short-term loan facilities at the balance sheet date. Commitments in respect of letters of credit as at balance sheet date aggregated to Rs. 384.742 million (2014: Rs. 447.727 million).

10.1	Reconciliation of carrying amount of long-term loans to executives:		
	Opening balance	33,767	17,444
	Disbursements	17,378	25,573
	Transfer of balances of employee cadre to executive cadre	8,599	9,205
	Less: Repayments	23,008	18,455
	Closing balance	36,736	33,767

- Loans given to executives and employees are in accordance with the Company policy. These loans are interest free and are repayable in equal monthly installments within a maximum period of four years. These loans are carried at cost due to practicality and materiality of the amounts involved. These loans are for the purpose of purchase of refrigerators, scooters, vehicles and television sets. The loans for purchase of vehicles are secured by way of registration of vehicles purchased in the name of the Company.
- The maximum aggregate amount of loans due from executives at the end of any month during the year were 10.3 Rs. 40.469 million (2014: Rs. 33.814 million), respectively.

11. LONG-TERM DEPOSITS

Represents deposits paid for utilities and gas cylinders.

	42,886	19,565	62,451
As at December 31, 2014	3,424,767	(2,978,324)	446,443
	Note	2015 (Rupees	2014
21.1.3 Plan assets are comprised as follows:			
Debt		1,666,008	1,544,210
Equity	21.1.7	1,383,176	1,384,177
Bank balances		36,512	49,937
		3,085,696	2,978,324
21.1.4 Amount recognised in profit and loss:			
Current service cost		144,264	139,267
Net interest		41,484	36,703
	21.3	185,748	175,970
21.1.5 Actual return on plan assets		218,674	320,147
		(Percent per	annum)
21.1.6 Principal actuarial assumptions used were as follows:			
Discount rate	21.1.8	9.75	11.25
Future salary increases		7.75	9.25
Future pension increases		1.50	3.00

21.1.7 Pension plan assets include the Company's ordinary shares with a fair value of Rs. 283.099 million (2014: Rs. 309.451 million).

- 21.1.8 The discount rate of 9.75% is representative of yields on long-term Government Bonds and term deposits with banks.
- 21.1.9 Expected contributions to the plan for the year ending December 31, 2016 is Rs. 233.187 million.
- 21.1.10 The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Impact on defined benefit obligation

	Change in assumption	Increase in assumption	Decrease in assumption
		(Rupees	in '000)
Discount rate	1%	(382,399)	458,689
Salary growth rate	1%	263,807	(236,554)
Pension growth rate	1%	219,053	(192,329)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the pension liability recognised within the statement of financial position.

21.2 Defined contribution scheme

An amount of Rs. 73.997 million (2014: Rs. 69.138 million) has been charged during the year in respect of the contributory provident fund maintained by the Company.

			2015	2014
		Note	(Rupees	'000)

SHARE BASED COMPENSATION 30.

29.1

Share-based compensation plans

As at December 31, 2015, the Company's equity settled share-based compensation plan includes restricted stock units plan.

Under the plan, the Company employees, eligible as per policy are awarded restricted stock units of Abbott International LLC., USA (the ultimate holding company). The plan entitles eligible employees shares of the ultimate holding company which are vested equally over next three years, subject to certain vesting conditions.

In accordance with IFRS 2 (Share-Based Payments), services received from employees as consideration for stock units are recognised as an expense in the profit and loss account, with the corresponding entry recorded as equity. The expense corresponds to the fair value of the stock unit of the Abbott International LLC., USA and is charged against income on a straight-line basis over the vesting period of the plan.

An expense of Rs. 42.464 million (2014: Rs. 39.451 million) was recognized for this plan during the year.

The fair value of restricted stock units plan is measured at the date of grant using the Black-Scholes option pricing model with the following assumptions:

	2014	2013	2012
Volatility	20.00%	20.00%	21.00%
Dividend yield	2.20%	1.60%	3.60%
Risk free interest rate	1.90%	1.10%	1.20%

For The Year Ended December 31, 2015

A summary of units outstanding is given below:

	2015		2014	
	Average exercise price per stock unit (USD)	Stock units	Average exercise price per stock unit (USD)	Stock units
At January 1,	37.55	10,481	39.34	11,223
Granted	46.99	10,739	38.82	11,130
Exercised / cancelled	40.42	10,999	40.43	11,872
At December 31,	44.38	10,221	37.55	10,481

Stock units outstanding at the end of the year have the following expiry date and exercise prices:

	201	5	201	14
Vesting date	Stock units	Exercise Price (USD)	Stock units	Exercise Price (USD)
2015	_	_	7,006	37.10
2016	6,681	43.00	3,475	38.47
2017	3,540	46.99	-	-
	10,221	44.38	10,481	37.55

31. CAPACITY

The capacity and production of the Company's plants is indeterminable as these are multi-product plants involving varying processes of manufacture. The Company's production was according to market demand.

32. TRANSACTIONS WITH RELATED PARTIES

The related parties of the Company comprises parent, ultimate parent, other related parties, employee retirement benefit plans, directors and key management personnel. Transactions with related parties essentially entail sale and purchase of goods and services and expenses charged between these companies. Transactions with related parties are as follows:

	Note	2015 (Rupee	2014 es '000)	
Related parties				
Sale of goods	19	277,345	104,137	
Purchase of materials		3,664,028	4,036,659	
Technical service fee	20	140,019	138,618

34.2 Segment assets consist primarily of property, plant and equipment, trade debts and stock-in-trade. Segment liabilities comprise of trade creditors and an apportionment of accrued expenses. Assets and liabilities which cannot be allocated to a particular segment on a reasonable basis are reported as unallocated corporate assets and liabilities.

35. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk (including currency risk, fair value interest rate risk and cash flow interest rate risk). The Company's principal financial liabilities comprise trade and other payables. The Company has various financial assets such as loans, deposits, trade and other receivables and cash and bank balances, which are directly related to its operations. The Company's overall risk management programme focuses on minimizing potential adverse effects on the Company's financial performance. The overall risk management of the Company is carried out by the Company's senior management team under policies approved by the Board of Directors. Such policies entail identifying, evaluating and addressing financial risks of the Company.

The Company's overall risk management procedures to minimize the potential adverse affects of financial market on the Company's performance are as follows:

35.1 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss without taking into account the fair value of any collateral. Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economical, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

Credit risk of the Company arises principally from the trade debts, loans and advances, trade deposits, other receivables and balances with banks. The carrying amount of financial assets represents the maximum credit exposure. To reduce the exposure to credit risk on trade debts, the Company has developed a formal approval process, whereby credit limits are applied to its customers. The management continuously monitors the credit exposure towards the customers and makes provision against those balances considered doubtful of recovery. The credit risk on liquid funds such as balances with banks is limited because the counter parties are banks with reasonably high credit ratings.

m1 ·		11. 1	1	. •	1	C 11
The maximum	exposure to	credit risk	k at the re	eporting	date is as	follows:

	2015	2014	
-	(Rupees '000)		
Loans and advances	95,137	82,249	
Deposits	102,279	66,140	
Trade debts	476,403	482,771	
Interest accrued	8,573	17,351	
Other receivables	54,590	151,172	
Balances with banks	8,211,671	6,223,274	
	8,948,653	7,022,957	

The Company is not significantly exposed to concentrations of credit risk in respect of trade debts because the Company's sales are primarily against advance payment / collection on delivery (COD) terms.

As at December 31, 2015, trade debts of Rs. 75.160 million (2014: Rs. 107.135 million) were past due but not impaired. These relate to a number of independent customers for whom there is no recent history of default. The aging of trade debts past due but not impaired is as follows:

	2015 (Rupees	2014 '000)
61-90 days	16,485	26,495
91-180 days	10,067	29,565
181-360 days	9,365	16,631
Over 360 days	39,243	34,444
	75,160	107,135

The impaired trade debts and the basis of impairment are disclosed in notes 14 and 2.7 respectively.

The credit quality of balances with banks can be assessed with reference to external credit ratings as follows:

		R	atings			
	Rating			Date of	2015	2014
Name of Bank	Agency	Short-term	Long-term	Rating	(Rupee	s '000)
Deutsche Bank AG	S & P Moody's Fitch	A-2 P-2 F1	BBB+ A3 A	June 2015 June 2015 May 2015	1,507,209	1,812,253
MCB Bank Limited	PACRA	A1+	AAA	June 2015	179	170
Standard Chartered Bank (Pakistan) Limited	PACRA	A1+	AAA	June 2015	3,698,568	1,395,174
The Bank of Tokyo- Mitsubishi UFJ Limited	S & P Moody's Fitch	A-1 P-1 F1	A+ A1 A	February 2015 February 2015 February 2015	3,000,081	1,000,076
Citibank N.A.	Moody's	P-1	A2	March 2015	63	63
National Bank of Pakistan	PACRA	A-1+	AAA	June 2015	4,381	1,986
Faysal Bank Limited	PACRA JCR-VIS	A1+ A-1+	AA AA	June 2015 June 2015	192	84
Habib Bank Limited	JCR-VIS	A-1+	AAA	June 2015	998	2,013,468

Financial assets other than trade debts and bank balances, are not exposed to any material credit risk.

For The Year Ended December 31, 2015

35.2 Liquidity risk

Liquidity risk reflects the Company's inability in raising fund to meet commitments. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or encounters difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company manages liquidity risk by maintaining sufficient cash / bank balance and the availability of funding through an adequate amount of committed credit facilities. As at December 31, 2015, the Company's financial liabilities of Rs. 2,336.385 million (2014: Rs. 1,832.650 million) are all current and due in next financial year.

35.3 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Company is not exposed to other price risk whereas the exposure to currency risk and interest rate risk is given below:

35.3.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates and arises where transactions are done in foreign currency. It arises mainly where receivables and payables exist due to transactions entered into foreign currencies.

The Company's exposure to foreign currency risk at the reporting date was as follows:

	2015		2014	
	Rupees	US Dollars ('0	Rupees 00)	US Dollars
Cash and cash equivalents	408,109	3,891	219,117	2,174
Due from related parties	75,623	721	137,242	1,361
Bills payable	(827,066)	(7,885)	(427,612)	(4,242)
Payable to related parties	(59,829)	(570)	(48,397)	(480)
	(403,163)	(3,843)	(119,650)	(1,187)

The following significant exchange rates were applied during the year

Balance shee	et date rate	Averag	e rate
2015	2014	2015	2014
	(Rup	ees)	
104.89	100.80	102.92	101.36

A ten percent strengthening / weakening of the Pakistani Rupee against the US Dollar at the reporting date would increase / decrease post tax profit for the year by Rs. 28.883 million (2014: Rs. 7.803 million). This analysis assumes that all other variables, in particular interest rates, remain constant. The analysis is performed on the same basis for the previous year.

35.3.2 Interest rate risk

Interest rate risk is the risk that the fair value of the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from savings and deposit accounts with banks.

	2015 (Rupee	2014 es '000)
Fixed rate instruments		
Financial assets	8,207,147	6,220,227

As of the balance sheet date, the Company is not significantly exposed to any interest rate risk.

Fair value of financial assets and liabilities 35.4

Fair value is the amount for which an asset could be exchanged, or a liability can be settled, between knowledgeable willing parties in an arm's length transaction. As of the balance sheet date, the carrying value of all financial assets and liabilities reflected in the financial statements approximate to their fair values.

36. CAPITAL RISK MANAGEMENT

The Company's objective when managing capital is to safeguard the Company's ability to remain as a going concern and continue to provide returns for shareholders and benefits for other stakeholders.

The Company manages its capital structure and makes adjustment to it, in light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The current capital structure of the Company is equity based with no financing through borrowings.

NON - ADJUSTING EVENT AFTER THE BALANCE SHEET DATE 37.

In their meeting held on February 19, 2016, the Board of Directors of the Company have proposed a final cash dividend for the year ended December 31, 2015 of Rs. 20.0 per share (2014: cash dividend of Rs. 4.8 per share). This is in addition to interim cash dividend of Rs. 10.0 per share (2014: Rs. 3.0 per share). The total dividend declared during the year and dividend per share have been summarised below:

	(Rupe	(Rupees '000)	
Cash dividend	2,937,009	763,622	
	(Ru	(Rupees)	
Cash dividend per share	30.00	7.80	

The financial statements for the year ended December 31, 2015 do not include the effect of the final cash dividend which will be accounted for in the financial statements for the year ending December 31, 2016.

2014

NOTICE OF ANNUAL GENERAL MEETING

NOTICE is hereby given that the 67th Annual General Meeting of the Company will be held on Thursday April 21^{st,} 2016, at 11:00 a.m. in the ICAP Hall, 1st Floor, Chartered Accountants Avenue, Clifton, Karachi, to transact the following business:

ORDINARY BUSINESS

- 1. To receive, consider and adopt the Audited Accounts together with the Directors' and Auditors' Reports thereon for the year ended December 31st, 2015.
- 2. To approve a cash dividend.
- 3. To appoint the Auditors of the Company up to the next Annual General Meeting and to authorise the Directors to fix their remuneration.

SPECIAL BUSINESS

4. To consider and, if thought fit, to pass the following resolution as a Special Resolution:

RESOLVED as and by way of Special Resolution **THAT** the Articles of Association of the Company, be amended as follows:

(a) by inserting the following new article immediately after Article 61 as Article 61A, namely:

61 A "Subject to any rules or regulations that may be made from time to time by the Commission in this regard, Members may exercise voting rights at general meeting through electronic means if the Company receives the requisite demand for poll in accordance with the applicable laws. The Company shall facilitate the voting by electronic means in the manner and in accordance with the requirements prescribed by the Commission".

A statement as required by Section 160(1)(b) of the Companies Ordinance, 1984, in respect of the special business to be considered at the AGM is annexed.

By Order of the Board

Malik Saadatullah Company Secretary

Karachi: dated February 19th, 2016

NOTICE OF ANNUAL GENERAL MEETING

Notes:

- The Share Transfer books of the Company will remain closed from Thursday, April 14th, 2016 to Thursday, April 21st, 2016 (both days inclusive). Transfer received in order by our Shares Registrar, FAMCO Associates (Pvt) Limited, 8-F Next to Hotel Faran, Nursery, Block 6, PECHS, Shahrah-e-Faisal, Karachi at the close of business on Wednesday, April 13th, 2016 will be considered in time for entitlement of cash dividend.
- 2. A member of the Company entitled to attend and vote at the meeting may appoint a proxy to attend, speak and vote instead of him/her. Proxies must be deposited at the Company's registered office not less than 48 hours before the time of holding the meeting. A proxy need, not be a member of the Company. The proxy shall produce his/her original CNIC or Passport to prove his/her identity.
- 3. Form of proxy is attached in the Annual Report.
- 4. Members who have not yet submitted photocopy of their Computerized National Identity Cards (CNIC) to the Company are requested to send the same at the earliest. The Securities and Exchange Commission of Pakistan (SECP) vide Notification S.R.O. 19(I)/2014 dated 10th January 2014 read with Notification S.R.O. 831(1)/2012 dated July 5, 2012 require that the Dividend Warrant(s) should also bear the CNIC Number of the registered shareholder or the authorized person, except in case of minor(s) and corporate shareholder(s). Henceforth, issuance of dividend warrant(s) will be subject to submission of CNIC (individuals) / NTN (corporate entities) by shareholders.
- 5. Shareholders are requested to notify the Company of any change in their addresses, if any immediately.
- 6. CDC Account Holders will further have to follow the under mentioned guidelines as laid down in Circular 1 dated January 26, 2000 issued by the Securities and Exchange Commission of Pakistan.

A. For Attending the Meeting:

- (i) In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall authenticate his/her identity by showing his/her original Computerized National Identity Card (CNIC) or original passport at the time of attending the meeting.
- (ii) In case of corporate entity, the Board of Directors' resolution/ power of attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of the Meeting.

B. For Appointing Proxies:

- (i) In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall submit the proxy form as per the above requirement.
- (ii) The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
- (iii) Attested copies of CNIC or the passport of the beneficial owners and of the Proxy shall be furnished with the proxy form.

- (iv) The Proxy shall produce his/her original CNIC or original passport at the time of the Meeting.
- (v) In case of corporate entity, the Board of Directors' resolution/power of attorney with specimen signature shall be submitted (unless it has been provided earlier) along with proxy form to the Company.

7. Withholding Tax on Dividend under Section 150 the Income Tax Ordinance, 2001

- (i) Pursuant to the provisions of the Finance Act 2015 effective July 1, 2015, the rates of deduction of income tax from dividend payments under the Income Tax Ordinance have been revised as follows:
 - 1. Rate of tax deduction for filer of income tax return 12.5%
 - 2. Rate of tax deduction for non-filers of income tax return 17.5%

To enable the company to make tax deduction on the amount of cash dividend @ 12.5% instead of 17.5%, shareholders whose names are not entered into the Active Tax-payers List (ATL) provided on the website of FBR, despite the fact that they are filers, are advised to immediately make sure that their names are entered in ATL, otherwise tax on their cash dividend will be deducted @ 17.5% instead of 12.5%.

- (ii) Withholding Tax exemption from the dividend income, shall only be allowed if copy of valid tax exemption certificate is made available to FAMCO Associates (Pvt) Ltd., by the first day of Book Closure.
- (iii) Further, according to clarification received from Federal Board of Revenue (FBR), with-holding tax will be determined separately on 'Filer/Non-Filer' status of Principal shareholder as well as joint-holder(s) based on their shareholding proportions, in case of joint accounts.

In this regard all shareholders who hold shares jointly are requested to provide shareholding proportions of Principal shareholder and Joint-holder(s) in respect of shares held by them **(only if not already provided)** to our Share Registrar, in writing as follows:

			Principal Shareholder		Joint S	Shareholder
Company Name	Folio/CDS Account #	Total Shares	Name and CNIC #	Shareholding Proportion (No. of Shares)	Name and CNIC #	Shareholding Proportion (No. of Shares)

The required information must reach our Share Registrar within 10 days of this notice; otherwise it will be assumed that the shares are equally held by Principal shareholder and Joint Holder(s).

(iv) For any query/problem/information, the investors may contact the Company and/or the Share Registrar, FAMCO Associates (Pvt.) Ltd. at phone 021-34380101-5 and email address: info.shares@famco.com.pk.

(v) The corporate shareholders having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas corporate physical shareholders should send a copy of their NTN certificate to the company or FAMCO Associates (Pvt.) Ltd. The shareholders while sending NTN or NTN certificates, as the case may be, must quote company name and their respective folio numbers.

8. Electronic Transmission of Audited Financial Statements & Notices

The Securities and Exchange Commission of Pakistan (SECP) through its Notification S.R.O. 787(I)/2014 dated 8th September 2014 has permitted companies to circulate Audited Financial Statements along with Notice of Annual General Meeting to its members through e-mail. Accordingly, members are hereby requested to convey their consent and e-mail address for receiving Audited Financial Statements and Notice through e-mail. In order to avail this facility a Standard Request Form is available at the Company's website www.abbott.com.pk, to be sent to the Company's Share Registrar.

Please note that giving email address for receiving of Annual Financial Statements instead of receiving the same by post is optional, in case you do not wish to avail this facility please ignore this notice. Annual Financial Statements will be sent at your registered address, as per normal practice.

Statement under Section 160(1)(b) Of the Companies Ordinance, 1984

This statement sets out the material facts concerning the Special Business to be transacted at the Annual General Meeting of the company to be held on, April 21st, 2016.

Item 4 of the Agenda:

The Companies (E-Voting) Regulations, 2016 provides the members of the company an option to vote electronically and a member may in this regard appoint another member or a non-member as their proxy to vote on their behalf through electronic voting. As such, in order to enable electronic voting shareholders' approval is being sought to amend the Articles of Association of the Company.

The resolution required for the above purpose is set forth in the notice convening the Annual General Meeting and that resolution will be proposed and passed as a Special Resolution.

None of the directors of the Company have any direct or indirect interest in the above said special business.

CALENDAR OF FINANCIAL EVENTS

Tentative dates for announcement of financial results for the Financial Year 2016:
