These regulations provide members with a right to vote at general meetings through electronic means, subject to satisfaction of certain conditions, including the amendment of Articles of Association so as to stipulate that in case of E-Voting both members and non-members can be appointed as proxy. For the purpose of incorporating the facility of E-Voting in the Articles of Association of the company, it is proposed to amend the Articles of Association by adding a new Article 54A as follows:

"The provisions and requirements for e-voting as prescribed by the SECP from time to time shall be deemed to be incorporated in these Articles, irrespective of the other provisions of these Articles of Association and notwithstanding anything contradictory therein."

Item no. 7 of the Agenda

SECP has vide S.R.O 470(I)/2016 dated May 31, 2016 allowed the companies to circulate the annual reports including annual audited accounts, notices of annual general meetings and other information contained therein of the Company to its members through CD/DVD/USB subject to consent of the shareholders in the general meeting. This will save time and expenses incurred on printing of the annual report.

The Company shall supply the hard copies of the aforesaid document to the shareholders on demand, free of cost, within one week of such demand. After approval of the shareholders, the Company will place a Standard Request Form on its website to communicate their need of hard copies of the documents along with postal and email address of the Company Secretary/Share Registrar to whom such requests shall be made.

Item no. 8 of the Agenda

In order to facilitate the representation of Directors, it is proposed to rationalize the requirement of qualification shares of Directors in line with the requirements of Companies Ordinance, 1984.

The directors of your company take pleasure in presenting the 53rd annual report & the Company's audited financial statements for the year ended June 30, 2016.

ECONOMY AND MARKET

The fiscal year 2015-16 saw an impressive progress in the business environment for domestic automakers and parts suppliers, resulting from lower interest and inflation rate coupled with better law and order situation.

While an improving economic environment driven by the Government's efforts provided a much needed boost to the entire industry, FY2015-16 was particularly auspicious for your company. The annual demand for ISUZU Trucks and Buses grew 52% to 1,565 units compared to 1,022 units sold last year. The company delivered improved results with an impressive all round performance setting new records on production, sales, earnings and job creation. The stock market reflected confidence in the Company's performance with an all-time high market capitalization. In recognition of these achievements, we enhanced our social contribution expenditure beyond the regular policy to share the joy with the under privileged segments of our society.

FINANCIAL PERFORMANCE

The financial results are summarized below:

	2016	2015
	·····(Rupee	es' 000)
Profit from operation	1,211,178	494,131
Finance cost	(113,073)	(167,115)
Profit before tax	1,098,105	327,016
Taxation	(352,244)	(103,226)
Profit after tax	745,861	223,790
	· · · (Rup	oees)
Earnings per share	35.01	10.50

It is a privilege to announce that Ghandhara Industries Limited is making history by achieving highest ever profits for two consecutive years Rs. 745.9 million in the year 2015-2016 and Rs. 223 in the year 2014-2015.

OPERATING RESULTS

Sales

In-line with the improved economic activity, your company achieved sales revenue of Rs. 5.825 Billion which is 77% higher than last year of Rs. 3.293 Billion. The surge in sales activity was mainly due to state of the art after sales service, effective promotional tools and customer oriented customized products. A new model of ISUZU Bus also emerged in the market.

Gross profit

The improvement in sales translated in increased gross profits. As a result, gross margin increased from Rs. 689.9 million to Rs. 1,546.6 million, up by 124.2%. Strong contributions came partly from cost management, better sales mix and operational efficiencies. Depreciating Japanese Yen in the first three quarters, reduced steel prices, absorbed overheads due to increased production also played part in the improved Gross Profit of the Company.

22 Annual Report 2016

2016

Distribution and administrative Expenses

Higher sales commission on increased sales, and inflationary impact increased the distribution and administrative expenses. However due to better planning, expenses showed a downward trajectory as a percentage of sales.

Finance costs

Better negotiation with banks along with favorable monetary policy played major role in reducing the Finance cost. However management was well aware that increased activity will put pressure on finance cost therefore took acute steps to deliver optimum benefit to the company through better financial management.

اس موقع پر گندھاراانڈسٹریزلمیٹڈیہ اعلان کرنے میں فخر محسوس کرتے ہیں کہ مسلسل دوسالوں میں اب تک کاسب سے زیادہ منافع حاصل کرکے تاریخ رقم کی ہے جو سال 15-2016 میں 745.5 ملین روپے اور 14-2015 میں 2.225 ملین روپے تھا۔

کار کردگی کے نتائج سیلز

بہتر معاشی سر گرمی کی وجہ سے آپ کی کمپنی نے فروخت کی آمدنی سے 5.825 ارب روپے حاصل کیے جو پچھلے سال کے 3.293 ارب روپے کے مقابلے میں ^{پر} 77 زیادہ تھے۔ فروخت کی سر گرمی میں اضافے کی اہم وجہ بعد از فروخت کی بہترین خدمات ، مؤثر تر قیاتی اند از اور صار فین کی پند کی مصنوعات تھی۔ اسوزوبس کا ایک نیاماڈل بھی مار کیٹ کی زینت بنا۔

مجوعى منافع

فروخت میں بہتری کی وجہ سے مجموعی منافع میں اضافہ ہوا۔اس کے نتیج میں مجموعی منافع 689.9 ملین روپے سے بڑھ کر × 124.2 اضافے کے ساتھ 1.546 ارب ہو گیا۔لاگت کاانتظام، فروخت اور کار کر دگی میں بہتری اس کی اہم وجوہات تھیں۔ پہلی تین سہہ ماہیوں میں جاپانی بن کی گرتی ہوئی قیمت ،اسٹیل کی کم قیمتیں ،اضافی پید اوار کی وجہ سے متفرق اخراجات کی بالواسطہ لا گتوں نے بھی کمپنی کے بہتر مجموعی منافع میں اہم کر دار ادا کیا۔

تقشيم اور انتظامي اخراجات

اضافی فروخت پر زائد کمیشن اور مہنگائی کے اثر نے تقسیم اور انتظامی اخراجات میں اضافہ کیا۔البتہ بہتر منصوبہ بندی کی بدولت اخراجات نے فروخت کی شرح کے لحاظ سے کمی واقع ہوئی۔

معاشىلاكتيں

ہینکوں کے ساتھ کامیاب مذاکرات کے ساتھ ساتھ موافق مالیاتی پالیسی نے معا ثی لاگت کو کم کرنے میں اہم کر دار اداکیا۔البتہ انتظامیہ اس بات سے باخبر تھی کہ سر گرمی میں اضافے سے معاشی لاگت پر دباؤبڑھے گالہٰذا بہتر معاشی انتظام کی بدولت کمپنی کے لیے بہترین نتائج حاصل کرنے کے لیے ٹھوس اقدامات کیے گئے۔

Statement of Compliance with the Code of Corporate Governance

For the year ended June 30, 2016

This statement is being presented to comply with the Code of Corporate Governance (CCG) contained in Regulation No. 5.19 of the Rule Book of Pakistan Stock Exchange Limited for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The company has applied the principles contained in the CCG in the following manner:

1. The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. At present the board includes:

Category	Names
Independent Directors	Mr. Shahid Kamal Khan
Executive Directors	Mr. Ahmad Kuli Khan Khattak
Non-Executive Directors	Mr. Raza Kuli Khan Khattak
	Lt. Gen. (Retd.) Ali Kuli Khan Khattak
	Dr. Parvez Hassan
	Mr. Jamil Ahmed Shah
	Maj. (R) Muhammad Zia

The independent director meets the criteria of independence under clause 5.19.1. (b) of the CCG.

- 2. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including Ghandhara Industries Limited (excluding the listed subsidiaries of listed holding companies where applicable).
- 3. All the resident directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a Broker of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. A casual vacancy occurring on the board on March 16, 2016 was filled up by the directors within 38 days.
- 5. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the board/shareholders.
- 8. The meetings of the board were presided over by the Chairman and, in his absence, by a director elected by the board for this purpose and the board met at least once in every quarter. Written notices of the board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The company arranges orientation course for its directors as and when needed to apprise them of their duties and responsibilities. However, out of seven, five directors of the Company have more than 14 years of education and 15 years of experience on the board of directors of listed companies, therefore five directors of the Company are exempt from the training requirement due to their experience as per Regulation No. 5.19.7 of the Rule Book of Pakistan Stock Exchange Limited.

- 10. The board has approved appointment of Chief Financial Officer, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
- 11. The directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the board.
- 13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
- 14. The company has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The board has formed an Audit Committee. It comprises of four Members, of whom three are non-executive directors and one is an independent director.
- 16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
- 17. The board has formed Human Resource and Remuneration Committee. It comprises three Members, of whom two are non-executive directors including the chairman of the committee and one executive director.
- 18. The board has set up an effective internal audit function who is considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the company.
- 19. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchange(s).
- 22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. The company has complied with the requirements relating to maintenance of register of persons having access to inside information by designated senior management officer in a timely manner and maintained proper record including basis for inclusion or exclusion of names of persons from the said list.
- 24. We confirm that all other material principles enshrined in the CCG have also been complied with.

For and on behalf of the Board

Review Report to the members of statement of Complaince with the best Practices of Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of Ghandhara Industries Limited (the Company) for the year ended June 30, 2016 to comply with the Code contained in Regulation No.5.19 of the Pakistan Stock Exchange Limited.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As a part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval of its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Company for the year ended June 30, 2016.

Auditors' Report to the Members

We have audited the annexed balance sheet of Ghandhara Industries Limited as at June 30, 2016 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) in our opinion, proper books of accounts have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) in our opinion:
 - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of accounts and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2016 and of the profit, its cash flows and changes in equity for the year then ended;
- (d) in our opinion, Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance; and
- (e) without qualifying our opinion, we draw attention to notes 25.1(iii) to the financial statements. The Company had written back in the financial statements for the year ended June 30, 2007 provision for workers' profit participation fund (WPPF) amounting Rs.7,722 thousand for the year ended June 30, 2006 based on a legal opinion and in a view of petition pending adjudication in the Sindh High Court on this matter. Further, during preceding year, based on another legal opinion, the Company had also written back outstanding balance of Rs.33,102 thousand which related to the provisions of WPPF and accrued interest thereon for eight financial years from June 30, 2007 to June 30, 2014. Provision for current year and preceding year amounting Rs.56,026 thousand and Rs.15,031 thousand respectively has also not been incorporated based on that legal opinion.

Upon the final outcome of pending adjudication, if it is established that the provisions of the Company's Profit (Workers' Participation) Act, 1968 are applicable to the Company, provisions aggregating Rs.111,881 thousand including any penalties may become payable.

Notes To The Financial Statements For the year ended June 30, 2016

CORPORATE INFORMATION 1.

Ghandhara Industries Limited (the Company) was incorporated on February 23, 1963. The Company's shares are quoted on Pakistan Stock Exchange Limited. The principal activity is the assembly, progressive manufacturing and sale of Isuzu trucks and buses. The registered office of the Company is at F-3, Hub Chowki Road, S.I.T.E., Karachi.

BASIS OF PREPARATION 2.

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 have been followed.

2.2 Functional and presentation currency

These financial statements are presented in Pakistan Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousand of rupees unless otherwise specified.

2.3 New and amended standards and interpretations

2.3.1 Standards and amendments to approved accounting standards effective in current year

New and amended standards mandatory for the first time for the financial year beginning July 1, 2015:

'IFRS 13 'Fair value measurement' aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across IFRSs. The requirements do not extend the use of fair value accounting but provide guidance on how it should be applied where its use is already required or permitted by other standards within IFRSs. The standard only affects the disclosures in the Company's financial statements.

The other new standards, amendments to approved accounting standards that are mandatory for the financial year beginning on July 1, 2015 are considered not to be relevant or to have any significant effect on the Company's financial reporting and operations.

2.3.2 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company

The following new standards and amendments to approved accounting standards are not effective for the financial year beginning on July 1, 2015 and have not been early adopted by the Company:

- IFRS 9, 'Financial instruments' is applicable to accounting periods beginning on or after January 1, 2018. IASB has (a) published the complete version of IFRS 9, 'Financial instruments', which replaces the guidance in IAS 39. This final version includes requirements on the classification and measurement of financial assets and liabilities; it also includes an expected credit losses model that replaces the incurred loss impairment model used today. The Company has yet to assess the impact of these changes on its financial statements
- IFRS 15, 'Revenue from contracts with customers' is applicable to accounting periods beginning on or after (b) January 1, 2018. The IASB has issued a new standard for the recognition of revenue. This will replace IAS 18 which covers contracts for goods and services and IAS 11 which covers construction contracts. The new standard is based on the principle that revenue is recognised when control of a good or service transfers to a customer - so the notion of control replaces the existing notion of risks and rewards. The standard permits a modified retrospective approach for the adoption. Under this approach, entity will recognise transitional adjustments in retained earnings on the date of initial application, i.e. without restating the comparative period. They will only

need to apply the new rules to contracts that are not completed as of the date of initial application. The Company has yet to assess the impact of this standard on its financial statements.

- (c) Amendments to IAS 1, 'Presentation of financial statements' on the disclosure initiative are applicable to annual periods beginning on or after January 1, 2016, The amendments are made in the context of the IASB's Disclosure Initiative, which explores how financial statement disclosures can be improved. The amendments provide clarifications on a number of issues, including: Materiality an entity should not aggregate or disaggregate information in a manner that obscures useful information. Where items are material, sufficient information must be provided to explain the impact on the financial position or performance. Notes confirmation that the notes do not need to be presented in a particular order. Other comprehensive income (OCI) arising from investments accounted for under the equity method the share of OCI arising from equity-accounted investments is grouped based on whether the items will or will not subsequently be reclassified to profit or loss. According to the transitional provisions, the disclosures in IAS 8 regarding the adoption of new standards / accounting policies are not required for these amendments. These amendments likely to only affects the disclosures in the Company's financial statements.
- (d) Amendments to IAS 7, 'Statement of cash flows' are applicable for annual periods beginning on or after January 1, 2017. The amendment requires disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flow and non-cash changes. The amendments are not likely to have a material impact on the Company's financial statements.
- (e) Amendment to IAS 12, 'Income taxes' is applicable on annual periods beginning on or after January 1, 2017. The amendment clarifies deferred tax treatment for debt instrument and also addresses questions regarding determination of future taxable profit for the recognition test of deferred tax. The amendments are not likely to have material impact on the Company's financial statements.

There are number of other standards, amendments and interpretations to the published standards that are not yet effective and are also not relevant to the Company and, therefore, have not been presented here.

3. BASIS OF MEASUREMENT

- **3.1** These financial statements have been prepared under the historical cost convention, except for certain classes of property, plant and equipment which have been included at revalued amounts and staff retirement benefit which has been recognised at present value as determined by the Actuary.
- **3.2** The preparation of financial statements in conformity with approved accounting standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The areas where various assumptions and estimates are significant to the Company's financial statements or where judgement was exercised in application of accounting policies are as follows:

(i) Estimate of residual values and useful lives of depreciable and intangible assets (note 4.1 and 4.2)

(ii) Provision for taxation (note 4.9)

(iii) Provision for staff retirement benefit - gratuity (note 4.11)

(iv) Provisions (note 4.18)

4. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These polices have been consistently applied to all the years presented, unless otherwise stated.

4.1 Property, plant and equipment

Leasehold land is stated at revalued amount and buildings on leasehold land are stated at revalued amount less accumulated depreciation and impairment loss (if any). Other classes of operating fixed assets are stated at cost less accumulated depreciation and impairment loss (if any). Capital work-in-progress is stated at cost less

impairment loss (if any). All expenditure connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

Plant and machinery were revalued in 1995 by independent valuers and showed at revalued amount. The Company subsequently adopted cost model for plant and machinery and revalued amounts were treated as deemed costs. The surplus on revaluation of these assets, however, was recognised in accordance with section 235 of the Companies Ordinance, 1984.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenances are charged to the profit and loss account as and when incurred.

Depreciation on all operating fixed assets is charged using the straight line method in accordance with the rates specified in note 5.1 to these financial statements and after taking into account residual values. The depreciation method, residual values and useful lives of items of property, plant and equipment are reviewed periodically and altered if circumstances or expectations have changed significantly. Any change is accounted for as a change in accounting estimate by changing depreciation charge for the current and future periods.

Depreciation on additions is charged from the month in which the assets become available for use, while on disposals depreciation is charged upto the month of deletion.

Gains or losses on disposal or retirement of fixed assets are determined as the difference between the sale proceeds and the carrying amounts of assets and are included in the profit and loss account.

Any surplus arising on revaluation of operating fixed assets is credited to the surplus on revaluation account. Revaluation is carried-out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from the fair value. To the extent of the incremental depreciation charged on the revalued assets, the related surplus on revaluation of operating fixed assets (net of deferred taxation) is transferred directly to reserves.

The Company assesses at each reporting date whether there is any indication that property, plant and equipment may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amount, assets are written down to their recoverable amounts and the resulting impairment loss is taken to profit and loss account except for impairment loss on revalued assets, which is adjusted against related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset.

4.2 Intangible assets - computer software

Computer software licenses acquired by the Company are stated at cost less accumulated amortization. Cost represents the cost incurred to acquire the software licenses and bringing them to use. The cost of computer software is amortized over the estimated useful life i.e. 5 years using straight-line method.

Costs associated with maintaining computer software are charged to profit and loss account as and when incurred.

4.3 Investments

4.3.1 Investment property

Property held for capital appreciation and rental yield, which is not in use of the Company is classified as investment property. Investment property comprise of leasehold land and buildings.

Investment property are carried at cost or valuation (i.e. deemed cost) less accumulated amortization / depreciation and impairment, if any.

Investment property were revalued in 1996 by independent valuers and showed at revalued amounts. The Company subsequently adopted cost model for investments property and the revalued amounts were treated as

deemed costs. The surplus on revaluation of these assets, however was recognised in accordance with section 235 of the Companies Ordinance, 1984.

Leasehold land and buildings are amortized / depreciated on straight line method at the rates stated in note 7.

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and repairs are capitalised.

4.3.2 Long term investment

Investment in Subsidiary Company is carried at cost less impairment, if any.

4.4 Long term deposits

These are stated at cost which represents the fair value of the consideration given.

4.5 Stores

These are valued at cost determined on a first-in-first-out basis. Items in transit are stated at invoice value plus other charges thereon accumulated upto the reporting date.

Provision for obsolete and slow moving stores is determined based on management's estimate regarding their future usability.

4.6 Stock-in-trade

Stock-in-trade is valued at the lower of cost and net realizable value except for goods in transit which are stated at invoice values plus other charges thereon accumulated upto the reporting date. Cost in relation to raw materials, components and trading stock (except for parts and accessories included in trading stock which are valued on average basis) is arrived at principally on first in first out basis. Cost of work in process and finished stocks including components include direct wages and applicable manufacturing overheads.

Net realizable value represents the estimated selling price in the ordinary course of business less cost necessarily to be incurred in order to make the sale.

4.7 Trade debts and other receivables

Trade and other debts are carried at original invoice amount being the fair value. Provision is made against debts considered doubtful of recovery whereas debts considered irrecoverable are written off.

4.8 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of cash flow statement, cash and cash equivalents comprise of cash in hand, cash with banks and short term borrowings under mark-up arrangements.

4.9 Taxation

Current

Provision for current year's taxation is based on taxable income for the year at the current rates of taxation after taking into account tax credits and tax rebates available, if any, and taxes paid under the presumptive tax regime.

The Company accounts for deferred taxation using the liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liability is recognised for taxable temporary differences and deferred tax asset is recognised to the extent that it is probable that taxable profits will be available against which this deductible temporary differences, unused tax losses and tax credits can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the profit and loss account, except in the case of items credited or charged to other comprehensive income / equity in which case it is included in other comprehensive income / equity.

4.10 Finance lease / Assets subject to finance lease

Leases that transfer substantially all the risk and rewards incidental to ownership of an asset are classified as finance leases. Assets on finance lease are capitalised at the commencement of the lease term at the lower of the fair value of leased assets and the present value of minimum lease payments, each determined at the inception of the lease. Each lease payment is allocated between the liability and finance cost so as to achieve a constant rate on the finance balance outstanding. The finance cost is charged to profit and loss account and is included under finance cost.

4.11 Staff retirement benefit - defined benefit plan

The Company operates an unfunded gratuity scheme. The scheme defines the amounts of benefits that an employee will receive on or after retirement subject to a minimum qualifying period of service under the scheme. The amount of retirement benefit is usually dependent on one or more factors such as age, years of service and salary.

The liability recognised in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period. Provision for gratuity is made annually to cover obligation under the scheme in accordance with the actuarial recommendations. Latest actuarial valuation was conducted on June 30, 2016 on the basis of the projected unit credit method by an independent Actuary.

The amounts arising as a result of re-measurements are recognised in the balance sheet immediately, with a charge or credit to other comprehensive income in the periods in which they occur. Past-service cost, if any, are recognised immediately in income.

4.12 Trade and other payables

Trade and other payables are measured at cost which is the fair value of consideration to be paid in future for goods and services received, whether or not billed to the Company.

4.13 Revenue recognition

Revenue is measured at the fair value of consideration received or receivable, and represents amount receivable for goods supplied, returns and sales tax. Revenue from sales of goods are recognised when goods are invoiced and delivered to customers.

Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable.

4.14 Borrowings and their cost

Borrowings are recorded at the proceeds received. Borrowing costs are recognised as an expense in the period in which these are incurred except to the extent of borrowing cost that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs, if any, are capitalised as part of the cost of that asset.

4.15 Foreign currency translation

Transactions in foreign currencies are translated into Pak Rupee using the exchange rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupee at the exchange rates prevailing at the reporting date. Exchange gains and losses are taken to profit and loss account.

4.16 Financial assets and liabilities

Financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument and derecognised when the Company loses control of contractual rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the profit and loss account for the year. All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortised cost or cost as the case may be. The particular measurement methods adopted are disclosed in individual policy statement associated with each item.

4.17 Off-setting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

4.18 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

4.19 Dividend and appropriation to reserves

Dividend and other appropriations to reserves are recognised in the period in which they are approved.

4.20 Impairment loss

The carrying amounts of the Company's assets are reviewed at each reporting date to identify circumstances indicating occurrence of impairment loss or reversal of provisions for impairment losses. If any indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversals of impairment losses are recognised in the profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

4.21 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss after taxation attributable to ordinary shareholders of the Company by weighted average numbers of ordinary shares outstanding during the year.

4.22 Segment reporting

Segment information is presented on the same basis as that used for internal reporting purposes by the Chief Operating Decision Maker, who is responsible for allocating resources and assessing performance of the operating segments. On the basis of its internal reporting structure, the Company considers itself to be a single reportable segment.

5.3 Leasehold land and buildings on leasehold land of the Company had previously been revalued in June 2010 and June 2013. Those revaluation exercises resulted in net surplus of Rs.437,276 thousand and Rs.259,447 thousand respectively. Leasehold land and buildings on leasehold land of the Company were again revalued in June 2016 by Sadruddin Associates (Private) Limited (Approved valuers of Pakistan Banks' Association) on the basis of present market value and depreciated market value (level 2 of fair value hierarchy). The different levels of fair value have been defined in IFRS 13 and are mentioned in note 40.4.

The latest revaluation exercise resulted in a net surplus of Rs.218,198 thousand. Out of the revaluation surplus resulting from all the revaluations carried-out to date, an amount of Rs.1,829,501 thousand (2015: Rs.1,622,462 thousand) remains un-depreciated as at June 30, 2016.

5.4 Had the operating fixed assets been recognised under the cost model, the carrying amount of building on lease hold land would have been Rs.4,450 thousand (2015: Rs.4,710 thousand).

20.2.6 Sensitivity analysis for actuarial assumptions

The sensitivity of the defined benefit obligation to changes in principal assumptions is :

	Impact	Impact on define benefit obligation			
	Change in assumption	Increase in assumption ····· (Rupee	Decrease in assumption		
Discount rate	1.00%	32,542	40,473		
Increase in future salaries	1.00%	40,473	32,480		

The sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and change in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the project unit credit method at the end of reporting period) has been applied as when calculating the gratuity liability recognised within the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the previous period.

20.2.7 Based on actuary's advice, the expected charge for the year ending June 30, 2017 amounts to Rs.10,343 thousand.

20.2.8 The weighted average duration of the scheme is 11 years.

25. CONTINGENCIES AND COMMITMENTS

25.1 Contingencies

- (i) Suit against the Company by the supplier for the recovery of Rs.25,867 thousand as compensation for breach of agreement. The suit is being defended by the Company on a number of legal grounds. The suit is at present in evidence stage and the Company has plausible defence.
- (ii) Various demands have been raised by the Central Excise and Sales Tax Departments aggregating Rs.4,896 thousand. The Company filed Sales Tax Reference in High Court of Sindh against the order of Customs, Excise and Sales Tax Appellate Tribunal (the Tribunal). The Sales Tax Reference had been decided vide order dated January 21, 2009 wherein the High Court of Sindh has set aside the order of the Tribunal and remanded back the case to the Tribunal to pass order in accordance with law. The Tribunal through order dated October 9, 2015, disposed off the matter by remanding the case to Assessing officer. No provision has been made in these financial statements as the management believes that it will have a favourable decision.

Annual Report 2016 63

(iii) The Company had obtained legal advice in connection with the establishment of Worker's Participation Fund (the Fund) under the Companies Profits (Workers' Participation) Act, 1968 (the Act). The legal advisor is of the view that since, during the year ended June 30, 2006, the Company did not employ any person who falls under the definition of worker as defined in the Act of 1968, it was not legally or factually possible to constitute the Fund as required by section 3 of the Act. As a consequence, the Company was not required to make contributions to the Fund established pursuant to Workers' Welfare Fund Ordinance 1971. The Company based on legal advice had written back in the financial statements for the year ended June 30, 2007 the contribution of Rs.7,722 thousand of worker's participation fund provided during the year June 30, 2006.

The Company, during the financial year ended June 30, 2015, had obtained another legal opinion in connection with the establishment of the Fund under the Act and its intension to disburse workers' profit participation fund amount amongst the workers employed by an independent contractor. The opinion states that in the absence of essential entity i.e. workmen category employed by the Company neither the Fund can be established & constituted nor the Company is liable to pay 5% amount to a non-existent Fund. Consequently, the Act becomes unenforceable and ineffective.

Regarding the query of depositing the entire 5% profit amount with the Government treasury - Workers Welfare Fund (WWF) established under section 3 of the Workers Welfare Fund Ordinance, 1971; legal opinion states that deposit of the amount in the WWF arises only after the units have been so allocated. Consequently, the Company is neither liable to appropriate 5% profit amount in the balance sheet nor liable to pay the said amount to non-existent Fund / or in vacuum. Further during the current year, the Company have obtained a clarification from above legal advisor regarding the applicability of The Sindh Companies Profits (Workers' Participation) Act, 2015. The legal advisor is of the opinion that since definition of worker and other substantial provisions are same as these are in the Act of 1968, therefore, above opinion shall also be applicable for The Sindh Companies Profits (Workers' Participation) Act, 2015. The Company, during the financial year June 30, 2015, based on this legal advice had written back outstanding balance of workers' profit participation fund aggregating Rs.33,102 thousand which related to eight financial years from June 30, 2007 to June 30, 2014.

Provision for current year and preceding year charge amounting Rs.56,026 thousand and Rs.15,031 thousand respectively has also not been made on the basis of this legal advice.

Furthermore, the question whether a company to which the Act of 1968 and its scheme applies but which does not employ any worker is nevertheless obliged to establish and pay contributions into the fund under the act and thereafter transfer the same to the fund established under the Workers' Welfare Fund Ordinance, 1971 is subjudice before Sindh High Court as the Supreme Court of Pakistan accepted the petition of another company and remanded the case to the Sindh High Court for fresh decision. The matter is pending adjudication before the Sindh High Court.

If it is established that the above provisions of the Act are applicable to the Company, provisions in respect of eleven financial years from June 30, 2006 to June 30, 2016 aggregating Rs.111,881 thousand including any penalties may become payable.

33.2 Section 5A of the Income Tax Ordinance, 2001 imposes tax at the rate of ten percent on every public company other than a scheduled bank or modaraba, that derives profits for a tax year but does not distribute cash dividend within six months of the end of said tax year or distribute dividends to such an extent that its reserves, after such distribution, are in excess of 100% of its paid up capital. However, this tax on undistributed reserves is not applicable to a public company which distributes profit equal to either 40% of its after tax profits or 50% of its issued, subscribed and paid up capital, whichever is less, within six months of the end of the tax year.

The Board of Directors in their meeting held on October 4, 2016 has distributed sufficient cash dividend for the year ended June 30, 2016 (refer note 44) which complies with the above stated requirements. Accordingly, no provision for tax on undistributed reserves has been recognised in these financial statements for the year ended June 30, 2016.

The effective interest / mark-up rates for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

40.2 Financial risk factors

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk (including foreign exchange risk and interest / mark-up rate risk). The Company's overall risk management program focuses on having cost effective funding as well as manage financial risk to minimize earnings volatility and provide maximum return to shareholders.

(a) Credit risk

Credit risk represents the accounting loss that would be recognised if counterparts failed to perform as contracted. Credit risk mainly arises from loans & advances, deposits, trade debts, other receivables and bank balances. The financial assets exposed to credit risk aggregate to Rs.1,212,571 thousand (2015: Rs.499,077 thousand).

The Company believe that it is not materially exposed to credit risk as; (i) trade debts mainly represent receivables from government and semi-government agencies, (ii) deposits mainly include margin against letters of credit and bank guarantees held with banks having good credit ratings and (iii) balances placed with banks having good credit ratings assigned by credit rating agencies.

The Company attempts to control credit risk by monitoring credit exposure, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

(b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligation as they fall due. Prudent liquidity risk management implies maintaining sufficient cash and bank balances and availability of funding through an adequate amount of committed credit facilities. The Company aims to maintain flexibility in funding by keeping committed credit lines open.

The maturity profile of the Company's liabilities based on maturities is disclosed in note 40.1 of these financial statements.

(c) Market risk

Foreign exchange risk

Foreign exchange risk arises mainly when receivables and payables exist due to transactions based on currencies other than Pak Rupee. At June 30, 2016, receivables and payables exposed to foreign exchange risk are Rs.18,551 thousand (2015: Rs.16,330 thousand) and Rs.9,333 thousand (2015: Rs.4,394 thousand) respectively. The liability and receivable are denominated in Japanese Yen.

At June 30, 2016 if Pak Rupee had weakened / strengthened by 2% against Japanese Yen with all other variables held constant, profit before tax for the year would have been lower / higher by Rs.196 thousand (2015: Rs.294 thousand), mainly as a result of foreign exchange loss / gain on translation of Japanese Yen denominated financial assets and liabilities.

The sensitivity of foreign exchange rate looks at the outstanding foreign exchange balances of the Company as at the reporting date. The volatility percentage for movement in foreign exchange rates has been used due to the fact that historically (5 years) rate has moved on average basis by the mentioned percentage per annum.

Interest / mark-up rate risk

Interest / mark-up rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest / mark-up rates. At June 30, 2016, the Company's interest bearing financial liabilities of Rs.238,626 thousand (2015: Rs.215,561 thousand) represent the short term borrowings at floating rate to manage the working capital requirements of the Company and obligation under assets subject to finance lease. These liabilities are re-priced at a maximum period of six months. The effective mark-up rates for financial assets and liabilities are mentioned in respective notes to the financial statements.

Had the interest rates varied by 100 basis points with all the other variables held constant, profit before tax for

the year would have been approximately higher / lower by Rs.2,386 thousand (2015: Rs.2,156 thousand).

The sensitivity of 100 basis points movement in the interest rates has been used as historically (five years) floating interest rates have moved by an average of 100 basis per annum.

40.3 Price risk

The Company is not exposed to any price risk as it does not hold any investments exposed to price risk.

40.4 Fair values of financial assets and liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Underlying the definition of fair value is the presumption that the Company is going concern and there is no intention or requirement to curtail materially the scale of its operation or to undertake a transaction on adverse terms.

The estimated fair value of all financial assets and liabilities is considered not significantly different from book values as the items are either short - term in nature or periodically repriced.

International Financial Reporting Standard 13, 'Financial Instruments : Disclosure' requires the Company to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Quoted prices (unadjusted) in active markets for identical assets or liabilities [Level 1].

Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) [Level 2].

Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) [Level 3].

Currently there are no financial assets or financial liabilities which are measured at their fair value in the balance sheet.

41. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders and / or issue new shares. There was no change to the Company's approach to capital management during the year.
