## Performance Review

## Sugar Division

The crushing season 2017-18 commenced on December 8, 2017 and upto December 31, 2017, 156,905 M. Tons of sugarcane was crushed with average sucrose recovery of 9.38 \% and sugar production of $14,727 \mathrm{M}$. Tons including sugar in process as compared with crushing of $289,151 \mathrm{M}$. Tons with average sucrose recovery of $9.10 \%$ and sugar production of $26,306 \mathrm{M}$. Tons during the corresponding quarter of the previous year.

The Government of Sindh on December 5, 2017 issued notification fixing the minimum support price of sugarcane for crushing season 2017-18 at Rs. 182 per 40 kgs , same as it was fixed for the crushing season 2016-17. In addition, mills would be required to pay quality premium at the rate of paisas fifty for every 0.1 percent recovery in excess of the bench mark of $8.7 \%$. However, in accordance with the notification, while the matter is still pending with the Honourable Supreme Court of Pakistan and as per the decision of the Federal Government Steering Committee, the quality premium shall remain suspended till the decision of the Honourable Supreme Court or the consensus on uniform formula developed by the Federal Government.

The minimum sugarcane support price fixed by the Sindh government at Rs. $182 / 40 \mathrm{kgs}$ is not justified in relation to the prevailing sugar price both in domestic and international markets. Your company along with other sugar mills filed a petition before the Hon'ble High Court of Sindh praying that the minimum
support price fixed by the Sindh government was totally arbitrary and unjustified as it would result in financial catastrophe and economic disaster to the sugar industry in the Province of Sindh.

On December 22, 2017, the Hon'ble High Court of Sindh passed an interim order directing sugar mills to make payment to the growers at the rate of Rs. $172 / 40 \mathrm{kgs}$ w.e.f. December 23, 2017 and also furnish security acceptable to the Nazir of the Court within three weeks from the date on which the order takes effect for the differential amount (i.e. Rs.10/40kg) to be calculated on the basis of the sugarcane quantum crushed during the crushing season 2016-17. Against the above order, sugar mills filed a review petition which was fixed for hearing alongwith the main petition.

During the hearing on January 25, 2018, under the instructions of Chief Secretary and Chief Minister of Sindh, the Advocate General Sindh submitted that Government is willing to get the matter resolved amicably by calling meeting of all the stakeholders, whereafter support price of sugarcane will be determined and a fresh notification will be issued after the approval of Provincial Cabinet. In view of the said submission, the matter was finally adjourned to January 30, 2018.

Considering surplus sugar stock in the country, the Economic Co-ordination Committee of the Cabinet (ECC) has allowed export of 1,500,000 M. Tons of sugar with inland freight subsidy of Rs. $10.70 / \mathrm{kg}$ on sliding scale basis.

The sugar division suffered operating loss of Rs.121.63 million as against operating loss of Rs. 27.33 million during the corresponding quarter of the previous year. The increase in operating loss was due to increased cost of production on account of lower crushing quantum.

## Distillery Division

The division operated satisfactorily during the period and upto December 31, 2017 produced $5,040 \mathrm{M}$. Tons of ethanol as compared with $5,460 \mathrm{M}$. Tons during the corresponding period of the previous year. The division earned operating profit of Rs. 52.24 million as compared with Rs. 21.05 million during the corresponding quarter of previous year. The increase in operating profit was on account of better sales volume and decrease in molasses prices.

The liquidified carbon dioxide (CO2) unit produced $1,551 \mathrm{M}$. Tons as compared with $1,470 \mathrm{M}$. Tons during the corresponding period of the previous year. The operating profit earned by the unit is included in the profit of the division.

## Textile Division

The division earned operating profit of Rs. 4.87 million during the quarter under review, as against loss of Rs.2.47 million during the corresponding period of previous year. The increase in profit was on account of better sales volume and increase in selling prices.

## Trading Division

During the period under review, the division incurred a loss of Rs. 56.96 million on account of trading of sugar as against profit of Rs.20.06 million during the corresponding period of the previous year. The division suffered loss due to drastic reduction in sugar prices in local market.

## Bagasse Based Co-Generation Project of 26.5 MW

The Company has obtained approval of upfront Tariff, Generation Licence and Letter of Support. The Energy Purchase Agreement (EPA) and Implementation Agreement (IA) have not yet been signed by the Company as a review application with respect to upfront Tariff has been filed by the Central Power Purchasing Authority (CPPA) which is pending adjudication before the National Electric Power Regulatory Authority (NEPRA). The application was lastly fixed for hearing on January 4, 2018 and in view of the advice of our legal counsel, the company is confident of a favourable outcome.

## General

The Directors are pleased to place on record their appreciation of the devoted and dedicated services of the officers, staff and workers of the Company.

The aggregate financing facility available from commercial banks amounted to Rs. 5,313 (September 2017: Rs. 5,313 ) million. These financing facilities are secured by way of registered charge against hypothecation of stock-in-trade, stores and spares, assignment of trade debts and other receivables. The rate of mark-up charged during the period was $2.20 \%$ (September 2017: $2.25 \%$ to $7.54 \%$ ) per annum.

## 13. Contingencies and commitments

13.1 On May 22, 2015 the Government of Pakistan promulgated Gas Infrastructure Development (GID) Cess Act, 2015 and levied GID Cess on gas bills at the rate of Rs. 100 / MMBTU on all industrial consumers. The GID Cess Act, 2015 was made applicable with immediate effect superseding the GID Cess Act, 2011 and GID Cess Ordinance, 2014.

The Company challenged the vires of GID Cess Act, 2015 before the Honourable Hight Court of Sindh. On July 24, 2015 the Honourable High Court of Sindh passed an order restraining the SSGC from demanding and collecting GID Cess as levied by the GID Cess Act, 2015. On October 26, 2016, the case was decided by the Honourable High Court of Sindh in favour of the Company. The Government has filed an appeal before the Honourable High Court of Sindh, where the Company was not made party to such litigation. Currently, GID Cess is not being charged to the Company by SSGC.

The Financial exposure of the Company upto December 31, 2017 is Rs.36.85 (September 30, 2017: 35.82) million. However, in view of the advice of legal counsel no provision has been made in these unconsolidated financial statements.
13.2 The Government of Sindh vide notification dated July 8, 2014 levied a fee of Rs.0.50 / litre for storage of rectified spirit in bonded warehouse at Terminal Kaemari, Karachi. The Company disputed the above levy and filed constitutional petition before the Honourable High Court of Sindh, challenging the above fee. On July 23, 2014, the Honourable High Court of Sindh granted stay and suspended the operation of the above notification. The case was lastly fixed for hearing on March 20, 2015 and was not taken up for hearing. The financial exposure as at December 31, 2017 is Rs. 68.70 (September 30, 2017 is Rs.65.71) million. In view of the advice of legal counsel, the Company is confident of a favourable outcome of the case and accordingly no provision has been made in these unconsolidated financial statements.
13.3 Pursuant to the decision of ECC on January 10, 2013, the FBR vide its SRO No. 77(1)/2013 dated February 7, 2013, allowed benefit to sugar exporters by reducing FED rate from $8.0 \%$ to $0.5 \%$ on local sales, equivalent to quantity exported by the mills. The Company availed the benefit and claimed Rs. 56.56 million on account of reduced rate of FED.

Against the aforementioned claim, FBR disallowed an amount of Rs. 7.0 million and also levied default surcharge of Rs. 0.3 million. The disallowances was on the basis that the benefit of claim accrues and arises from February 7, 2013, the date of SRO No: 77(1)/2013 and not from January 10, 2013, the date of ECC meeting wherein the benefit was approved by ECC. The Company maintains that the sugar mills are entitled to avail the benefit of reduced rate of FED on sugar exported against the
export quota allotted by ECC in its meeting held on January 10, 2013. Accordingly, the Company filed a suit before Honourable High Court of Sindh and the operations of the said order were suspended by the Honourable Court vide its order dated April 23, 2014. The case was lastly fixed for hearing on December 4, 2014 and was adjourned as date in office. In view of the advice of legal counsel, the company is confident of a favourable outcome and accordingly no provision has been made in these unconsolidated financial statements.
13.4 During the year 2009-10 the Company alongwith other sugar mills filed a Constitutional Petition before the Honourable High Court of Sindh against Pakistan Standards and Quality Control Authority - PSQCA challenging the notifications issued in respect of registration of the Standard Mark for refined sugar manufactured and sold by the Company and levy of marking fee at the rate of $0.1 \%$ of ex-factory price of sugar sold with effect from January 1, 2009.

On December 4, 2012 the Honourable High Court of Sindh decided the case in favour of the Company. Against the above order, PSQCA filed an appeal before the Honourable Supreme Court of Pakistan. On November 25, 2013 the Honourable Supreme Court of Pakistan passed an interim order against PSQCA restraining them from demanding any registration of standard marks / licensing fee from the sugar mills till further order and the case was adjourned to date in office.

According to the advice of legal counsel, the demand raised is without any lawful authority and is in violation of the Constitution, hence, no provision is made in this regard.
13.5 The Company has provided counter guarantees to Bank AL Habib Limited, a related party, amounting to Rs.250.00 (September 30, 2017: Rs. 250.00) million against agriculture finance facilities to the growers suppling sugarcane to the mills and counter guarantees to other banks amounting to Rs.649.91 (September 30, 2017: $1,691.76$ ) million against guarantees issued by banks in favour of third parties on behalf of the Company. These guarantees are secured by way of registered charge against hypothecation of stores and spares, stock-in-trade, assignment of trade debts and other receivables.
13.6 Commitments for capital expenditure amounting to Rs.17.47 (September 2017: 65.20) million.

12. Short-term borrowings - secured

The aggregate financing facility available from commercial banks amounted to Rs. 5,313 (September 2017: Rs. 5,313 ) million. These financing facilities are secured by way of registered charge against hypothecation of stock-in-trade, stores and spares, assignment of trade debts and other receivables. The rate of mark-up charged during the period was 2.20\% (September 2017: 2.25\% to 7.54\% ) per annum.
13. Contingencies and commitments
13.1 On May 22, 2015 the Government of Pakistan promulgated Gas Infrastructure Development (GID) Cess Act, 2015 and levied GID Cess on gas bills at the rate of Rs. 100 / MMBTU on all industrial consumers. The GID Cess Act, 2015 was made applicable with immediate effect superseding the GID Cess Act, 2011 and GID Cess Ordinance, 2014.

The Holding Company challenged the vires of GID Cess Act, 2015 before the Honourable Hight Court of Sindh. On July 24, 2015 the Honourable High Court of Sindh passed an order restraining the SSGC from demanding and collecting GID Cess as levied by the GID Cess Act, 2015. On October 26, 2016, the case was decided by the Honourable High Court of Sindh in favour of the Holding Company. The Government has filed an appeal before the Honourable High Court of Sindh, where the Holding Company was not made party to such litigation. Currently, GID Cess is not being charged to the Holding Company by SSGC.

The Financial exposure of the Holding Company upto December 31, 2017 is Rs.36.85 (September 30, 2017: 35.82) million. However, in view of the advice of legal counsel no provision has been made in these consolidated financial statements.
13.2 The Government of Sindh vide notification dated July 8, 2014 levied a fee of Rs.0.50 / litre for storage of rectified spirit in bonded warehouse at Terminal Kaemari, Karachi. The Holding Company disputed the above levy and filed constitutional petition before the Honourable High Court of Sindh, challenging the above fee. On July 23, 2014, the Honourable High Court of Sindh granted stay and suspended the operation of the above notification. The case was lastly fixed for hearing on March 20, 2015 and was not taken up for hearing. The financial exposure as at December 31, 2017 is Rs.68.70 (September 30, 2017: Rs.65.71) million. In view of the advice of legal counsel, the Holding Company is confident of a favourable outcome of the case and accordingly no provision has been made in these consolidated financial statements.
13.3 Pursuant to the decision of ECC on January 10, 2013, the FBR vide its SRO No. 77(1)/2013 dated February 7, 2013, allowed benefit to sugar exporters by reducing FED rate from $8.0 \%$ to $0.5 \%$ on local sales, equivalent to quantity exported by the mills. The Holding Company availed the benefit and claimed Rs.56.56 million on account of reduced rate of FED.

Against the aforementioned claim, FBR disallowed an amount of Rs. 7.0 million and also levied default surcharge of Rs. 0.3 million. The disallowances was on the basis that the benefit of claim accrues and arises from February 7, 2013, the date of SRO No: 77(1)/2013 and not from January 10, 2013, the date of ECC meeting wherein the benefit was approved by ECC. The Company maintains that the sugar mills are entitled to avail the benefit of reduced rate of FED on sugar exported against the export quota allotted by ECC in its meeting held on January 10, 2013. Accordingly, the Holding Company filed a suit before Honourable High Court of Sindh and the operations of the said order were suspended by the Honourable Court vide its order dated April 23, 2014. The case was lastly fixed for hearing on December 4, 2014 and was adjourned as date in office. In view of the advice of legal counsel, the Holding Company is confident of a favourable outcome and accordingly no provision has been made in these consolidated financial statements.
13.4 During the year 2009-10 the Holding Company alongwith other sugar mills filed a Constitutional Petition before the Honourable High Court of Sindh against Pakistan Standards and Quality Control Authority - PSQCA challenging the notifications issued in respect of registration of the Standard Mark for refined sugar manufactured and sold by the Holding Company and levy of marking fee at the rate of $0.1 \%$ of ex-factory price of sugar sold with effect from January 1, 2009.

On December 4, 2012 the Honourable High Court of Sindh decided the case in favour of the Holding Company. Against the above order, PSQCA filed an appeal before the Honourable Supreme Court of Pakistan. On November 25, 2013 the Honourable Supreme Court of Pakistan passed an interim order against PSQCA restraining them from demanding any registration of standard marks / licensing fee from the sugar mills till further order and the case was adjourned to date in office.

According to the advice of legal counsel, the demand raised is without any lawful authority and is in violation of the Constitution, hence, no provision is made in this regard.
13.5 The Holding Company has provided counter guarantees to Bank AL Habib Limited, a related party, amounting to Rs. 250.00 (September 30, 2017: Rs. 250.00) million against agriculture finance facilities to the growers suppling sugarcane to the mills and counter guarantees to other banks amounting to Rs.649.91 (September 30, 2017: 1,691.76) million against guarantees issued by banks in favour of third parties on behalf of the Holding Company. These guarantees are secured by way of registered charge against hypothecation of stores and spares, stock-in-trade, assignment of trade debts and other receivables.
13.6 Commitments for capital expenditure amounting to Rs. 17.47 (September 2017: 65.20) million.
