REPORT OF DIRECTORS TO THE MEMBERS

The Directors of the Company are pleased to present before you the Unaudited Financial Statements of the Company for the six months period ended June 30, 2014 duly completed the limited scope review and report thereon by the Statutory Auditors of the Company M/s. Munif Ziauddin & Co. Chartered Accountants.

The Company result shows net profit of Rs. 125,000 during the period under review, which has resulted in a decrease of accumulated losses to Rs. (4,784,337) carried forward to the Balance Sheet. The Company has not underwritten any insurance business during the period but earned a rental income of Rs. 150,000 form its Investment Property business during the period. The Insurance Ordinance, 2000 requires that paid-up capital of the Company should be Rs. 300.00 million and due to this the Securities and Exchange Commission of Pakistan has issued a letter on 2nd April, 2013 for the winding up of the Company. However, the Company due to its non operational status and liquidity issues has been unable to fulfill this requirement but the management is making all out efforts to have the required share capital and run the business as a going concern and resolve the issues in the stipulated time.

We will be doing our best to resume in our business. We of course in this period have made strategic steps by negotiating with Central Depository Company of Pakistan to make a successful Rights offer but due to non availability of a congenial investment climate the Company finds it difficult under existing circumstances and thus the matter is still in process.

Auditors Observations

Auditors of the Company could not form a favorable opinion due to the suspended operations of the Company mainly on going concern and certain other issues. Their basis of opinion in the fact of not so far having the minimum level of paid-up capital of Rs. 300.00 million and other issues as specified in the auditor's review report. We are however, making all our efforts to have the required paid-up capital and are striving our best to come up with the solutions for all other issues as specified by the Auditors.

Future Prospects

The Directors of the Company are willing to make the Company a reputable Insurance and Takaful business organization. We are also planning to run its activities as of an alternative business. We intend to develop an efficient system of internal control and comply with the code of corporate governance in all respects, as soon as the minimum paid-up capital and other requirements of the Insurance Ordinance 2000 are met.

The future outlet is also dependent on improved political situation in the region, besides the continuation of economical and fiscal policies by the government, all economic indicators are, however, reasonably not positive and shall lead to a nominal growth during the year 2014.

AUDITOR'S REPORT TO MEMBERS
ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying:

i. condensed interim balance sheet;
ii. condensed interim profit and loss account;
iii. condensed interim statement of comprehensive income;
iv. condensed interim statement of changes in equity;
v. condensed interim statement of cash flows;
vi. condensed interim statement of premiums;
vii. condensed interim statement of claims;
viii. condensed interim statement of expenses; and
ix. condensed interim statement of investment income

of Hallmark Insurance Company Limited ("the Company") as at 30 June 2014 together with notes forming part thereof (here-in-after referred to as the "condensed interim financial information") for the six months period then ended. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity. "A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Adverse Conclusion

1. The Insurance Ordinance, 2000 requires the minimum capital of Rs. 300 million to be maintained by Insurance Company; the Company does not find itself in position to increase its paid-up capital, and does not comply with the solvency requirements.

2. The Company earned a net profit of Rs. 60,000 during the period of Six months ended June 30, 2014. However, the Company's accumulated loss is amounted to Rs. 4,784,337 and its total current liabilities exceeded its current assets by Rs. 1,521,181. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. This condensed interim financial information do not include any adjustment that would result if the company was unable to continue as a going concern. Furthermore, no disclosure

has been made in the condensed interim financial information regarding the financing plans for the revival of the Company.

3. Sundry receivables as disclosed in the balance sheet amount to Rs. 591,106. In our opinion the company is unlikely to receive any payment and full provision of 591,106 should have been made. Accordingly, sundry receivables should be reduced and net loss for the year should be increased by the same amount.

4. The Company could not reconcile its accounts with Pakistan Reinsurance Corporation Limited.

5. The commercial operations of the Company were suspended from January 01, 2003. Due to discontinued operations, depreciation for the period of six months amounting to Rs. 46,842 has not been charged in this condensed interim financial information. Had the depreciation been charged, the net accumulated loss after tax would have been increased by Rs. 46,842 and the written down value of fixed assets would have been reduced by Rs. 46,842.

6. During the pervious year the company acquired land which is classified as investment property, however no title documents of this land were provided to us for our verification.

7. Due to non availability of records and direct confirmation, we were unable to verify bank balances amounting to Rs. 26,445.

Adverse Conclusion

Our review indicates that, because of the significance of matters as mentioned above, the annexed condensed interim information does not give true and fair view of the financial position of the company as at June 30, 2014 and of its financial performance and its cash flows for the period then ended, in accordance with approved accounting standards as applicable in Pakistan.

Other matters

The figures for the three months period ended June 30, 2014 in the accompanying condensed interim financial information have not been reviewed and we do not express conclusion thereon.
