Directors' Report

The directors of your company are pleased to present financial statements for the period ended March 31, 2015.

The period under review remained very challenging as a result of a levy of 5% import duty on HRC, our raw material, effective July 1, 2014. A regulatory duty of 5% was imposed during January 2015 on imports of finished goods that we produce that restored status of the duty structure to prior June 2014.

The global steel prices continued to decline as there was excess steel manufacturing capacity, particularly in China, that produces over 50% of world's steel output. Pakistan has a Free Trade Agreement (FTA) with China, which results in almost 70% of total imports being made from China at a concessional rate of duty.

However, there is still only a 5% differential despite a clear understanding from government to maintain a 10% difference in import duty between raw material and finished products.

Sales were lower than same period last year by 15%. Gross profit remained under pressure owing to higher input cost and continuous decline in steel prices.

The exchange rate fluctuation during the nine months also had an adverse impact and resulted in a net exchange loss. Resultantly, loss after tax for the period was Rs 1 million compared to the profit after tax of Rs 546 million in same period last year.

Your Company made a contribution of Rs 2,824 million to National Exchequer during the period compared to Rs 2,907 million during same period last year.

The expansion projects announced and launched last year are on track and, the company expects to have increased capacity to cold roll 500,000 tons and galvanize 400,000 tons, which will be available by the close of the current financial year. A color coating line was successfully commissioned during the quarter, becoming the first in the country producing color coated steel sheets, providing significant import substitution. The increased capacity after expansion will be sufficient to meet a great deal of the country's demand for flat steel products.

We pray to Almighty Allah for the success of your company.

12. CONTINGENCY AND COMMITMENTS

12.1 Contingency

12.1.1 The Sindh Finance Act, 1994 prescribed in the position of an infrastructure fee at the rate of 0.50% of the C&F value of all goods entering or leaving the province of Sindh via sea or air. The High Court on petition filed, passed an interim order directing that every company subsequent to 27 December 2006 is required to clear the goods on paying 50% of the fee amount involved and furnishing a guarantee / securities for the balance amount as directed. Bank Guarantees issued as per the above mentioned interim order amount to Rs. 276.50 million (30 June 2014: Rs. 216.50 million), have been provided to the Department. However, a provision to the extent of amount utilized from the limit of guarantee has also been provided for by the Company on prudent basis (note 10.1).

12.1.2 As per the Gas Infrastructure and Development Cess Act 2011 ('the Act'), certain companies as specified in the Act (including Sui Southern Gas Company ('SSGC')) shall collect and pay Gas Infrastructure and Development Cess ('GIDC') in such manner as the Federal Government may prescribe. As per the second schedule of the Act, GIDC of Rs. 13 per MMBTU was applicable on International Steels Limited. Through Finance Bill 2012 – 2013, an amendment was made to the Act whereby the rate of GIDC applicable on International Steels Limited was increased to Rs. 100 per MMBTU. On 01 August 2012, the Company filed a suit bearing number 859/2012 wherein it impugned the Act on the ground that the rate of GIDC has been enhanced without any lawful justification and authority. The Honourable High Court of Sindh at Karachi vide its ad-interim order dated 06 September 2012 has restrained SSGC from charging GIDC above Rs. 13 per MMBTU. As a result, SSGC invoiced GIDC to the Company at Rs. 13 per MMBTU, which has been recorded and paid.

Peshawar High Court vide order dated 13 June 2013 declared that the provisions of the Act, imposing, levying and recovering the impugned cess, are absolutely expropriatory and exploitative and being constitutionally illegitimate, having no sanction there for under the constitution, hence, are declared as such and set at naught. The judgement was referred in the Supreme Court and Supreme Court of Pakistan vide its order dated 22 August 2014 has upheld the decision of the Peshawar High Court stating that the GIDC Act 2011 to be unconstitutional and ultra vires on the grounds that GIDC is a 'Fee' and not a 'Tax' and in the alternative it is not covered by any entry relating to imposition or levy of tax under Part-I of the Federal Legislative list and on either counts the 'cess' could not have been introduced through a money bill under the Constitution.

In order to circumvent the decision of the Supreme Court, the Federal Government during the first quarter promulgated GIDC Ordinance No. VI of 2014, imposing GIDC at Rs. 200 per MMBTU for captive power plants and at Rs. 150 per MMBTU for industrial units. The Company, once again filed a Suit against the Ordinance on the plea that the Hon'ble Supreme Court has already held that GIDC or any Fee on Gas is not covered by any entry relating to imposition or levy of tax under Part-I of the Federal Legislative list and thus the Federal Government has no powers to impose GIDC. The Ordinance included the application of GIDC as defined in the Act. In view of Supreme Court's order declaring GIDC as unconstitutional and ultra vires, the Company has not recorded GIDC amounting to Rs. 286.71 million in these condensed interim financial information.

Notes to the Condensed Interim Financial Information (Unaudited)

- 12.1.3** Section 113(2)(c) was interpreted by a Divisional Bench of the Sindh High Court (SHC) in the Income Tax Reference Application (ITRA) No. 132 of 2011 dated 07 May 2013, whereby it was held that the benefit of carry forward of Minimum Tax is only available in the situation where the actual tax payable (on the basis of net income) in a tax year is less than Minimum Tax. Therefore, where there is no tax payable due to brought forward tax losses, minimum tax could not be carried forward for adjustment with future tax liability.

The Company based on legal councils' advices considered that certain strong grounds are available whereby the aforesaid decision can be challenged in a Larger Bench of the SHC or the Supreme Court of Pakistan. A leave to appeal against the aforesaid decision has already been filed before the Supreme Court of Pakistan by other companies which is pending for hearing. In view of above, the Company is confident that the ultimate outcome in this regard would be favourable. Accumulated minimum tax liability of Rs. 408.8 million was determined for the tax years 2012, 2013 and 2014.

However, minimum tax liability amounting to Rs. 520.01 million has not been recorded based on the assessment and estimation for availability of sufficient taxable profits on the basis of 5 years projections and tax credits available to the Company under section 65B of the Income Tax Ordinance, 2001.

- 12.1.4** Guarantee issued by the Company to Sui Southern Gas Company Limited of Rs. 201.65 million (30 June 2014: Rs. 177.2 million) as a security for supply of gas.

12.2 Commitments

- 12.2.1** Capital expenditure commitments outstanding as at 31 March 2015 amounted to Rs. 266.64 million (30 June 2014: Rs. 2,020.32 million).
