NOTICE OF 20th ANNUAL GENERAL MEETING

Notice is hereby given that the 20th Annual General Meeting of Japan Power Generation Limited will be held on Wednesday, October 29, 2014 at 9:00 AM at registered office/plant located at Jia Bagga, off Raiwind Road, Lahore to transact the following business:

ORDINARY BUSINESS:

1. To confirm the minutes of the 19th Annual General Meeting of the Company held on Tuesday, October 29, 2013.
2. To receive, consider and adopt the audited financial statements of the company for the financial year ended June 30, 2014, together with the Directors' and Auditors' Reports thereon.
3. To appoint auditors for the year ending June 30, 2015 and to fix their remuneration. The present Auditors, M/s. BDO Ebrahim & Co., Chartered Accountants, retire and being eligible have offered themselves for re-appointment.
4. To transact any other business that may be placed before the meeting with the permission of the Chair.

By order of the Board

Lahore
October 03, 2014

Tariq Mahmood
Company Secretary

NOTES:

1. The Share Transfer Book of the Company will remain closed from October 22, 2014 to October 29, 2014 (Both days inclusive).
2. A member entitled to attend and vote at the meeting may appoint another member as his/her proxy to attend and vote in his/her place. Proxies, complete in every respect, in order to be effective, must be received at the Registered Office of the Company located at Jia Bagga, off Raiwind Road, Lahore, not less than 48 hours before the time of holding the meeting.
3. Members are requested to promptly notify the Company any change in their addresses.
4. CDC Account Holders will further have to follow the under mentioned guidelines as laid down in circular -I dated January 20, 2000 issued by the SECP:

A. For Attending the Meeting

1. In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall authenticate his identity by showing his original Computerized National Identity Card (CNIC) or original Passport, Account and Participant's ID number at the time of attending the Meeting.
2. In case of corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of the Meeting.

B. For Appointing Proxies

1. In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall submit the proxy form as per the above requirements.
2. The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
3. Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.
4. The proxy shall produce his original CNIC or original passport at the time of the Meeting.
5. In case of corporate entity, the Board of Directors' resolution/power of attorney with specimen signature shall be submitted (unless it has been provided earlier) along with proxy form to the Company.

DIRECTORS' REPORT TO THE MEMBERS

The Board of Directors of your Company are pleased to present the 20th Annual Report together with the audited financial statements of your Company and Auditors' Report thereon for the year ended June 30, 2014.

PRINCIPAL ACTIVITIES:

The principal activity of the Company is to own, operate and maintain an oil-fired power station with a net contracted capacity of 120.5 MW (gross capacity of 135 MW).

PLANT PERFORMANCE:

The plant has been completely shut down since October 2012 due to non-availability of fuel advance from WAPDA. WAPDA is charging LDs for the shutdown period and has rejected the CPP invoices of the Company. The Company has disputed such LDs on the grounds of non-availability of fuel advance as per the arrangement reached in December 2009 with WAPDA. These disputes are fully explained in Note 20 to the financial statements.

FINANCIAL PERFORMANCE:

The key operating and financial data of the Company with comparatives for the corresponding year is as follows:

Financial year ended June 30,	2014	2013
	<u>Rupees 'million'</u>	
Turnover	797.86	2,259.24
Cost of sales	(375.64)	(2,087.28)
Gross Profit	422.22	171.96
Operating expenses	(60.42)	(66.74)
Operating Profit	361.80	105.22
Other Operating Charges	(260.73)	-
Other income	12.68	11.40
Financial and other costs	(993.54)	(1,009.18)
Provision for taxation	(0.15)	(1.25)
Net loss after taxation	(879.94)	(893.81)
Loss per share – basic and diluted	(5.64)	(5.73)

The plant is shut down owing to discontinuation of fuel advance by WAPDA from October 2012 onwards. Therefore, the turnover of the Company decreased significantly in the current year as compared to the corresponding year. Furthermore, WAPDA has also refused to pay for capacity invoices from October 2012 onwards. However, as per the provisions of the Power Purchase Agreement (PPA), Capacity Purchase Price (CPP) invoices are issued to WAPDA and its revenue is recognized in the financial statements.

Due to recognition of CPP revenue as well as decrease in fuel loss, and decrease in repair & maintenance cost as a result of shut down of plant from October 19, 2012 onwards, the financial results show a gross profit of Rs. 422.22 million for the period as compared to gross profit of Rs. 171.96 million for the corresponding period of last year.

Furthermore, the International Court of Arbitration has announced its Final Award mainly in favour of the Company. As per ICC Award NEC component of Capacity Purchase Price (CPP), Additional Capacity of 13.5 MW, effect of Amendment 3 on Energy Purchase Price (EPP), along with markup on all these claims were allowed to the Company. The Tribunal also allowed LDs for the period from November 2007 to February 2010 and fuel advance to WAPDA along with mark up. The net effect of the ICC Award is shown in "Other operating charges".

Finance cost has decreased in the current period as compared to corresponding period primarily due to decrease in KIBOR and REPO rates.

REASONS FOR NON-PAYMENT OF DIVIDEND AND DEBT OBLIGATIONS:

As detailed in Note 1.2 to the financial statements, the Company has incurred operating loss for the year amounting to Rs. 880 million (2013 : Rs. 893 million) and its accumulated loss has increased to Rs 7,052 million as at June 30, 2014, resulting in negative equity and adverse current assets ratio at that date.

The Company's major loss contributing factors over the years have been shortfalls in reimbursement from WAPDA of actual fuel cost incurred and excessive financial costs due to non-repayment of term loans/ finances; both as a consequence of tariff reductions in 1999.

Due to continued losses and consequential financial constraints, the Company is unable to discharge debt obligations towards its Lenders. Knowing the Company's history and state of affairs, the Lenders have not served any notice of default under the financing documents, and continue to make efforts to arrive at a comprehensive solution to all the issues faced by the Company to make it a financially viable entity.

In addition to this, amounts from the Capacity Price Payments (CPP) were withheld by WAPDA to adjust against its own disputed dues/ amount of fuel advance, which further increased the financial burden of the Company. The disputed amounts have been explained in detail in Note 20 of these financial statements.

Due to the above reasons, the Company is neither in a position to pay off obligations to its Lenders nor has declared dividend in any financial year.

COMMENTS ON THE AUDITORS' REPORT:

The Management of the Company is of the considered view that they are justified in preparing these financial statements on historical cost basis which depict a true and fair view of the Company's affairs. Accordingly the value of its property, plant and equipment is fairly stated and the Management does not agree with the auditors' opinion as regards the impairment of these assets. The power plant of the Company is available for operation at full capacity as the plant has demonstrated its capacity of 123 MW during ADC test in August 2012.

As regards to the concluding paragraphs of the Auditors' Report, detailed explanations have already been given in Note 1.2 as well as in Note 19 & 20 of the financial statements.

Notwithstanding the above, the Company's Management remains fully engaged with WAPDA for resumption of plant operation. For this purpose different options have been discussed and the parties reached consensus to operate the plant on 'Take-and-Pay' basis which would eliminate the fuel loss. A proposal has been submitted by the Company which under consideration with WAPDA and the relevant Government authorities.

Considering the above stated factors and arrangements, coupled with the continued support of WAPDA and the Lenders, the Management of the Company considers that the going concern assumption used in the preparation of this financial information is appropriate.

EXTERNAL AUDITORS' APPOINTMENT:

The Company's auditors M/s BDO Ebrahim & Co., Chartered Accountants shall retire at the conclusion of the 20th annual general meeting. The auditors have indicated their willingness to continue in office as auditors. The appointment in the office of the external auditors shall be made in the next AGM.

REMUNERATION OF CHIEF EXECUTIVE:

The previous CEO of the Company resigned in October 2013. A new Chief Executive Officer has been appointed by the Board of Directors on contractual basis for one year at a remuneration of Rs. 600,000 per month.

CORPORATE AND FINANCIAL REPORTING FRAMEWORK:

- The financial statements, together with the notes thereto, have been drawn up by the Management in conformity with the Companies Ordinance, 1984. These statements present fairly the Company's state of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of account have been maintained by the Company.
- Appropriate accounting policies have been consistently applied in preparation of the financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards (IAS) / International Financial Reporting Standards (IFRS), as applicable in Pakistan, have been followed in preparation of the financial statements.
- The system of internal controls is sound in design and has been effectively implemented and monitored.
- The management feels that there are no significant doubts upon the Company's ability to continue as a going concern.
- There has been no material departure from the best practices of Code of Corporate Governance, as detailed in the listing regulations.
- The key operating and financial data of last six years is attached to the report.
- During the financial year under review the Board of Directors met for six times and the attendance at the meetings was as follows:

Name	No. of Meetings Attended
Mr. Jehangir Shah (retired)	3
Mr. Mohammad Zalmai Rahmanuddin Khan (elected)	3
Mr. Parveiz Usman (re-elected)	5
Mr. Muhammad Mushtaq Bhatti (re-elected)	-
Mr. Javaid Iqbal (retired)	-
Mr. Nadeem Iqbal Raja (elected)	-
Mr. Kashif Muhammad Khan (re-elected)	5
Mr. Khurram Faizyab (retired)	1
Mr. Muhammad Saeed Rana (elected)	3
Mr. Nafees Ahmad (re-elected)	4
Mr. Zafar Iqbal (re-elected)	3
Ms. Parveen A Malik (retired)	2
Sheikh Aftab Ahmad (elected)	3
Mr. Ayaz Dawood (elected)	6
Mr. Yousaf Hussain (resigned)	3
Mr. Zahid Anjum (new appointment)	1
Mr. Muhammad Hanif Abbasi	5

Leave of absence, where requested, was granted to the Directors who could not attend the Board meetings.

During the financial year ended June 30, 2014, three casual vacancies has been filled in the Board of Directors as per Section 180(2) of the Companies Ordinance 1984. The election of the Board of Directors was also held on October 29, 2013.

- The Board has formed an Audit Committee, comprising five members, all of whom are non-executive directors.
- During the financial year the Audit Committee held 4 meetings and the attendance of the members were as follows:

Name	No. of Meetings Attended
Parveiz Usman	1
Mr. Muhammad Hanif Abbasi	3
Mr. Kashif Muhammad Khan (retired)	2
Mr. Muhammad Saeed Rana (new appointment)	2
Mr. Zafar Iqbal (retired)	1
Sheikh Aftab Ahmad (new appointment)	2
Mr. Ayaz Dawood	4

- 1) The Company, after obtaining approval from regulatory authorities, has established an Employees Gratuity Fund. Annual provision has been made on the basis of actuarial valuation to cover obligations under the scheme for all employees eligible for gratuity benefits. Due to plant shutdown since October 2012, most of the employees have resigned from the Company and gratuity dues have been paid to them from the Gratuity Fund as per their entitlements. The value of the investments of Gratuity Fund as on June 30, 2014 was Rs. 0.786 million.

COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

The Company's Statement of Compliance with the Code of Corporate Governance is annexed with this report.

ETHICS AND BUSINESS CONDUCT

The Company endeavors to conduct business honestly, in good faith and to comply with such regulations, codes, guidelines and procedures, which govern its business.

The relationship between the Management and employees is exemplary. The Directors are pleased to record their appreciation for the hard work and devotion to duty by all the employees.

ENVIRONMENT HEALTH AND SAFETY

We remain committed to ensure that the entire operations of the Company conform to environment, health and safety standards. Personal safety of the employees has remained amongst the priority areas of the Management. A dedicated team of professionals continuously review the environmental aspects that may have any significant impact on the environment. Similarly, all health and safety hazards having significant risks are also reviewed and are proactively addressed to avoid any untoward incident.

PATTERN OF SHAREHOLDING

Pattern of shareholding of the Company as at 30 June 2014 along with the necessary information is attached to this report.

FUTURE PROSPECTS

The Company is negotiating with WAPDA to restart the plant. Insha'Allah if an amicable settlement is reached with WAPDA your plant is expected to be operational shortly.

CONCLUSION

We wish to thank our shareholders, lenders, business partners and vendors for their valuable support and cooperation that has enabled the Company to effectively manage its operations during these difficult times.

Dated: September 23, 2014

**On behalf of the Board
Chief Executive Officer**

Vision Statement

To become partner in progress of the Country.

Mission Statement

- To be a company that endeavors to set the highest standards in corporate ethics.
- To achieve leadership through the use of technology and contribute to the development of the society.
- To transform the company into a modern corporate entity by achieving high standards of good governance.
- To earn better relationship with WAPDA by achieving production at optimum level and efficiency by lowering operating cost.
- To provide congenial working atmosphere to the employees by taking care of their career planning and adequately rewarding them for their contribution.
- To discharge social and cultured obligations towards the society as a patriotic and conscientious entity.

STATEMENT OF COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE

Year end: June 30, 2014

This statement is being presented to comply with the Code of Corporate Governance (CCG) contained in Regulation No. 35 of listing regulations of Karachi and Lahore Stock Exchanges for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the CCG in the following manner:

1. The Company encourages the representation of independent non-executive directors and directors representing minority interests on its Board of Directors. At present the Board includes:

Category Name	No. of Directors
Independent Directors	1
Executive Directors / CEO	1
Non-Executive Directors	11

The independent Director meets the criteria of independence under clause i(b) of the CCG.

2. The Directors have confirmed that none of them is serving as a director in more than seven listed companies, including this Company (excluding the listed subsidiaries of listed holding companies where applicable).
3. All the resident Directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFIs or, being a member of stock exchange, has been declared as a defaulter by that stock exchange.
4. The causal vacancies occurring on the Board on 16-April-2014, 24-April-2014 and 10-June-2014 were filled up by the Directors within 02, 47 and 05 days respectively.
5. The Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Company alongwith its supporting policies and procedures.
6. The Board has developed a vision / mission statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies alongwith the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the Chief Executive Officer (CEO), other executive and non-executive Directors have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman or, in his absence, by a Director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, alongwith agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. No training program has been arranged by the Board for its Directors during the year.
10. The Board has approved the appointment of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
11. The Directors' report for this year has been prepared in compliance with the requirements of the COCG and fully describes the salient matters required to be disclosed.
12. The financial statements of the Company were duly endorsed by CEO and CFO before the approval by the Board.
13. The Directors, CEO and Executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
14. The Company has complied with all the corporate and financial reporting requirements of the COCG.
15. The Board has formed an Audit Committee. It comprises five members, all of whom are non-executive Directors.

16. The meetings of the Audit Committee were held once every quarter prior to approval of interim and final results of the Company and as required by the COCG. The terms of reference of the Committee have been formed and advised to the Committee for compliance.
17. The Board has formed an HR and Remuneration Committee. It comprises five members, all of whom are non-executive Directors and the Chairman of the committee is also a non-executive Director.
18. The Board has outsourced the internal audit function to Naveed Zafar Ashfaq Jaffery & Co. who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Company.
19. The statutory auditors of the Company have confirmed that they have been given satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of their firms, their spouses and minor children do not hold shares of the Company and that the firms and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period' prior to the announcement of interim/final results, and business decisions which may materially affect the market price of the Company's securities, was determined and intimated to Directors, employees and stock exchanges.
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchanges.
23. We confirm that all other material principles enshrined in the CCOG have complied with except for the following towards which reasonable progress is being made by the Company to seek compliance by the end of next accounting year:
 - Directors' training programs as per Regulation No. 35(xi) of listing regulations. The Chief Executive has got the certification in respect of directors' training and one director is exempt as per the criteria set in COCG till the date of this report. However, the remaining directors will get Directors' training as soon as the Company gets out of cash flow crunch.
 - The CFO of the Company has been designated as Head of Internal Audit and Company Secretary. This is because the Company is facing severe cash flow problems due to shut down of the plant since October 2012.

REVIEW REPORT TO THE MEMBERS ON THE STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of **JAPAN POWER GENERATION LIMITED ("the Company")** for the year ended June 30, 2014 to comply with the requirements of Listing Regulation No. 35 of Karachi Stock Exchange and Lahore Stock Exchange where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Company for the year ended June 30, 2014.

Further, we highlight below instances of non-compliance with the requirements of the Code as reflected in the paragraph 23 of the Statement of Compliance.

1. Regulation No. 35(xi) of listing regulations of Karachi Stock Exchange and Lahore Stock Exchange requires all the directors of the listed companies to have certification under any directors' training program offered by institutions – local or foreign – that meet the criteria specified by the SECP. We have been informed by the management that only Chief Executive has obtained certification in respect of directors' training and one director is exempt as per the criteria set in CCG.
2. Regulation No. 35(xxxi) of listing regulations of Karachi Stock Exchange and Lahore Stock Exchange requires that in the event of outsourcing the internal audit function, the Company shall appoint or designate a fulltime employee other than CFO, as Head of Internal Audit, to act as coordinator between firm providing internal audit services and the Board. Moreover, Section 204A of Companies Ordinance, 1984 requires the Company to appoint a whole time Company Secretary. However, the CFO of the Company has been designated as Head of Internal Audit and Company Secretary.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of **JAPAN POWER GENERATION LIMITED** ("the Company") as at June 30, 2014 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

1. The Company's accumulated losses aggregate to Rs. 7,051,852 million and its current liabilities exceeded current assets by an amount of Rs. 6,562,983 million. The Company's plant has ceased operations since October 2012 for reasons as stated in Note 1.2 to the financial statements. The ability of the Company to continue as a going concern is dependent on the ability of the management to succeed in their efforts as detailed in Note 1.2 to the financial statements. Further, the ability to continue as a going concern is dependent on restructuring of existing debts and final resolution of tariff related matters pending with WAPDA. Further, no repayments have been made to lenders since July 2008, the overdue amounts of which inclusive of mark up amounted to Rs. 5,182,604 million at the balance sheet date and, consequently, no borrowing line or limit is available to the Company.

These factors indicate the existence of a material uncertainty which casts significant doubt about the Company's ability to continue as a going concern. Accordingly, the going concern assumption used by the management of the Company for the preparation of the financial statements is inappropriate, and therefore, the Company may be unable to realize its assets and discharge its liabilities in the normal course of business and adjustments would be required to bring the assets and liabilities to their realizable amounts.

2. We have not received independent balance confirmations from two financiers, in the absence of which we are unable to confirm the accuracy and completeness of balances aggregating to Rs. 120.293 million, related accrued mark up and their related terms and conditions.
3. Management has not carried out an impairment review as required under International Accounting Standard 36 "Impairment of Assets". In the absence of such a review we are unable to assess whether the carrying values of assets are accurately stated.
4. The Company has not met the payment terms prescribed in their financing arrangements. The current portion of long term liabilities has been presented by the management on the basis of the original repayment schedules. However, due to the event of default, as per the terms of arrangement, the entire financing facility falls due. Management has not incorporated the effect of the event of default in preparation of the financial statements as no event of default has been communicated by the financiers.
5. The Company has professionally revalued its freehold land, buildings and civil works on freehold land and plant and machinery on June 30, 2011 as per report submitted by a professional valuer on the basis of market value method. Under International Accounting Standards 16 "Property, Plant and Equipment" a revaluation should be made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the balance sheet date.

6. ICC Final Award has finalized the amounts regarding CPP invoices under old arrangements, however, the Company has still recorded an amount of Rs. 296.323 million as receivable, whereas, this amount has not been allowed to the Company under ICC Final Award. We have not been furnished with sufficient and appropriate audit evidence to support this balance.
7. The Company has major disputes involving significant amount of contingent liabilities of the Company as fully explained in notes 19 and 20 of the financial statements. In view of disputes, we have not been able to obtain sufficient and appropriate evidence in respect of the balances payable to and receivable from WAPDA as appearing in the financial statements. We have also not received an independent balance confirmation from WAPDA.

Except for the adjustments in respect of matters stated above, we state that:

- a) in our opinion proper books of accounts have been kept by the Company as required by the Companies Ordinance, 1984;
- b) in our opinion:
 - i) The balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of accounts and further in accordance with accounting policies consistently applied;
 - ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- c) due to the significance of the matters stated above, in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof do not conform with approved accounting standards as applicable in Pakistan, and, do not give the information required by the Companies Ordinance, 1984, in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2014 and of the loss, its comprehensive loss, cash flows and changes in equity for the year then ended; and
- d) in our opinion, no Zakat was deductible at source under the Zakat and Usher Ordinance, 1980 (XVII).

Without further modifying our opinion, we draw attention to note 20.1 to the financial statements which provides details regarding contingent liabilities in respect of suits filed against the Company. The ultimate outcome of the matters discussed therein cannot presently be determined and, hence, pending the resolution of the matters in question, no provision has been made by the Company in the accompanying financial statements for any liability or receivable that may arise as a result of the said matters.

The financial statements of the Company for the year ended June 30, 2013 were audited by another firm of chartered accountants who had expressed an adverse opinion thereon vide report dated September 24, 2013.

CHAIRMAN / DIRECTOR

CHIEF EXECUTIVE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2014

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Japan Power Generation Limited (the Company) was incorporated in Pakistan on September 29, 1994 as public limited Company under the Companies Ordinance, 1984 and its shares are quoted on Lahore and Karachi Stock Exchanges. The registered office and plant of the Company is situated at Near Jia Bagga Railway Station, Chowk Araian, Off Raiwind Road, Lahore. The principal business of the Company is to generate and supply electric power to WAPDA. The Company commenced commercial operations from March 15, 2000.
- 1.2 The Company has incurred loss for the year amounting to Rs. 879.939 million (2013: Rs. 893.805 million). The accumulated losses have increased to Rs. 7,051.852 million (2013: Rs. 6,233.522 million) and its current liabilities exceeded current assets by an amount of Rs. 6,562,983 million. The Company's major loss contributing factors over the years have been shortfall in reimbursement from WAPDA of actual fuel cost incurred and excessive financial costs due to non-repayment of term loans / finances both owing to tariff reductions agreed with WAPDA in 1999. In addition to this, amounts from the Capacity Price Payments (CPP) were withheld by WAPDA to adjust these against its own disputed dues / amount of fuel advances, which further increased the financial burden and resultant costs to the Company. The disputes with WAPDA and the disputed amounts have been explained in detail in note 20 to the financial statements. Further, due to non-availability / non-provision of working capital, the Company's power plant could not be operated since October 2012, particularly on account of WAPDA's refusal to extend the advance against the purchase of oil after October 19, 2012.

In spite of the above stated circumstances, the management of the Company still considers that the going concern assumption used for the preparation of these financial statements is appropriate in view of the following major facts:

- Owing to dire need of electricity in the country, WAPDA is being pursued to arrive at a workable solution so that the plant can resume its operations. For this purpose, the Company has submitted a proposal to WAPDA for resumption of plant operations on "Take-and-Pay" basis. The Company has also proposed to WAPDA for implementation of steam turbine project to generate electricity by recovering waste heat from exhaust of engines which will reduce fuel loss. The shipment of steam turbine has already reached the plant, while funds for the import of remaining equipment will be arranged as soon as the plant resumes its operation.

Furthermore, the plant has demonstrated its capacity of 123.121 MW during the Annual Dependable Capacity (ADC) Test in August 2012. Therefore the plant is available at its full capacity to generate electricity, if WAPDA provide fuel advance to the Company.

- The sponsoring shareholders and lending institutions are taking keen interest in the long term sustainability of the Company and are taking up the matter at their highest level. They are in close contacts with each other to discuss the way forward for future operations of the Company. Various options are under their consideration including but not limited to financing of steam turbines.
- The Arbitration Tribunal of ICC announced its second partial award on July 09, 2013. The Tribunal also announced its final award on May 19, 2014, which partially favours the Company's stance on the disputes, as fully disclosed and discussed in note 20. The management of the Company is engaged with WAPDA for implementation of ICC award. The management as well as lenders of the Company are of the view that the investment / financing can be sourced once the disputes with WAPDA are settled.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the requirements of the Companies Ordinance, 1984 (the Ordinance), directives issued by the Securities and Exchange Commission of Pakistan (SECP) and approved financial reporting standards as applicable in Pakistan. Approved financial reporting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the provisions of the Ordinance. Wherever the requirements of the Ordinance or directives issued by the SECP differ with the requirements of these standards, the requirements of the Ordinance and of the said directives have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for freehold land, factory building and plant and machinery which have been carried at revalued amount as referred to in the relevant notes while staff retirement benefits that are measured at present value. The Company's significant accounting policies are stated in note 4. In these financial statements, except for cash flow statement, all the transactions have been accounted for on accrual basis. The financial statements are presented in the Company's functional currency of Pakistan Rupee.

The preparation of financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revisions effect only that period, or in the period of revision and future periods if revisions effect both current and future periods.

Significant areas requiring the use of the management estimates in these financial statements relate to the useful life of the depreciable assets, provision for doubtful debts on account receivables and staff retirement benefits. However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of assets and liabilities in the next year. The areas involving higher degree of judgments or complexity or areas where assumptions and estimates are significant to the financial statements are as follows:

- a) Staff retirement benefits - (note 4.1)
- b) Provision for taxation - (note 4.2)
- c) Useful life and residual values of property, plant and equipment - (notes 4.3 and 5)
- d) Contingencies and commitments (note 20).

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO PUBLISHED APPROVED ACCOUNTING STANDARDS

3.1 Standards or interpretations that are effective in current year but not relevant to the Company

The Company has adopted the following accounting standards and interpretations which became effective during the year:

		Effective date (annual periods beginning on or after)
IFRS 10	Consolidated Financial Statements	January 01, 2013
IFRS 11	Joint Arrangements	January 01, 2013
IFRS 12	Disclosure of Interests in Other Entities	January 01, 2013
IFRS 13	Fair Value Measurement	January 01, 2013
IAS 27	Separate Financial Statements	January 01, 2013
IAS 28	Investments in Associates and Joint Ventures	January 01, 2013
IFRIC 20	Stripping Costs in the Production Phase of a Surface Mine	January 01, 2013

3.2 Amendments that are effective in current year but not relevant to the Company

The Company has adopted the amendments to the following accounting standards which became effective during the year:

		Effective date (annual periods beginning on or after)
IFRS 1	First-time Adoption of International Financial Reporting Standards - Amendments for government loan with a below-market rate of interest when transitioning to IFRSs and amendments resulting from Annual Improvements 2009-2011 Cycle (repeat application, borrowing costs)	January 01, 2013
IFRS 7	Financial Instruments Disclosures - Amendments related to the offsetting of assets and liabilities	January 01, 2013
IFRS 10	Consolidated Financial Statements - Amendments to transitional guidance	January 01, 2013
IFRS 11	Joint Arrangements - Amendments to transitional guidance	January 01, 2013
IFRS 12	Disclosure of Interests in Other Entities - Amendments to transitional guidance	January 01, 2013
IAS 1	Presentation of Financial Statements - Amendments resulting from Annual Improvements 2009-2011 Cycle (comparative information)	January 01, 2013
IAS 16	Property, Plant and Equipment - Amendments resulting from Annual Improvements 2009-2011 Cycle (servicing equipment)	January 01, 2013
IAS 19	Employee Benefits - Amended standard resulting from the post-employment benefits and termination benefits projects	January 01, 2013
IAS 32	Financial Instruments: Presentation - Amendments resulting from Annual Improvements 2009-2011 Cycle (tax effect of equity distributions)	January 01, 2013
IAS 34	Interim Financial Reporting - Amendments resulting from Annual Improvements 2009-2011 Cycle (interim reporting of segment assets)	January 01, 2013

3.3 Amendments not yet effective

The following amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

IFRS 2	Share-based Payment - Amendments resulting from Annual Improvements 2010-2012 Cycle (definition of 'vesting condition')	July 01, 2014
IFRS 3	Business Combinations - Amendments resulting from Annual Improvements 2010-2012 Cycle (accounting for contingent consideration) and 2011-2013 Cycle (scope exception for joint ventures)	July 01, 2014

		Effective date (annual periods beginning on or after)
IFRS 7	Financial Instruments: Disclosures - Additional hedge accounting disclosures (and consequential amendments) resulting from the introduction of the hedge accounting chapter in IFRS 9	January 01, 2018
IFRS 8	Operating Segments - Amendments resulting from Annual Improvements 2010-2012 Cycle (aggregation of segments, reconciliation of segment assets)	July 01, 2014
IFRS 9	Financial Instruments - Reissue to incorporate a hedge accounting chapter and permit the early application of the requirements for presenting in other comprehensive income the 'own credit' gains or losses on financial liabilities designated under the fair value option without early applying the other requirements of IFRS 9	January 01, 2018
IFRS 9	Financial Instruments - Deferral of mandatory effective date of IFRS 9 and amendments to transition disclosures	January 01, 2018
IFRS 10	Consolidated Financial Statements - Amendments for investment entities	January 01, 2014
IFRS 12	Disclosure of Interests in Other Entities - Amendments for investment entities	January 01, 2014
IFRS 13	Fair Value Measurement - Amendments resulting from Annual Improvements 2011-2013 Cycle (scope of the portfolio exception in paragraph 52)	July 01, 2014
IAS 16	Property, Plant and Equipment - Amendments resulting from Annual Improvements 2010-2012 Cycle (proportionate restatement of accumulated depreciation on revaluation)	July 01, 2014
IAS 16	Amendments regarding the clarification of acceptable methods of depreciation and amortisation and amendments bringing bearer plants into the scope of IAS 16	January 01, 2016
IAS 19	Employee Benefits - Amended to clarify the requirements that relate to how contributions from employees or third parties that are linked to service should be attributed to periods of service	July 01, 2014
IAS 24	Related Party Disclosures - Amendments resulting from Annual Improvements 2010-2012 Cycle (management entities)	July 01, 2014
IAS 27	Separate Financial Statements - Amendments for investment entities	January 01, 2014
IAS 32	Financial Instruments - Presentation - Amendments relating to the offsetting of assets and liabilities	January 01, 2014
IAS 36	Impairment of Assets - Amendments arising from recoverable amount disclosures for non financial assets	January 01, 2014
IAS 38	Intangible Assets - Amendments resulting from Annual Improvements 2010-2012 Cycle (proportionate restatement of accumulated depreciation on revaluation)	July 01, 2014
IAS 38	Amendments regarding the clarification of acceptable methods of depreciation and amortisation	January 01, 2016
IAS 39	Financial Instruments: Recognition and Measurement - Amendments for novations of derivatives	January 01, 2014

		Effective date (annual periods beginning on or after)
IAS 39	Financial Instruments: Recognition and Measurement: Amendments to permit an entity to elect to continue to apply the hedge accounting requirements in IAS 39 for a fair value hedge of the interest rate exposure of a portion of a portfolio of financial assets or financial liabilities when IFRS 9 is applied, and to extend the fair value option to certain contracts that meet the 'own use' scope exception	January 01, 2018
IAS 40	Investment Property - Amendments resulting from Annual Improvements 2011-2013 Cycle (interrelationship between IFRS 3 and IAS 40)	July 01, 2014
IAS 41	Amendments bringing bearer plants into the scope of IAS 16	January 01, 2016

3.4 Standards or interpretations not yet effective

The following International Financial Reporting Standards or interpretations issued by IASB would be effective from the dates mentioned below against the respective standard or interpretation:

IFRS 9	Financial Instruments	January 01, 2018
IFRS 14	Regulatory Deferral Accounts	January 01, 2016
IFRS 15	Revenue from Contracts with Customers	January 01, 2017
IFRIC 21	Leases	January 01, 2014

The Company expects that the adoption of the above amendments and interpretations of the standards will not have any material impact and therefore will not affect the Company's financial statements in the period of initial application.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

4.1 Staff retirement benefits - defined benefit plan

The Company operates an approved funded defined benefit gratuity scheme covering all permanent employees with qualifying service period of six months. The scheme is based on the last drawn salary. The provision which is charged to income is made annually to cover the obligation on the basis of actuarial valuation. The defined benefit asset or liability comprises the present value of defined benefit obligation less unrecognized past service cost. The most recent actuarial valuation of the scheme was carried out as at June 30, 2014. The actuary used the 'Projected Unit Credit Method' relying on the following significant assumptions:

	2014	2013
Discount rate	10.5%	10.50%
Expected rate of salary increase	0.0%	9.50%
Expected rate of return on plan assets	9.5%	9.50%
Retirement Assumption	Age 60	Age 60

Actuarial gains and losses are recognized in accordance with the recommendations of the actuary.

The expected rate of return on plan assets is based on the market expectations and depends on the asset portfolio of the Company.

4.1.1 Change in accounting policy

In accordance with IAS 19 (revised) - "Employee Benefits" (effective for annual period beginning on or after January 1, 2013), the Company has changed its accounting policy for recognition of the actuarial / remeasurement gains and losses on employees' retirement benefit plans. The remeasurement gains / losses as per actuarial valuation done at financial year end will now be recognized immediately in other comprehensive income. Previously, these gains / losses in excess of the corridor limit were recognized in profit and loss account over the remaining service life of the employees.

The change in accounting policy has been accounted for retrospectively and the comparative figures have thereby been restated. The effect on comparative figures of all prior period presented is as follows:

	Cumulative effect up to June 30, 2013	Effect for the year ended June 30, 2013 (Rupees in '000)	Cumulative effect up to July 01, 2012
Balance sheet			
Increase in accumulated losses			
Actuarial losses / (gains) on remeasurement of defined benefit plan	1,394	(972)	2,366
Decrease in advances, deposits, prepayments and other receivables			
Receivable from Staff Gratuity Fund	1,394	(972)	2,366
Profit and loss account			
Decrease in loss for the year			
De-recognition of actuarial losses charged to profit and loss account	54	54	-
Statement of comprehensive income			
Increase due to recognition of actuarial gains on remeasurement of defined benefit plan	918	918	-

4.1.2 Prior period error

During the year, the Company has corrected errors relating to fair value reserve recorded in the financial statements. Fair value reserve were erroneously recorded in the prior year financial statements through other comprehensive income by an aggregate amount of Rs. 11,949 million with a corresponding aggregate impact on cost of sales and administrative and general expenses by Rs. 5,212 million and Rs. 6,738 million. This correction has been accounted for retrospectively as per the requirements of IAS 8 "Accounting policies, changes in estimates and errors". The impact to each financial statement area is as follows:

		2013 (Rupees in '000)
Fair value reserve	Lower	11,949
		<u>11,949</u>
Accumulated losses	Lower	7,923
Cost of sales	Lower	2,151
Administrative and general expenses	Lower	1,875
		<u>11,949</u>

4.2 Taxation

The Company's profit and gains from power generation are exempt from tax under clause 132 of Part - I of the Second Schedule to the Income Tax Ordinance, 2001. The Company is also exempt from minimum tax on turnover under clause 15 of Part - IV of the Second Schedule to the Income Tax Ordinance, 2001. Tax on income from sources not covered under the above clauses is determined in accordance with the normal provisions of the Income Tax Ordinance, 2001.

4.3 **Property, plant and equipment** **Operating assets - owned**

Operating fixed assets except land are stated at cost / revalued amount less accumulated depreciation and accumulated impairment losses, if any. Free hold land is stated at revalued amount.

Depreciation on operating fixed assets is charged to profit on straight line method so as to write off the historical cost of an asset over its estimated useful life at the annual rates mentioned in note 5 of the financial statements. Depreciation on additions to property, plant and equipment is charged from the month in which an asset is available for use while no depreciation is charged for the month in which asset is disposed off.

Subsequent expenditure relating to an item of property, plant and equipment that has already been recognized is added to the carrying amount of the asset, when it is probable that future economic benefits in excess of the originally assessed standard of performance of the existing asset will flow to the Company. Every other subsequent expenditure is recognized as an expense in the period in which it is incurred. Gains and losses on deleted assets are included in the profit and loss account.

Operating assets - leased

Assets under finance lease are stated at lower of present value of minimum lease payments under the lease agreement and the fair value of assets. Depreciation on these assets is charged according to Company's policy for similar assets. The aggregate amount of obligations relating to assets subject to finance lease is accounted for at the net principal liability under the lease agreement. Finance charges are allocated over the lease term so as to produce constant periodic rate of return on the outstanding principal liability for each period.

Capital work in progress

Capital work-in-progress represents expenditure on property, plant and equipment in the course of construction and installation. Transfers are made to relevant category of property, plant and equipment as and when assets are available for intended use. Capital work in progress is stated at cost, less any identified impairment loss.

Stores held for capitalization

These are stated at moving average cost.

4.4 **Surplus on revaluation of property, plant and equipment**

Surplus arising on revaluation of property, plant and equipment is transferred to "Surplus on Revaluation of Property, Plant and Equipment Account" and amount equal to incremental depreciation charged during the year is transferred to profit and loss account. Impairment loss is adjusted against surplus carried for the impaired assets.

4.5 **Stores, spares and stock in trade**

These are valued at lower of cost and net realizable value. The net realizable value is the estimated selling price in the ordinary course of business less estimated cost necessary to make the sale. Cost is calculated as follows:

Stores and spares	Moving average basis
--------------------------	----------------------

Stock in trade

Residual fuel oil (RFO)	First in first out basis
High speed diesel (HSD)	Moving average basis
Lube oil	Moving average basis
Chemicals and other lubricants	Moving average basis

Items in transit are valued at cost, comprising invoice values plus other related charges incurred thereon.

4.6 **Trade debts and other receivables**

These are carried at original invoice amount less an estimate made for doubtful receivables based on review of outstanding amount at the year end. Other receivables are recognised at nominal amount which is the fair value of the consideration to be received in future. Bad debts are written off when identified.

4.7 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of cash flow statement, cash equivalents are short term highly liquid instruments that are readily convertible to known amounts of cash, which are subject to insignificant changes.

4.8 Trade and other payables

Liabilities in respect of trade and other payables are carried at cost, which is the fair value of the consideration to be paid in future for goods and services received.

4.9 Foreign currency translation

Foreign currency transactions are converted into Pak Rupees at the rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies at the year-end are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date. All exchange differences are charged to income currently.

4.10 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event; it is probable that an outflow of economic resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

4.11 Contingencies and commitments

Capital commitments and contingencies, unless those are actual liabilities, are not incorporated in the accounts.

Contingent liabilities are disclosed when:

- There is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events wholly within the control of the Company.
- There is a present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

4.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are charged to profit and loss account whenever incurred.

4.13 Related party transactions

All transactions involving related parties arising in the normal course of business are conducted at arm's length at normal commercial rates on the same terms and conditions as third party transactions using valuation modes as admissible, except in extremely rare circumstances where, subject to approval of the Board of Directors, it is in the interest of the Company to do so.

4.14 Recognition and measurement

All financial assets and liabilities are recognized at cost when the Company becomes a party to the contractual provisions of the instrument. The financial instruments include long term deposits, trade debts, receivables, cash and cash equivalents, long and short term financing, trade and other payables. Any gain or loss on subsequent re-measurement to fair value of a financial asset and a financial liability is taken to profit and loss account on occurrence. The particular measurement method adopted is disclosed in individual policy statements associated with each item.

4.15 Off-setting of financial assets and financial liabilities

A financial asset and a financial liability is offset against each other and the net amount is reported in the balance sheet if the Company has a legally enforceable right to set off the recognized amount and intends either to settle on net basis or realize the asset and settle the liability simultaneously.

4.16 Impairment

The carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of such assets is estimated and impairment loss is recognized in the profit and loss account.

4.17 Revenue recognition

Energy sale is recognized on transmission of electricity to WAPDA, whereas revenue on account of Capacity Purchase Price (CPP) is recognized when invoiced. Profit on bank deposits is recognized on receipt basis.

		112,903	176,925
		113,241	179,791
10.1 This amount includes Rs. 0.009 million (2013: Rs. 0.009 million) of letter of credit margin deposited with Faysal Bank Limited.			
10.2 (Receivable from) / Payable to Staff Gratuity Fund			
Funded defined benefit plan			
The Company faces the following risks on account of gratuity:			
Final salary risk - The risk that the final salary at the time of cessation of service is greater than what the Company has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.			

Asset volatility - Most assets are invested in risk free investments i.e. Government Bonds / Treasury bills. However, investments in equity instruments is subject to adverse fluctuations as a result of change in the market price.

Discount rate fluctuation - The plan liabilities are calculated using a discount rate set with reference to corporate bond yields. A decrease in corporate bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the current plans' bond holdings.

Investment risks - The risk of the investment underperforming and not being sufficient to meet the liabilities. This risk is mitigated by closely monitoring the performance of investment.

Risk of insufficiency of assets - This is managed by making regular contribution to the Fund as advised by the actuary.

15.1 Syndicated term finance agreement - II

Syndicated loan II under financing arrangement was restructured on June 28, 2006 effective from April 01, 2006 as Syndicated Term Finance Agreement II. Under the new arrangement, the syndicate has agreed to purchase all the fixed and current assets of the Company at the purchase price of Rs. 4,360.936 million and sell the same to the Company at marked up price of Rs. 9,724.887 million. The facility is secured against first pari passu fixed charge by way of hypothecation over the Company's entire present and future fixed and current assets. The principal is repayable in two phases. Phase-I as per repayment schedule A, comprises of 38 equal installments due from June 30, 2009 to September 30, 2018, while Phase-II represents the remaining principal, as per repayment schedule B and consists of 16 equal installments due from June 30, 2022 to March 31, 2026. The facility carries mark up at three months KIBOR plus 0.25% per annum payable on a quarterly basis.

15.2 Morabaha finance agreement - II

As part of the restructuring arrangement of existing loans, a morabaha finance agreement was signed with Faysal Bank Limited whereby the Bank agreed to purchase the goods at a purchase price of Rs. 761.372 million and sell the same to the Company at a price of Rs. 1,697.859 million. The facility is secured against first pari passu fixed charge by way of hypothecation over the Company's entire present and future fixed and current assets. The principal is repayable in two phases. Phase-I as per repayment schedule A, comprises of 38 equal installments due from June 30, 2009 to September 30, 2018, while Phase-II represents the remaining principal, as per repayment schedule B and consists of 16 equal installments due from June 30, 2022 to March 31, 2026. The facility carries mark up at 3 months KIBOR plus 0.25% per annum payable on a quarterly basis.

All the above finance arrangements are secured by a first pari passu fixed charge as a hypothecation over the Company's entire present and future fixed and current assets, a mortgage by deposit of title deeds over its land and building and by pledge of the new management's shareholding.

16 SHORT TERM BORROWINGS			
Related parties - secured			
National Logistics Cell	16.1	68,200	68,200
Pak Oman Investment Company Limited	16.2	68,200	68,200
Saudi Pak Industrial and Agricultural Investment Company Limited	16.3	31,800	31,800
		<u>168,200</u>	<u>168,200</u>
16.1 This amount represents loan obtained from National Logistics Cell to meet working capital expenditure of the Company. It carries markup at rate of 14% per annum payable in lump sum at the time of maturity of the loan.			
16.2 This amount represents the term finance facility obtained from Pak Oman Investment Company Limited. Under this arrangement Pak Oman has agreed to purchase fixed assets of the Company at the purchase price of Rs. 75.0 million and sell the same to the Company at a marked up price of Rs. 85.50 million to be paid through a single installment on maturity. This facility is secured against second charge over present and future fixed assets of the Company with 25% margin of the marked up price. It carries markup at rate of 14% per annum.			
16.3 This amount represents the term finance facility obtained from Saudi Pak Industrial and Agricultural Investment Company Limited. Under this arrangement Saudi Pak has agreed to purchase fixed assets of the Company at the purchase price of Rs. 35.0 million and sell the same to the Company at a marked up price of Rs. 41.689 million. The principal is repayable at maturity. It carries markup at rate of 6 months KIBOR plus 4% per annum (Ask Side) with cap of 14 % per annum, payable quarterly. This facility is secured against second charge over present and future fixed assets of the Company with 25% margin of the marked up price.

17 TRADE AND OTHER PAYABLES			
Creditors		74,242	43,207
Income tax deducted at source payable		-	-
Accrued liabilities		20,754	15,240
Advance from WAPDA for purchase of fuel	17.1	3,297,641	3,584,536
Liquidated damages payable to WAPDA as per ICC Award	19	778,222	-
Sales tax payable	19	65,409	-
Infrastructure tax payable	17.2	4,397	4,397
		<u>4,240,665</u>	<u>3,647,380</u>

17.1 This includes an advance amounting to Rs. 2,565.653 million (2013: Rs. 2,852.548 million) under new arrangement with WAPDA w.e.f. February 06, 2010 against the procurement of fuel upto Rs. 800 million per month and is adjusted against the Company's energy purchase price (EPP) invoices. It carries markup at 14% to 16.50% (2013: at 13.00% to 16.00%) per annum. It is adjustable against the Company's EPP billings to WAPDA.

17.2 The Company is also contingently liable for infrastructure fee / cess amounting to Rs. 4.396 million imposed by the Sindh Government under the provision of Sindh Finance (Amendment) Ordinance, 2001. The Company has filed an appeal before Honourable Division Bench of the Sindh High Court; and the Bench passed an order staying the recovery of the impugned cess on furnishing of a bank guarantee (non-encashable till the pendency of the suit) by the Company to the satisfaction of the excise department. The Division Bench of the Honourable Sindh High Court has decided the case in favour of the Company on September 17, 2008.

However, the Company has filed an appeal before the Supreme Court of Pakistan against the Sind Finance Act 2007. This tax is on the movement of the imported goods from Sindh to the site of the Company. The appeal is filed to pre-empt the imposition of such cess in case the Company imports goods for its project in Punjab. The appeal is pending adjudication.

18 ACCRUED MARKUP

		2014	2013
		(Rupees in '000)	
Markup payable on secured borrowings:			
Banking companies		2,983,920	2,509,958
Related parties		133,087	109,611
WAPDA - Fuel advance		896,915	405,735
WAPDA - as per ICC Award	19	1,174,443	-
		<u>5,188,365</u>	<u>3,025,304</u>

This includes overdue markup aggregating to Rs. 5,081.402 million (2013: Rs. 2,947.881 million).

19 CLAIMS AND COUNTER CLAIMS AS PER ICC TRIBUNAL AWARD

The Company was contingently liable in respect of the liquidated damages claimed by WAPDA for the period from July 1, 2001 to February 05, 2010 to the tune of Rs. 2,117.281 million, out of which WAPDA had arbitrarily deducted an amount of Rs. 1,064.917 million mostly from Company's capacity invoices. The Company had disputed the liquidated damages and its arbitrary deduction by WAPDA from the Company's capacity invoices.

WAPDA disputed payments of Rs. 384.032 million relating to indexation of non-escalable components of Capacity Purchase Price (CPP) made to the Company from March 14, 2004 to March 13, 2006 and has disputed further amounts totalling Rs. 851.350 million against the Company's CPP invoices for the period from March 14, 2006 to June 30, 2014. The total disputed amount aggregated to Rs. 1,235.382 million (2013: Rs. 1,221.944 million) against which WAPDA has arbitrarily withheld an amount of Rs. 887.169 million from the Company's CPP invoices until June 30, 2014.

These disputes were referred to a mutually agreed Expert, as per the Dispute Resolution Mechanism provided in the Power Purchase Agreement (the "PPA"), whose recommendations fully support the Company's position. Both Parties initialled a Settlement Agreement based on the Expert's recommendations, however, WAPDA failed to formally sign the same. Therefore, neither the recommendations of the Expert nor the Settlement Agreement was implemented by WAPDA as a result of which WAPDA is in breach of the terms of the PPA. Under these circumstances, the Company has not been able to continue its operations and had to shut down its plant in the last week of December 2008 until February 05, 2010.

In January 2009, the Company referred the matter to the International Court of Arbitration under the International Chamber of Commerce's (the "ICC") Rules as per the provisions of the PPA for the implementation of the Settlement Agreement or the Expert's recommendations. On June 29, 2010, the Arbitration Tribunal passed a partial award in favour of the Company and directed WAPDA to deposit Rs. 7.693 million against the disputed amount of non-escalable component of CPP invoice of March 2006 in an escrow account as a security for the Company's claim.

The ICC's Arbitration Tribunal announced its second partial final award on July 09, 2013 and declared that the Settlement Agreement is binding on the parties. The Tribunal also announced its final award on May 19, 2014. As per the Awards, the following claims and counter claims were allowed and disallowed to the parties. The necessary adjustments and provisions have been incorporated in the financial statements during the year.

JPGP Claims

- i) As per Settlement Agreement, Indexation of non-escalable components of capacity purchase price amounting to Rs. 464,327 million for the period from March 2006 to January 2014 along with mark-up thereon amounting to Rs. 373,457 million.
- ii) Additional Capacity of 13.5 MW amounting to Rs. 430,869 million for the period from January 2009 to January 2014 and the mark-up thereon amounting to Rs. 201,966 million.
- iii) Effect of Amendment 3 to the PPA on Energy Invoices for the period from January 2009 to December 2013 amounting to Rs. 368,458 million and the mark-up thereon are amounting to Rs. 173,937 million.
- iv) Payment of Rs. 100 million, being the interest waived in the Settlement Agreement and mark-up thereon are amounting to Rs. 11,513 million.
- v) The legal cost of Rs. 110,529 million incurred by the Company.
- vi) The Tribunal has rejected EPP and CPP late payment invoices of Rs. 11,381 million.

WAPDA Counter claims

- i) The ICC Tribunal in its partial and final awards has disallowed significant amounts of LDs as claimed by WAPDA. However, LDs of Rs. 778,221 million for the period from November 2007 to February 2010 and interest thereon of Rs. 615,382 million at the terminal date were allowed to WAPDA.
 - ii) WAPDA fuel claims amounting to Rs. 731,988 million and mark up thereon of Rs. 863,261 million.
- The summary of the claims and counter claims of the parties are as follows:

	2014	2013
	(Rupees in '000)	
The claims allowed to the Company are as follows:		
NEC of capacity purchase invoices	464,028	-
Additional capacity of 13.5MW upto February 2014	313,980	-
Amendment 3 effect on EPP upto February 2014	368,458	-
EPP and CPP late payment invoices rejected by the Tribunal	(11,381)	-
Interest on fuel advance paid to WAPDA	100,000	-
Arbitration costs allowed	110,559	-
Markup on NEC of capacity purchase invoices	373,458	-
Markup on additional capacity of 13.5MW upto February 2014	201,966	-
Markup on amendment 3 effect on EPP upto February 2014	173,937	-
Markup on interest on fuel advance paid to WAPDA	11,514	-
	2,106,519	-
The claims allowed to WAPDA are as follows:		
Liquidated damages allowed to WAPDA	778,222	-
Fuel advance allowed to WAPDA	731,988	-
Markup on liquidated damaged allowed to WAPDA	615,382	-
Mark up on fuel advance allowed to WAPDA	863,261	-
	2,988,853	-

20 CONTINGENCIES AND COMMITMENTS

20.1 Contingencies:

- a) As discussed in note 19, the ICC's Arbitration Tribunal announced its second partial final award on July 09, 2013 and declared that the Settlement Agreement is binding on the parties. Despite the foregoing, WAPDA has filed a suit against the second partial award of the ICC Arbitration in the Civil Court at Lahore. The Company has filed an application in the Court for rejection of the suit on the ground of maintainability since the Award is final and binding. On the basis of advice from legal counsel, it is expected that the suit will be rejected.

- b) As per the terms of the new arrangement (dated December 30, 2009) with WAPDA/PEPCO, the plant was completely overhauled and was tested at full capacity of 120.5 MW in March 2011 in the presence of expert team members of WAPDA and the Company. The plant was again successfully tested at the capacity of 120.5 MW in August 2012. However, WAPDA accepted the generating capacity of only 107 MW and disputed the capacity of 13.5. The Company has also contested WAPDA's acceptance of lower capacity before the ICC's Arbitration Tribunal. The Tribunal has allowed the additional capacity to the Company as mentioned above.

After the shut-down of the complex from December 24, 2008 to February 5, 2010, both parties agreed to an arrangement (dated December 30, 2009) to resume the operations from February 6, 2010. As per the new arrangement, WAPDA agreed to provide an advance to the Company for purchase of lube oil and fuel. However, WAPDA started raising liquidated damages invoices for the periods during which the plant could not deliver energy to WAPDA's system mainly due to shortage of fuel supply for which funds were to be provided by WAPDA as per the said arrangement. Such claim of liquidated damages amounted to Rs. 2,137.53 million (June 30, 2013: Rs. 1,332.851 million) upto June 30, 2014, which is disputed by the Company.

- c) The Assistant Commissioner Inland Revenue (ACIR), Zone – I, RTO, Lahore has challenged the adjustment of input tax proportionate to CPP invoices during the tax periods from 2008 to 2012 in the sum of Rs. 553.264 million through a show cause notice dated June 10, 2013. The Company has responded to the notice through its legal advisor, but the ACIR had issued an Order against the Company. The Company had filed an appeal before the Commissioner Appeals against the Order of ACIR. The Commissioner Appeals set aside the Order of ACIR and issued his Order in favour of the Company. However, the ACIR has filed appeal before the Appellate Tribunal against the Order of Commissioner Appeals. The appeal is pending adjudication.

20.2 Commitments:

Commitment in respect of contracts for capital expenditure at the balance sheet date amounted Rs. 457.213 million (2013: Rs. 466.473 million).

29 PLANT CAPACITY AND ACTUAL PRODUCTION

Installed annual capacity in MWH	1,055,580	1,055,580
Actual energy delivered in MWH	-	101,656

Utilization of available capacity depends on the load demanded by WAPDA. Further, actual energy delivered to WAPDA for the current year is nil because the plant is not operational since October 19, 2012.

30 FINANCIAL INSTRUMENTS

Financial risk management

The Company has exposures to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk
- Currency risk
- Interest rate risk

The Board of Directors has overall responsibility for the establishment and oversight of Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies.

30.1 Credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if the counter party fail completely to perform as contracted and arise principally from trade debts, loans and advances, trade deposits and other receivables. The carrying amount of financial assets represents the maximum credit exposure before any credit enhancements. The maximum exposure to credit risk at the reporting date is as follows:

Long term deposits	100	100
Trade debts	4,552,576	2,222,783
Advances, deposits and other receivables	112,401	181,185
Tax refund due from Government	179,212	221,647
Bank balances	565	17,557
	<u>4,844,854</u>	<u>2,643,272</u>

To manage exposure to credit risk in respect of trade receivables, management performs credit reviews taking into account the customer's financial position, past experience and other factors. Credit terms are approved by the approval committee. Where considered necessary, advance payments are obtained from certain parties. The management has set a maximum credit period of 25 days to reduce the credit risk.

Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligation to be similarly effected by the changes in economic, political or other conditions. The Company believes that it is not exposed to major concentration of credit risk.

The maximum exposure to credit risk for trade debts at the balance sheet date by geographic region is as follows:

Export	-	-
Domestic	4,552,576	2,222,783
	<u>4,552,576</u>	<u>2,222,783</u>

The maximum exposure to credit risk for trade debts at the balance sheet date by type of customer is as follows:

WAPDA	4,552,576	2,222,783
Others	-	-
	<u>4,552,576</u>	<u>2,222,783</u>

	2014	2013
	(Rupees in '000)	
The aging of trade receivable at the reporting date is:		
Not past due	68,719	62,078
Past due 1-30 days	68,719	62,078
Past due 30-150 days	274,876	248,312
Past due more than 150 days	4,140,262	1,850,315
	<u>4,552,576</u>	<u>2,222,783</u>

The Company's only significant customer, is WAPDA from whom the receivable is Rs. 4,552.576 million (2013: Rs. 2,222.782 million).

Based on the past experience, consideration of financial position, past track records and recoveries, the Company believes that no impairment allowance is necessary in respect of trade debtors past due as total payable to WAPDA is more than the receivables.

Company's bank balances can be assessed with reference to external credit ratings as follows:

	Rating Agency	Ratings	
		Short Term	Long Term
Faysal Bank Limited	PACRA	A1+	AA

30.2 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure as far as possible to always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

	<u>8,290,132</u>	<u>9,103,210</u>	<u>5,050,869</u>	<u>270,150</u>	<u>1,844,271</u>	<u>1,937,920</u>

30.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities, and liquidity in the market. The Company is exposed to currency risk and interest rate risk only.

30.4 Currency risk

The Company is exposed to currency risk on trade debts, import of raw materials and stores and spares and export sales that are denominated in a currency other than the respective functional currency of the Company, primarily in U.S. dollar. The Company's exposure to foreign currency risk is as follows:

	2014	2013
	(Rupees in '000)	
Trade creditor	9,462	-
Gross balance sheet exposure	9,462	-
Outstanding commitments	457,213	466,473
Net exposure	466,675	466,473

The following significant exchange rates applied during the year:

	Average rate		Reporting date rate	
	2014	2013	2014	2013
USD to PKR	98.78	94.83	98.75	98.80

Sensitivity analysis

At reporting date, if the PKR had strengthened by 10% against the US dollar with all other variables held constant, post tax profit for the year would have been higher by the amount shown below.

Effect on profit or loss

Profit	46,668	46,647
--------	--------	--------

The weakening of the PKR against US dollar would have had an equal but opposite impact on the post tax profits / loss.

30.5 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from long term loans and short term borrowings. These are benchmarked to variable rates which expose the Company to cash flow interest rate risk. At the balance sheet date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

	2014	2013
	Carrying amount (Rupees in '000)	
Financial liabilities		
Variable rate instruments:		
Long term financing	5,038,181	5,038,181
Short term borrowings	168,200	168,200
	5,206,381	5,206,381

Effective interest rates are mentioned in the respective notes to the financial statements.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have decreased / (increased) loss for the year by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for 2013.

	Profit and loss	
	100 bp increase	100 bp decrease
As at June 30, 2014		
Cash flow sensitivity - Variable rate financial liabilities	(52,064)	52,064
As at June 30, 2013		
Cash flow sensitivity - Variable rate financial liabilities	(52,064)	52,064

The sensitivity analysis prepared is not necessarily indicative of the effects on (loss) / profit for the year and assets / liabilities of the Company.

30.6 Fair value of financial instruments

The carrying value of all the financial assets and financial liabilities approximate their fair values. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

30.7 Financial instruments by category	2014	2013
	(Rupees in '000)	
Financial assets		
Long term deposit	100	100
Trade debts	4,552,576	2,222,783
Advances, deposits and other receivables	113,187	178,413
	<u>4,665,863</u>	<u>2,401,296</u>
Financial liabilities		
Financial liabilities carried at amortized cost		
Long term finances	5,038,181	5,038,181
Short term borrowings	168,200	168,200
Trade and other payables	873,218	58,447
Accrued markup	5,188,365	3,025,304
	<u>11,267,964</u>	<u>8,290,132</u>

31 CAPITAL MANAGEMENT

The Board's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of the Company's business. The Board of Directors monitors the return on capital employed, which the Company defines as operating income divided by total capital employed.

The Company's objectives when managing capital are:

- to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- to provide an adequate return to shareholders.

The Company manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may, issue new shares, or sell assets to reduce debt. The Company generally monitors capital on the basis of the debt-equity ratio calculated as a ratio of total debt to net shareholders equity in the normal circumstances.

32 RELATED PARTY DISCLOSURES

a Related parties with whom company had transactions

The related parties comprise fellow subsidiaries, associated undertakings, key management personnel and post retirement benefit plan. The Company in the normal course of business carried out certain transactions with related parties. The related parties with whom the Company had executed transactions during the year are comprised of:

Semi Autonomous Bodies

National Logistics Cell

Development Financial Institutions (DFIs)

Pak Oman Investment Company Limited

Saudi Pak Industrial and Agricultural Investment Company Limited

Others

Key management personnel

Post retirement benefit plan

b Disclosure of balances between the Company and related parties

Amounts due to related parties / associated undertakings at the balance sheet date are given below:

Name of the party	Nature of balance	2014	2013
		(Rupees in '000)	
National Logistics Cell	Short term borrowings - Unsecured	68,200	68,200
Pak Oman Investment Company Limited	Short term borrowings - Secured	68,200	68,200
Saudi Pak Industrial and Agricultural Investment Company Limited	Short term borrowings - Secured	31,800	31,800
Post retirement benefit plan	Gratuity (receivable) / payable	(786)	(4,687)
		<u>167,414</u>	<u>163,513</u>
National Logistics Cell	Accrued mark up on outstanding balance	56,900	47,352
Pak Oman Investment Company Limited	Accrued mark up on outstanding balance	51,847	42,299
Saudi Pak Industrial and Agricultural Investment Company Limited	Accrued mark up on outstanding balance	24,340	19,960
		<u>133,087</u>	<u>109,611</u>

c Disclosure of transactions between Company and related parties

The related parties with whom the Company had made transactions during the year are comprised of:

Name of the party	Nature of transaction		
National Logistics Cell	Mark up on outstanding balance	9,548	9,548
Pak Oman Investment Company Limited	Mark up on outstanding balance	9,548	9,551
Saudi Pak Industrial and Agricultural Investment Company Limited	Mark up on outstanding balance	4,380	4,366
Post retirement benefit plan	Expense charged	3,901	7,810
		<u>27,377</u>	<u>31,275</u>

33 REMUNERATION OF CHIEF EXECUTIVE, DIRECTORS AND EXECUTIVES

The aggregated amounts charged in the accounts for the year for remuneration, including benefits to chief executive, directors and executives of the Company are as follows:

	Chief Executive		Directors		Executives	
	2014	2013	2014	2013	2014	2013
(Rupees in '000)						
Managerial Remuneration	5,392	11,570	-	-	15,390	18,114
Perquisites and benefits						
Medical	38	120	-	-	180	380
Gratuity	964	1,444	-	-	1,286	2,188
Other benefits	1,236	475	-	-	1,838	661
	<u>7,630</u>	<u>13,609</u>	<u>-</u>	<u>-</u>	<u>18,694</u>	<u>21,343</u>
Number of persons	<u>1</u>	<u>1</u>	<u>-</u>	<u>-</u>	<u>8</u>	<u>9</u>

33.1 Board meeting fee was not paid to any Director.

33.2 Company maintained vehicle and mobile telephone was provided to the ex-chief executive officer.

33.3 The previous Chief Executive Officer of the Company resigned in October 2013. New Chief Executive Officer has been appointed by the Board of Directors on contractual basis for one year at remuneration of Rs. 600,000 per month.

34 WAIVER FROM APPLICATION OF IFRIC - 4 "DETERMINING WHETHER AN ARRANGEMENT CONTAINS A LEASE"

The Securities and Exchange Commission of Pakistan (SECP) granted waiver from the application of International Financial Reporting Interpretation Committee (IFRIC) - 4 "Determining Whether an Arrangement Contains a Lease" to all companies including Power Sector Companies. However, the SECP made it mandatory to disclose the impact on the results of the application of IFRIC - 4.

Under IFRIC - 4, the consideration required to be made by lessees (WAPDA and NTDC) for the right to use the asset is to be accounted for as finance lease under IAS - 17 "Leases". If the Company were to follow IFRIC - 4 and IAS - 17, the effect on the financial statements would be as follows:

	2014	2013
	(Rupees in '000)	
Decrease in accumulated loss at the beginning of the year	3,803	3,458
Decrease in loss for the year	305	345
Decrease in accumulated loss at the end of the year	<u>4,108</u>	<u>3,803</u>

35 DATE OF AUTHORIZATION FOR ISSUE

These financial statements were authorized for issue on September 23, 2014 by the Board of Directors of the Company.

36 NUMBER OF EMPLOYEES

The number of employees as at year end was 49 (2013: 90) and average number of employees during the year was 72 (2013: 87).

37 GENERAL

- 37.1 Correspondence figures have been rearranged and reclassified, wherever necessary for the purposes of better comparison and presentation. However, no significant reclassification has been made during the year except for restatements on account of change in accounting policy and prior period error as stated in note 4.1.1 and 4.1.2 respectively.
- 37.2 Due to application of change in accounting policy and correction of prior period error retrospectively (refer note 4.1.1 and 4.1.2), the Company has presented third balance sheet at the beginning of the preceding period i.e. the opening position in accordance with requirements of IAS 1 "Presentation of Financial Statements". Notes are not required to support this balance sheet.
- 37.3 Figures in these financial statements have been rounded off to the nearest thousands.
