DIRECTORS' REPORT TO THE SHAREHOLDERS**DEAR SHAREHOLDERS,**

On behalf of the Board of Directors of Kohat Textile Mills Limited (the Company), it is my pleasure to present the financial information of the Company for the first half year ended December 31, 2017, duly reviewed by the statutory auditors.

OPERATING RESULTS

During the six months period review, despite a reduced topline (contraction of Rs. 88.81 million or 8% over corresponding period last year) the gross profitability of the Company marginally improved (Rs 87.01 million vs Rs 86.31 million) owing to proportionately higher decrease in cost of sales. Similarly, due to continuous cost rationalization efforts of the Management, the Company posted a profit before tax of Rs. 15.86 million which is more than two folds as compared to profit in the same period of last year. The profitability was achieved despite an industry-wide turmoil where local competitiveness continues to suffer due to high cost structures.

FUTURE OUTLOOK

The Government is expected to announce a relief package for textile industry. Duties on the import of cotton have already been withdrawn as a relief incentive. After the announcement of textile relief package by the Government, we are hopeful for a recovery in the local textiles market.

The capital expenditure for the current year is in progress which will not only help the Company to further reduce the operational expenses but will also enable the Company to enter into new markets by increasing the yarn product range, thus, ultimately adding to the revenues/profitability, Insha Allah.

ACKNOWLEDGEMENT

The Board records its appreciation for the performance of the Company's workers, staff and executives. Also, the Board appreciates for the support of our bankers and The Bank of Khyber which approved a financial package Rs. 450 million to undertake CAPEX plan and working capital need of the Company.

For and on Behalf of the Board

ASSAD SAIFULLAH KHAN
Chief Executive Officer

ڈائریکٹرز رپورٹ برائے شیئر ہولڈرز

محترم شیئر ہولڈرز

یہ میرے لئے خوشی کا امر ہے کہ میں بورڈ آف ڈائریکٹرز کو ہائٹ ٹیکسٹائل ملز لمیٹڈ (بعد ازاں ”کمپنی“ کہلاتا ہے) کی جانب سے پہلی سہ ماہی اختتامی دسمبر 31، 2017 کے لئے کمپنی ہذا کی مالیاتی معلومات / رپورٹ پیش کر رہا ہوں جس کا قانونی آڈیٹرز نے باقاعدہ جائزہ لیا ہے۔

آپریٹنگ (جاری) کاروبار کے نتائج:

چھ مہینے کے زیر جائزہ مدت کے دوران، ٹاپ لائن میں کمی کے باوجود، (88.81 ملین روپے یا 8% کمی) گزشتہ سال کی تقابلی مدت کے برعکس کمپنی ہذا کے مجموعی منافع میں معمولی بہتری (یعنی مبلغ 87.01 ملین روپے بمقابلہ 86.31 ملین روپے) آئی جس کی اہم وجہ سیلز (فروخت) کی لاگت میں بڑی مقدار میں کمی ہے۔ اس طرح، انتظامیہ ہذا کی لاگت کے سلسلہ میں مسلسل استدلالی کاوشوں کی وجہ سے، کمپنی نے ٹیکس کی کٹوتی سے قبل منافع مبلغ 15.86 ملین روپے کمایا جو گزشتہ سال کے اسی مدت کے دوران منافع کے مقابلے میں دو گنا سے زیادہ ہے۔ صنعت میں وسیع بحران کے باوجود منافع حاصل ہوا جبکہ زیادہ لاگت کی وجہ سے دیگر مقامی صنعت کو مسلسل نقصان کا سامنا ہے۔

مستقبل کا نقطہ نظر

حکومت سے امید کی جاتی ہے کہ ٹیکسٹائل کی صنعت کیلئے ریلیف پیکیج کا اعلان کرے گی۔ کپاس کی درآمد پر ڈیوٹی بطور امدادی ترغیب واپس لے لی گئی ہے۔ حکومت کی جانب سے ٹیکسٹائل ریلیف پیکیج کے اعلان کے بعد، ہم امید کرتے ہیں کہ مقامی ٹیکسٹائل مارکیٹ میں بہتری آئے گی۔

حالیہ سال کیلئے سرمایہ کاری میں اضافہ جاری ہے جس سے نہ صرف کمپنی کو اپنے آپریٹل اخراجات میں کمی کے سلسلہ میں مدد ملے گی بلکہ سوت کی مصنوعات کی رینج / اقسام میں اضافہ کر کے کمپنی نئی مارکیٹ میں داخل ہو سکے گی جس سے انشاء اللہ منافع میں نتیجتاً اضافہ ہو جائے گا۔

اظہار تشکر:

کمپنی ہذا کے بورڈ معزز کارکنان، سٹاف اور ایگزیکٹوز کی کارکردگی پر ان کو خراج تحسین پیش کرتا ہے۔ مزید برآں، بورڈ ہذا ہمارے مینٹرز، اور بینک آف خیبر کے تعاون کے بھی شکر گزار ہیں جنہوں نے CAPEX منصوبہ پر عمل درآمد اور ورکنگ کیپٹل کی ضروریات پوری کرنے کیلئے مالیاتی پیکیج مبلغ 450 ملین روپے کی منظوری دی ہے۔

بورڈ ہذا کی جانب سے:

**AUDITORS' REPORT TO THE MEMBERS ON REVIEW OF
CONDENSED INTERIM FINANCIAL INFORMATION****Introduction**

We have reviewed the accompanying condensed interim balance sheet of Kohat Textile Mills Limited (the Company) as at December 31, 2017 and the related condensed interim profit and loss account, condensed interim cash flow statement and condensed interim statement of changes in equity together with the notes forming part thereof for the six months period then ended (here-in-after referred to as the "condensed interim financial information"). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

The figures of the condensed interim profit and loss account for the quarters ended December 31, 2017 and 2016 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended December 31, 2017.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as of and for the six months period ended December 31, 2017 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matter

Without qualifying our conclusion, we draw your attention to the note 8.1.2 to the condensed interim financial information which describes the matter regarding non-provisioning of Gas Infrastructure Development Cess aggregating Rs.356.002 million.

**NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UN-AUDITED)
FOR THE HALF YEAR ENDED 31 DECEMBER, 2017****I. LEGAL STATUS AND NATURE OF BUSINESS**

Kohat Textile Mills Limited (the Company) is a public limited Company incorporated in Pakistan during the year 1967 and its shares are quoted on Pakistan Stock Exchange Limited. The Company is principally engaged in manufacture and sale of yarn. The Company's Mills are located in Saifabad, Kohat and the registered office of the Company is located at APTMA House, Tehkal Payan, Jamrud Road, Peshawar.

The Company is a Subsidiary Company of Saif Holdings Limited (the Holding Company) as 77.98% (June 30, 2017: 77.98%) of the Company's issued, subscribed and paid-up capital is held by the Holding Company.

2. BASIS OF PREPARATION**2.1 Statement of compliance**

The Companies Act, 2017 has been promulgated with effect from May 30, 2017. However, as per the requirements of Circular # 23 of 2017 dated October 4, 2017 issued by the Securities and Exchange Commission of Pakistan (SECP) and related clarification issued by the Institute of Chartered Accountants of Pakistan through its Circular # 17 of 2017 dated October 6, 2017, companies whose financial year, including quarterly and other interim period, closes on or before December 31, 2017, shall prepare their financial statements, including interim financial statements in accordance with the provisions of the repealed Companies Ordinance, 1984 (the Ordinance).

2.2 This condensed interim financial information of the Company for the six months period ended December 31, 2017 is un-audited and has been prepared in accordance with the requirements of the International Accounting Standard 34 - 'Interim Financial Reporting' and provisions of and directives issued under the Ordinance. In case where requirements differ, the provisions of or directives issued under the Ordinance have been followed. The figures for the six months period ended December 31, 2017 have, however, been subjected to limited scope review by the auditors as required by the Code of Corporate Governance. This condensed interim financial information does not include all the information required for annual financial statements and therefore should be read in conjunction with the audited annual financial statements of the Company for the year ended June 30, 2017.

2.3 This condensed interim financial information is being submitted to the shareholders as required by the section 237 of the Companies Act, 2017.

3. ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of this condensed interim financial information are consistent with those applied in the preparation of audited annual financial statements for the year ended June 30, 2017.

4. CHANGES IN ACCOUNTING STANDARDS AND INTERPRETATIONS

There are certain new International Financial Reporting Standards (standards), amendments to published standards and interpretations that are mandatory for the financial period beginning on July 1, 2017. These considered not to be relevant or to have any significant effect on the Company's financial reporting and operations and are, therefore, not disclosed in this condensed interim financial information.

4.1 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company

The following new standards and amendments to approved accounting standards are not effective for the financial period beginning on July 1, 2017 and have not been early adopted by the Company:

- a) IFRS 15, 'Revenue from contracts with customers' is applicable to accounting periods beginning on

or after January 1, 2018. The IASB has issued a new standard for the recognition of revenue. This will replace IAS 18 which covers contracts for goods and services and IAS 11 which covers construction contracts. The new standard is based on the principle that revenue is recognized when control of a good or service transfers to a customer – so the notion of control replaces the existing notion of risks and rewards. The standard permits a modified retrospective approach for the adoption. Under this approach entity will recognize transitional adjustments in retained earnings on the date of initial application, i.e. without restating the comparative period. They will only need to apply the new rules to contracts that are not completed as of the date of initial application.

- (b) IFRS 9, 'Financial instruments' is applicable to accounting periods beginning on or after January 1, 2018. IASB has published the complete version of IFRS 9, 'Financial instruments', which replaces the guidance in IAS 39. This final version includes requirements on the classification and measurement of financial assets and liabilities; it also includes an expected credit losses model that replaces the incurred loss impairment model used today.

The management is in the process of assessing the impact of changes laid down by these standards on its financial statements

- 4.2 In addition to the foregoing, the Companies Act, 2017 which is not effective on these condensed interim financial statements has added certain disclosure requirements which will be applicable in the future.

5. ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of condensed interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Except for the matter detailed in note 6.2, judgments and estimates made by the management in the preparation of this condensed interim financial information are the same as those that were applied to the financial statements as at and for the year ended June 30, 2017.

- 6.2** The management of the Company, during the current period, in order to ascertain the useful life of plant & machinery, gas fired power plant and electric installations has carried-out an internal exercise and assessed the remaining useful life of these class of assets. Keeping in consideration the assessed useful life of aforementioned assets, the depreciation rate of plant & machinery and gas fired power plant has been reduced to 5% per annum from 7.5% per annum, whereas the depreciation rate of electric installations has been reduced to 5% per annum from 10% per annum. The aforementioned revision has been accounted for as change in accounting estimates in accordance with the requirements of IAS 8 (Accounting policies, changes in accounting estimates and errors). The effect of this change in accounting estimate has been recognised prospectively in the profit and loss account of the current period. Had there been no revision, profit before taxation and the carrying value of operating fixed assets would have been lower by Rs.9.118 million. Accordingly, loss per share for the current period ended December 31, 2017 would have been Rs.1.75 instead of Rs.1.31.

7. SHORT TERM BORROWINGS

Short term finance facilities available from various commercial banks aggregate to Rs.900 million (June 30, 2017: Rs.750 million). These facilities, during the current period, carried mark-up / profit at the rates ranging from 3.40% to 7.28% (June 30, 2017: 2.41% to 8.05%) per annum payable on quarterly basis. The aggregate facilities are secured against pledge of raw materials & finished goods, charge on fixed and current assets of the Company, lien on documents of title to imported goods. These facilities are expiring on various dates by October, 2018.

8. CONTINGENCIES AND COMMITMENTS

8.1 Contingencies

- 8.1.1** Guarantees aggregating Rs.73.962 million (June 30, 2017: Rs.68.962 million) have been issued by the banks of the Company to Sui Northern Gas Pipeline Limited and Excise and Taxation Department, Karachi. These guarantees are secured against pari passu charge over the Company's fixed and current assets.

- 8.1.2** The Company had challenged the levy of Gas Infrastructure Development Cess (GIDC) by filing a petition before the Peshawar High Court, Peshawar (PHC). GIDC was levied on supply of natural gas under the GIDC Act, 2011. Constitutionality of the said Act was challenged before the PHC, which had declared the same as constitutional. The order of the PHC was assailed before the Supreme Court of Pakistan (SCP), which met the same fate there. After enactment of the GIDC Act, 2015, it was challenged before the PHC, which dismissed the said petition. The Company, thereafter, has filed a petition before the SCP, which is pending adjudication.

Sui Northern Gas Pipelines Ltd., along with gas bill for the month of December, 2017, has raised GIDC demands aggregating Rs.356,002 million (June 30, 2017: Rs.300.681 million), which are payable in case of an adverse judgment by the SCP. No provision with respect to these GIDC demands has been made in the books of account as the management expects a favorable judgment by the SCP due to meritorious legal grounds.
