## **DIRECTORS' REVIEW**

The Directors are pleased to present the accounts of the company for the six months period ended December 31, 2014.

## **OPERATION**

This period of six months under review is carrying the affects of another flood which hit the factory facilities on September 08,2014. This flood not only affected our factory premises but large area of Punjab province was ruined by this unprecedented flood.

Management had already taken some safety measures before happening of this incident which helped to minimize the extent of flood loss and early recoup after receding of water brought back company facilities in to operations in limited time period. Company assets were comprehensively insured and insurance claims were processed by insurer (IGI Insurance Limited) in professional manners as traded before.

Despite of the facts that factory operations were halted due to damages of flood water, company managed to register the sales at Rs.220.663 millions. Early resumption of operations also helped to post profit before tax at Rs.5.261 millions as compared to loss before tax of Rs.(26.603) millions in corresponding period.

The auditors' review report contains emphasis of matter paragraph to draw attention towards the going concern matter. In this regard management's assessment is detailed in note 2 in the annexed half yearly accounts.

## **FUTURE PROSPECTS**

It is due to blessing of almighty that company's ability to attain the normal production capacity is intact and facilities are back in to full operations. We look forward healthy financial figures in future too.

## **ACKNOWLEDGEMENT**

We really acknowledge the efforts of all our employees, friends and well wishers who really helped us in this difficult time period and extended their full co-operation.

On Behalf of the Board

## **Auditors' Report to the Members on Review of Interim Financial Information**

### **Introduction**

We have reviewed the accompanying condensed interim balance sheet of Leiner Pak Gelatine Limited as at December 31, 2014 and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement, condensed interim statement of changes in equity and notes to the interim financial information for the six months period then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with the approved accounting standards as applicable in Pakistan for the interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

### **Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the six months period ended December 31, 2014 is not prepared, in all material respects, in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting.

The figures for the quarters ended December 31, 2014 and December 31, 2013 in the condensed interim profit and loss account and condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion thereon.

### **Emphasis of Matter**

Without qualifying our conclusion, we draw attention to note 2 of the condensed interim financial information, which indicates that the flood waters have hit the factory during the two consecutive immediately previous rainy seasons causing losses to the Company's stocks, inventories and property plant and equipment and resulting into interruptions in production operations. Further, the Company's current liabilities exceeded its current assets by Rs. 29.506 million as at December 31, 2014. These conditions, along with other matters as referred in note 2 indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

## NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2014 (UN-AUDITED)

### 1 The Company and its operations

Leiner Pak Gelatine Limited ("the Company") was incorporated in Pakistan on 14 February 1983 as a Public Limited Company. The registered office of the Company is situated at 17-G, Gulberg II, Lahore. The Company is listed on Karachi and Lahore Stock Exchanges in Pakistan. The Company is engaged in the manufacture and sale of gelatine, di-calcium phosphate and glue produced from animal bones.

### 2 Going concern assumption

The flood waters hit the factory in August 2013 and September 2014 causing loss to the stocks, inventories and property plant and equipment and resulted in closure of the factory operations for about two months at each occasion as detailed in note 24.5 of the annual published financial statements for the year ended June 30, 2014 and note 7 in this condensed interim financial information. Further, due to these reasons the profitability of the Company was adversely affected during last year and as at December 31, 2014 its current liabilities exceeded its current assets by Rupee 29.506 million. These conditions raise significant doubts on the Company's ability to continue as a going concern as the Company may be unable to realize its assets and discharge its liabilities in the normal course of business.

Keeping in view the following factors, the management foresees that the Company will continue as a going concern:

- Floods are not a regular phenomena in the vicinity of the factory as per history of about past two decades.
- There is continued demand for the products of the Company within the country and abroad. Demand for "Hilal" Gelatine is increasing in foreign and local markets, as "Hilal" Gelatine is equally consumed in Muslim and non-Muslim countries.
- Repayments to banks and financial institutions have been made as per agreed terms and they have renewed the credit facilities for the future period.
- Continued financial support of its sponsors.
- The affected assets are fully insured.
- The Company's capability to attain the normal production capacity is intact and is currently in full operations.
- Remedial and preventive measures to guard against the recurrence of such incidences in future.

Based on the aforementioned factors and the profitable operations during the six months ended on December 31, 2014 together with existence of new foreign as well as local sales orders along with advance payments received there against, this condensed interim financial information, therefore do not include any adjustments relating to the realization of its assets and the liquidation of any liabilities that might be necessary should the Company be unable to continue as a going concern.

### 3 Basis of preparation

#### 3.1 Statement of compliance

This condensed interim financial information of the Company for the six months period ended December 31, 2014 has been prepared in accordance with the requirements of the International Accounting Standard-34 "Interim Financial Reporting" and provisions of and directives issued under the Companies Ordinance, 1984. In case where requirements differ, the provisions of or directives issued under the Companies Ordinance, 1984 have been followed.

3.2 This condensed interim financial information is un-audited and is being submitted to the shareholders as required by the listing regulations of Karachi and Lahore Stock Exchanges and section 245 of the Companies Ordinance, 1984.

3.3 Items included in condensed interim financial information are measured using the currency of the primary economic environment in which the Company operates. The condensed interim financial information is presented in Pakistan Rupees, which is the Company's functional and presentation currency.

**NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION  
FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2014 (UN-AUDITED)****4 Significant accounting policies**

The accounting policies and methods of computation adopted in the preparation of this condensed interim financial information are the same as those applied in preparation of the annual published financial statements for the year ended 30 June 2014.

Amendments to certain existing standards and new interpretations on approved accounting standards effective during the period either were not relevant to the Company's operations or did not have any impact on the accounting policies of the Company.

**5 Judgments, estimates and assumptions**

The preparation of the condensed interim financial information in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgments are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgments about carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Judgments, accounting estimates and assumptions made by the management in the preparation of this condensed interim financial information are the same as those applied in preparation of the preceding annual published financial statements of the Company for the year ended 30 June 2014.

**6 Financial risk management**

The Company's financial risk management objectives and policies are consistent with those disclosed in the annual published financial statements as at and for the year ended 30 June 2014.

- 7 On September 08, 2014, the flood water hit the factory causing loss of the stock in trade, stores, spare parts and loose tools and property, plant and equipment. This has resulted in closure of production operations for about two months. The Company lodged insurance claims for the amount of damages assessed for the aforementioned assets aggregating to Rupees 62.075 million which, after taking into account compulsory deductions and other insurer's covenants, has been settled at Rupees 61.7 million comprising of Rupees 54.486 million for stock in trade, Rupees 1.948 million for repair of property, plant and equipment and Rupees 5.266 million for stores, spare parts and loose tools. Therefore, the Company has recognized a loss of Rupees 0.375 million in other operating expenses as insurance claim written off.
