DIRECTORS' REVIEW

Sales for the nine months period ended March 31, 2015 at Rs. 5.1 billion is 12% higher than sales for the same period of last year. The increase in sales is mainly in Trade and Projects segments. Gross profit of Rs. 645.7 million is 12.6% of sales against Rs. 521.3 million (11.4% of sales) in the same period of last year. The higher gross profit is attributed mainly due to increased sales revenue and better sales mix.

Selling and administrative expenses for the nine months are Rs. 327.0 million compared to Rs. 257.7 million in the same period of last year. The increase is mainly due to higher expenses on account of advertising and publicity. Financial charges for the nine months period are Rs. 98.3 million compared to Rs. 67.7 million in the same period of last year. The rise in finance cost is a result of increased working capital requirements due to higher sales.

As a result of the above factors, your company ended with a profit after tax for the nine months period of Rs. 138.4 million compared to a profit after tax of Rs. 127.3 million in the same period of last year. Earning per share has increased to Rs. 4.86 compared to Rs. 4.47

Pakistan's economy is showing some signs of recovery driven by prudent monetary policy and lower international oil prices. However, security challenges continue to weigh high on the country's business climate. Risk to fiscal performance exists due to falling exports, circular debt and low revenue collection. Energy crisis and security situation in the country continues to be cause of concern and could impact the company's performance and results.

The Directors would like to place on record their sincere appreciation for the hard work and dedication shown by the Management and Employees of the Company during the period. On behalf of the Board of Directors and Employees of the Company, we express our gratitude and appreciation to all our valued customers, distributors, dealers, bankers and all other stakeholders for the trust and confidence reposed in the Company.

On behalf of the Board of Directors

MUSTAPHA A. CHINOY
