**DIRECTOR'S REPORT**

The Directors of Redco Textiles Limited are pleased to present the 24th Annual Report along with Audited Financial Statements and Auditors Report thereon for the year ended June 30, 2015 and other required information prescribed under the Code of Corporate Governance.

Overview

The Company has been able to earn a gross profit of PKR 40.294 Million during the year ended 30th June 2015 and net after tax loss of Rs. (19.571) with negative EPS of PKR (0.397) per share. This is mainly due to domestic economic challenges including a decline in the textile industry and with the shortage of power at its peak. To achieve most optimum results in the given circumstances, your management worked closely on production planning and monitoring of production and efficiency outcomes.

Operational Performance

Due to a declining trend in the textile business in the current year and tough business and economic conditions, the company posted a loss before taxation for the year ended 30th June 2015 of PKR (15.394) Million (30th June 2014: PKR 24.36 Million). Despite the situation in the textile industry locally and internationally, we have been able to manage the Mill's running when a number of units have been forced to close down their operations. The achievements of the year under review may be compared against the preceding year below:

	2015 Rupees	2014 Rupees
Sales - net	1,677,975,255	2,211,316,146
Cost of sales	1,637,681,290	2,141,950,869
Gross profit	40,293,965	69,365,277
Distribution cost	8,002,554	6,363,404
Administrative expenses	19,868,942	23,240,014
Other operating expenses	3,473,371	4,717,089
	31,344,867	34,320,507
Operating profit	8,949,098	35,044,770
Other operating income	574,795	2,008,901
	9,523,893	37,053,671
Finance cost	24,918,337	12,695,186
(Loss)/Profit before taxation	(15,394,444)	24,358,485

During the year ended June 30, 2015 sales have decreased from PKR 2.211 billion to PKR 1.678 billion due to decrease in prices of textiles products which are in line with reduction in cotton prices. Cotton prices are 30% lower as compared to that of last year. Also during the year there has been a reduction in export sales from PKR 35.68 to PKR 9.541 as compared to previous year ended 30th June 2014 as the profit margins on export has fallen. Since the first quarter of the year sale prices for yarn & fabric were under pressure and also production costs had increased. The situation started to improve in the third quarter of the year after the installation and operation of 24 air jet looms, which were imported last year. The decrease in fuel prices initiated a decline in power cost in the later part of the year. During the year under review, the cost of production has changed, mainly due to an increase in salaries and wage rate by government and other consumables prices remained unstable due to cost push inflation. Gross profit for the year under review is amounting to PKR 40.294 million as compared to PKR 69.36 million in the prior year.

Whereas, Loss before taxation for the year under review is amounting to PKR (15.394) million as compared to profit before tax of PKR 24.358 million in prior year. During the year two latest spinning cards and one hard waste opening machine were installed in the spinning section. This resulted in increased yarn recovery ratio and an improvement in the quality of Yarn. The 24 new latest technology Air Jet Looms increased capacity of our weaving section and also improved quality of fabric, allowing us to keep with the market trend and competition.

Acknowledgment

We humbly and gratefully bow our heads before Almighty Allah, the most Gracious and Merciful for guiding us and hope that the company will continue to be rewarded and blessed by His innumerable bounties.

We also take the opportunity to express our gratitude towards worthy staff, shareholders, our valued customers, suppliers and bankers for their co-operation and continued support.

Future Prospects

Textile sector in Pakistan is facing challenges of survival and distress. The great concern is still energy crisis which had severely crippled the industry raising the cost of production immensely.

There is a little hope that in this year fuel prices will remain stable which will reduce power cost to some extent as GOP is also putting great efforts in power sector reforms by adding cost efficient capacities. Procurement of cotton in a timely manner would be the main focus to secure the benefits of price fluctuations in our vertically integrated production facility. Further, It is expected that GOP will introduce policies specific to textile sector including special incentives in electricity and gas prices and loan facilities with subsidize markup will assist in recovery from the existing situation and will lead the industry towards success. Also it is expected GOP will implement duty on import of yarn which will discourage the imports of textile products from neighboring countries, and will assist local industry to recover.

Dividend Distribution

The company is following residual dividend policy and increasing the working capital base to avail the benefits of holdings.

Statement of Corporate and Financial Reporting Framework

In Compliance with Code of Corporate Governance, we give below statement of corporate and financial reporting framework:

1. The financial statements presented by the management of the company presents fairly its affairs, the results of its operations, cash flows and changes in equity.

For and on behalf of the Board,

Chief Executive

Dated: October 09, 2015

**STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED 30th JUNE 2015**

This statement is being presented to comply with the Code of Corporate Governance contained in listing Regulation No. 37, 43 & 36 of listing regulations of Karachi, Lahore & Islamabad Stock Exchanges respectively for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner;

1. The company encourages representation of independent non-executive Directors and Directors representing minority interests on its Board of Directors. At present the board includes:

1. Ms. Sarah Saif Khan	Chief Executive
2. Mrs. Muniza Saif Khan	Non-Executive
3. Mrs. Taufiq Amanullah Khan	Non-Executive
4. Mrs. Samina Asad	Non-Executive Independent
5. Mr. Imran Zia	Executive
6. Mr. Ahsan ur Rehman Khan	Non-Executive
7. Mr. Khalid Rehman Khan	Non-Executive

2. The Directors have confirmed that none of them is serving as a director in more than seven listed companies, including this Company.
3. All the resident Directors of the Company are registered as tax payer and none of them has defaulted in payment of any loan to a banking company, DFI or a NBFI or, being a member of stock exchange, has been declared as a defaulter by the stock exchange.
4. No casual vacancy occurred in the Board during the financial year under review.
5. The Company has prepared a 'Code of Conduct, and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
6. The Board has developed a Vision /Mission Statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended have been maintained.
7. All the powers of the board have been duly exercised and decision on the material transactions, including appointment and determination of remuneration and terms and conditions of employees of the CEO and other executive directors, have been taken by the Board.
8. The Meetings of the Board were presided over by the Chairperson and, in his/ her absence, by one of the directors present elected by the Board for this purpose and the Board met at least once in every quarter. Written Notices of the Board Meeting along with the agenda and working papers were circulated at least seven days before the meeting. The minutes of the meeting were appropriately recorded and circulated.
9. Majority of Directors are exempt from training requirement and one Director Mr. Imran Zia has completed Director's Training Certification session in 2013.
10. The board has approved appointment of CFO, Company Secretary and Head of Internal Auditor, including their remuneration and terms and conditions of employment, as determined by the CEO.
11. The Directors report for this year has been prepared in compliance with the requirements of the code and fully describes the salient matters required to be disclosed.

12. The financial statements of the Company were duly endorsed by CEO and CFO before approval of the Board.
13. The Directors, CEO and Executives do not held any interest in the shares of the company other than that disclosed in the pattern of shareholding.
14. The Company has complied with all the corporate and financial reporting of the Code.
15. The Board has formed an audit Committee. It comprises of four members including the Chairperson of the Committee, of whom three are non-executive directors.
16. The meetings of the Audit Committee were held prior to approval of interim and final results of the company as required by the Code. The terms of reference of the Committee have been formed and advised to the committee for compliance.
17. The Board has formed an HR and Remuneration Committee. It comprises of three members including the Chairperson of the Committee, of whom one is non-executive directors.
18. The board has outsourced the internal audit function to M/s Muniff Ziauddin & Co, who is considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the company.
19. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partner of the firm, their spouses and minor children do not hold shares of the Company and the firm and all its partners are in compliance with International Federation of Accountants (IFAC) Guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchanges.
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchanges.
23. We confirm that all other material principals contained in the code have been complied with.

REVIEW REPORT TO THE MEMBERS

On the Statement of Compliance with Best Practices of the Code of Corporate Governance

We have reviewed the enclosed statement of compliance with the best practices contained in the Code of Corporate Governance ("the Code") prepared by the Board of Directors of **Redco Textiles Limited** for the year ended June 30, 2015 to comply with the requirements of Listing Regulation of the Karachi Stock Exchange Limited and Lahore Stock Exchange Limited where the company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the statement of compliance reflects the status of the company's compliance with the provisions of the Code of Corporate Governance and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the company's personnel and review of various documents prepared by the company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all the risks and controls or to form an opinion on the effectiveness of such internal controls, the company's corporate governance procedures and risks.

The Code requires the company to place before the audit committee and upon recommendation of audit committee, places before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of approval of related party transactions by the Board of Directors upon recommendation of the audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the statement of compliance does not appropriately reflect the company's compliance, in all material respects, with the best practices contained in the Code as applicable to the company for the year ended June 30, 2015.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed Balance Sheet of **Redco Textiles Limited** as at June 30, 2015 and the related profit and loss account, statement of comprehensive income, cash flow statement, and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by the management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verifications, we report that;

- (a) in our opinion, proper books of accounts have been kept by the company as required by the Companies Ordinance, 1984;
- (b) in our opinion;
 - (i) the Balance Sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of accounts and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the company's business; and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the company's affairs as at June 30, 2015 and of the loss, comprehensive loss, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

CHIEF EXECUTIVE

DIRECTOR

REDCO TEXTILES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2015

1 STATUS AND NATURE OF BUSINESS

Redco Textiles Limited is a Public Limited Company, incorporated in Pakistan on 17 October 1991. It was incorporated under the Companies Ordinance, 1984 and is listed on the Karachi and Lahore Stock Exchanges. Redco's principal activities include manufacture and sale of yarn and grey fabric. The registered office of the Company is situated at 78-E, Redco Arcade, Blue Area, Islamabad.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the requirements of The Companies Ordinance, 1984 (the Ordinance) and the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under The Companies Ordinance, 1984, provisions of and directives issued under The Companies Ordinance, 1984. Wherever the requirements of The Companies Ordinance, 1984 or directives issued by Securities and Exchange Commission of Pakistan differ with the requirements of IFRS or IFAS, the requirements of The Companies Ordinance, 1984 or the requirements of the said directives prevail.

2.2 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

2.3 Standards, interpretations and amendments to published approved accounting standards

2.3.1 Standards, amendments or interpretations which became effective during the year:

During the year certain amendments to standards or new interpretations became effective; however, the amendments or interpretation did not have any material effect on the financial statements of the Company.

- ❑ Amendments to IAS 38 Intangible Assets and IAS 16 Property, Plant and Equipment (effective for annual periods beginning on or after 1 January 2016) introduce severe restrictions on the use of revenue-based amortization for intangible assets and explicitly state that revenue-based methods of depreciation cannot be used for property, plant and equipment. The amendments have no impact on Company's financial statements as the Company has the policy of depreciating / amortizing its property, plant and equipment and intangible assets based on the assessed useful lives.
- ❑ IFRS 10 'Consolidated Financial Statements' - (effective for annual periods beginning on or after 1 January 2015) replaces the part of IAS 27 'Consolidated and Separate Financial Statements'. IFRS 10 is not likely to have any impact on the financial statements of the Company .
- ❑ IFRS 11 'Joint Arrangements' (effective for annual periods beginning on or after 1 January 2015) replaces IAS 31 'Interests in Joint Ventures'. IFRS 11 is not likely to have any impact on the financial statements of the Company.
- ❑ IFRS 12 'Disclosure of Interest in Other Entities' (effective for annual periods beginning on or after 1 January 2015). The adoption of this standard is not like to have an impact on Company's financial statements.
- ❑ IFRS 13 'Fair Value Measurement' effective for annual periods beginning on or after 1 January 2015). The adoption of this standard is not like to have an impact on Company's financial statements.

- ❑ Amendment to IAS 27 'Separate Financial Statement' (effective for annual periods beginning on or after 1 January 2016). The amendments to IAS 27 will allow entities to use the equity method to account for investments in subsidiaries, joint ventures and associates in their separate financial statements.
 - ❑ Agriculture: Bearer Plants [Amendment to IAS 16 and IAS 41] (effective for annual periods beginning on or after 1 January 2016). These amendments have no impact on the financial statements of the company.
 - ❑ Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) [effective for annual periods beginning on or after 1 January 2016]. The main consequence of the amendments is that a full gain or loss is recognised when a transaction involves a business (whether it is housed in a subsidiary or not). A partial gain or loss is recognised when a transaction involves assets that do not constitute a business, even if these assets are housed in a subsidiary.
- 2.3.2 Annual Improvements 2012-2014 cycles (amendments are effective for annual periods beginning on or after 1 January 2016). The new cycle of improvements contain amendments to the following standards:
- ❑ IFRS 5 'Non-current Assets Held for Sale and Discontinued Operations'. These amendments are not likely to have any implication on the Company's Financial Statements.
 - ❑ IFRS 7 'Financial Instruments- Disclosures'. These amendments are not likely to have any implication on the Company's Financial Statements.
 - ❑ IAS 19 'Employee Benefits'. These amendments are not likely to have any implication on the Company's Financial Statements.
 - ❑ IAS 34 'Interim Financial Reporting'. These amendments are not likely to have any implication on the Company's Financial Statements.
- 2.3.3 There are a number of other minor amendments and interpretations to other approved accounting standards that are not yet effective and are also not relevant to the Company and therefore have not been presented here.

3 BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention on accrual basis except Cash flows and for revaluation of certain financial instruments at fair value and recognition of certain staff retirement benefits at present value.

The company's significant accounting policies are stated in note 4. Not all of these significant policies require the management to make difficult, subjective or complex judgments or estimates. The following is intended to provide an understanding of the policies which the management considers critical because of their complexity, judgment of estimation involved in their application and their impact on these financial statements. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. These judgments involve assumptions or estimates in respect of future events and the actual results may differ from these estimates. The areas involving higher degree of judgments or complexity or areas where assumptions and estimates are significant to the financial statements are as follows.

3.1 Income Taxes

The Company takes into account relevant provisions of the current income tax laws while providing for current and deferred taxes as explained in notes of these financial statements.

3.2 Property, Plant & Equipment

The Company reviews the value of the assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation charge and impairment loss.

3.3 Stores, spares and loose tools

Management has made estimates for realizable amounts of slow moving and obsolete stores and spares items to determine provision for slow moving and obsolete items. Any future change in the estimated realizable amounts might affect the carrying amount of stores and spares with corresponding effect on amounts recognized in the profit & loss account as provision / reversal.

3.4 Defined Benefits Plan

Certain actuarial assumptions have been adopted as disclosed in respective note of these financial statements for valuation of present value of defined benefit obligation. Any changes in these assumptions in future years might affect actuarial gains/losses recognized in those years with corresponding effect on carrying amount of defined benefit plan liability.

4 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented unless otherwise stated.

4.1 Property, plant and equipment

Operating fixed assets are stated at cost or revalued amounts, as the case may be, less accumulated depreciation or impairment, if any and capital work in progress is stated at cost.

Depreciation is charged on the basis of written down value method whereby cost or revalued amount of an asset is written off over its useful life without taking into account any residual value. Depreciation on additions to fixed assets or deletion is charged on pro-rata basis for the period of use during the year.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to income during the period in which they are incurred.

Amount equivalent to incremental depreciation charged on revalued assets is transferred from surplus on revaluation on revaluation of property, plant and equipment net of deferred taxation to retained earnings (unappropriated profit).

The assets' residual value and useful lives are reviewed and adjusted if significant at each balance sheet date.

Disposal of assets is recognized when significant risks and reward incidental to the ownership have been transferred to buyers. Gains and losses on disposal of operating fixed assets are taken to profit and loss account.

4.2 Impairment losses

The company assesses at each balance sheet date whether there is any indication that assets excluding inventory may be impaired. If any such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying value exceeds the recoverable amount, assets are written down to the recoverable amount and the difference is charged to profit and loss account, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease.

4.3 Long term investments

Investment available for sale

These are initially recognized at cost and at subsequent reporting dates measured at fair values. Gains or losses from changes in fair values are taken to equity until disposal at which time these are recycled to profit and loss account.

4.4 Stores, spares and loose tools

Stores and spares are stated at lower of weighted average cost and estimated net realizable value. These have been valued using moving average cost except for those in transit which are valued at actual cost. Provision is made for slow moving and obsolete items.

4.5 Stock in trade

Stock in trade, except stock in transit are valued at lower of cost and net realizable value except waste / rags which are valued at contract prices. Stocks of yarn / cloth purchased are valued at lower of weighted average cost and net realizable value. Cost is determined as follows:

- Raw materials - Yearly moving average method except stock in transit.
- Work in process - Average manufacturing cost including proportionate production overheads.
- Finished goods - Lower of cost and net realizable value.

Net realizable value represents estimated selling prices in the ordinary course of business less expenses incidental to make the sale.

Stock in transit is valued at cost comprising invoice value plus other charges thereon.

4.6 Trade debtors

Trade debts are carried at original invoice amount being the fair value, less an estimate made for doubtful debts based on review of outstanding amounts at the year end, if any. Provision is made against those having no activity during the current financial year and is considered doubtful by the management. Balances considered bad and irrecoverable are written off when identified.

4.7 Other receivables

Other receivables are recognized at nominal amount which is fair value of the consideration to be received in future.

4.8 Cash and bank balances

Cash in hand and at banks are carried at nominal amounts.

4.9 Staff retirement benefits

The Company operates contributory unfunded gratuity scheme for its officers and employees. Provision for gratuity is made on the basis of last drawn salary for each completed year of service. Minimum qualifying period for gratuity benefit is one year from the date of joining. Contributions made are based on actuarial recommendations. The most recent actuarial valuation was carried out at June 30, 2015 using the Projected Unit Credit method.

4.10 Taxation

Current

The Company accounts for current taxation on the basis of taxable income at the current rates of taxation after taking into account tax credits and rebates available, if any, in accordance with the provisions of the Income Tax Ordinance, 2001.

Deferred

Deferred tax is computed using the balance sheet liability method providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the liability is settled based on tax rates that have been enacted or subsequently enacted at the balance sheet date.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profit will be available and the credits can be utilized.

Further, the Company has recognized the deferred tax liability on surplus on revaluation of fixed assets which has been adjusted against the related surplus.

4.11 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for the goods and services received, whether or not billed to the Company.

4.12 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect current best estimate.

4.13 Revenue recognition

Revenue comprises of the fair value of the consideration received or receivable from the sale of goods and services in the ordinary course of the Company's activities.

Revenue is recognized when it is probable that the economic benefits associated with the transactions will flow to the Company and the amount of revenue can be measured reliably. The revenue arising from different activities of the Company is recognized on the following basis:

Local sales are recognized on dispatch of goods to customers.

Scrap sales are recognized when delivery is made to customers.

Export sales are recognized on shipment basis and the revenue from export rebate is accounted for on accrual basis.

Interest income is recognized as revenue on time proportion basis.

4.14 Borrowing cost

Borrowing cost on long term finances which are specifically obtained for the acquisition of qualifying assets are capitalized. All other borrowing costs are charged to profit and loss account in the period in which these are incurred.

4.15 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalent comprise cash in hand, cash at bank and short term investments with maturity of not later than three months at known amount in rupees.

4.16 Related party transactions

Transactions involving related parties arising in the normal course of business are conducted at arm's length at normal commercial rates on the same terms and conditions as third party transactions using valuation modes as admissible.

4.17 Dividend and apportioning to reserves

Dividend and appropriation to reserves are recognized in the financial statements in the period in which these are approved.

4.18 Financial instruments

All the financial assets and financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item. Any gain or loss on derecognition of the financial assets and financial liabilities is included in profit and loss account.

4.19 Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the balance sheet if the Company has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

4.20 Foreign currency translation

Transactions in foreign currencies are converted into Pak rupees at the rates of exchange prevailing on the dates of transactions. Assets and liabilities in foreign currencies are translated into Pak rupees at the rates of exchange prevailing at the balance sheet date. Exchange gains and losses are included in the profit and loss account.

		9,251,456	9,738,375
Closing balance - gross		279,246,034	288,497,490
Less: Related deferred tax liability			
Revaluation at the beginning of the year		60,965,092	66,220,950
Related deferred tax liability on addition to surplus		-	-
Effect of change in tax rate		(5,264,737)	(1,847,427)
Amount realized during the year on account of incremental depreciation		(3,052,980)	(3,408,431)
		52,647,375	60,965,092
Closing balance - net of tax		226,598,659	227,532,398

16.1 Under the requirements of the Companies Ordinance, 1984, the Company cannot use the surplus except for setting off the losses arising out of the disposal of the revalued assets, losses arising out of the subsequent revaluation of assets and to set-off any incremental depreciation arising as a result of revaluation.

16.2 Subsequent to revaluation on September 30, 1995, September 30, 1996, September 30, 2004, May 18, 2007, and January 2008 which had resulted in surplus of Rs. 102.674 million, Rs. 262.692 million, Rs. 275.315 million, deficit of Rs. 101.399 million and deficit of Rs. 67.302 million respectively, the Free hold land, building on free hold land, plant and machinery and generators have been revalued again on June 30, 2012 resulting in a surplus of Rs. 56.537 million. The revaluation was conducted by an independent valuer M/s. Engineering Pakistan International (Pvt) Limited.

Basis of revaluation:

Free hold land	Market value
Building on free hold land	Replacement cost
Plant and machinery	Replacement cost
Generators	Replacement cost

Had there been no revaluation, the net book value of these assets would have amounted to:

20.1.1 General description			
The scheme provides for termination benefits for all its permanent employees who attain the minimum qualifying period at varying percentages of last drawn gross salary. The percentage depends on the number of service years with the company. Annual charge is based on actuarial valuation carried out as at June 30, 2015, using Projected Unit Credit Method.			
20.1.2 Principal actuarial assumptions	Note	2015 Rupees	2014 Rupees
Following are a few important actuarial assumptions used in the valuation:			
		%	%
Discount rate		9.75%	13.25%
Expected rate of increase in salary		10.00%	12.25%
		Years	Years
Average expected remaining working life time of the employees		10	7
20.1.3 Reconciliation			
Present value of defined benefit obligation as at year end		<u>10,423,466</u>	<u>9,429,293</u>
		<u>10,423,466</u>	<u>9,429,293</u>
20.1.4 Movement in present value of defined benefit obligation			
Present value of defined benefit obligation -Opening balance		9,429,293	15,698,024
Current service cost		3,310,175	2,860,231
Interest cost		631,932	768,566
Benefits paid during the period		(4,943,300)	(5,610,698)
Remeasurement loss/ (gain) arising during the year		1,995,365	(4,286,830)
Closing balance		<u>10,423,465</u>	<u>9,429,293</u>
20.1.5 Charge for the year			
Current service cost		3,310,175	2,860,231
Interest cost		631,932	768,566
		<u>3,942,107</u>	<u>3,628,797</u>
20.1.6 Gratuity expenses have been allocated as follows			
Cost of goods manufactured		3,942,107	3,628,797
		<u>3,942,107</u>	<u>3,628,797</u>
20.1.7 Expenses recognized in other comprehensive income			
Remeasurement in the year		<u>1,995,365</u>	<u>(4,286,830)</u>

20.1.8 Sensitivity analysis of actuarial assumption

The calculation of defined benefit obligation is sensitive to assumptions given above. The below information summarizes how the defined benefit obligation at the end of the reporting period would have increased / (decreased) as a result of change in respective assumption by 100 basis point

	Increase in assumption	Decrease in assumption
Discount rate	(682,842)	739,155
Expected rate of increase in future salaries	730,498	(687,357)

20.1.9 Expected gratuity expenses for the year ended June 30, 2016 works out Rs. 4,226,550.
20.2 Deferred taxation

Opening balance	3,877,388	4,938,802
Add: Provided on surplus during the year	-	-
Less: Reversed on surplus during the year due to rate change	(5,264,737)	(1,847,427)
Add / (less): Provided / (reversed) during the year in profit and loss account	5,858,303	(610,555)
Less: Charged through other comprehensive income due to remeasurements	(648,264)	1,396,568
	<u>3,822,690</u>	<u>3,877,388</u>

Deferred tax liabilities / (assets) arising due to taxable / (deductible) temporary differences are as follows:

- 36.2 There are no transactions with key management personnel other than under their terms of employment.

37 CORRESPONDING FIGURES

Comparative information has been rearranged and reclassified, wherever necessary, for the purpose of better presentation and comparison. Minor reclassifications were made in cash flow statement for better presentation and understanding. No significant reclassifications were made in these financial statements.

38 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

The company has exposures to the following risks from its use of financial instruments.

- 38.1 Credit risk
- 38.2 Liquidity risk
- 38.3 Market risk

The board of directors has overall responsibility for the establishment and oversight of company's risk management framework. The board is also responsible for developing and monitoring the company's risk management policies.

38.1 Credit risk

38.1.1 Exposure to credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the trade debts, loans and advances, trade deposits and short term prepayments and cash and bank balances. Out of total financial assets of Rs. 157.337 millions (June 30, 2014 : 174.930 millions), financial assets which are subject to credit risk aggregate to Rs. 147.748 million (June 30, 2012 : Rs. 156.974 million). The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows.

	2015 Rupees	2014 Rupees
Long term deposits	4,905,940	4,905,940
Trade debts	138,964,860	149,258,559
Loan and advances	3,878,169	2,810,397
Cash and bank balances	9,588,401	17,955,129
	<u>157,337,370</u>	<u>174,930,025</u>

- 38.1.2 The maximum exposure to credit risk for trade debts at the balance sheet date by type of customer is as follows.

	2015 Rupees	2014 Rupees
Yarn	23,692,919	29,367,734
Fabric	121,136,549	125,846,219

(6,282,610)	(6,282,610)
138,964,860	149,258,559

38.2 Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the company's reputation. The following are the contractual maturities of financial liabilities, including interest payments and excluding the impact of netting agreements.

Non - derivative Financial liabilities

Long term financing from banking company
Accrued Mark up / interest
Trade and other payables
Short term borrowings

The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark up rates effective as at June 30. The rates of mark up have been disclosed in relevant notes to these financial statements.

38.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities, and liquidity in the market. The company is exposed to currency risk and interest rate risk only.

38.3.1 Currency risk

Exposure to currency risk

The company is exposed to currency risk on trade debts, borrowing and import of raw material and stores that are denominated in a currency other than the respective functional currency of the company, primarily in US Dollar and Euro. The currencies in which these transactions primarily are denominated is US Dollar and Euro. The company exposure to foreign currency risk is as follows.

	US Dollars	Rupees
Trade debts 2015	-	-
Trade debts 2014	2,758	271,826

The following significant exchange rates applied during the year.

Financial assets	Average rates		Reporting date rates	
	2015	2014	2015	2014
US Dollar to Rupee	101.50	98.58	101.50	98.60

Sensitivity analysis

5% strengthening of Pak Rupee against the following currencies at June 30, would have increased / (decreased) equity and profit and loss by the amount shown below. The analysis assumes that all other variables, in particular interest rates, remain constant. 5% weakening of Pak Rupee against the above currencies at periods ends would have had the equal but opposites effect on the above currencies to the amount shown below, on the basis that all other variables remain constant.

	2015 Rupees	2014 Rupees
US Dollar	-	(13,591)

38.3.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposures arises from short and long term borrowings from bank and term deposits and deposits in PLS saving accounts with banks. At the balance sheet date the interest rate profile of the company's interest bearing financial instrument is as follows.

	2015 Rupees	2014 Rupees
Fixed rate instruments		
Financial assets	-	-
Financial liabilities	-	-
Variable rate instruments		
Financial assets	684,888	96,268
Financial liabilities	175,822,422	68,887,384

Fair value sensitivity analysis for fixed rate instruments

The company does not account for any fixed rate financial assets and liabilities at fair value through profit and loss. Therefore, a change in interest rates at the reporting date would not affect profit and loss account.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for June 30, 2014.

	Profit and loss		Equity	
	100 BP increase	100 BP decrease	100 BP increase	100 BP decrease
	Rupees			
Cash flow sensitivity - variable rate instruments 2015	1,758,224	(1,758,224)	-	-
Cash flow sensitivity - variable rate instruments 2014	688,874	(688,874)	-	-

38.4 Fair value of financial assets and liabilities

The carrying value of all financial instruments reflected in the financial statements approximate to their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

	2015 Rupees	2014 Rupees
38.5 Off balance sheet items		
Bank guarantees issued in ordinary course of business	17,233,000	17,233,000

38.6 The effective rate of interest / mark up for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

39 CAPITAL RISK MANAGEMENT

The company's prime object when managing capital is to safeguard its ability to continue as a going concern in order to provide adequate returns for shareholder and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the company monitors capital on the basis of the gearing ratio. The ratio is calculated as total borrowings divided by total capital employed. Borrowings represent long term financing, long term loan from directors and others and short term borrowings. Total capital employed includes total equity as shown in the balance sheet plus borrowings.

		2015	2014
Borrowings	Rupees	75,822,422	756,267,728
Total equity	Rupees	485,448,949	1,180,655,326
Total capital employed	Rupees	561,271,371	1,936,923,054
Gearing ratio	Percentage	13.51	39.04

40 PLANT CAPACITY AND PRODUCTION

It is difficult to describe precisely the production capacity in textile industry since it fluctuates widely depending on various factors such as count of yarn spun, raw material used, spindle speed and twist. It would also vary according to the pattern of production adopted in a particular year. New 24 looms started production in December 2014 and its impact is included.

	2015	2014
Spinning		
Number of spindles installed	22,500	22,500
Installed capacity at 20's counts based on 1080 shifts - lbs.	15,156,000	15,156,000
Capacity utilized	73%	77%
Actual production of yarn - lbs.	11,749,296	12,146,700
Actual production converted into 20's count - lbs.	10,982,430	11,681,100
Number of shifts worked per day	3	3
Number of shifts worked	896	932
Weaving		
Number of looms installed	120	96
Installed capacity at 60 picks - meters	13,540,200	11,520,000
Capacity utilized	83%	85%
Actual production of cloth - meters	12,226,464	9,627,896
Actual production of cloth converted at 60 picks at 100% efficiency - meters	11,217,855	8,988,091
Number of shifts per day	3	3
Number of shifts worked	960	917

	2015	2014
41 NUMBER OF EMPLOYEES		
Total number of employees at the end of the year	830	782
Average number of employees during the year	794	871

42 DATE OF AUTHORIZATION FOR ISSUE

These financial statements are authorized for issue by the Board of Directors on _____.
