CDC Account Holders will further have to follow the guidelines as laid down in Circular 1 dated January 26, 2000 issued by Securities and Exchange Commission of Pakistan for attending the meeting and appointment of proxies.

DIRECTORS' REPORT

The directors of your company are pleased to present the 22nd Annual Report along with the audited accounts of the Company for the year ended 30th June 2013:

BUSINESS OVERVIEW:

During the current financial year, the adverse law & order position in the country and most particularly in Karachi could not be improved due to unknown factors. The heavy load-shedding has put the industrial sector in an unfavourable economic condition and devaluation of Pakistani currency further increased the cost of production during the financial year. All these factors have negatively affected the business activities in a significant manner and your company is not an exception.

Your Company is continuing innovation of products and introduction of new products in accordance with the demand and need of the customers. INSHAALLAH, the things will improve in the foreseeable future.

FINANCIAL RESULTS:

	2013 (Rupees)	2012 (Rupees)
Profit before taxation	96,090,726	195,034,910
Provision for taxation	29,583,688	68,950,730
Profit after taxation	66,507,038	126,084,180
Un appropriated Profit brought forward	318,869,912	228,730,468
Profit available for appropriation	385,376,950	354,814,648

Appropriations:

Interim Cash dividend @ Nil (2012:10%)	-	17,972,368
Final Cash Dividend @ 10% (2012: 10%)	17,972,368	17,972,368
	17,972,368	35,944,736
Un appropriated profit carried forward	367,404,582	318,869,912

Sales Revenue:

The overall net sales revenue of the Company has declined by 30.97 % from Rupees 2,725.64 million to Rupees 1,881.50 million during the period under review. Segment wise: The net sales of Auto Rickshaws has decreased from Rupees 2,361.85 million to Rupees 1,472.02 million reflecting a decline of 37.67% whereas net sales of automotive parts has increased by 12.75 % from Rupees 340.53 million to Rupees 383.95 million. The net sales of home appliances has increased from Rupees 23.26 million to Rupees 25.53 million compared with the corresponding period of last year.

The decline in sale of Auto Rickshaw was due to lower demand of "Sazgar Auto Rickshaw" owing towards adverse law & order situation, heavy load-shedding etc. whereas rise in sale of automotive parts was due to increase in orders placed by the Tractor Assemblers during the period under review. The sale of home appliances has increased due to increase in sale of air conditioners under brand name "Whirlpool".

**Gross Profit:**

Company's gross profit has decreased from Rupees 329.40 million to Rupees 202.62 million showing a decrease of Rupees 126.78 million compared with the corresponding period of last year. The gross profit ratio has also declined from 12.09% to 10.77%.

Operating Expenses:

The operating expenses are normal in line with decrease in sales volume of the company.

Earning Per Share:

The Earning per share of Rupees 3.70 for the current year is significantly lower than the last corresponding year of Rupees 7.02.

Production:

During the year, the Company produced 10,244 units of Auto Rickshaws compared with 16,328 units produced during the corresponding year of last year reflecting a 37.26% decline in production.

Whereas the production of wheel rim was 71,017 compared with 66,500 during the same corresponding period of last year showing an increase of 6.79%.

Motor Cycle Manufacturing and Revision in Plant Capacity:

During the year, your company has decided to manufacture/assemble Motorcycles of all sorts and kinds by utilizing the idle capacity of plant with some addition of machinery and building necessarily required for this purpose. The production of Motorcycle was expected in last quarter of current financial year but due to delay in approval from Engineering Development Board (EDB) it could not be commenced. However, subsequent to the period under review, the company has received approval from Engineering Development Board (EDB) and further approval from Pakistan Standards and Quality Control Authority (PSQCA) and Punjab Transport Authority (PTA) is in process.

After the commencement of manufacturing / assembling of Motorcycles, the revised annual production capacity of the plant (based on 8 hours single shift) with respect to Auto Rickshaw and Motorcycle will become as follow:

Name of Product	Existing Production Capacity (Units per annum)	Revised Production Capacity (Units per annum)
Auto Rickshaw	20,000	12,000
Motorcycle	—	30,000

The production capacity of Auto Rickshaw and Motorcycle may interchangeably be used in accordance with the demand of the products.

CASH DIVIDEND:

The Board of Directors, at their meeting held on August 16, 2013, has recommended a final Cash Dividend of Rupee 1.00 per share i.e. 10% (2012: 20%) subject to the approval of shareholders in the forth coming 22nd Annual General Meeting of the Company.

FUTURE OUTLOOK:

4-Stroke Auto Rickshaw:

Your company is focusing on the market demand of the products and is introducing various models accordingly to fulfil the needs of customers. The company has also introduced some sales incentive schemes to boost the sales volume and has received a positive response in this regard.

Your company hopes that the law and order situation will improve and load-shedding will be managed and controlled by the new Government in the foreseeable future. This will help and encourage the business activities in the country and your company will also be a beneficiary of the favourable economic conditions.

It is hoped that the sales volume of auto rickshaw will increase in the coming periods, INSHIAALLAH.

Automotive Parts:

As per understanding with the Government, the Tractor Assemblers have to increase sales tax rate from 10% to 17% effective from January 01, 2014. It is estimated that the booking of tractors during first six months will increase substantially and demand of company's tractor wheel rims will also rise during this period. However, there is a risk that the booking may decline in following six months of the coming financial year after increase of sales tax rate to 17%. On average the company foresees a substantial sale volume of tractor wheel rims during the incoming period.

Motorcycles:

After obtaining the approval from EDB, the company will commence production of motorcycles. Initially the 70cc motorcycle will be produced which will facilitate the company to penetrate in the huge market. Later on, the higher cc's motorcycles will be added into production line in accordance with the demand of the market. It is hoped that this segment of business will increase the sales and profitability of the company in future.

CORPORATE SOCIAL RESPONSIBILITY:

Your company understands its responsibility towards the social activities for the benefit of the society. The company encourages all the activities in this regard. During the year, your company made donations to the institutions which provide free of cost education and health facilities to the poor people of the society.

The company also encourages and supports sports activities among the employees of the company. The company is continuing holding of cricket tournament among the employees of the company which is helping to maintain the fitness and mental development of the employees along with provision of entertainment.

Contribution to National Exchequer:

Being a responsible citizen, your company made a contribution of Rs. 381.63 Million to national exchequer in form of income tax, sales tax, custom duties and excise as compared to 604.66 million during last financial year. The decline is due to decrease in sales volumes.

COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE:

The directors of your company are pleased to state that your Company is in compliance with the provisions of Code of Corporate Governance as are applicable for the current year. The various statements, as required by the Code, are given below:

- **Presentation of Financial Statements** The financial statements, prepared by the management of the company, present its state of affairs fairly, the results of its operations, cash flows and changes in equity;
- **Books of Account** Proper books of account of the company have been maintained;
- **Accounting Policies** Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgement;
- **Compliance with International Financial Reporting Standards (IFRS)** International Financial Reporting Standards, as applicable in Pakistan, have been followed in preparation of financial statements and departure there from (if any) has been adequately disclosed and explained;
- **Internal Control System** The system of internal control is sound in design and has been effectively implemented and is being monitored continuously. The review will continue in future for the improvement in controls;
- **Going Concern** There are no significant doubts upon the Company's ability to continue as a going concern;
- **Best Practices of Corporate Governance** There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations wherever applicable to the Company for the year ended June 30, 2013.
- **Financial Data of Last Years** Key operating and financial data of last six years is annexed as per annexure "A"

Dividend The Board has recommended a final Cash Dividend @10% for the year under review.

Outstanding Statutory Dues The outstanding statutory dues are given in notes to the financial statements.

Significant Plans and Decisions The Company is looking for continuous diversification in automobile sector in order to add more products into production line.

Code of Business Conduct: The Company has prepared a "Code of Business Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures. It has also been placed on the company's web site.

Attendance in Board and Committees' Meetings: The number of board and committees' meetings held during the year and attendance by each director is given below:

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2013

This statement is being presented to comply with the Code of Corporate Governance contained in the Listing Regulations of Karachi, Lahore and Islamabad Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed Company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code of Corporate Governance in the following manner:

1. The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. At present the board includes:

Category	Names
Independent Directors	NIL
Executive Directors	Mr. Mian Asad Hameed, Mr. Saeed Iqbal Khan, Mr. Mian Muhammad Ali Hameed, Mrs. Saira Hameed
Non-Executive	Mr. Mian Zafar Hameed, Mrs. Sana Suleyman, Mrs. Amina Hamza Wazir

2. The Directors have confirmed that none of them is serving as a director in more than seven listed companies, including this company.
3. All the resident directors of the Company are registered as tax payers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. No casual vacancy was occurred in the Board during the current year.
5. The company has prepared a 'Code of Conduct', and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
6. The Board has developed a vision and mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions have been taken by the Board.
8. The meetings of the Board were presided over by the Chairperson and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. The Board arranged one training program for one of its directors during the year.
10. There was no change in office of Chief Financial Officer, Company Secretary and Head of Internal Audit of the Company during the period under review.
11. The Directors' report has been prepared in compliance with the requirements of the Code of Corporate Governance and fully describes the salient matters required to be disclosed.
12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the Board.

13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
14. The company has complied with all the corporate and financial reporting requirements of the Code of Corporate Governance.
15. The Board has formed an Audit Committee. It comprises three (3) members, of whom two (2) are non-executive directors and the chairman of the committee is an executive director.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the Code of Corporate Governance. The terms of reference of the committee have been formed and advised to the committee for compliance.
17. The Board has formed an HR and Remuneration Committee. It comprises three (3) members, of whom two (2) are non-executive directors and the chairman of the committee is a non-executive director.
18. The board has set up an effective internal audit function.
19. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by Institute of Chartered Accountants of Pakistan.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchange(s).
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange(s).
23. We confirm that all other material principles enshrined in the Code of Corporate Governance have been complied with.

For and on behalf of the Board

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE.

We have reviewed the statement of compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of **Sazgar Engineering Works Limited** ("the Company") to comply with the Listing Regulations No. 35 of the Karachi, Lahore and Islamabad Stock Exchange where the company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's Compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquire of the company personnel and review of various documents prepared by the company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control system sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form and opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

Further, Sub-Regulation x of Listing Regulation 35 of Karachi, Lahore and Islamabad Stock Exchanges requires the Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the board of directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respect, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended June 30, 2013.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of **Sazgar Engineering Works Limited ("the Company")** as at **June 30, 2013** and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that-

- (a) in our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) in our opinion-
 - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of accounts and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - (iii) the business conducted, investments made and the expenditures incurred during the year were in accordance with the objects of the Company;
- © in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and the statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2013 and of the profit, total comprehensive income, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under Section 7 of that Ordinance.

 DIRECTOR

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

1- LEGAL STATUS AND OPERATIONS

The Company was incorporated in Pakistan on September 21, 1991 as a Private Limited Company under the Companies Ordinance, 1984 and converted into a Public Limited Company on November 21, 1994. The Company is listed on all the Stock Exchanges of Pakistan. The Company is engaged in the manufacture and sale of automobiles, automotive parts and household electric appliances. The registered office of the Company is situated at 88- Ali Town, Thokar Niaz Baig, Raiwind Road, Lahore.

2- BASIS OF PREPARATION

2.1- STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

2.2- Basis of measurement

These financial statements have been prepared on the historical cost convention except for the recognition of employees retirement benefits at present value.

2.3- Functional and Presentation Currency

These financial statements are presented in Pak Rupee, which is the functional and presentation currency of the company.

2.4- New accounting standards, IFRIC interpretations and amendments to the published approved accounting standards that are effective in current year:

The revised standards and interpretations with respect to approved accounting standards as applicable in Pakistan became effective in current year;

IFRS-9 Financial Instruments

IFRS-12 Disclosures of Interest in other Entities

IAS-1 Financial Statement Presentation

IAS-12 Income Tax (Amended)

The above standards, amendments and interpretations are either not relevant to the Company's operations or not expected to have significant impact on the Company's financial statements except for increased disclosures in certain cases.

2.5- New accounting standards, IFRIC interpretations and amendments to the published approved accounting standards that are not effective in current year:

The following revised standards, amendments and interpretations with respect to approved accounting standards as applicable in Pakistan would be effective on and after the dates mentioned below against the respective standard or interpretation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

		Effective date
IFRS-1	First Time Adoption of International Financial Reporting Standards	January 01, 13
IFRS-7	Financial Instruments: Disclosures (Amendments) & Classification and Measurement	January 01, 13
IFRS-9	Financial Instruments	January 01, 15
IFRS-12	Disclosure of Interests in Other Entities	January 01, 13
IFRS-13	Fair Value Measurement	January 01, 13
IAS-1	Financial Statement Presentation	January 01, 13
IAS-16	Property Plant, & Equipment	January 01, 13
IAS-19	Employees Benefits: (Amendments)	January 01, 13
IAS-32	Financial Instruments Presentation	January 01, 13
IAS-34	Interim Financial Reporting	January 01, 13
IAS-27	Separate Financial Statements	January 01, 13
IAS-36	Impairment of Assets	January 01, 14
IAS-39	Financial Instruments: Recognition and Measurement	January 01, 14

The above standards, amendments and interpretations except amendment in IAS-19 are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements except for the increased disclosures in certain cases. The amendment in IAS-19 requires immediate recognition of actuarial gain or loss and revised basis of calculation for net finance cost.

3- SIGNIFICANT ACCOUNTING POLICIES

The Significant accounting policies adopted in the preparation of these financial statements are set out below and have been consistently applied to all the years presented.

3.1 - Employee benefits

Defined benefit plan

Defined benefit plan is a post-employment benefit plan other than the defined contribution plan.

The Company operates an unfunded gratuity scheme for all its permanent employees. The provision is made on the basis of actuarial valuation by using the projected unit credit method.

In calculating the Company's obligation in respect of a plan, to the extent that any cumulative unrecognized actuarial gain or loss exceeds ten percent of the present value of the defined benefit obligation, it is recognized in the income statement over the expected average remaining working lives of the employees participating in the plan. Otherwise, the actuarial gain or loss is not recognized.

3.2- Property, Plant and Equipment-Owned

Operating fixed assets except freehold land and capital work in progress are stated at cost less accumulated depreciation and impairment losses, if any. Land and capital work in progress are stated at cost. Cost in relation to self manufactured assets includes direct cost of materials, labour and applicable manufacturing overheads. Cost of tangible fixed assets consists of historical cost, borrowing cost pertaining to the construction/erection period and directly attributable cost of bringing the assets to working condition.

Depreciation on all property, plant and equipment except freehold land is charged by applying the reducing balance method in accordance with the rates specified in note no.14.1 of these financial statements, whereby the cost of an asset is written off over its estimated useful life. Depreciation on additions is charged from the month the asset is available for use while no depreciation is charged in the month in which the asset is disposed off.

The assets' residual values and useful lives are reviewed at each financial year end, and adjusted if impact on depreciation is significant.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

Normal maintenance and repairs are charged to income as and when incurred. Major renewals and replacements are capitalized.

Disposal of an asset is recognized when significant risks and rewards, incidental to the ownership of the assets have been transferred to the buyer. Gain or Loss on disposal of Property, Plant and Equipment is determined by comparing the carrying amount of the assets with the realized sale proceeds and is recognized in the current year's profit and Loss account-other income.

3.3 - Impairment of fixed assets

The company assesses at each balance sheet date whether there is any indication that a fixed asset may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying value exceeds recoverable amount, assets are written down to the recoverable amount.

3.4 - Intangible Assets

The Intangible Assets are stated at cost less accumulated amortization and identified impairment loss, if any. The cost of intangible assets is amortized over a period of five (5) years using the straight line method.

Amortization on additions to the intangible assets is charged from the month in which an asset is capitalized and / or is available for use, while no amortization is charged for the month in which the asset is disposed off. The amortization expense is charged to the current year income.

International Accounting Standard (IAS) 38 "Intangible Assets" requires review of amortization period and the amortization method at least at each financial year end. Accordingly the management assesses at each balance sheet date the assets' residual values and useful lives in addition to considering any indication of impairment, and adjustments are made if impact on amortization is significant.

3.5 - Assets subject to finance lease

Lease that substantially transfers all the risks and rewards, incidental to the ownership of an asset to the company is classified as finance lease.

Assets under finance lease are stated at lower of present value of minimum lease payments under the lease agreements and the fair value of assets at the inception of the lease. The aggregate amount of obligation relating to these assets are accounted for at net present value of liabilities. Depreciation on these assets is charged in line with normal depreciation policy adopted for assets owned by the company.

3.6 - Taxation

Current and Prior Year

Provision for current year's taxation is determined in accordance with the prevailing law of taxation on income enacted by the balance sheet date and is based on current rates of taxation being applied on the taxable income for the year, after taking into account, tax credits and rebates available, if any and taxes paid under the final tax regime. The tax charged also includes adjustment, where necessary, relating to prior years which arise from assessments finalized during the year.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable income. Deferred tax is calculated by using the tax rates enacted at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

A deferred tax asset is recognized only to the extent that it is probable that future taxable profit will be available and the credits can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax is charged or credited in the profit and loss account, except in case where the item to which the deferred tax asset or liability pertains, is recorded in other comprehensive income or equity, the corresponding deferred tax charge is also recognized in other comprehensive income or equity.

3.7- Trade debts and other receivables

Trade debts and other receivables are carried at original invoice value less an estimate made for doubtful receivables which is determined based on management's review of outstanding amounts and previous repayment history. Balances considered bad and irrecoverable are written off.

3.8- Store, spares and loose tools

These are valued at weighted average cost except items in transit which are valued at cost comprising invoice value and other charges paid thereon.

The company reviews the carrying amount of stores, spares and loose tools on a regular basis and provision is made for obsolescence if there is any change in usage pattern and physical form. Impairment, if any, is also made for slow moving items identified as surplus to the requirements of the company.

3.9- Stock-in-trade

Stock in trade is valued at the lower of weighted average cost and net realizable value. The average cost in relation to work in process and finished goods represents direct costs of raw materials, labour and appropriate portion of overheads. Net realizable value signifies the estimated selling price in the ordinary course of business less costs necessarily to be incurred in order to make the sale.

The company reviews the carrying amount of stock in trade on a regular basis and as appropriate, inventory is written down to its net realizable value or provision is made for obsolescence if there is any change in its usage pattern and physical form.

Cost of work in process and finished goods include direct material, labour and appropriate portion of manufacturing expenses.

3.10- Foreign currency conversion

Transactions in foreign currencies are translated into Pak rupees using the exchange rate prevailing on the dates of transaction. Monetary assets and liabilities denominated in foreign currencies are translated into Pak rupees at the rates of exchange approximating those prevalent at the balance sheet date. All exchange differences are charged to Profit and Loss Account.

3.11- Revenue recognition

Revenue from sales is recognized on dispatch of goods to customers. Goods are considered dispatched when risk and rewards are transferred to customers.

3.12- Borrowing Costs

Borrowing Costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

All other borrowing costs are charged to profit and loss account in the period in which they are incurred.

3.13 - Segment reporting

Segment information is presented on the same basis as that used for internal reporting purposes by the Chief Operating Decision Maker, who is responsible for allocating resources and assessing performance of the operating segments. On the basis of its internal reporting structure, a reportable segment is identified where it becomes a distinguishable component that is engaged in providing an individual product or service or a group of related products or services within a particular economic environment and that is subject to risks and returns that are different from those of other segments. Expenses which cannot be directly allocated activity-wise, are apportioned on appropriate basis as required by Chief Operating Decision Maker.

3.14 - Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalent consists of cash in hand, balances with banks and short term running finance facilities.

3.15 - Trade and accrued liabilities

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for the goods and services received, whether billed or not to the Company.

3.16 - Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provisions are reversed.

3.17 - Financial instruments

All the financial assets and financial liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to profit and loss account currently.

3.18 - Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the balance sheet if the Company has legally enforceable right to set off the recognized amount and intend either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.19 - Research and Development

Expenditure on research activities, undertaken with the prospect of gaining new technical knowledge and understanding, is recognized in the income statement as an expense as incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

Expenditure on development activities, whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes, is capitalized if the product or process is technically and commercially feasible and the company has sufficient resources to complete development. The expenditure capitalized includes the cost of materials, direct labor, an appropriate proportion of overheads and other directly attributable expenditure. Other development expenditure is recognized in the income statement as an expense as incurred.

Expenditure on development activities, capitalized during the year, are classified under "Intangible Assets".

3.20 - Related party transaction

All transactions with related parties are at arm's length prices determined in accordance with the pricing method as approved by the Board of Directors.

3.21 - Earning Per Share

The Company presents Earnings Per Share (EPS) data for its ordinary shares, EPS is calculated by dividing the profit attributable to ordinary shareholders of the Company by the weighed average number of shares outstanding during the year.

3.22 - Dividends

Dividend distribution to the shareholders is recognised as a liability in the period in which it is approved.

3.23 - Warranty Expenses

Warranty expenses are recorded as and when valid claims are received from customers.

4 - CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards. These standards require the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are as follows:

	Notes
a) Useful life of depreciable Property, Plant and Equipment and amortizable Intangible assets.	3.2 & 3.4
b) Liability in respect of staff retirement benefits.	3.1
c) Taxation.	3.6
d) Contingencies and Commitments	13
e) Stocks in trade.	3.9

Estimates and judgments are continually evaluated and are based on historic experience and other factors including expectation of future events that are believed to be reasonable under the circumstances.

The Company also provides free use of Company maintained cars to some of the directors and executives for Business use.

38- SEGMENT REPORTING

Management monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Operating segment are reported in a manner consistent with internal reporting provided to the Chief Operating Decision Maker (CODM). Segment performance is generally evaluated based on certain key performance indicators including business volume and gross profit.

Segment results include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

The management has determined the operating segments and segment wise assets and liabilities based on the reports reviewed by the CODM that are used to make strategic and business decision.

i) HOUSEHOLD APPLIANCES

This segment relates to the sale of imported household appliances.

ii) AUTO-PARTS

This segment relates to the sale of auto-parts manufactured by the Company.

iii) AUTO-RICKSHAW

This segment relates to the sale of auto-rickshaw assembled by the Company.

39 - FINANCIAL INSTRUMENTS

39.1 - Concentration of credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties failed completely to perform as contracted. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	Note	2013 Rupees	2012 Rupees
FINANCIAL ASSETS			
Long term Deposits	17	1,657,137	1,137,137
Trade debts	20	133,661,024	129,278,444
Loans and Advances	16 & 21	18,091,632	11,621,186
Trade Deposits	22	32,027,746	16,537,115
Bank Balances	24	127,543,489	8,932,430
		<u>312,981,027</u>	<u>167,506,313</u>

The maximum exposure to credit risk for trade debts on geographical basis:

Pakistan	133,661,024	129,278,444
	<u>133,661,024</u>	<u>129,278,444</u>

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

The maximum exposure to credit risk for trade debts, at the reporting date by type of parties was:

	2013 Rupees	2012 Rupees
Institutional Customers	-	-
Corporate Customers	83,783,355	76,640,898
Distributor	389,091	5,489,490
Dealers	47,692,077	46,997,857
Others	1,796,501	150,199
	<u>133,661,024</u>	<u>129,278,444</u>

The aging of trade debts, at the reporting date was:

Not past due	103,403,872	108,045,294
Past Due 0-30 days	16,472,820	16,223,012
Past Due 31-120 days	5,171,511	2,264,676
Past Due more than 120 days	8,612,821	2,745,462
	<u>133,661,024</u>	<u>129,278,444</u>

Based on historic record the Company believes that no impairment allowance is necessary in respect of loans and receivables past due more than 120 days.

39.2- Foreign exchange risk management

Foreign currency risk arises mainly where payable exist due to transactions with foreign undertakings. Payable exposed to foreign currency risks are identified as either creditors or bills payable. The Company does not view hedging as being financially feasible owing to the excessive costs involved.

39.3- Capital Risk Management

The Company's objective when managing capital is to safe guard the company's ability to continue as a going concern so that it can provide returns for shareholders and benefits for other stakeholders; and to maintain a strong capital base to support the sustained development of its business. The company manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the company may adjust the amount of dividend paid to shareholders or issue new shares.

39.4- Fair value of financial instruments

The carrying value of all the financial instruments i.e. financial assets and liabilities reflected in the financial statements approximate their fair values.

39.5- Market Risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices. Market risk comprises of three types of risk: Currency risk, interest rate risk and price risk.

39.5.1- Currency Risk

Currency risk is the risk that fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The company is exposed to currency risk on import of raw materials and finished goods being denominated in US dollars. The Company's exposure to foreign currency risk for US Dollars is on account of outstanding letter of credits of Rs.84.60 million (2012: Rs. 48.52 million).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

39.5.2- Interest Rate Risk

Interest rate risk is the risk that fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Financial liabilities include balance of Rs. 26.71 million (2012: Rs. 46.62 million) which is subject to interest rate risk.

Cash Flow Sensitivity Analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date, with all other variables remaining constant, the net income for the year would have been lower or higher by Rs. 0.267 million (2012: Rs. 0.466 million).

39.5.3 -Price Risk

Price risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market prices (Other than those arising from interest risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. At present, the company is not exposed to price risk as there are no investments in marketable securities.

39.5.4 Liquidity risk

Liquidity risk reflects an enterprise's inability in raising funds to meet commitments. The Company follows an effective cash management planning policy to ensure availability of funds and to take appropriate measures for new requirements.

The following are the contractual maturities of financial liabilities, including estimated interest payments.

	2013						(Rupees)
	Carrying Amount	Contractual Cash Flows	6 months or less	6-12 months	1-2 years	2-5 years	More than 5 years
Liability under finance lease	11,530,104	13,133,279	3,656,765	2,975,906	5,251,062	1,249,547	-
